ELEVATE JUST GOT EVEN SWEETER

We're pleased to share a few new improvements we're rolling out today that will make it even easier for you to strike Elevate Gold or Silver status and rack up even more Bonus Points. Here's the low-down:

Rack up even more Bonus Points

We are ramping up the number of Bonus Reward points that Elevate Gold and Elevate Silver members earn for every Virgin America flight they purchase:

Elevate Silver Members will now earn 50% more points above the base rate of 5 points per \$1 of spend, up from 25%. This represents a total of 7.5 points per \$1 spent.

Elevate Gold Members will now earn 140% more points above the base rate of 5 points per \$1 of spend, up from 100%. This represents a total of 12 points per \$1 spent.

Achieve status more easily with our new flight counter:

For Status in 2016, Virgin America travelers will earn status based on either the number of flights they take or the amount they spend purchasing flights. Reward flights will also be counted towards achieving status. The new flight counter will make it around 70 percent easier to maintain and achieve status with Elevate® and will count all flight activity since 1/1/2016. Members can view their flight counts in their account on the website from today.

To achieve Silver Status, Members will either need to complete 15 flights or earn 20,000 Status Credits from flight purchases, at a rate of 5 credits per \$1.

To achieve Gold Status, Members will either need to complete 30 flights or earn 50,000 Status Credits from flight purchases, at a rate of 5 credits per \$1.

Addition of JetBlue Mosaic for Gold Status Match:

We are also expanding our Status Match program with the addition of JetBlue Mosaic status for eligible upgrades to Elevate Gold Status. JetBlue Mosaic members will be upgraded to Elevate® Gold simply by joining the program and applying online. It builds on the current program which offers status match to status holders with United Airlines, American Airlines, Delta Air Lines, Southwest Airlines and now JetBlue. Members can enjoy Gold status perks for three months, plus the opportunity to retain Gold status through the end of 2017.

In case you missed it, we also recently announced that Elevate Gold members can enjoy free access to our new high-speed ViaSat WiFi through to December 31, 2016. We encourage Elevate Gold members to check their email accounts for a promotional email from Virgin America with free ViaSat WiFi promo codes. You can also use the ViaSat portal live chat once in-flight for assistance starting a free session.

Since announcing that Virgin America has agreed to be acquired by Alaska Airlines, we've received an outpouring of support from many Elevate members about their love for Virgin America and the flying experience, for which we are incredibly humbled and grateful. Please be assured that you will not see any changes during the next several months and potentially until the end of the year until the merger receives regulatory and shareholder approval. Furthermore, there will likely be no significant changes to your flying experience for as many as 18 months or more while the two airlines merge into one. For more information, you can find the latest Q&A on the acquisition on our website.

If you have any further questions, please call us anytime on 1.877.FLY.VIRGIN (877.359.8474). If you're an Elevate Silver or Elevate Gold member, you can contact us by calling your exclusive reservation line, or send an email to your dedicated email address available once you log into your Elevate account.

We look forward to welcoming you onboard soon.
