Adoption of 2016 Award Formula under the Company's 2014 Key Officers Incentive Plan

On March 23, 2016, the Compensation Committee (the Committee) adopted the 2016 Award Formula (the 2016 KOIP Award Formula) for the Company's 2014 Key Officers Incentive Plan (the Plan). The 2016 KOIP Award Formula is applicable to the Company's executive officers, including the named executive officers listed below. Under the 2016 KOIP Award Formula, an executive officer is eligible to receive a cash award calculated by multiplying his annual base salary at the end of the year by a percentage set by the Committee (the Target Percentage), then applying the award formula. Corporate Participants and Profit Center Participants have separate award calculations based on factors defined in the 2016 KOIP Award Formula as follows:

Participant Type	Performance Objectives	Relative Weight
Corporate Participants	Return on Capital Employed (ROCE)	60%
	Cash Flow	20%
	Individual Performance Goals*	20%
Profit Center Participants	Return on Capital Employed (ROCE)	60%
	Free Cash Flow (FCF)	20%
	Individual Performance Goals*	20%

* These awards are established outside the Plan.

Corporate Participants. Awards for Corporate Participants are determined by the Company's aggregate 2016 financial results. No awards are paid for ROCE achievement below 39% and Cash Flow below \$400 million. The maximum payout percentage for ROCE and Cash Flow achievement is capped at 150%. Karl G. Glassman (President & Chief Executive Officer) and Matthew C. Flanigan (Executive Vice President & Chief Financial Officer) are Corporate Participants. Below are the 2016 Corporate Targets and Payout Schedule. Payouts will be interpolated for achievement levels falling between those in the schedule. Financial results from acquisitions are excluded from the calculations in the year of acquisition. Financial results from divestitures will be included in the calculations; however, the Performance Objective targets relating to the divested businesses will be prorated to reflect only the portion of the year prior to the divestiture.

As previously reported, David S. Haffner served the Company as Board Chair and Chief Executive Officer through December 31, 2015. Pursuant to Mr. Haffner's former employment agreement with the Company, he will continue to receive a cash bonus payment for all of 2016 and on a prorated basis through the 2017 Annual Meeting of Shareholders, which is expected to be held in May. Mr. Haffner's 2016 cash bonus will be calculated in the same manner as a Corporate Participant under the 2016 KOIP Award Formula; however, since Mr. Haffner does not have Individual Performance Goals, as discussed below, the Committee determined that his bonus will be based 70% on ROCE and 30% on Cash Flow.

Profit Center Participants. For Profit Center Participants, no awards are paid for achievement below 80% of the ROCE and FCF targets for the applicable profit centers under the executive's management. The ROCE and FCF payouts are each capped at 150%. Perry E. Davis (Senior Vice President, President - Residential Furnishings Segment) and Jack D. Crusa (Senior Vice President, President

Industrial Materials and Specialized Products Segments) are Profit Center Participants. Mr. Crusa is included in this disclosure because it is expected that he will be included as a named executive officer in the Company's definitive proxy statement for its 2016 Annual Meeting of Shareholders. Joseph D. Downes, Jr., the Company's former Senior Vice President, President Industrial Materials, retired from the Company on December 31, 2015. As such, he will not receive a cash bonus for 2016. Below are the 2016 Profit Center Payout Schedule and Targets for Mr. Davis and Mr. Crusa. Payouts will be interpolated for achievement levels falling between those in the schedule. Financial results for each profit center may include a critical compliance adjustment, ranging from a potential 5% increase for exceptional safety performance to a 20% deduction for critical compliance failures. Financial results from acquisitions are excluded from the calculations in the year of acquisition. Financial results from divestitures will be included in the calculations; however, the Performance Objective targets relating to the divested businesses will be prorated to reflect only the portion of the year prior to the divestiture.

Individual Performance Goals. An executive's cash award under the 2016 KOIP Award Formula is based, in part, on individual performance goals established outside the Plan (20% relative weight). The 2016 goals for our named executive officers¹ are:

Karl G. Glassman: Strategic planning, growth initiatives and succession planning.

Matthew C. Flanigan: Strategic planning, credit facility renewal, information technology and internal audit improvements.

Perry E. Davis: Growth of targeted businesses and supply chain initiatives.

Jack D. Crusa:² Production improvements for targeted businesses, purchasing initiatives and succession planning.

Edgar Filing: LEGGETT & PLATT INC - Form 8-K

Neither Mr. Haffner nor Mr. Downes were employed by the Company as of January 1, 2016. As such, neither have individual performance goals for 2016.

- ² Mr. Crusa's individual performance goals are disclosed because he is expected to be included as a named executive officer in the Company's definitive proxy statement for its 2016 Annual Meeting of Shareholders.

Achievement of the individual performance goals is measured by the following schedule.

Individual Performance Goals Payout Schedule

(1-5 scale)

Achievement	Payout
1 Did not achieve goal	0%
2 Partially achieved goal	50%
3 Substantially achieved goal	75%
4 Fully achieved goal	100%
5 Significantly exceeded goal	Up to 150%

The foregoing is only a brief description of the 2016 KOIP Award Formula and is qualified in its entirety by such formula, which is attached and incorporated by reference as Exhibit 10.1. The definitions of ROCE, Cash Flow and FCF and example calculations are included in the attached 2016 KOIP Award Formula.
