2016 PROXY STATEMENT

This proxy statement and the accompanying materials are being made available to stockholders of Burlington Stores, Inc. (Burlington , the Company , we , us , or our) beginning on or about April 1, 2016. In this proxy statement, you find information on the matters to be presented at the 2016 Annual Meeting of Stockholders (the Annual Meeting) and information to assist you in voting your shares.

ABOUT THE ANNUAL MEETING

Who is soliciting my vote?

The Board of Directors of Burlington Stores, Inc. (the Board or the Board of Directors) is soliciting your vote at the Annual Meeting.

What will I be voting on?

You will be voting on:

Election of three directors nominated by the Board (Proposal 1);

Ratification of the appointment of Deloitte & Touche LLP as our independent registered certified public accounting firm for the fiscal year ending January 28, 2017 (Proposal 2);

Non-binding advisory approval of the compensation of our named executive officers (Proposal 3); and

Any other business that may properly come before the Annual Meeting.

What are the Board of Directors' voting recommendations?

The Board recommends that you vote:

FOR each of the three directors nominated by the Board (Proposal 1);

FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered certified public accounting firm for the fiscal year ending January 28, 2017 (Proposal 2); and

FOR the non-binding advisory approval of the compensation of our named executive officers (Proposal 3).

Who is entitled to vote?

All stockholders who owned the Company's common stock at the close of business on the record date, March 24, 2016, are entitled to attend and vote at the Annual Meeting.

How many votes do I have?

You will have one vote on each matter for every share of the Company's common stock you owned on the record date.

How many votes can be cast by all stockholders?

Each share of the Company's common stock is entitled to one vote. There is no cumulative voting. On the record date, the Company had 71,284,448 shares of common stock outstanding and entitled to vote.

Table of Contents

How many shares must be present to hold the Annual Meeting?

A majority of the outstanding shares of the Company's common stock must be present or represented by proxy at the Annual Meeting in order to have a quorum. If the persons present or represented by proxy at the Annual Meeting constitute the holders of less than a majority of the outstanding shares of common stock as of the record date, the Annual Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Shares are counted as present at the Annual Meeting if stockholders are present and vote in person or a proxy card has been properly submitted by or on behalf of a stockholder. Abstentions and broker non-votes are counted for purposes of determining the presence of a quorum. A broker non-vote occurs when a bank, broker or other nominee holding shares for a beneficial owner submits a proxy for the Annual Meeting without voting on a particular proposal, because the bank, broker or other nominee has not received instructions from the beneficial owner and does not have discretionary voting power with respect to that proposal. A bank, broker or other nominee may exercise its discretionary voting power with respect to the ratification of the appointment of Deloitte & Touche LLP as our independent registered certified public accounting firm for the fiscal year ending January 28, 2017 (Proposal 2), but does not have discretion to vote with respect to the election of directors (Proposal 1) or the non-binding advisory approval of the compensation of our named executive officers (Proposal 3).

How many votes are required to elect directors and adopt the other proposals?

The affirmative vote of the holders of a plurality of votes properly cast by the stockholders entitled to vote at the Annual Meeting is required for the election of directors (Proposal 1). Proposals 2 and 3 require the approval of the holders of a majority of votes properly cast and entitled to vote on the proposal. Abstentions and broker non-votes have no effect on the determination of whether a director nominee or any proposal has received a plurality or majority of the votes cast.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

We are pleased to take advantage of the Securities and Exchange Commission (the "SEC") rules that allow issuers to furnish proxy materials to their stockholders on the Internet. We believe these rules allow us to provide our stockholders with the information they need while lowering the costs of delivery and reducing the environmental impact of our Annual Meeting. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a Notice of Internet Availability of Proxy Materials, which indicates how our stockholders may:

access their proxy materials and vote their proxies over the Internet or by telephone; or

make a request to receive a printed set of proxy materials by mail.

How do I vote?

Registered Holders

If you are a registered holder (meaning your shares are registered in your name with our transfer agent, American Stock Transfer & Trust Company, LLC), then you may vote either in person at the Annual Meeting or by proxy. If

Edgar Filing: Burlington Stores, Inc. - Form DEF 14A

you decide to vote by proxy, you may vote via the Internet, by telephone or by mail and your shares will be voted at the Annual Meeting in the manner you direct. For those stockholders who receive a Notice of Internet Availability of Proxy Materials, the Notice of Internet Availability of Proxy Materials provides information on how to access your proxy card, which contains instructions on how to vote via the Internet or by telephone or receive a paper proxy card to vote by mail. Telephone and Internet voting facilities for stockholders of record will close at 11:59 p.m. Eastern Time on May 17, 2016.

Table of Contents

In the event that you return a signed proxy card on which no directions are specified, your shares will be voted as the Board recommends.

Beneficial Holders

If, like most stockholders, you are a beneficial owner of shares held in street name (meaning a broker, trustee, bank, or other nominee holds shares on your behalf), you may vote in person at the Annual Meeting only if you obtain a legal proxy from the nominee that holds your shares and present it to the inspector of elections with your ballot at the Annual Meeting. Alternatively, you may provide instructions to the nominee that holds your shares to vote by completing, signing and returning the voting instruction form that the nominee provides to you, or by using the voting arrangements described on the voting instruction form, the Notice of Internet Availability of Proxy Materials or other materials that the nominee provides to you.

If you do not provide voting instructions to your nominee, this results in a broker non-vote and the nominee will not vote your shares on the election of directors (Proposal 1) or the non-binding advisory approval of the compensation of our named executive officers (Proposal 3), but can exercise its discretionary voting power with respect to the ratification of the appointment of Deloitte & Touche LLP as our independent registered certified public accounting firm for the fiscal year ending January 28, 2017 (Proposal 2) and register your shares as being present at the Annual Meeting for purposes of determining a quorum.

How do I attend the Annual Meeting?

Admission to the Annual Meeting is limited to the Company's stockholders or their proxy holders. Each stockholder will be asked to present proof of stock ownership and a valid, government-issued photo identification, such as a driver's license, before being admitted to the Annual Meeting. Proof of stock ownership may consist of the top portion of the proxy card or if shares are held in the name of a broker, bank or other nominee, an account statement or letter from the nominee indicating that the individual beneficially owned shares of the Company's common stock on the record date for the Annual Meeting.

Can I change my vote after I execute my proxy?

You may revoke or change a previously delivered proxy at any time before the Annual Meeting by delivering another proxy with a later date, by voting again via the Internet or by telephone, or by delivering written notice of revocation of your proxy to our Secretary at our principal executive offices before the beginning of the Annual Meeting. You may also revoke your proxy by attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If you hold shares in street name, you must contact the nominee that holds the shares on your behalf to revoke any prior voting instructions. You also may revoke any prior voting instructions by voting in person at the Annual Meeting if you obtain a legal proxy as described above.

Will my vote be kept confidential?

Yes. The Company's policy is that all proxy or voting instruction cards, ballots and vote tabulations which identify the vote of an individual stockholder are to be kept secret. Your vote will only be disclosed:

to allow the independent election inspectors to certify the results of the vote;

if we are legally required to disclose your vote;

if there is a proxy contest involving us; or

if you make a written comment on your proxy or voting instruction card or ballot.

Table of Contents

Who pays for this proxy solicitation?

We will bear the entire cost of this solicitation of proxies, including the preparation, assembly, printing, and mailing of the Notice of Internet Availability of Proxy Materials, this proxy statement, the proxy and any additional solicitation material that we may provide to stockholders. Copies of solicitation material will be provided to brokerage firms, fiduciaries, custodians and other nominees holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners. Further, the original solicitation of proxies by mail and through the Internet may be supplemented by solicitation by mail, email, facsimile, personal interview or telephone and other means by our directors, officers and employees. No additional compensation will be paid to these individuals for any such services.

Could other matters be decided at the Annual Meeting?

We do not know of any other matters that will be considered at the Annual Meeting. If any matter other than those described in this proxy statement arises at the Annual Meeting, the proxies will be voted at the discretion of the proxy holders.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Overview of Our Board Structure

The Board currently consists of nine members divided into three classes equal in size (designated Class I, Class II and Class III), with one class being elected each year for a three-year term. Each director's term continues until his or her successor shall have been duly elected and qualified, or until his or her earlier death, resignation, removal or retirement.

Mahoney, each a current Class III director, for election to the Board.

The proxy holders intend to vote all proxies received by them for the nominees unless otherwise instructed. As of the date of this proxy statement, the Board of Directors is not aware that any nominee is unable or will decline to serve as a director.

In determining whether to nominate each of the current Class III directors for another term, the Board considered the factors discussed below under the caption entitled "Nominees for the Board of Directors" and concluded that each of the current directors standing for re-election possesses unique talents, backgrounds, perspectives, attributes and skills that will enable each of them to guide the Company in the best interests of its stockholders. CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board has developed and adopted Corporate Governance Guidelines (the Guidelines) to assist the Board in the exercise of its responsibilities and to best serve the interests of the Company and its stockholders. The Guidelines cover the determination of director independence, the operation, structure and meetings of the Board, the committees of the Board and other matters relating to our corporate governance. The Guidelines are available on our corporate website, www.burlingtonstores.com, under Investor Relations Corporate Governance Governance Documents.

Board Leadership Structure

Thomas A. Kingsbury, the Company's President and Chief Executive Officer, currently serves as Chairman of the Board, having been appointed to that position by the Board in May 2014. Mr. Kingsbury is best situated to serve as Chairman because he is the director most familiar with our business and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Moreover, our Chief Executive Officer is able to effectively communicate Board strategy to the other members of management and efficiently implement Board directives.

The Guidelines provide that the Board retains discretion to combine or separate the offices of Chairman and Chief Executive Officer. Such a determination would be made depending on what is in the best interest of the Company in light of all circumstances. In the event that the Chairman is not an independent director, the Guidelines provide that the Board will appoint an independent director to serve in a lead capacity (Lead Independent Director) to coordinate the activities of the other independent directors. The Lead Independent Director will be appointed by the independent directors annually to a one-year term (which may be renewed), and shall serve until such earlier time as he or she ceases to be a director, resigns as Lead Independent Director, is replaced as Lead Independent Director by a majority of the independent directors, or the Board elects an independent Chairman. In March 2016, John Mahoney was appointed as the Lead Independent Director.

The Lead Independent Director's responsibilities include:

Presiding over executive sessions of the independent directors.

Presiding at meetings of the Board in the absence of, or upon the request of, the Chairman.

Serving as a liaison and supplemental channel of communication between the Chairman and the independent directors.

Providing input on information sent to the Board.

Providing input on agendas for meetings of the Board.

Reviewing meeting schedules to assure there is sufficient time for discussion of all agenda items.

Communicating to the Chief Executive Officer the annual performance evaluation made by the non-management directors.

The Lead Independent Director also has the authority to call meetings of the independent directors and, if appropriate and with the concurrence of the other independent directors, be available for consultation and direct communication with major stockholders. If the Lead Independent Director is not present at any meeting of the Board, a majority of the independent directors present shall select a non-employee, independent director to act as Lead Independent Director for the purpose and duration of such meeting.

The Board believes that its current leadership structure is appropriate and meets the Company's current needs. The Board will periodically review its leadership structure to ensure that it continues to meet our needs.

Board's Role in Risk Oversight

Our Board has delegated to the Audit Committee oversight of our risk management process. Our Board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board of Directors as appropriate, including when a matter rises to the level of a material or enterprise level risk. Our management is responsible for day-to-day risk management. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Independent Directors

Under the Guidelines, our Board will determine the independence of a director according to the definitions of independent director included in pertinent listing standards of the New York Stock Exchange (NYSE) and other relevant laws, rules and regulations. The Board evaluates any relationships of each director and nominee, as well as any member of his or her immediate family, with the Company and makes an affirmative determination whether or not such director or nominee is independent. The Board of Directors has affirmatively determined that each of our directors other than Mr. Kingsbury is independent under the criteria established by the NYSE for director independence, that Messrs. Sullivan, Mahoney, and McNamara meet the additional independence requirements of the NYSE applicable to Audit Committee members and that Messrs. Hitch, Bekenstein, Sullivan, Mahoney and McNamara meet the additional independence requirements of the NYSE applicable to Compensation Committee members.

