The Reporting Person did not pay additional consideration to the Stockholders in connection with the execution and delivery of the Voting Agreements and thus no funds were used for such purpose. The total amount of funds required to pay the aggregate Merger Consideration (defined in Item 4) and to cash out outstanding stock options and restricted stock unit awards is approximately \$85.3 million. The Reporting Person will fund the purchase of the Common Stock and the cash out of outstanding stock options and restricted stock unit awards with cash on hand of the Reporting Person.

Item 4. Purpose of Transaction

(a) (g)

Merger Agreement

On September 24, 2014, LabCorp, Bear Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of LabCorp (the Merger Sub), and the Issuer entered into an Agreement and Plan of Merger (the Merger Agreement), pursuant to which, subject to the terms and conditions of the Merger Agreement, Merger Sub will merge with and into the Issuer, with the Issuer surviving as a wholly owned subsidiary of the Reporting Person (the Merger). The Merger Agreement provides for, subject to the satisfaction or waiver of specified conditions, the acquisition of the Issuer at a price of \$5.25 per share of Common Stock in cash, without interest (the Merger Consideration). At the effective time of the Merger (the Effective Time), on the terms and conditions set forth in the Merger Agreement, each issued and outstanding share of the Issuer's Common Stock, other than any shares cancelled in accordance with the terms of the Merger Agreement or any Dissenting Shares (defined in the Merger Agreement), will be automatically converted

into the right to receive the Merger Consideration. Additionally, each outstanding option to acquire shares of the Common Stock issued under any of the Issuer's equity compensation plans will be fully vested and exercisable immediately prior to the Effective Time and, if not exercised prior to the Effective Time, will be converted into the right to receive payment in cash for each share of Common Stock subject to such option equal to the amount by which the value of the Merger Consideration exceeds such option's exercise price. Also at the Effective Time, each restricted stock unit award granted under any of the Issuer's equity compensation plans will be converted into the right to receive an amount in cash equal to the product of the Merger Consideration multiplied by the number of shares of Common Stock subject to such restricted stock unit award. The surviving corporation of the Merger also will assume certain warrants to purchase shares of Common Stock, which will be converted into a right to receive, upon exercise and payment of the exercise price, a payment in cash equal to the Merger Consideration for each share of Common Stock that would otherwise be issuable under such warrant. The Issuer's board of directors has unanimously determined that the Merger Agreement and the transactions contemplated thereby are advisable, fair to and in the best interests of the Issuer and its stockholders and has recommended approval of the Merger by the Issuer's stockholders.

The consummation of the Merger is subject to customary closing conditions including the approval of the holders of a majority of the outstanding shares of the Issuer's Common Stock, the absence of certain legal impediments to the consummation of the Merger, and the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. The closing of the Merger is not subject to any financing condition or a vote of LabCorp's stockholders.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the agreement, the terms of which are incorporated by reference to Exhibit 1 hereto.

Voting Agreements

In connection with the entry into the Merger Agreement, on September 24, 2014, LabCorp entered into separate Voting Agreements (the "Voting Agreements") with each of the following stockholders: (i) Three Arch Capital, L.P., the holder of 1,771,348 shares of Issuer Common Stock; (ii) TAC Associates, L.P., the holder of 83,740 shares of Issuer Common Stock; (iii) Sightline Healthcare Vintage Fund, L.P., the holder of 161,494 shares of Issuer Common Stock; (iv) Sightline Healthcare Opportunity Fund, LLC, the holder of 100,057 shares of Issuer Common Stock; and (v) Sightline Healthcare Fund III, L.P., the holder of 592,661 shares of Issuer Common Stock (collectively, the "Stockholders"). The Voting Agreements provide that each Stockholder shall, among other things, vote all of the Common Stock that it beneficially owns: (i) in favor of adoption and approval of the Merger Agreement and all other transactions contemplated by the Merger Agreement, including the Merger; (ii) against any action or agreement reasonably expected to result in a breach of any covenant, representation or warranty or any other obligation or agreement of the Issuer or any of its Subsidiaries or Affiliates under the Merger Agreement or that would reasonably be expected to result in any of the conditions to the Issuer's or any of its Subsidiaries' or Affiliates' obligations under the Merger Agreement not being fulfilled; and (iii) against any Takeover Proposal (defined in the Merger Agreement), or any agreement, transaction or other matter that is intended to, or would reasonably be expected to, impede, interfere with, delay, postpone, discourage or materially and adversely affect the consummation of the Merger and all other transactions contemplated by the Merger Agreement. Each of the Stockholders granted an irrevocable proxy to the Reporting Person to vote its Common Stock in accordance with the foregoing.

The foregoing description of the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of each agreement, the terms of which are incorporated by reference to Exhibit 2 hereto.

- (h) Upon consummation of the Merger, the Issuer Common Stock will be delisted and no longer be quoted on the NASDAQ Stock Market.
- (i) Upon consummation of the Merger, the Issuer Common Stock will no longer be publicly traded and will become eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act.
- (j) Except as otherwise described herein, the Reporting Person does not presently have any plans or proposals which relate to or would result in any of the events, actions or conditions specified in paragraphs (a) through (i) of Item 4 of this Schedule 13D (although the Reporting Person reserves the right to develop such plans).

Item 5. Interest in Securities of the Issuer

(a) - (b) As of the date hereof, the Reporting Person owns no shares of Issuer Common Stock. For purposes of Rule 13d-3 under the Exchange Act (Rule 13d-3), however, as a result of entering into the Voting Agreements, the Reporting Person may be deemed to possess shared voting power and shared dispositive power over, and therefore

Notwithstanding the foregoing, the Reporting Person hereby disclaims beneficial ownership of such shares of Issuer Common Stock for any purposes other than for purposes of Section 13(d) of the Exchange Act, and this Schedule 13D shall not be construed as an admission that the Reporting Person is, for any other purposes, the beneficial owner of the securities covered by this Schedule 13D.

(c) Except as specifically set forth in this Schedule 13D, the Reporting Person has not, nor to the best knowledge of the Reporting Person, have any of the persons listed on Schedule A, effected any transaction in Common Stock during the past 60 days.

(e) Not applicable.
