Item 8.01. Other Events.

On July 6, 2015, Esterline Technologies Corporation (Esterline) entered into a stock repurchase agreement (the Agreement) with Relational Investors LLC and certain affiliates (collectively, Relational) pursuant to which Esterline agreed to purchase 688,885 shares of Esterline common stock from Relational at a price of approximately \$92.65 per share, for a total purchase price of approximately \$63.8 million. The purchase price of \$92.65 per share represents a 2.5% discount from the volume weighted average of the closing prices of a share of Esterline common stock on the New York Stock Exchange on the five consecutive trading days ending on and including July 6, 2015. Pursuant to the Agreement, Relational has agreed to certain restrictions on additional sales of Esterline common stock, including that Relational will not sell or otherwise dispose of 3% or more shares of outstanding Esterline common stock to any entity that is required, or would by virtue of such sale become required, to file a Schedule 13D with the Securities and Exchange Commission with respect to Esterline s securities, until the first anniversary of the Agreement, subject to certain exceptions. The purchase of the shares is expected to be completed on July 7, 2015. The foregoing description of the Agreement is qualified in its entirety by reference to the Agreement, a copy of which is filed as Exhibit 99.1 to this report and incorporated herein by reference.

This share purchase will reduce Relational s ownership of outstanding shares of Esterline s common stock to 1,464,658 shares, or to under 5% of Esterline s total common shares outstanding, from approximately 7% of such outstanding common shares. The purchase of these shares will be funded with cash on hand and borrowings under Esterline s existing senior credit facility and is part of Esterline s previously announced share repurchase plan. After giving effect to the repurchase, approximately \$110 million remains available under Esterline s current share repurchase authorization.

On July 7, 2015, Esterline issued a press release regarding the transactions contemplated by the Agreement, a copy of which is filed as Exhibit 99.2 to this report.