Meeting Attendance

During our fiscal year ended January 30, 2016, the Board held four meetings. Each director attended at least 75% of the meetings of the Board and of the committees of which such director was a member during this period.

We invite all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting, but we do not have a formal attendance requirement. Two of our directors attended our 2015 annual meeting of stockholders.

Executive Sessions

Our non-employee, independent directors meet in separate executive sessions without management periodically during regularly scheduled Board meetings to review matters concerning the relationship of the Board with management and such other matters as deemed appropriate. Each executive session has a presiding director. Prior to the appointment of John Mahoney as Lead Independent Director in March 2016, the directors meeting in each executive session selected a presiding director for such executive session. The Lead Independent Director will preside over executive sessions of the independent directors going forward.

Communications with the Board of Directors

Stockholders and other interested parties may communicate directly with the Board, the independent directors as a group or specified individual directors by writing to such individual or group care of our Secretary at the following address: Burlington Stores, Inc., 2006 Route 130 North, Burlington, New Jersey 08016. Stockholders and others can also communicate complaints regarding accounting, internal accounting controls or auditing matters by writing to the Chairman of the Audit Committee care of our Secretary at the same address. Our Secretary will forward all correspondence to the relevant group or individual.

Nominees for the Board of Directors

The Board is responsible for identifying and reviewing candidates for director positions and for selecting nominees for election as directors by our stockholders, in each case based on the recommendation of the

Table of Contents

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service, if the Board decides not to re-nominate a member for re-election or if the Board elects to increase the size of the Board by adding a new member, the Nominating and Corporate Governance Committee will then identify the desired skills and experience of a new nominee. The Nominating and Corporate Governance Committee may, in its discretion, also engage a consultant or search firm to assist in identifying qualified individuals.

As set forth in the Guidelines, it is the policy of our Board that directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the stockholders. It is also the policy of the Board that the composition of the Board and its committees adhere to the standards of independence required by the NYSE and applicable law and reflect a range of talents, ages, skills, character, diversity, and expertise, particularly in the areas of accounting and finance, management, domestic and international markets, leadership and corporate governance, and the industries in which we operate sufficient to provide sound and prudent guidance with respect to the operations and interests of the Company. Our directors must be able to dedicate the time necessary for the diligent performance of their duties, including preparing for and attending board and applicable committee meetings. In this respect, the Guidelines provide that all directors with full-time jobs should not serve on the boards of more than three other public companies, and the Board believes that no person should serve on more than four other boards of public companies in addition to our Board, provided, however, that this restriction does not apply to those directors with full-time jobs that require the director to serve on the boards of other companies.

The Nominating and Corporate Governance Committee considers properly submitted recommendations for candidates to the Board from stockholders. In order to nominate a director for election to the Board, stockholders must follow the procedures set forth in our Bylaws (described in more detail under the caption below entitled *Stockholder Proposals For 2017 Annual Meeting Of Stockholders*), including timely receipt by the Secretary of the Company of notice of the nomination and certain required disclosures with respect to both the nominating stockholder and the recommended director nominee. The Nominating and Corporate Governance Committee will evaluate director candidates properly recommended by stockholders in the same manner as candidates from other sources. The Nominating and Corporate Governance Committee will determine whether to interview any candidates and may seek additional information about candidates from third party sources.

Code of Conduct and Code of Ethics

We have adopted a written Code Conduct (the *Code of Conduct*) which applies to all of our directors, officers and other employees, including our principal executive officer, principal financial officer, principal accounting officer and controller. In addition, we have adopted a written Code of Ethics for the Chief Executive Officer and Senior Financial Officers (*Code of Ethics*) which applies to our principal executive officer, principal financial officer, principal accounting officer, controller and other designated members of our management. Copies of each code are available on our corporate website, www.burlingtonstores.com, under *Investor Relations Corporate Governance Governance Documents*. The information contained on our website does not constitute a part of this proxy statement. We will provide any person, without charge, upon request, a copy of our Code of Conduct or Code of Ethics. Such requests should be made in writing to the attention of our Secretary at the following address: Burlington Stores, Inc., 2006 Route 130 North, Burlington, New Jersey 08016. We intend to satisfy any disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of the Code of Conduct or the Code of Ethics by posting such information on our corporate website, www.burlingtonstores.com, under *Investor Relations Corporate Governance Governance Documents*.

Table of Contents**BOARD COMMITTEES**

We have three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each of these committees has a written charter approved by the Board. A copy of each charter is available on our corporate website, www.burlingtonstores.com, under Investor Relations Corporate Governance Governance Documents.

The members of the committees, as of the date of this proxy statement, are identified in the following table:

Joshua Bekenstein		X	
Frank Cooper, III			X
Jordan Hitch		Chair	X
John J. Mahoney	X	X	Chair

Paul J. Sullivan	Chair	X	

Audit Committee

The purpose of the Audit Committee is set forth in the Audit Committee charter and is primarily to assist the Board of Directors in fulfilling its oversight responsibility relating to:

the integrity of the Company's financial statements and its financial reporting process;

the systems of internal accounting and financial controls;

the performance of the Company's internal audit function and independent auditor;

the independent auditor's qualifications and independence; and

the Company's compliance with legal and regulatory requirements.

The Audit Committee held seven meetings during our fiscal year ended January 30, 2016. Mr. Sullivan and Mr. Mahoney have been determined by our Board of Directors to be an audit committee financial expert within the meaning of Item 407 of Regulation S-K. All of the members of the Audit Committee meet the requirements for financial literacy under applicable rules and regulations.

Mr. Mahoney simultaneously serves on the Audit Committee and on the audit committees of three other public companies. Based on Mr. Mahoney's substantial financial expertise, including his experience as a public company chief financial officer and in public accounting, the Board of Directors has determined that such simultaneous service does not impair the ability of Mr. Mahoney to effectively serve on the Audit Committee.

Compensation Committee

As set forth in its charter, the Compensation Committee's primary purpose and responsibilities are:

to review and approve corporate goals and objectives relevant to the Chief Executive Officer's compensation, to evaluate the Chief Executive Officer's performance according to these goals and objectives and to determine and approve the Chief Executive Officer's compensation level based on this evaluation;

to screen and recommend to the Board of Directors for approval individuals qualified to become Chief Executive Officer of the Company;

Table of Contents

to recommend to the Board of Directors for approval total compensation for the members of the Board and to approve total compensation for executive vice presidents and officers above that level, including oversight of all related executive benefit plans;

to oversee the Company's general incentive compensation plans and equity based plans; and

to produce a compensation committee report on executive compensation as required by the SEC to be included in the Company's annual proxy statement or annual report on Form 10-K filed with the SEC.

For additional description of the Compensation Committee's processes and procedure for consideration and determination of executive officer compensation, see Compensation Discussion and Analysis. The Compensation Committee held six meetings during our fiscal year ended January 30, 2016.

Nominating and Corporate Governance Committee

As set forth in its charter, the Nominating and Corporate Governance Committee's primary purpose and responsibilities are:

to develop and recommend qualification standards and other criteria for selecting new directors, identify individuals qualified to become Board members consistent with qualification standards and other criteria approved by the Board and recommend to the Board of Directors such individuals as nominees to the Board for its approval;

to oversee evaluations of the Board and the Board committees; and

to oversee the Company's compliance with ethics policies and consider matters of corporate governance. The Nominating and Corporate Governance Committee held four meetings during our fiscal year ended January 30, 2016.

DIRECTOR COMPENSATION

Cash Retainers and Stock Awards

Each independent, non-management director receives compensation for his or her service as a director, which consists of an annual cash retainer (payable in equal quarterly installments and pro-rated for partial quarters) and an annual award of equity (commencing in 2015). In addition, upon their initial election or appointment to the Board, independent, non-management directors receive a grant of restricted stock with a market value at the time of grant of \$100,000.

Directors who are Company employees do not receive directors' fees or equity grants based on their Board service. All directors, however, are entitled to receive reimbursement for out-of-pocket expenses incurred in connection with their service on the Board. Compensation provided to Mr. Kingsbury in his capacity as an executive officer is provided in the Summary Compensation Table below. The Compensation Committee has the responsibility for recommending to the Board the appropriate compensation for non-employee directors.

Our independent, non-management directors receive the following compensation:

An annual cash retainer of \$50,000;

An additional annual cash retainer of \$20,000 for the chair of the Audit Committee;

An additional annual cash retainer of \$15,000 for the chair of each of the Compensation Committee and the Nominating and Corporate Governance Committee;

An additional annual cash retainer of \$10,000 for non-chair members of each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee;

An additional annual cash retainer of \$30,000 for the Lead Independent Director; and

An annual grant of equity with a market value at the time of grant of \$100,000 commencing in May 2015, as further described below.

2015 Restricted Stock Grants

In 2015, we added an equity component to our independent, non-management directors' compensation in order to further align their interests with Company stockholders. The Board, upon recommendation by the Compensation Committee, concluded that each independent, non-management director should receive an annual grant of equity, in the form of restricted stock and subject to vesting conditions, with a value of \$100,000 each year, beginning on May 1, 2015. Because our directors had varying lengths of service, we pro-rated these initial grants to reflect each director's tenure through May 1, 2015. Upon recommendation of the Compensation Committee, the Board approved grants of restricted shares of the Company's common stock to each of Messrs. Sullivan, Mahoney, McNamara and

Cooper on May 1, 2015 as follows:

Name	Shares of Restricted Stock
Frank Cooper, III	1,122
John J. Mahoney	2,877
William McNamara	1,122
Paul J. Sullivan	3,231

Table of Contents

The Board affirmatively determined in May 2015 that Ms. Patrick and Messrs. Bekenstein and Hitch were independent under the criteria established by the NYSE for director independence. As of the date of such determination, each of Ms. Patrick and Messrs. Bekenstein and Hitch began receiving an annual cash retainer for service as an independent, non-management director. Upon recommendation of the Compensation Committee, the Board approved a grant of 1,829 restricted shares of the Company's common stock (such shares having a market value at the time of grant of \$100,000) to each of Ms. Patrick and Messrs. Bekenstein and Hitch on June 3, 2015.

Shares of restricted stock granted to our directors in 2015 vest one-third on each of the three anniversaries following the grant date. All unvested shares of restricted stock will remain unvested following any change in control, provided, however, that 100% of such shares will vest if the recipient loses his or her directorship as a result of a change in control. All unvested shares of restricted stock will automatically be forfeited (and will not vest) if the recipient ceases to be a member of the Board for any reason (other than as provided above in connection with a change in control) prior to the vesting date. Each director has the right to vote unvested restricted shares but cannot dispose of them until such shares have vested. With respect to the restricted shares granted to Mr. Mahoney in December 2013, all unvested shares will vest if Mr. Mahoney ceases to be a member of the Board of Directors as a result of his death or disability.

In order to simplify the compensation program applicable to our independent, non-management directors, beginning in 2016 the annual grant of equity to each such director will have a uniform value of \$100,000 on the date of grant. The grants will still be in the form of restricted stock and will be subject to the same vesting conditions as prior grants, except that in the event of a change of control, each unvested grant will vest according to its terms unless the director loses his or her directorship within two years, in which case the full award will vest. The grants will be made after the Annual Meeting.

The Board affirmatively determined in May 2015 that Ms. Patrick and Messrs. Bekenstein and Hitch were independent under the criteria established by the NYSE. Since that determination, Ms. Patrick and Messrs. Bekenstein and Hitch have received an annual cash retainer for service as an independent, non-management director, as well as fees for their service on Board committees.
- (10) Amounts shown represent the aggregate grant date fair value of awards of restricted shares of our common stock. The amounts shown were calculated in accordance with FASB ASC Topic 718, excluding the effect of certain forfeiture assumptions, and are based on a number of key assumptions described in Note 12 (entitled "Stock-Based Compensation") to the Consolidated Financial Statements included in our Annual Report on Form 10-K for fiscal 2015. Messrs. Cooper, Mahoney, McNamara and Sullivan were granted the following awards of restricted stock on May 1, 2015, which have a grant date fair value per share of \$52.02: Mr. Cooper 1,122 shares; Mr. Mahoney 2,877 shares; Mr. McNamara 1,122 shares; and Mr. Sullivan 3,231 shares. Representatives of D&T are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. Those representatives will also be available to respond to appropriate questions.

