Under the Agreement, the Company is replacing its current credit facility (the Existing Facility), which consisted of a revolving line of credit (with an aggregate commitment of up to \$75 million) and certain term loans, with a single senior unsecured revolving line of credit (with an aggregate commitment of up to \$100 million, which includes a sublimit of \$25 million for letters of credit) and a \$50 million expansion feature (the Replacement Facility). An aggregate of \$26.4 million of term loans outstanding under the Existing Facility will remain outstanding as revolving borrowings under the Replacement Facility.

The Replacement Facility will mature on June 30, 2020, and borrowings thereunder may be repaid and reborrowed, or the Lenders' commitments reduced at any time without premium or penalty, subject to customary breakage fees. Other material terms of the Amended Agreement were not amended by the Agreement.

Borrowings under the Replacement Facility may be used for working capital, capital expenditures, Permitted Acquisitions (as defined in the Agreement) and for other general corporate purposes of the Company and its subsidiaries. The obligations under the Replacement Facility are guaranteed by certain of the Company's subsidiaries.
