Results from Continuing Operations

The following financial information represents results from continuing operations. Certain financial information excludes the impact of the following items:

1.
Foreign currency translation.
2.
The medical device excise tax, which began January 1, 2013, in conjunction with the U.S. healthcare reform act.
3.
Amortization of acquisition-related intangibles is excluded from our Earnings Per Share metric. Unless otherwise noted, when we refer to Earnings Per Share, we are referring to the adjusted basis (commonly referred to as Cash EPS), excluding acquisition-related intangibles.
4.
All adjustments to current and prior year noted on the Total Year Reconciliation of Non-GAAP Financial Measures schedule in the appendix of this presentation.

3

Executive Overview

Vincent A. Forlenza

Chairman, CEO and President

4

Strong revenue growth of 5.2%

Launched an array of new products bringing new products as a percentage of sales to 15%

Emerging Market investments continue to fuel growth

Operating effectiveness and efficiency initiatives continued to drive underlying margin expansion

42

nd

consecutive year of dividend increases

Proactively adapting to the dynamic healthcare environment by transitioning to a customer-focused provider of healthcare solutions

Our Strategy Continued to

Deliver Results

2014 Key Achievements:

5

FY 2015 Guidance Overview

1

Beginning in fiscal year 2015, adjusted EPS will exclude the amortization of acquisition-related intangibles, net of tax.

Key Takeaways

Pleased with our strong fiscal year 2014 results

Exceeded financial and operational goals

Revenue growth of 5.2%, EPS growth of 11.4%

Strong foundation for continued growth

Continue to evolve into a customer focused provider of complete solutions

Looking forward to fiscal year 2015 with confidence

(1)

Represents a write-off of capitalized product software and, to a lesser extent, fixed assets primarily resulting from the discontinuation of the Biosciences segment.

(2)

Represents the cost associated with the decision to early terminate a European distributor arrangement in the Diagnostics segment.

(3)

Represents a gain from a cash distribution received from the sale of company, in which BD had a small equity ownership.

(4)

Represents a charge associated with the decision to terminate a research and development program in the Medical segment; the charge exceeded the service and interest components of the plan's pension cost in each year. The charges also included settlement losses.

(6)

Represents an adjustment to the carrying amount of an asset that is being held for sale.

(7)

Represents employee termination costs associated with a workforce reduction.

(8)

Represents acquisition-related transaction costs incurred in connection with the GenCell Biosystems and pending CareFusion a

(9)

Represents non-cash expenses associated with the amortization of acquisition related intangibles.

(10)

Beginning in fiscal year 2015, adjusted values will exclude the amortization of acquisition related intangibles.

Forward-Looking Statements

This communication contains certain estimates and other forward-looking statements (as defined under Federal securities laws). Forward looking statements generally are accompanied by words such as will, expect, outlook or other similar words, phrases or expressions. These forward-looking statements include statements regarding the estimated or anticipated future results of BD, and of the combined company following BD's proposed acquisition of CareFusion, the anticipated benefits of the proposed combination, including estimated synergies, the expected timing of completion of the transaction and other statements that are not historical facts. These statements are based on the current expectations of BD and CareFusion management and are not predictions of actual performance. These statements are subject to a number of risks and uncertainties regarding BD and CareFusion's respective businesses and the proposed acquisition, and actual results may differ materially. These risks and uncertainties include, but are not limited to, the ability of the parties to successfully close the proposed acquisition, including the risk that the required regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the transaction; risks relating to the integration of CareFusion's operations, products and employees into BD and the possibility that the anticipated synergies and other benefits of the proposed acquisition will not be realized or will not be realized within the expected timeframe; the outcome of any legal proceedings related to the proposed merger; access to available financing for the refinancing of BD's or CareFusion's debt on a timely basis and reasonable terms; the ability to market and sell CareFusion's products in new markets, including the ability to obtain necessary regulatory product registrations and clearances; the loss of key senior management or other associates; the anticipated demand for BD's and CareFusion's products, including the risk of future reductions in government healthcare funding, changes in reimbursement rates or changes in healthcare practices that could result in lower utilization rates or pricing pressures; the impact of competition in the medical device industry; the risks of fluctuations in interest or foreign currency exchange rates; product liability claims; difficulties inherent in product development, including the timing or outcome of product development efforts, the ability to obtain regulatory approvals and clearances and the timing and market success of product launches; risks relating to fluctuations in the cost and availability of raw materials and other sourced products and the ability to maintain favorable supplier arrangements and relationships; successful compliance

with governmental regulations applicable to BD, CareFusion and the combined company; changes in regional, national or foreign economic conditions; uncertainties of litigation, as well as other factors discussed in BD's and CareFusion's respective filings with the Securities Exchange Commission (SEC). BD and CareFusion do not intend to update any forward-looking statements to reflect events or circumstances after the date hereof, except as required by applicable laws or regulations.

IMPORTANT INFORMATION FOR INVESTORS

In connection with the proposed transaction, on November 4, 2014, BD filed with the SEC a registration statement on Form S-4 that constitutes a preliminary prospectus of BD and includes a preliminary proxy statement of CareFusion. The registration statement has not yet become effective. After the registration statement has been declared effective by the SEC, the definitive proxy statement/prospectus will be delivered to stockholders of CareFusion. BD and CareFusion also plan to file other relevant documents with the SEC regarding the proposed transaction. **INVESTORS ARE URGED TO READ THE DEFINITIVE PROXY STATEMENT/PROSPECTUS (INCLUDING ALL AMENDMENTS AND SUPPLEMENTS THERETO) AND OTHER DOCUMENTS RELATING TO THE MERGER THAT WILL BE FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION.** You may obtain a free copy of the registration statement and the definitive proxy statement/prospectus (when available) and other relevant documents filed by BD and CareFusion with the SEC at the SEC's website at www.sec.gov. In addition, you will be able to obtain free copies of these documents by phone, e-mail or written request by contacting the investor relations department of BD or CareFusion at the following: Monique N. Dolecki, Investor Relations 201-847-5378 Monique_Dolecki@bd.com or Jim Mazzola, Investor Relations 858-617-1203 Jim.Mazzola@CareFusion.com

PARTICIPANTS IN THE SOLICITATION

BD and CareFusion and their respective directors and executive officers and other members of management and employees may be deemed to be participants in the solicitation of proxies in respect of the proposed transaction. Information about BD's directors and executive officers is available in BD's proxy statement dated December 19, 2013, for its 2014 Annual Meeting of Shareholders and subsequent SEC filings. Information about CareFusion's directors and executive officers is available in CareFusion's proxy statement dated September 25, 2014, for its 2014 Annual Meeting of Stockholders. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the proxy statement/prospectus and other relevant materials to be filed with the SEC regarding the merger when they become available. Investors should read the proxy statement/prospectus carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from BD or CareFusion as indicated above. This communication shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933, as amended.