Principal Accountant Fees and Services

The following table sets forth the aggregate fees for services rendered by D&T (including the member firms of Deloitte Touche Tohmatsu and their respective affiliates), our independent registered certified public accounting firm, during fiscal 2015 and the fiscal year ended January 31, 2015 (fiscal 2014):

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Certified Public Accounting Firm

The Audit Committee has pre-approved up to \$100,000 in services provided by D&T for tax consulting services on an annual basis. Additionally, the Audit Committee has delegated authority to its Chair, Mr. Sullivan, to pre-approve D&T's services without consultation with the full Audit Committee, provided Mr. Sullivan presents pre-approval

decisions to the full Committee at its next scheduled meeting. The Audit Committee reviews on at least a quarterly basis the services provided to date by D&T and the fees incurred for those services. In its review of any non-audit service fees, the Audit Committee will consider, among other things, the possible effect of the performance of such services on the independence of D&T. All services provided by D&T during fiscal 2015 and fiscal 2014 were pre-approved by the Audit Committee or by Mr. Sullivan pursuant to the delegation described above.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

We are providing our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act) and the related rules of the SEC. This vote is commonly referred to as a say-on-pay vote. In accordance with the advisory vote of our stockholders at our 2014 Annual Meeting of Stockholders, our Board of Directors has determined that we will hold a say-on-pay vote every year until the next required vote on the frequency of future say-on-pay votes is held at our 2020 Annual Meeting of Stockholders, or until our Board of Directors otherwise determines that a different frequency for holding such say-on-pay votes is in the best interests of our stockholders.

The Compensation Discussion and Analysis beginning on page 25 and the compensation tables and narrative discussion beginning on page 45 of this proxy statement describe our executive compensation program and the compensation of our named executive officers for fiscal 2015. The Board of Directors is asking stockholders to cast a non-binding, advisory vote indicating their approval of that compensation by voting **FOR** the following resolution:

RESOLVED, that the stockholders of Burlington Stores, Inc. APPROVE, on an advisory basis, the compensation paid to its named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

As described in detail in the Compensation Discussion and Analysis, we have a total compensation approach focused on performance-based incentive compensation that seeks to:

provide each named executive officer with compensation opportunities that are competitive with the prevailing market, are rooted in a pay-for-performance philosophy and create a strong alignment of executive and stockholder interests;

tie a significant portion of each named executive officer's compensation to our financial performance; and

promote and reward the achievement of objectives that will lead to long-term growth in stockholder value. The Compensation Committee regularly reviews our executive compensation program to ensure that compensation is closely tied to aspects of our performance that our executive officers can impact and that are likely to have an impact on stockholder value. We believe that our performance demonstrates the effectiveness of our compensation program.

The vote on this say-on-pay proposal is advisory, which means that the vote will not be binding on us. Nevertheless, our Compensation Committee values the opinions expressed by our stockholders and will review and consider the results of the vote on this proposal in connection with its regular evaluations of our executive compensation program.

Recommendation of the Board of Directors

The Board of Directors recommends that the stockholders vote **FOR** the advisory approval of the compensation of our named executive officers.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires executive officers and directors, a company's chief accounting officer and persons who own more than 10% of a company's common stock to file reports of ownership and changes in ownership with the SEC. These persons are required to provide us with copies of all Section 16(a) forms that they file. Based solely on our review of these forms and written representations from our executive officers, directors, chief accounting officer and Bain Capital, we believe that our executive officers, directors, chief accounting officer and Bain Capital complied with all Section 16(a) filing requirements during fiscal 2015. Following the completion of a secondary public offering of shares by affiliates of Bain Capital and certain other selling stockholders on April 7, 2015, affiliates of Bain Capital filed a Form 4 disclosing that as of that date they had ceased to own any of our outstanding common stock.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Summary

At Burlington, we live by our Core Values:

Developing Trust and Respect among all members of the Burlington community.

Building Strong Teams and Partnerships through collaborative work.

Driving Business Results by taking ownership and pride in Burlington, and getting things done well.

By conducting our business in accordance with our Core Values, we strive to ensure that Burlington provides value for our stockholders and rewarding careers for our employees. We seek to attract and develop the most talented people in retail. Our executive compensation program reflects our Core Values, and promotes the achievement of specific annual and long-term goals by our executive management team, aligning our executives' interests with those of our stockholders.

This Compensation Discussion and Analysis provides an overview of our executive compensation program together with a description of the material factors underlying the decisions that resulted in the compensation provided to our principal executive officer, our principal financial officer and our three other most highly compensated executive officers in fiscal 2015. These individuals are referred to collectively as our named executive officers.

The following table identifies the named executive officers, as well as the positions held by such individuals during fiscal 2015:

<i>Name</i>	<i>Title</i>
Thomas A. Kingsbury	Chairman, President and Chief Executive Officer
Marc Katz	Executive Vice President and Chief Financial Officer
Fred Hand	Executive Vice President of Stores
Rick Seeger	Executive Vice President of Planning & Allocation and MIO
Jennifer Vecchio	Executive Vice President and Chief Merchandising Officer

The specific amounts paid or payable to our named executive officers are disclosed in the tables and narrative following this Compensation Discussion and Analysis. The following discussion cross-references tabular and narrative disclosures where appropriate.

Note on Presentation

Prior to our IPO in October 2013, but giving effect to the 11-for-1 split effected in connection with the IPO, we granted equity awards in units of common stock, each unit consisting of 99 shares of Class A common stock and one share of Class L common stock. Immediately prior to the IPO, each outstanding share of our Class A common stock was cancelled, each outstanding share of our Class L common stock was converted into one share of our Class A common stock, effected for the 11-for-1 split, and then reclassified into common stock. Unless otherwise indicated, all share numbers given below give effect to this reclassification.

Fiscal 2015 Business Performance

We continue to focus on the implementation of our three stated long-term growth strategies, which have been reviewed with our Board. These strategies are designed to drive long-term value for our stockholders and maintain a sustainable competitive advantage:

Driving Comparable Store Sales Growth

Expanding and Enhancing Our Retail Store Base

Enhancing Operating Margins

By executing against the initiatives that support these strategies, our business again performed well in fiscal 2015. Highlights of fiscal 2015 compared with fiscal 2014 include the following:

We generated total revenues of \$5,129.8 million in fiscal 2015 compared with \$4,849.6 million in fiscal 2014, a 5.8% increase

Net sales increased \$284.4 million to \$5,098.9 million, or 5.9% (inclusive of a 2.1% comparable store sales increase)

We earned net income of \$150.5 million compared with net income of \$66.0 million, a 128% increase

Adjusted Net Income increased 26.0% to \$174.6 million as compared with \$138.6 million last year, or \$2.31 per share as compared with \$1.83 per share, a 26.2% increase

Adjusted EBITDA increased \$36.0 million to \$484.0 million, an 8.0% increase

We opened 25 net new stores

A reconciliation of Adjusted EBITDA and Adjusted Net Income to the most directly comparable GAAP financial measure is contained on pages 31 to 34 of our Annual Report on Form 10-K for fiscal 2015.

As a result of our cash flow from operations and disciplined capital allocation, we were also able to return value to our stockholders during fiscal 2015 through \$200.4 million in share repurchases. Since going public in October 2013 at \$17 a share, our stock price has more than tripled. On the last trading day of fiscal 2015, the closing price of our stock was \$53.73 per share.

Compensation Philosophy and Objectives

Our overall objective is to have a compensation program that will allow us to attract and retain executive officers of a caliber and level of experience necessary to effectively manage our business and to motivate those executive officers to drive stockholder value, consistent with our Core Values. To achieve that objective, our program is designed to:

provide each named executive officer with compensation opportunities that are competitive with the prevailing market, are rooted in a pay-for-performance philosophy and create a strong alignment of executive and stockholder interests;

tie a significant portion of each named executive officer's compensation to our financial performance; and

promote and reward the achievement of objectives that will lead to long-term growth in stockholder value. The Compensation Committee of our Board (the Committee) reviews our executive compensation program on an ongoing basis, including our compensation philosophy and objectives.

Pay for Performance

Target Compensation Mix

Our executive pay program provides significant emphasis on variable or at risk compensation, each component of which is linked to key drivers of stockholder value creation. At-risk compensation is only earned and paid if pre-established performance levels are achieved. By linking pay to our performance, the Committee seeks to align the pay of our named executive officers with the interests of our stockholders.

The chart below shows Mr. Kingsbury's target annualized compensation mix for fiscal 2015. Equity component targets reflect the reduction in value of Mr. Kingsbury's pre-IPO equity grant as discussed in further detail under the caption below entitled Long Term Incentives. As reflected in the table, 66% of the total annualized target compensation for Mr. Kingsbury in fiscal 2015 was at risk.

The chart below shows the target annualized compensation mix for fiscal 2015 for our named executive officers other than Mr. Kingsbury. The target annual cash incentive target for Ms. Vecchio reflects a pro-rated amount based on the date she commenced employment. Equity component targets reflect (i) a pro-rated amount for Mr. Seeger based on his employment commencement date in January 2015; and (ii) the reduction in value of the pre-IPO equity grants to Messrs. Hand and Katz as discussed in further detail under the caption below entitled Long Term Incentives. As reflected in the table, 54% of the average total annualized target compensation for our named executive officers other than Mr. Kingsbury in fiscal 2015 was at risk.

The chart below illustrates Mr. Kingsbury's compensation (as set forth in the Summary Compensation Table) and cumulative return to stockholders from the beginning of fiscal 2014, the first full year following our IPO, through the end of fiscal 2015. The table illustrates the strong correlation between pay and the performance we are delivering to our stockholders.

Executive Compensation Highlights

We are proud of our accomplishments in 2015. In addition to our strong financial performance, we took steps to strengthen our executive team through the addition of two talented and experienced executives. We also took action through 2016 to further align our executive compensation program with the long-term interests of our stockholders.

Strong Financial Performance

Our Adjusted Net Income was \$174.6 million for fiscal 2015 and our comparable store sales increased 2.1% in fiscal 2015. Each named executive officer received a rating of at least *Meets Expectations* with respect to such named executive officer's performance during fiscal 2015. Accordingly, each of our named executive officers earned an award under the Annual Incentive Plan for fiscal 2015 equal to 91.4% of such named executive officer's applicable target award. The payout under our Annual Incentive Plan for fiscal 2015 at below target demonstrates the rigor of the program, which is described more fully under the caption below entitled *Annual Incentive Awards*.

We generated total revenues of \$5,129.8 million in fiscal 2015 compared with \$4,849.6 million in fiscal 2014, a 5.8% increase, and net sales increased \$284.4 million to \$5,098.9 million, or 5.9% (inclusive of the 2.1% comparable store sales increase). In addition, we earned net income of \$150.5 million compared with net income of \$66.0 million, a 128% increase, and adjusted EBITDA increased \$36.0 million to \$484.0 million, an 8.0% increase.

Strengthening Executive Team

Jennifer Vecchio succeeded Paul Metcalf as our Executive Vice President and Chief Merchandising Officer in May 2015. Ms. Vecchio has significant experience in the off-price model, having spent fourteen years in merchandising at Ross Stores from 1997 to 2011. In addition, Ms. Vecchio provided consulting services to us from January 2014 through May 2015, working directly with our merchandising organization. This experience allowed her to easily transition to her new role on our executive team.

The process for determining the compensation of Ms. Vecchio, as described more fully under The Process for Setting Named Executive Officer Compensation - New Members of Our Management Team below, was significantly influenced by our overall goal of attracting the best people in retail. We entered into an employment agreement with Ms. Vecchio which, among other things, provides for the following:

Base salary of \$650,000;

An annual incentive target of seventy-five percent (75%) of base salary under the Annual Incentive Plan;

A one-time sign-on bonus of \$100,000, the net after-tax portion of which is subject to clawback in the event that Ms. Vecchio's employment is terminated voluntarily by her (other than for good reason) or for cause by us within eighteen (18) months after the date on which such amount is received;

Participation in our long-term incentive program (LTIP) upon terms at least as favorable as those applicable to other salaried employees of comparable level; and

A one-time grant of 50,000 shares of restricted common stock based on satisfactory job performance during the first six months of her employment, which she received in November 2015 (such shares vesting twenty-five percent (25%) on each of the first four anniversaries of the grant date).

