Item 1.01. Entry into a Material Definitive Agreement.

On November 12, 2015, NCR Corporation, a Maryland corporation (the *Company* or *NCR*), announced the entry into an Investment Agreement dated as of November 11, 2015 (the *Investment Agreement*) between the Company and funds managed by or affiliated with Blackstone Capital Partners VI, L.P. and Blackstone Tactical Opportunities L.L.C. (collectively, *Blackstone*) relating to the issuance and sale to Blackstone of 820,000 shares of the Company's Series A Convertible Preferred Stock, par value \$0.01 per share (the *Series A Preferred Stock*), for an aggregate purchase price of \$820 million, or \$1,000 per share. The closing of the transaction contemplated by the Investment Agreement is conditioned upon certain customary closing conditions, including, among others, obtaining clearance under the Hart-Scott-Rodino Antitrust Improvements Act. The Company expects the closing of the transaction to occur prior to the end of the 2015 fiscal year.

The Series A Preferred Stock will rank senior to the shares of the Company's common stock, par value \$0.01 per share (the *Common Stock*), with respect to dividend rights and rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company. The Series A Preferred Stock will have a liquidation preference of \$1,000 per share. Holders of Series A Preferred Stock will be entitled to a cumulative dividend at the rate of 5.5% per annum, payable quarterly in arrears, as set forth in the Articles Supplementary classifying the Series A Preferred Stock, a form of which is attached as Annex I to the Investment Agreement (the *Articles Supplementary*). If the Company does not declare and pay a dividend, the dividend rate will increase by 2.5% to 8.0% per annum until all accrued but unpaid dividends have been paid in full. Dividends shall be paid in-kind, through the issuance of additional shares of Series A Preferred Stock, for the first sixteen dividend payment dates, after which dividends will be payable in cash or in-kind at the option of the Company.

The Series A Preferred Stock will be convertible at the option of the holders at any time into shares of Common Stock at an initial conversion price of \$30.00 per share and an initial conversion rate of 33.33 shares of Common Stock per share of Series A Preferred Stock, subject to certain anti-dilution adjustments. At any time after the third anniversary of the date of the issuance of the Series A Preferred Stock (the *Closing Date*), if the volume weighted average price of the Common Stock exceeds \$54.00, as may be adjusted pursuant to the Articles Supplementary, for at least 30 trading days in any period of 45 consecutive trading days, all of the Series A Preferred Stock may be converted, at the election of the Company, into the relevant number of shares of Common Stock.

Holders of Series A Preferred Stock will be entitled to vote with the holders of the Common Stock on an as-converted basis. Holders of Series A Preferred Stock will be entitled to a separate class vote with respect to amendments to the Company's organizational documents that have an adverse effect on the Series A Preferred Stock and issuances by the Company of securities that are senior to, or equal in priority with, the Series A Preferred Stock.

On any date during the three months following March 16, 2024 and the three months following every third anniversary of such date, holders of Series A Preferred Stock will have the right to require the Company to repurchase all or any portion of the Series A Preferred Stock at 100% of the liquidation preference thereof plus all accrued but unpaid dividends. Upon certain change of control events involving the Company, holders of Series A Preferred Stock can require the Company to repurchase all or any portion of the Series A Preferred Stock at the greater of (1) an amount in cash equal to 100% of the liquidation preference thereof plus all accrued but unpaid dividends and (2) the consideration the holders would have received if they had converted their shares of Series A Preferred Stock into Common Stock immediately prior to the change of control event. The Company will have the right, upon certain change of control events involving the Company, to redeem the Series A Preferred Stock at the greater of (1) an amount in cash equal to the sum of the liquidation preference of the Series A Preferred Stock, all accrued but unpaid dividends and the present value, discounted at a rate of 10%, of any remaining scheduled dividends through the fifth anniversary of the first dividend payment date, assuming the Company chose to pay such dividends in cash and (2) the consideration the holders would have received if they had converted their shares of Series A Preferred Stock into Common Stock immediately prior to the change of control event.

Edgar Filing: NCR CORP - Form 8-K

Pursuant to the Investment Agreement, the Company has agreed to increase the size of its board of directors by two new director seats and elect Chinh Chu and Greg Blank to the board of directors for a term expiring

at the Company's 2016 annual meeting of stockholders (the 2016 Annual Meeting). At the 2016 Annual Meeting, the Company will nominate Chinh Chu for election as a Class B director with a term expiring at the Company's 2019 annual meeting of the stockholders if its board of directors is then classified (or to its board of directors generally if the board of directors is not then classified), and Greg Blank for election as a Class C director with a term expiring at the Company's 2017 annual meeting of the stockholders if its board of directors is then classified (or to its board of directors generally if the board of directors is not then classified).

So long as Blackstone or its affiliates beneficially own shares of Series A Preferred Stock and/or shares of Common Stock issued upon conversion of Series A Preferred Stock (Conversion Common Stock) that represent, on an as converted basis, at least 50% of Blackstone's initial shares of Series A Preferred Stock on an as-converted basis, Blackstone will have the right to designate a total of two directors for election to the Company's board of directors. So long as Blackstone or its affiliates beneficially own shares of Series A Preferred Stock and/or Conversion Common Stock that represent, on an as converted basis, at least 25% but less than 50% of Blackstone's initial shares of Series A Preferred Stock on an as-converted basis, Blackstone will have the right to designate a total of one director for election to the Company's board of directors.

Blackstone will be subject to certain standstill restrictions, including, among other things, that Blackstone will be restricted from acquiring additional securities of the Company, until the later of (a) the three year anniversary of the Closing Date and (b) the date that no Blackstone designee serves on the Company's board of directors and Blackstone has no rights (or has irrevocably waived its rights) to designate directors for election to the Company's board. Subject to certain customary exceptions, Blackstone will be restricted from transferring the Series A Preferred Stock or Conversion Common Stock until the 18 month anniversary of the Closing Date.

Blackstone and its affiliates will have certain customary registration rights with respect to the Series A Preferred Stock and the Conversion Common Stock pursuant to the terms of a registration rights agreement, a form of which is attached as Annex II to the Investment Agreement.

The foregoing description of the terms of the Series A Preferred Stock, the Investment Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Investment Agreement and the schedules and annexes thereto, which is attached hereto as Exhibit 10.1, and is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information contained in Item 1.01 is incorporated herein by reference.

As described in Item 1.01, under the terms of the Investment Agreement, the Company has agreed to issue shares of Series A Preferred Stock to Blackstone. This issuance and sale will be exempt from registration under the Securities Act of 1933, as amended (the Securities Act), pursuant to Section 4(a)(2) of the Securities Act. Blackstone represented to the Company that it is an accredited investor as defined in Rule 501 of the Securities Act and that the Series A Preferred Stock is being acquired for investment purposes and not with a view to, or for sale in connection with, any distribution thereof, and appropriate legends will be affixed to any certificates evidencing the shares of Series A Preferred Stock or Conversion Common Stock.
