Forward-Looking Statements  
This communication contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, including with respect to the anticipated

timing, completion and effects of the proposed merger between Cypress and Spansion. These statements are based on management's current expectations and beliefs, and are subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. These forward-looking statements include statements about future financial and operating results; benefits of the transaction to customers, stockholders and employees; potential synergies and cost savings; the ability of the combined company to drive growth and expand customer and partner relationships; and other statements regarding the proposed transaction. Forward-looking statements

may  
contain  
words  
such

as  
will  
be,  
will,  
expected,  
anticipate,  
continue,

or  
similar

expressions, and include the assumptions that underlie such statements. The following factors, among others, could cause actual results to differ materially from those described in the forward-looking statements:

failure of the Cypress or Spansion stockholders to approve the proposed merger; failure to achieve regulatory approval; the challenges and costs of closing, integrating, restructuring and achieving anticipated synergies; the ability to retain key employees, customers and suppliers; and other factors, including those set forth in the most current Form 10-K, Form 10-Q and 8-K reports filed by Cypress and Spansion with the Securities and Exchange Commission (the "SEC"). All forward-looking statements are based

on  
management's  
estimates,  
projections  
and  
assumptions

as  
of  
the  
date  
hereof,  
and

Cypress  
and

Spansion are under no obligation (and expressly disclaim any such obligation) to update or revise their forward-looking statements whether as a result of new information, future events, or otherwise.

No  
Offer  
or  
Solicitation

This  
communication  
does  
not  
constitute  
an  
offer  
to  
sell  
or  
the  
solicitation  
of  
an

offer to buy any securities or a solicitation of any vote or approval with respect to the proposed merger or otherwise.

No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.