Janet Dhillon succeeded Paul Tang as our Executive Vice President, General Counsel and Corporate Secretary in July 2015. Ms. Dhillon has substantial experience as a public company general counsel, having served in that position at both JC Penney and US Airways prior to joining us.

Further Alignment of Executive Compensation Program with Stockholder Interests

In 2015, our employment agreement with Mr. Kingsbury was amended to further align his incentives with the interests of our stockholders by: (i) removing a gross-up payment for certain excise tax liability if he received payments in connection with a change in control; (ii) eliminating a time-based annual cash award of \$225,000; and (iii) and increasing Mr. Kingsbury's annual incentive target under our Annual Incentive Plan

from 125% to 150% of his base salary.

In December 2015, the Committee adopted stock ownership guidelines for our Chief Executive Officer to further align the economic interests of the Chief Executive Officer with those of our stockholders. Pursuant to such guidelines, which are further described below under the caption entitled **Stock Ownership Guidelines**, our Chief Executive Officer is expected to own shares of our common stock with a value equal to or exceeding four (4) times his or her then-current base salary.

In December 2015, the Committee and our Board of Directors approved new forms of stock option and restricted stock agreements pursuant to which awards are made to executives under our 2006 Incentive Plan and 2013 Incentive Plan. These new agreements provide that, prospectively, awards made pursuant to such agreements will not vest in the event of a change in control unless the grantee is terminated without cause or resigns for good reason within the two year period following the change in control (a **double trigger**).

Table of Contents

As further described below under the caption entitled **Prohibition on Hedging and Pledging of Company Stock**, in December 2015 the Nominating and Corporate Governance Committee and our Board approved a new policy to address hedging and pledging of our securities. Under the policy, directors and corporate personnel are prohibited from holding our securities in a margin account or otherwise pledging our securities as collateral for a loan. In addition, the new policy prohibits directors and corporate personnel from engaging in (i) any hedging or monetization transactions with respect to our securities, including, but not limited to, through the use of financial instruments such as exchange funds, prepaid variable forwards, equity swaps, puts, calls, collars, forwards and other derivative instruments, or through the establishment of a short position in our securities; or (ii) short sales of our securities or transacting in put options, call options or other derivative securities related to our securities.

As further described below under the caption entitled **Benefits and Perquisites**, in December 2015 the Committee discontinued the Company's executive medical reimbursement plan (**EMRP**) effective January 1, 2016.

In December 2015, the Committee approved limiting the maximum amount payable with respect to the financial metric components of our Annual Incentive Plan commencing with our 2016 Annual Incentive Plan. Prior to this change, which is further discussed below under the caption entitled **Annual Incentive Awards**, amounts payable under our Annual Incentive Plan were not subject to a maximum amount.

In February 2016, the Committee adopted a compensation recoupment policy, providing that, in the event of a financial restatement or significant financial harm to the Company arising out of willful actions, including without limitation fraud or intentional misconduct, or gross negligence by any officer of the Company, the Committee shall have the discretion and authority to determine the appropriate action to take, which may include requiring relinquishment of previously awarded equity-based compensation and/or repayment of previously paid incentive cash compensation.

Role of Stockholder Say-on-Pay Votes

At our 2015 annual meeting, our stockholders approved, on an advisory basis, the compensation paid to our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation discussion and analysis, the compensation tables and narrative discussion. The stockholder advisory vote in favor of named executive officer compensation totaled approximately 77% of all shares voted.

The Committee considered the results of the 2015 advisory vote and determined that, in light of the elimination of the tax gross-up provision in Mr. Kingsbury's employment agreement described above, no revisions to our executive officer compensation program needed to be made in response to the vote. However, as demonstrated by certain of the actions taken during the past year, including the adoption of CEO stock ownership guidelines, the elimination of single trigger vesting, the implementation of a robust anti-hedging and anti-pledging policy, the adoption of a prospective limitation on the maximum amount payable under our Annual Incentive Plan and the adoption of a compensation recoupment policy (each of which is described more fully under the caption above entitled "Executive Compensation Highlights"), our Board and the Committee have been proactive in taking steps to further align executive compensation with stockholder interests and best practices.

We view a continuing, constructive dialogue with our long-term stockholders on matters such as executive compensation and corporate governance as important to ensuring that our programs remain aligned with their interests. We appreciate the opportunity to gain further insight and understanding into their views, including on our executive compensation program.

Leadership Succession

The Board and the Committee are focused on managing the succession process to ensure that leadership succession is appropriately addressed while protecting the interests of our stockholders. The Board believes that it is in the best interests of the Company and its stockholders to stage the succession of its leadership team properly so that the Board is able to undertake a thoughtful and deliberate approach to succession planning and assure an orderly transition to new leadership. During 2014, the most critical point identified by the Board in the succession process was to secure the services of Mr. Kingsbury and assure leadership stability so that we are in a position to achieve an orderly CEO transition. Under the leadership of Mr. Kingsbury, who became our President and Chief Executive Officer in 2008, we have experienced strong growth and delivered significant value to our stockholders. The Board believes that the continued leadership of Mr. Kingsbury is central to our past and future success.

In December 2014, we entered into an amendment to Mr. Kingsbury's employment agreement, which provides for appropriate incentives to secure his continued employment through July 2019. This employment agreement amendment is more fully described below under "Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table."

Process for Setting Executive Officer Compensation

New Members of Our Management Team

Consistent with our overall goal of attracting the most talented people in retail, Ms. Vecchio and Ms. Dhillon joined us in 2015. Prior to hiring new executives, the Committee typically receives information from search firm(s) or compensation surveys and market data regarding the compensation ranges of executives in positions with similar responsibilities at comparable companies. The Committee determines target compensation ranges for the positions we were seeking to fill, taking into account the individual candidates' particular skills and levels of experience and the

market and survey data. The Committee may also consider other factors such as the amount of unvested compensation that the executive officer had with his or her former employer. The Committee seeks to ensure that the compensation information considered in connection with the hiring process is both comprehensive and reliable.

Table of Contents

Role of the Compensation Committee

The Committee is tasked with discharging our Board’s responsibilities related to oversight of the compensation of our named executive officers, including the design and implementation of our executive compensation program, and ensuring that our executive compensation program meets our corporate objectives. Each member of the Committee is independent under the listing standards of the NYSE.

The Committee makes decisions regarding salaries, annual incentive awards and long-term equity incentives for our named executive officers. The Committee is also responsible for reviewing and approving corporate goals and objectives relevant to the compensation of our named executive officers, as well as evaluating the performance of our CEO and, in conjunction with the CEO’s evaluation of our named executive officers, evaluating performance in light of those goals and objectives. In determining the overall level of executive compensation and establishing the design and mix of its specific elements, the Committee considers various quantitative and qualitative factors, such as Company performance, individual executive performance and responsibilities, market data, competitiveness and peer practices, its experience with the existing compensation program, results of our advisory votes on executive compensation, recruitment, retention and succession planning, contractual obligations, promotions, organizational changes, relocations and transitional roles.

In fiscal 2015, the Committee established an annual cycle of executive compensation actions and addressed special actions in connection with management changes; employment agreements and executive benefits; and other Committee charter responsibilities. The Committee reviews and approves elements of compensation for our named executive officers on the schedule below:

By the beginning of the fiscal year	Review and approve peer group for new fiscal year
By the end of the first fiscal quarter	Establish award opportunities and goals for Annual Incentive Plan
	Grant long-term incentive awards
	Approve salary adjustments
After the fiscal year end	Certify performance results for completed performance cycle for Annual Incentive Plan

Role of Independent Compensation Consultant

The Committee has worked to ascertain best practices in the design of our executive compensation program. In December 2014, the Committee engaged Hay Group as its independent compensation consultant to conduct a competitive assessment of certain elements of our compensation program for our then current executive vice presidents. The following peer group was utilized in connection with this assessment:

Ascena Retail Group, Inc.

DSW Inc.

Big Lots, Inc.

Foot Locker, Inc.

Belk, Inc.

The Men's Wearhouse, Inc.

The Bon-Ton Stores, Inc.

Ross Stores, Inc.

Dick's Sporting Goods, Inc.

The Committee's development of long-term incentive targets for our executive vice presidents was informed by this assessment and other compensation considerations.

In November 2015, the Committee again engaged Hay Group as its independent compensation consultant to assist the Committee in the establishment and evaluation of a compensation peer group as more fully discussed below under the caption entitled "Role of Peer Companies and Benchmarking."

Table of Contents

The Committee has sole authority to retain and terminate its consultant as well as to approve the fees and other terms of the engagement of its consultant. The independent consultant reports directly to the Committee. From time to time Hay Group provides retail peer surveys to the Company. In 2015, the Company paid \$4,500 to Hay Group for these surveys. The independent consultant does not assist the Board on director compensation matters.

The Committee has assessed the independence of Hay Group pursuant to SEC and NYSE rules and concluded that its work for the Company does not create a conflict of interest with its service as an independent consultant to the Committee and does not impair Hay Group's independence. Because of policies and procedures Hay Group has in place (as more fully described below), the Committee is confident that the advice it receives from executive compensation consultants at Hay Group is objective and not influenced by Hay Group's or its affiliates' relationships with the Company or its officers. In order to ensure that Hay Group's compensation consultants will provide independent, unbiased advice, a compensation consultant who is providing advice to the Committee is prohibited from:

providing other services to us without the prior approval of the Committee;

cross-selling other services to us without the prior approval of the Committee;

receiving cash compensation that is based on fees earned by Hay Group for other services provided to us (other than services provided to the Committee) or to management;

being the overall client relationship manager when other services are provided by Hay Group; and

sharing confidential or proprietary information with other Hay Group employees, unless specifically requested by us and approved by the Committee.

The Committee evaluates the quality and objectivity of the services provided by Hay Group periodically and determines whether to continue to retain Hay Group.

Role of Peer Companies and Benchmarking

In November 2015, in anticipation of setting compensation strategies for fiscal 2016, the Committee engaged Hay Group, as its independent compensation consultant, to assist the Committee in the establishment and evaluation of a compensation peer group.

The peer group developed by the Committee, working with Hay Group, is as follows:

Abercrombie & Fitch Co.

Foot Locker, Inc.

Edgar Filing: Burlington Stores, Inc. - Form DEF 14A

American Eagle Outfitters, Inc.

The Men's Wearhouse, Inc.

Ascena Retail Group, Inc.

The Michaels Companies, Inc.

Big Lots, Inc.

Ross Stores, Inc.

Chico's FAS, Inc.

Williams-Sonoma, Inc.

Dick's Sporting Goods, Inc.

ULTA Salon, Cosmetics & Fragrances, Inc.

Dillard's, Inc.

Urban Outfitters, Inc.

DSW Inc.

The Committee determined that the above group was an appropriate peer group based on criteria that included the following: annual revenues, company performance, industry/business, similar customer demographics and competition for talent. The Committee plans to review the companies included in the peer group on an annual basis and may change peer group composition as it deems appropriate.

Table of Contents

The Committee believes that an appropriate peer group is a key element of the Company's compensation program in order to ensure that comparisons to market compensation levels are meaningful. The Committee will consider comparative compensation data of the companies in our peer group as a frame of reference in assessing the competitiveness of our executive compensation levels and opportunities, and in determining the individual components of compensation, compensation practices, and the relative proportions of each component of compensation.

Role of Management

Our chief executive officer makes compensation recommendations for executive officers other than himself. These recommendations are based on annual performance reviews completed by the chief executive officer for each executive officer. The Committee considers these performance reviews and recommendations, among other factors, in establishing base salaries and making other compensation decisions for our named executive officers. Our named executive officers do not play a role in their own compensation determinations.

The Committee meets in executive session (without our management directors present) from time to time and invites executive officers to attend other portions of its meetings. In addition, members of our management team keep informed of developments in compensation and benefits matters and participate in the gathering and presentation of data related to these matters as requested by the Committee. Management periodically makes recommendations to the Committee regarding the design and implementation of our executive compensation program.

Internal Pay Relationships

Our compensation philosophy reflects the importance of offering a competitive target compensation package to our named executive officers. The differences in pay between the named executive officers relative to each other as well as the CEO are based on market differences for the particular job, job responsibilities and scope, and adjustments for individual experience and performance, rather than a pre-determined ratio or multiple.

Elements of Our Executive Compensation and Benefits Programs

We provide compensation to our named executive officers through a combination of the following:

Base salary;

Annual cash incentives;

Long-term equity incentives; and

Retirement (401(k) Plan), health and welfare benefits, and limited perquisites.

Table of Contents

The portion of executive compensation devoted to each of the elements of pay is driven by our principles and objectives as well as each named executive officer's role and strategic value to the organization as further described in the table below.

Element of Pay	Designed to Reward	Alignment with Objectives
Base Salary	Experience, knowledge in industry, duties and scope of responsibility.	Provides a minimum, fixed level of cash compensation to attract and retain talented executives who can continue to improve the Company's overall performance.
Annual Cash Incentives	Success in achieving or exceeding specific annual performance goals and objectives using metrics approved by the Committee and that they believe are appropriate measures of operational and financial performance.	Motivates executives to achieve specific performance goals and objectives.
Long-Term Equity Incentives	Attainment of objectives over time, stockholder value creation and success in long-term growth and development.	Motivates executives to achieve long-term objectives. Aligns the executives' interests with long-term stockholder interests in order to increase overall stockholder value. Potentially the largest pay component which provides an opportunity for significant compensation enabling the Company to attract and retain talented executives.

The Committee believes that we can meet the objectives of our executive compensation program by achieving a balance among these elements that is competitive with our industry peers and creates appropriate incentives for our named executive officers. Actual compensation levels are a function of both corporate and individual performance as described under each compensation element below. In making compensation determinations, the Committee considers, among other things, the competitiveness of compensation both in terms of individual pay elements and the aggregate compensation package.

Base Salary

Our goal is to provide our named executive officers with base salaries that are appropriate and commensurate with position, experience and performance. Base salaries are reviewed annually and at the time of promotion or other change in responsibilities. Generally, in making a determination of whether to make base salary adjustments, the Committee considers the following factors:

our success in meeting our strategic operational and financial goals;

each named executive officer's individual performance;

experience with us;

changes in scope of responsibilities of such named executive officer;

Table of Contents

competitive market compensation paid by other companies for similar positions; and

annual performance reviews completed by the chief executive officer.

In addition, the Committee considers internal pay equity within our organization and, when reviewing the base salaries of our named executive officers, their current aggregate compensation.

The initial base salaries of our named executive officers were determined through the process described above under the caption entitled *New Members of Our Management Team*. The base salaries of each of our named executive officers in fiscal years after the fiscal year in which they were hired are subject to annual review by the Committee based on the factors set forth above.

The Committee reviewed the base salaries of Messrs. Kingsbury, Katz and Hand following the end of fiscal 2014 and, pursuant to its review, increased Mr. Kingsbury's then current base salary by 3.5%, effective April 26, 2015. In light of the salary increases received by Messrs. Katz and Hand in January 2015, no adjustments were made to the then current base salary of either Mr. Katz or Mr. Hand. As Mr. Seeger was hired by us in January 2015, he was not eligible for a base salary increase in connection with the Committee's 2015 review.

Effective January 1, 2016, (i) Ms. Vecchio and Messrs. Katz, Hand and Seeger each received a \$15,000 increase in base salary, and (ii) Mr. Kingsbury received a \$20,000 increase in base salary, in each case to partially offset benefits previously available to each executive under the EMRP.

The Committee reviewed the base salaries of Ms. Vecchio and Messrs. Kingsbury, Katz, Hand and Seeger following the end of fiscal 2015 and, pursuant to its review, increased the then current base salaries of Ms. Vecchio and Mr. Seeger by 2.5% (pro-rated from each named executive officer's commencement date) and the then current base salaries of Messrs. Kingsbury, Hand and Katz by 3.0%, in each case effective May 1, 2016.

Base Salaries of Named Executive Officers Effective May 1, 2016

Thomas A. Kingsbury	\$ 1,170,283
Marc Katz	\$ 659,200
Fred Hand	\$ 659,200
Rick Seeger	\$ 634,768
Jennifer Vecchio	\$ 681,260

Annual Incentive Awards

2015 Annual Incentive Plan

Annual incentive awards are an important part of the overall compensation we pay our named executive officers. Unlike base salary, which is fixed, annual incentive awards are paid only if specified performance levels are achieved. The Committee believes that annual incentive awards encourage our named executive officers to focus on specific short-term business and financial goals, without sacrificing our long-term objectives. The Committee recognizes the importance of achieving an appropriate balance between supporting the Company's objective of rewarding executives for strong performance over the short-term and establishing realistic targets that continue to motivate and retain executives. As a result, our Annual Incentive Plan provides for measurable, rigorous performance targets that are achievable but challenge our executives to drive business results that produce stockholder value.

Under our Annual Incentive Plan, each named executive officer has an annual incentive target expressed as a percentage of his or her base salary. The annual incentive target for Ms. Vecchio and Messrs. Katz, Hand and Seeger is 75% of their base salary and the annual incentive target for Mr. Kingsbury is 150% of his base salary. As described below, each named executive officer's annual incentive award is based on a combination of our

Table of Contents

Adjusted Net Income results and comparable store sales results (collectively, the Financial Component) and his or her personal performance (the Performance Component). The Committee believes that this methodology closely aligns the named executive officer's interests with our stockholders' interests while also rewarding each of the named executive officers for his or her individual performance. Our calculation of Adjusted Net Income for fiscal 2015 is included in the Management's Discussion and Analysis of Financial Condition and Results of Operations section of our Annual Report on Form 10-K for fiscal 2015. The Financial Component is based 50% on our Adjusted Net Income results and 50% on our comparable store sales results.

In determining each portion of the Financial Component, (i) achievement at a predetermined target approved by the Compensation Committee would result in a potential payout at the target level; (ii) if actual results are less than the established target but greater than the predetermined threshold approved by the Compensation Committee, each named executive officer would be eligible for an incentive bonus equivalent to a fractional share of his or her target bonus determined by the proportion of the actual results achieved in relation to the target; and (iii) if actual results are greater than the target, each named executive officer would be eligible for his or her target bonus plus an additional bonus payment equivalent to a percentage of every dollar above the target. With respect to the Performance Component, our named executive officers must receive a rating of at least Meets Expectations (meaning that the named executive officer has generally met his or her individual performance objectives for the year) in order to receive a bonus under our Annual Incentive Plan. Where a named executive officer is rated below Meets Expectations, no bonus is paid.

Following the conclusion of fiscal 2015, the Committee assessed the Performance Component and the Financial Component. With respect to the Performance Component, each named executive officer received a rating of at least Meets Expectations. In making these determinations, the Committee reviewed Mr. Kingsbury's personal performance in fiscal 2015 and Mr. Kingsbury reviewed personal performance in fiscal 2015 with respect to Messrs. Katz, Hand, and Seeger and Ms. Vecchio in light of pre-established individual objectives. These objectives consisted of matters such as meeting key financial and other business goals (including the achievement of targets relating to sales, gross margin (for Mr. Seeger and Ms. Vecchio) and expense (for Messrs. Katz and Hand)), effectively managing each named executive officer's business unit or corporate function (including through the development of talent and the leveraging of resources to consistently achieve our business goals), and adherence to our Core Values (as described above).

Our performance with respect to Adjusted Net Income and comparable store sales, the two metrics comprising the Financial Component, was as follows:

Metric	Target	Actual	Percentage of Target	Achievement Percentage
Adjusted Net Income	\$ 174.1	\$ 174.6	100.3%	101.8%
Comparable Store Sales	3.4%	2.1%	62.3%	81.1%

The payout under our Annual Incentive Plan for fiscal 2015 at below target demonstrates the rigor of the program.

The range of potential payouts under the Annual Incentive Plan for each of our named executive officers is presented below in the Grants of Plan-Based Awards Table. The actual Annual Incentive Plan awards earned by each named executive officer in fiscal 2015 are reported below in the Summary Compensation Table. Ms. Vecchio's award was pro-rated for fiscal 2015 based on the date she commenced employment. Prior to such date, Ms. Vecchio provided consulting services to us and, pursuant to the terms of her consulting arrangement, she earned a bonus payment (based on certain criteria and metrics set forth in her consulting arrangement, which arrangement terminated as of the date

she commenced employment) with respect to fiscal 2015 performance in the amount of \$49,298.

Table of Contents*Post-2015 Changes to Annual Incentive Plan*

In December 2015, the Committee approved limiting the maximum amount payable with respect to the financial metric components of our Annual Incentive Plan to 300% of target commencing with our 2016 Annual Incentive Plan. As our performance is predominately measured on the basis of Adjusted Net Income per share rather than Adjusted Net Income, the Committee in February 2016 approved replacing the Adjusted Net Income portion of the Financial Component with Adjusted Net Income per share commencing with our 2016 Annual Incentive Plan. The Adjusted Net Income per share and comparable store sales targets for our 2016 Annual Incentive Plan were approved by the Board in February 2016.

Long-Term Incentives

The Committee believes that long-term incentives are a component of compensation that helps us to attract, retain and motivate our named executive officers. These incentives also align the financial rewards paid to our named executive officers with our long-term performance, thereby encouraging our named executive officers to focus on long-term goals. To date, we have granted incentives under our 2006 Incentive Plan. The 2006 Incentive Plan terminates on April 12, 2016 and, from and after that date, we will grant incentives under the 2013 Incentive Plan, which was adopted in connection with our IPO. Under both plans, named executive officers (as well as other key employees and directors) are eligible to receive equity awards, including but not limited to awards of restricted common stock or stock options to purchase our common stock. More details about the stock options and restricted stock granted to our named executive officers are set out in the tables that follow this discussion.

Long-Term Incentive Program

In fiscal 2014, the Committee developed our LTIP whereby certain employees, including our named executive officers, may be eligible to receive a grant of Company equity up to a percentage of their annual base salary (which we refer to as the equity incentive percentage) each year. The LTIP is designed to promote achievement of corporate goals, encourage the growth of stockholder value, enable participation in our long-term growth and profitability and serve as an incentive for continued employment. In setting the value of our equity incentive compensation for executives, the Committee's determinations were informed by the assessment conducted by the Hay Group discussed above and other compensation considerations. The 2015 equity incentive percentage for Messrs. Katz and Hand was 175%, the 2015 equity incentive percentage for Mr. Seeger was 150% and the 2015 LTIP equity incentive percentage for Mr. Kingsbury was 450%. For LTIP participants with pre-IPO equity grants, the value of the portion of any such grant set to vest during the one year period beginning on May 1 of each fiscal year reduces the amount of the LTIP award for such fiscal year in accordance with a formula approved by the Committee. Accordingly, the 2015 LTIP Awards granted to each of Messrs. Kingsbury, Katz and Hand were reduced by the value of the portion of each officer's pre-IPO equity grant set to vest during the one year period beginning on May 1, 2015. The Committee continues to evaluate the methodology used to grant LTIP awards to participants with pre-IPO equity grants and may determine that changes to our methodology are necessary to retain and incent participants.

LTIP Awards granted to our named executive officers on May 1, 2015 consisted of stock options and restricted stock awards. The Committee designed these components to align the interests of our named executive officers to our stockholders by providing an incentive to our executives to achieve performance that should have a favorable impact on the value of our common stock. The Committee allocated 75 percent of the 2015 LTIP Award to stock options because they believed that stock price appreciation should be the principal determinant of the economic return received by our executives from equity compensation, and absent such appreciation, stock options would have no value. As such, the Committee believes that stock options provide a strong alignment between return to stockholders and the compensation of executives. The remaining 25 percent of each 2015 LTIP Award was allocated to restricted

stock awards, which the Committee granted to provide a retention incentive for our executives and an incentive to increase stockholder value. The Committee routinely evaluates and considers the type of awards granted under our LTIP and may, in the future, decide that other types of awards are appropriate to provide incentives that promote our goals and objectives.

Table of Contents

The Committee approved LTIP Awards made to each of Messrs. Kingsbury, Katz, Hand and Seeger on May 1, 2015 as follows:

Name	Shares of Restricted Stock	Options
Thomas A. Kingsbury	13,404	92,486
Marc Katz	2,777	19,159
Fred Hand	2,777	19,159
Rick Seeger	1,197	8,259

Mr. Seeger's 2015 LTIP Award was pro-rated based on his employment commencement date in January 2015. The Committee established Ms. Vecchio's equity incentive percentage at 175% and, in connection with the commencement of her employment, approved an LTIP award to Ms. Vecchio comprised of 5,365 shares of restricted common stock and options to purchase 37,016 shares of common stock.

Options granted pursuant to an LTIP Award are made at fair market value. In addition,

options vest 25% on each of the first, second, third and fourth anniversaries of the grant date;

options granted pursuant to a 2015 LTIP Award become exercisable upon a change in control; beginning in 2016, options granted pursuant to LTIP Awards become exercisable if, within two (2) years following a change in control, the executive's employment is terminated by us without cause or the executive resigns with good reason;

options will immediately be forfeited upon a termination of employment by us for cause. In the event of termination of employment for any other reason, stock options that have not vested will be forfeited immediately and unexercised vested options will be exercisable for a period of 60 days.

Shares of restricted stock granted pursuant to an LTIP Award also vest 25% on each of the first, second, third and fourth anniversaries of the grant date. In addition,

shares of restricted stock vest only in the event that the executive remains continuously employed by us on each vesting date;

all unvested shares of restricted stock will remain unvested following any change in control, provided, however, that 100% of such shares will vest if the executive's employment is terminated by us without cause or the recipient resigns with good reason (i) following the change in control (in the case of shares of restricted stock granted pursuant to an LTIP Award prior to 2016), or (ii) within two (2) years following the change in control (in the case of shares of restricted stock granted pursuant to a LTIP Awards from and after 2016); and

all unvested shares of restricted stock will automatically be forfeited (and will not vest) if the executive's employment with us terminates for any reason (other than as provided above) prior to the vesting date. The LTIP Awards granted to Mr. Kingsbury are subject to special vesting conditions, which are described below under the caption entitled Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table.

Restricted Stock Granted Other Than Pursuant to LTIP Awards

The Committee approved an award of 10,000 shares of restricted stock to Mr. Hand effective May 1, 2015 in light of his contributions to the Company. These shares vest 100% on the third anniversary of the grant date.

Pursuant to the terms of her employment agreement, Ms. Vecchio received a grant of 50,000 shares of restricted common stock in November 2015. The vesting and other terms applicable to this grant are identical to Ms. Vecchio's LTIP Award.

Table of Contents

Benefits and Perquisites

Our executive compensation program includes limited perquisites and other benefits, which the Committee reviews for market prevalence. In December 2015, the Committee decided to discontinue the EMRP effective January 1, 2016 due to declining market prevalence of such plans and to reduce the number of perquisites paid to executives.

The perquisites and benefits included in our executive compensation program represent a modest portion of each named executive officer's total compensation. The cost of these perquisites or other personal benefits is set forth below in the Summary Compensation Table below under the column All Other Compensation, and detail about each element is set forth in the footnotes following the Summary Compensation Table.

We maintain broad-based benefits that are provided to all full-time employees, including medical, dental, vision, life and disability insurance. Certain of these benefits require employees to pay a portion of the premium. Except with respect to life insurance (our named executive officers all receive life insurance in an amount equal to three times their annual base salary), these benefits are offered to our named executive officers on the same basis as all other employees. We also maintain a savings plan in which eligible employees (including our named executive officers) who have at least one year of employment with us may participate. The savings plan is a traditional 401(k) plan (with a Roth component), under which we match 100% of the first 3% of the compensation that is deferred and 50% of the next 2% of the compensation that is deferred, up to the Internal Revenue Code limit for each respective year in which the eligible employee participates in the plan.

The Committee believes that the limited perquisites provided to named executive officers are reasonable and consistent with the perquisites that would be available to them at companies with whom we compete for experienced senior management. We provide each of our named executive officers with a car allowance. Additionally, Mr. Seeger has received reimbursement of certain relocation expenses and temporary housing expenses (as well as reimbursement for certain related taxes).

Termination Based Compensation

Severance arrangements applicable to our named executive officers are set forth in each of their respective employment agreements. The Committee believes these arrangements play an important role in protecting our highly competitive business by restricting our executive officers from working for a competitor or soliciting our employees during the specified severance period. Additionally, each named executive officer's option grant agreement(s) and restricted stock agreement(s) contains terms regarding vesting in connection with the termination of employment and changes in control. The Committee believes that these termination and change in control terms provide our named executive officers with an incentive to act in stockholders' best interests during a potential change in control despite the risk of losing their jobs or a significant change in the nature of their benefits and responsibilities.

A detailed discussion of compensation payable upon termination or a change in control is provided below under the caption entitled Potential Payments Upon Termination or Change-in-Control.

Compensation Recoupment Policy and Additional Clawback Features

We maintain a culture that emphasizes integrity and accountability and that reinforces our pay-for-performance compensation philosophy. Accordingly, in February 2016, the Committee adopted a compensation recoupment policy, providing that, in the event of a financial restatement or significant financial harm to the Company arising out of willful actions, including without limitation fraud or intentional misconduct, or gross negligence by any officer of the Company, the Committee shall have the discretion and authority to determine the appropriate action to take, which

may include requiring relinquishment of previously awarded equity-based compensation and/or repayment of previously paid incentive cash compensation.

Table of Contents

In addition to the foregoing policy, select elements of the Company's executive compensation program provide for the forfeiture or recoupment of compensation in certain events:

We have provided one-time sign-on bonuses to Mr. Seeger and Ms. Vecchio, and reimbursement of certain relocation expenses and temporary housing expenses (as well as reimbursement for certain related taxes) to Mr. Seeger. The net after-tax portion of these amounts is subject to clawback in the event employment is terminated voluntarily by the executive (other than for good reason) or for cause by us within eighteen (18) months after the dates on which such amounts are received. In addition, if Mr. Seeger's employment is terminated voluntarily by him (other than for good reason) or for cause by us prior to October 1, 2017, Mr. Seeger is required to immediately pay to us in cash as follows: (x) prior to October 1, 2016, \$1,750,000 and (y) after October 1, 2016 but before October 1, 2017, \$2,625,000, each representing the grant date value of restricted stock granted to Mr. Seeger in connection with the commencement of his employment which shall have vested prior to the termination date.

All stock options and unvested shares of restricted stock will immediately be forfeited upon any termination of employment by us for cause. In the event of termination of employment for any other reason, (i) stock options that have not vested will be forfeited immediately and unexercised vested options will be exercisable for a period of 60 days; and (ii) all unvested shares of restricted stock will automatically be forfeited and shall not vest.

Stock Ownership Guidelines

We have a long-standing approach of compensating our Chief Executive Officer in part with stock awards. We believe that retention of a meaningful amount of the Company's stock encourages a long-term perspective and further aligns the Chief Executive Officer's interests with those of our stockholders. In December 2015, the Committee adopted stock ownership guidelines for our Chief Executive Officer. The guidelines provide that the Chief Executive Officer should own shares of our common stock with a value equal to or exceeding four (4) times his or her then-current base salary. Compliance is measured as of the last day of the fiscal year. Stock ownership includes shares owned directly or held in trust by the individual, as well as unvested restricted stock. It does not include shares that an individual has the right to acquire through unvested stock options or unexercised stock options.

Mr. Kingsbury owns shares significantly in excess of these ownership guidelines.

Any successor to Mr. Kingsbury will have five years to attain an ownership level in the Company's stock that complies with these guidelines and, until the required ownership is reached, the Chief Executive Officer, including Mr. Kingsbury, should he not be in compliance with the ownership guidelines, will be required to retain fifty percent (50%) of net shares acquired upon any future vesting of restricted stock awards after deducting shares used to pay applicable taxes (if any).

Prohibition on Hedging and Pledging of Company Stock

The Board considers it inappropriate for directors or executive officers to enter into speculative transactions in Company securities. In December 2015, the Nominating and Corporate Governance Committee and the Board approved a new policy to address hedging and pledging of our securities. Hedging or monetization transactions can be accomplished through a number of possible mechanisms, including, but not limited to, through the use of financial instruments such as exchange funds, prepaid variable forwards, equity swaps, puts, calls, collars, forwards and other

derivative instruments, or through the establishment of a short position in our securities. Such hedging and monetization transactions may permit persons to continue to own Company securities obtained through our benefit plans or otherwise, but without the full risks and rewards of ownership. When that occurs, such persons may no longer have the same objectives as our other stockholders. Moreover, certain short-term or speculative transactions in our securities by directors and corporate personnel create the potential for heightened legal risk and/or the appearance of improper or inappropriate conduct involving our securities.

Table of Contents

Under our new hedging and pledging policy, our directors and all corporate personnel (including our executive officers), are prohibited from engaging in any hedging or monetization transactions with respect to our securities. Further, directors and corporate personnel may not engage in the following short-term or speculative transactions in our securities that could create heightened legal risk and/or the appearance of improper or inappropriate conduct by such persons:

Short Sales. Short sales of our securities (i.e., the sale of a security that the seller does not own) may evidence an expectation on the part of the seller that the securities will decline in value, and therefore have the potential to signal to the market that the seller lacks confidence in our prospects. In addition, short sales may reduce a seller's incentive to seek to improve our performance. For these reasons, short sales of our securities by our directors and corporate personnel are prohibited under our new policy.

Publicly-Traded Options. Given the relatively short term of publicly-traded options, transactions in options may cause focus on short-term performance at the expense of our long term objectives. Accordingly, our new policy prohibits transactions in put options, call options or other derivative securities related to our securities, on an exchange or in any other organized market.

Margin Accounts and Pledged Securities. Securities held in a margin account as collateral for a margin loan may be sold by the broker without the customer's consent if the customer fails to meet a margin call. Similarly, securities pledged (or hypothecated) as collateral for a loan may be sold in foreclosure if the borrower defaults on the loan. Because a margin sale or foreclosure sale may occur at a time when the pledgor is aware of material nonpublic information or otherwise is not permitted to trade in our securities, directors and corporate personnel are prohibited from holding our securities in a margin account or otherwise pledging our securities as collateral for a loan.

Tax and Accounting Considerations

The Committee structures our compensation program in a manner that is consistent with our compensation philosophy and objectives. In the course of making decisions about executive compensation, the Committee takes into account tax and accounting considerations. For example, they take into account Section 409A of the Internal Revenue Code regarding non-qualified deferred compensation. They also consider how various elements of compensation will affect our financial reporting. For example, they consider the impact of FASB ASC Topic 718 Stock Compensation, which requires us to recognize the cost of employee services received in exchange for awards of equity instruments based upon the grant date fair value of those awards.

Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation that we may deduct in any given year with respect to the CEO and certain of our other most highly paid executive officers. There is an exception to the \$1 million limitation for performance-based compensation meeting certain requirements. Further, under another Section 162(m) exception, certain compensation paid pursuant to a compensation plan in existence before the effective date of our IPO will not be subject to the \$1 million limitation until the earliest of: (i) the expiration of the compensation plan, (ii) a material modification of the compensation plan (as determined under Section 162(m)), (iii) the issuance of all the employer stock and other compensation allocated under the compensation plan, or (iv) our annual meeting of stockholders scheduled to be held in 2017. At such time as we are subject to the deduction limitations of Section 162(m), we expect that the Committee will take the deductibility limitations of Section 162(m) into account in its compensation decisions. However, the Committee has authorized compensation payments that are not exempt under Section 162(m) when it believed such payments were appropriate to attract or retain talent.

While it is the general intention of the Committee to design the components of our executive compensation program in a manner that is tax efficient for both us and our named executive officers, there can be no assurance that they will always approve compensation that is advantageous for us from a tax perspective.

The preceding Compensation Committee Report does not constitute soliciting material and shall not be deemed to be filed, incorporated by reference into or part of any filing made by us (including any future filings) under the Securities Act or the Exchange Act, notwithstanding any general statement contained in any such filing incorporating this report by reference, except to the extent we incorporate such report by specific reference.

Compensation Committee Interlocks and Insider Participation

Messrs. Bekenstein, Hitch, Mahoney, McNamara and Sullivan served during fiscal 2015, and continue to currently serve, on the Committee. None of these individuals (i) have ever been an officer or an employee of ours, nor (ii) except as otherwise set forth below under the caption entitled Certain Relationships and Related Party Transactions, have any relationship that is required to be disclosed pursuant to the rules of the SEC. In addition, none of our executive officers serve (or served at any time during fiscal 2015) as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or the Committee.

Compensation-Related Risk

In accordance with applicable disclosure requirements, to the extent that risks may arise from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company, the Company is required to discuss those policies and practices for compensating the employees of the Company as they relate to the Company's risk management practices and the possibility of incentivizing risk-taking. The Compensation Committee has evaluated the policies and practices of compensating the Company's employees and, based on such evaluation, has determined that the risks arising from the Company's policies and practices are not reasonably likely to have a material adverse effect on the Company.

- (1) The target payments represent the amounts that the named executive officers would have been eligible to receive under our Annual Incentive Plan for fiscal 2015 in the event that the named executive officer Meets Expectations pursuant to the Performance Component and we attained both the predetermined target Adjusted Net Income and the predetermined comparable store sales results target under the Financial Component. The threshold payments represent the amounts that the named executive officer would have been eligible to receive under our Annual Incentive Plan for fiscal 2015 in the event that the named executive officer Meets Expectations pursuant to the Performance Component, we did not attain the predetermined Adjusted Net Income, and our comparable store sales increased 0.01% for fiscal 2015. Payment under our Annual Incentive Plan begins in the event that our comparable store sales are greater than 0%. For Ms. Vecchio, the amounts reflect prorated values for the partial year she was employed. Amounts actually paid to each named executive officer are reported in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table. For additional information regarding the Annual Incentive Plan, please refer to the section above entitled Annual Incentive Awards.
- (2) Under the Annual Incentive Plan for fiscal 2015, each named executive officer is eligible for his or her target bonus plus an additional bonus payment equivalent to a percentage of every dollar above the Adjusted Net Income or comparable store sales targets in the event that actual results exceed the targets. For additional information regarding the Annual Incentive Plan, please refer to the section above entitled Annual Incentive Awards.

Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table

We have written employment agreements with each of our named executive officers that provide for, among other things, the payment of base salary, reimbursement of certain costs and expenses, and for each named executive officer's participation in our Annual Incentive Plan and employee benefit plans.

On January 28, 2008, we entered into an employment agreement with Mr. Hand which, as amended, provides for a minimum base salary of \$500,000 and may terminate any year on February 11, upon our giving Mr. Hand 90 days' notice.

On June 26, 2008, we entered into an employment agreement with Mr. Katz which, as amended, provides for a minimum base salary of \$400,000 and may terminate any year on July 9, upon our giving Mr. Katz 90 days' notice.

On December 2, 2008, we entered into an employment agreement with Mr. Kingsbury which, as amended, provides for a minimum base salary of \$850,000 and does not contain a fixed expiration date.

On May 11, 2015, we entered into an employment agreement with Ms. Vecchio which provides for a minimum base salary of \$650,000 and may terminate any year on May 11, upon our giving Ms. Vecchio 90 days' notice. Ms. Vecchio's employment agreement was amended and restated on July 28, 2015.

On November 7, 2014, we entered into an employment agreement with Mr. Seeger which provides for a minimum base salary of \$600,000 and may terminate any year on January 19, upon our giving Mr. Seeger 90 days' notice.

As further discussed above under the section entitled "Leadership Succession," we entered into an amendment to Mr. Kingsbury's employment agreement in December 2014 (the "December 2014 amendment"). Pursuant to the December 2014 amendment,

Mr. Kingsbury will be entitled to receive a long-term equity award during each of May 2015, 2016, 2017, 2018 and 2019 (each, an "LTIP Award") that will, in each case, be equal to the difference between (i) 450% of his base salary minus (ii) the Excess Value (defined as the product of A x B, where A equals the number of options granted pursuant to Mr. Kingsbury's Non-Qualified Stock Option Agreement dated as of June 17, 2013 (the "Options") that will vest in the ordinary course during the 12-month period following the applicable LTIP Award grant date, and B equals (x) \$28.00 minus (y) the per share exercise price of the Options as determined at the time of vesting). The form of, and terms and conditions applicable to, each LTIP Award will be substantially similar to that of long-term equity awards made to the Company's senior executives for the applicable year; provided that, in addition to the ordinary vesting terms provided therein, (i) 100% of each LTIP Award will vest if Mr. Kingsbury's employment is terminated due to death, and (ii) a pro rata portion of the portion of each LTIP Award that would vest on the next regular vesting date for such LTIP

Award will vest if Mr. Kingsbury's employment is terminated by us for a reason other than cause, by Mr. Kingsbury for good reason or due to his disability.

Mr. Kingsbury received a one-time grant of 150,000 shares of restricted stock on December 15, 2014 that will vest on July 1, 2019, subject to Mr. Kingsbury's employment through such date; provided, that: (A) if Mr. Kingsbury's employment is terminated (i) by us for a reason other than for cause, (ii) by Mr. Kingsbury for good reason or (iii) due to his disability, the shares of restricted stock will vest on a pro rata basis calculated in accordance with the formula contained in Mr. Kingsbury's amendment; provided that if any such termination occurs following a change in control, 100% of the shares of restricted stock will immediately vest; and (B) if Mr. Kingsbury's employment is terminated due to his death, 100% of the shares of restricted stock will immediately vest.

Beginning in 2014, Mr. Kingsbury also became eligible to receive a cash award of \$225,000 on December 15 of each year in which he remained employed by us on such date. In May 2015, however,

Table of Contents

the Committee and Mr. Kingsbury further amended the employment agreement to remove these annual cash awards prospectively and increase Mr. Kingsbury's annual incentive target under our Annual Incentive Plan from 125% to 150%. The effect was to generally retain Mr. Kingsbury's total target compensation while increasing the portion that is directly tied to performance. (The Committee separately determined that the initial cash award paid to Mr. Kingsbury on December 15, 2014 was appropriate in light of our performance in fiscal 2014.)

Upon a termination without cause or for good reason, Mr. Kingsbury's severance pay and benefits period was extended from two years to three years following such termination.

Upon Mr. Kingsbury's Retirement (as defined in the amendment to mean voluntary termination of employment on or after July 1, 2019, provided that Mr. Kingsbury provides us with 180 days' written notice prior to such retirement), and provided that Mr. Kingsbury makes himself reasonably available to consult with the Company for up to ten days per quarter during the one-year period thereafter (the Consulting Period), (i) any outstanding incentive equity granted by the Company to Mr. Kingsbury that was unvested as of such Retirement shall continue to vest through the end of the Consulting Period; (ii) any outstanding incentive equity granted by the Company to Mr. Kingsbury that remains unvested as of the end of such Consulting Period shall vest at the conclusion of such Consulting Period; and (iii) the exercise period of any options granted by the Company to Mr. Kingsbury shall be extended until the second anniversary of the later of (x) such Retirement and (y) the date such options vest; provided, that such exercise periods shall not be extended beyond the original term of the option agreement.

Our employment agreements also restrict each named executive officer's ability to engage in or perform any activities that are competitive with our business or to solicit our employees away from our service while we employ the executive and for a period of one to two years thereafter. Additionally, we have written agreements with each named executive officer pursuant to which we have granted them shares of restricted stock and options to purchase shares under our 2006 Incentive Plan. For additional information regarding such grants, please refer to the section above entitled Long-Term Incentives.

In addition, each employment agreement specifies payments and benefits that would be due to such named executive officer upon the termination of his employment with us. For additional information regarding amounts payable upon termination to each of our named executive officers, see the discussion below under the caption entitled Potential Payments Upon Termination or Change-in-Control.

(1) All options (other than Special One-Time Grants) vest one-quarter on each of the first four anniversaries of the grant date. Options will immediately terminate upon any cessation of employment by us for cause. In the event of cessation of employment for any other reason, stock options that have not vested will terminate immediately (subject to the potential acceleration of Special One-Time Grants in the event of a termination within two years after a change in control, as described below, and except with respect to Mr. Kingsbury, whose option agreement provides for special vesting conditions (described above under the caption entitled "Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table") and whose Special One-Time Grant agreement provides a formula for calculating a number of options which will vest in the event that Mr. Kingsbury's employment is terminated without cause or Mr. Kingsbury resigns with good reason) and unexercised vested options will be exercisable for a period of 60 days.

(2)

- Unless otherwise noted, (i) all restricted stock grant awards vest one-quarter on each of the first four anniversaries of the grant date; (ii) shares of restricted stock vest only in the event that the recipient remains continuously employed by us on each vesting date; and (iii) all unvested shares of restricted stock will remain unvested following any change in control, provided, however, that 100% of such shares will vest if, following a change in control, the recipient's employment is terminated by us without cause or the recipient resigns with good reason.
- (3) The amounts set forth in this column represent the market value of the unvested shares of restricted stock held by the named executive officer using a market price of \$53.73 per share, which was the closing price of our common stock on January 29, 2016 (the last business day of fiscal 2015), as reported by the NYSE.
- (4) Special One-Time Grant which vests over a five year period commencing on the Trigger Date, which is the day after the vesting of all other options held by grantee which were granted to such grantee prior to May 2013 and remain outstanding and unvested as of the date of the Special One-Time Grant, according to the following schedule: 20% on each of the first five anniversaries of the Trigger Date. The vesting of Special One-Time Grants will not be accelerated in the event of a change in control, provided, however, that in the event that within two years after a change in control, the grantee's employment is terminated without cause or the grantee resigns with good reason, then an incremental 20% of the Special One-Time Grants shall be deemed vested as of the date of termination of grantee's employment, but in no event more than the total number of Special One-Time Grants granted to such grantee.
- (5) Provided that he remains continuously employed by us on such date, 100% of Mr. Kingsbury's shares of restricted stock will vest on July 1, 2019. Pension Benefits

None of our named executive officers participate in or have account balances in qualified or non-qualified defined benefit plans sponsored by us.

Nonqualified Deferred Compensation

None of our named executive officers participate in or have account balances in any defined contribution or other plan that provides for the deferral of compensation on a basis that is not tax-qualified.

Potential Payments Upon Termination or Change-in-Control

The following is a discussion of payments and benefits that would be due to each of our named executive officers upon the termination of his or her employment with us, including termination in connection with a change in control. The amounts in the table below assume that each termination was effective as of January 29, 2016, the last business day of fiscal 2015, and are merely illustrative of the impact of a hypothetical termination of each executive's employment. The amounts to be payable upon an actual termination of employment can only be determined at the time of such termination based on the facts and circumstances then prevailing.

Employment Agreements

We maintain employment agreements with each of our named executive officers that provide certain benefits upon termination of employment.

Termination Without Cause or for Good Reason

Each named executive officer's employment agreement provides that he or she will be entitled to receive the following in the event that (i) his or her employment is terminated by us without cause or by him or her for good reason (as those terms are defined below), or (ii) other than Mr. Kingsbury, the term of his or her employment expires on the expiration date specified in his or her agreement:

all previously earned and accrued but unpaid base salary and vacation and unpaid business expenses up to the date of such termination or expiration;

with respect to Messrs. Kingsbury, Katz and Hand, a pro-rated portion of the then current year's annual target performance bonus under the Annual Incentive Plan through the date of termination or expiration, based on actual results (the Annual Incentive Payment);

Table of Contents

severance pay (the Severance Payment) in the full amount of his or her base salary at the time of termination or expiration from the date of termination or expiration, as applicable, through the period ending on the first anniversary of the date of termination or expiration (in Mr. Kingsbury's case, the third anniversary of the date of termination); and

full continuation (Benefits Continuation) of (i) health, disability and life insurance benefits during the one-year period commencing on the date of termination (in Mr. Kingsbury's case, a three year period commencing on the date of termination) with respect to Messrs. Kingsbury, Hand and Katz, provided that to the extent any of those benefits cannot be provided by us during the applicable period, we will provide the executive with a sum of money calculated to permit him to obtain the same benefits individually, as well as reimbursement for related taxes so that he remains whole; and (ii) health insurance benefits during the one-year period commencing on the date of termination with respect to Ms. Vecchio and Mr. Seeger, but only to the extent such medical insurance benefit was previously elected by the executive and in effect immediately prior to the date of termination and can be provided under our medical insurance plan during such period, provided that to the extent such benefits cannot be provided by us during such period, we will provide the executive with a sum of money calculated to permit the executive to obtain the same benefits individually, as well as reimbursement for related taxes so that the executive remains whole.

Except as otherwise stated, such payments will be made by us in regular installments in accordance with our general payroll practices. All amounts payable as compensation are subject to all customary withholding, payroll and other taxes.

If, during the period when either Ms. Vecchio or Mr. Seeger is receiving Severance Payment or Benefits Continuation, he or she receives compensation from any source for services which are substantially similar to services provided under his or her employment agreement with us or accepts employment with a third party, (i) his or her Severance Payment will be reduced by the amount of any compensation received by him or her from such third party or new employer in respect of any services to be provided during the period prior to the first anniversary of termination or expiration, and (ii) Benefits Continuation will immediately cease on the earlier of the date he or she is first entitled to receive medical insurance benefits from his or her new employer or the first anniversary of the date of termination or expiration. Mr. Kingsbury's rights to receive Benefits Continuation will cease at such time as he is eligible to be covered under the hospital, health, disability, medical or life insurance benefits, as applicable, of any subsequent employer.

Each named executive officer shall only be entitled to receive the Annual Incentive Payment, Severance Payment and Benefits Continuation, as applicable, in the event that he or she:

executes a release of claims in respect of his or her employment with us; and

has not breached, as of the date of termination or at any time during the period for which such payments or services are to be made, certain restrictive covenants (Restrictive Covenants) contained in his or her employment agreement regarding (i) confidentiality, (ii) intellectual property rights, and (iii) non-competition and non-solicitation (each of which extend for a period of one year (or two years, in the case of Mr. Kingsbury) following termination of employment).

Our obligation to make such payments or provide such services will terminate upon the occurrence of any such breach during such period.

For purposes of each named executive officer's employment agreement,

cause means the named executive officer (i) is convicted of a felony or other crime involving dishonesty towards us or material misuse of our property; (ii) engages in willful misconduct or fraud with respect to us or any of our customers or suppliers or an intentional act of dishonesty or disloyalty

in the course of his or her employment; (iii) refuses to perform his or her material obligations under his or her employment agreement which failure is not cured after written notice to him or her; (iv) misappropriates one or more of our material assets or business opportunities; or (v) breaches a Restrictive Covenant which breach, if capable of being cured, is not cured within 10 days of written notice to him or her; and

good reason means the occurrence of any of the following events without the written consent of the named executive officer: (i) a material diminution of his or her duties or the assignment to him or her of duties that are inconsistent in any substantial respect with the position, authority or responsibilities associated with his or her position; (ii) our requiring him or her to be based at a location which is 50 or more miles from his or her principal office location on the date he or she commences employment with us; or (iii) a material breach by us of our obligations pursuant to his or her employment agreement (which breach goes uncured after notice and a reasonable opportunity to cure). No such condition is deemed to be good reason unless (i) we are notified within 30 days of the initial existence of such condition (or 60 days with respect to Mr. Seeger) and are provided with a period of at least 30 days from the date of notice to remedy the condition, and (ii) (a) with respect to each named executive officer other than Mr. Kingsbury, within 10 days after the expiration of such period (but in no event later than 120 days after the initial existence of the condition), the named executive officer actually terminates his or her employment with us by providing written notice of resignation for our failure to remedy the condition; or (b) with respect to Mr. Kingsbury, at any time during the period commencing 10 days after the expiration of such period and ending 180 days after Mr. Kingsbury's knowledge of the initial existence of the condition (but in all events within two years after the initial existence of said condition), Mr. Kingsbury actually terminates his employment with us by providing written notice of resignation for our failure to remedy the condition.

Termination for Any Other Reason

In the event that he or she is terminated for any other reason, including as a result of his or her death, disability, voluntary resignation for other than good reason (except in the event of Mr. Kingsbury's Retirement) or by resolution of our Board of Directors for cause, each named executive officer's employment agreement provides that he or she shall only be entitled to receive all previously earned and accrued but unpaid base salary, vacation and unpaid business expenses up to the date of such termination. A discussion of the benefits to be received by Mr. Kingsbury in connection with his Retirement is included above under the caption entitled Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table.

Change-in-Control

None of our named executive officers are entitled to receive any payments upon a change-in-control pursuant to the terms of his or her employment agreement.

Table of Contents**Option and Restricted Stock Agreements**

The terms of the option agreements and restricted stock agreements with each of our named executive officers include certain provisions regarding vesting upon a change in control and, in the case of Mr. Kingsbury, termination of employment. Such provisions are discussed in the table below and above under the captions entitled Long Term Incentives, Outstanding Equity Awards at Fiscal Year-End and Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table.

Name	Termination Without Cause or for Good Reason or Expiration of Employment Agreement					Option	Restricted Stock Acceleration

Rick Seeger	615,000		9,640				14,123	1,949,002

- (1) The amount set forth in this column (i) with respect to Mr. Kingsbury assumes that the severance pay will be provided for a period of three years in accordance with the terms of his employment agreement; and (ii) with respect to each named executive officer other than Mr. Kingsbury assumes that the severance pay will be provided for a period of one year in accordance with the terms of his or her employment agreement.
- (2) The amounts set forth in this column reflect the actual award to be received pursuant to the Annual Incentive Plan with respect to fiscal 2015.
- (3) The amounts set forth in this column have been calculated based upon the coverage rates and elections in effect for each of the named executive officer, and assumes that we can provide such coverage (i) for a period of three years for Mr. Kingsbury; and (ii) for a period of one year with respect to each named executive officer other than Mr. Kingsbury.
- (4) The closing price of our common stock on January 29, 2016 (the last business day of fiscal 2015), as reported by the NYSE, was \$53.73 per share (the Market Price). Upon cessation of employment and subject to the terms of the 2006 Incentive Plan, options and restricted stock that have not vested will terminate immediately (subject to the potential acceleration of Special One-Time Grants in the event of a change in control, as described above, and except with respect to Mr. Kingsbury, whose option and restricted stock agreements contain a formula for calculating a number of options or shares which will vest in the event that Mr. Kingsbury's employment is terminated without cause or by Mr. Kingsbury for good reason (or due to his disability, for all purposes other than his Special One-Time Grant)). Accordingly, the amount set forth in this column represents the sum of (i) the product obtained by multiplying the number of Mr. Kingsbury's accelerated shares of restricted stock by the Market Price (assuming withholding tax obligations due in connection with the vesting of such restricted stock are satisfied by a cash payment to us); and (ii) the product obtained by multiplying the number of Mr. Kingsbury's

accelerated options by the amount by which the Market Price exceeds the applicable exercise price.

- (5) Under our employment agreement with each named executive officer, in the event that such named executive officer is terminated for any reason other than by us without cause or by him or her for good reason, including as a result of death, disability, voluntary resignation for other than good reason (except in the event of Mr. Kingsbury's Retirement) or by resolution of our Board of Directors for cause, he or she shall only be entitled to receive all previously earned and accrued but unpaid base salary, vacation and unpaid business expenses up to the date of such termination.
- (6) All options (other than Special One-Time Grants) become exercisable upon a change in control and, with respect to Mr. Kingsbury, termination of employment due to death. The vesting of Special One-Time Grants will not be accelerated in the event of a change in control, provided, however, that in the event that within two years after a change in control, the grantee's employment is terminated without cause or the grantee resigns with good reason, then an incremental 20% of the Special One-Time Grants shall be deemed vested as of the date of termination of grantee's employment, but in no event more than the total number of Special One-Time Grants granted to such grantee. Accordingly, the amounts set forth in this column represent (assuming that a change in control has occurred and the grantee's employment is terminated without cause or the grantee resigns with good reason) the product obtained by multiplying (a) the number of accelerated options with an exercise price less than the Market Price, by (b) the amount by which the Market Price exceeds such exercise price.
- (7) All unvested shares of restricted stock will remain unvested following any change in control, provided, however, that 100% of such shares will vest if, following a change in control, the named executive officer's employment is terminated by us without cause or the named executive officer resigns with good reason (or, with respect to Mr. Kingsbury, due to his disability). Unvested restricted shares granted to Mr. Kingsbury vest upon his death. Accordingly, the amounts set forth in this column represent (assuming withholding tax obligations due in connection with the vesting of restricted stock are satisfied by a cash payment to us) the product obtained by multiplying the number of accelerated shares of restricted stock by the Market Price in the event (a) of Mr. Kingsbury's death, or (b) the named executive officer's employment is terminated by us without cause or he or she resigns with good reason (or, with respect to Mr. Kingsbury, due to his disability) following a change in control.

These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.

Policies and Procedures With Respect to Related Party Transactions

We maintain a Related Party Transactions Policy (the "Policy") which sets forth the manner in which we consider, evaluate and where appropriate conduct transactions with related parties. We recognize that related party transactions can involve potential or actual conflicts of interest and pose the risk that they may be, or be perceived to have been, based on considerations other than our best interests. Accordingly, as a general matter, we exercise caution with regard to such transactions and approach them with particular care.

A "related party transaction" means a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we were, are or will be a participant and the amount involved will or may be expected to exceed \$120,000, and in which any related party had, has or will have a direct or indirect material interest (including any transactions requiring disclosure under Item 404 of Regulation S-K promulgated under the Exchange

Act). For purposes of the Policy, a transaction in which any of our subsidiaries or any other company controlled by us participates is considered a transaction in which we participate. A related party is any of our directors or executive officers, any holder of more than 5% of our common stock or any immediate family member of any of these persons.

Table of Contents

We review all relationships and transactions in which we and a related party are participants to determine whether such persons have a direct or indirect material interest. To identify potential related party transactions, we request certain information from our directors and executive officers. We then review the information provided for any related party transactions. The Audit Committee reviews and determines whether to approve any related party transaction subject to the Policy.

STOCKHOLDERS SHARING THE SAME ADDRESS

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called householding. Under this procedure, multiple stockholders who reside at the same address may receive a single set of proxy materials unless the affected stockholder has provided contrary instructions. This procedure reduces printing costs and postage fees.

A number of brokers with account holders who beneficially own our common stock may be householding our proxy materials. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent.

Upon request, Burlington will promptly deliver a separate copy of our proxy materials to any beneficial owner at a shared address to which a single copy of any of those materials was delivered. To receive a separate copy, you may write or call Burlington Investor Relations at Burlington Stores, Inc., 2006 Route 130 North, Burlington, New Jersey 08016, Attention: Investor Relations, telephone 855-973-8445.

Any stockholders who share the same address and currently receive multiple copies of our proxy materials, who wish to receive only one copy in the future, can contact our transfer agent, American Stock Transfer & Trust Company, LLC (if a registered holder), or their bank, broker or other nominee (if a beneficial holder), to request information about householding.

FORM 10-K

We will mail without charge, upon written request, a copy of Burlington's Annual Report on Form 10-K for the fiscal year ended January 30, 2016, including the consolidated financial statements, schedules and list of exhibits, and any particular exhibit specifically requested. Requests should be sent to: Burlington Investor Relations at Burlington Stores, Inc., 2006 Route 130 North, Burlington, New Jersey 08016, Attention: Investor Relations, telephone 855-973-8445. The Board of Directors does not know of any other matters to be presented for stockholder action at the Annual Meeting.
