, 2016

Dear Shareholder:

You are cordially invited to attend our Special Meeting of Shareholders, which will be held on Wednesday, November 30, 2016 at 9:00 a.m., Eastern Time. For your convenience, the Special Meeting will be a completely virtual meeting, which will be conducted via live audio webcast. You will be able to attend the Special Meeting online, vote your shares electronically and submit your questions during the Special Meeting via a live audio webcast by visiting www.virtualshareholdermeeting.com/CODI. Be sure to have the control number that appears on the proxy card or voting instructions that you have been provided in order to join the meeting.

The proxy statement contains important information about the Special Meeting, the proposals we will consider and how you can vote your shares. The Securities and Exchange Commission has adopted a Notice and Access rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice of Internet Availability, to shareholders in lieu of a paper copy of the proxy statement and related materials to shareholders, which we refer to as the Proxy Materials. The Notice of Internet Availability provides instructions as to how shareholders can access the Proxy Materials online, contains a listing of matters to be considered at the meeting and sets forth instructions as to how shares can be voted. Shares must be voted either by telephone, online or by completing and returning a proxy card, or electronically during the Special Meeting by visiting www.virtualshareholdermeeting.com/CODI. **Shares cannot be voted by marking, writing on and/or returning the Notice of Internet Availability. Any Notices of Internet Availability that are returned will not be counted as votes.** Instructions for requesting a paper copy of the Proxy Materials, including a paper proxy card, are set forth on the Notice of Internet Availability.

Your vote is very important to us. We encourage you to promptly vote your shares either by telephone, online or, if you received paper copies of your Proxy Materials in the mail, by completing, signing, dating and returning the enclosed proxy card, which contains instructions on how you would like your shares to be voted. **Please submit your proxy regardless of whether you will attend the Special Meeting.** This will help us ensure that your shares are represented at the Special Meeting. Signing this proxy will not prevent you from voting electronically should you be able to attend the meeting, but will assure that your vote is counted, if for any reason, you are unable to attend.

On behalf of the board of directors and the management of Compass Group Diversified Holdings LLC, I extend our appreciation for your investment in Compass Diversified Holdings.

Sincerely,

C. Sean Day

APPROVAL OF PROPOSALS AND SOLICITATION

Each shareholder who owned shares of the Trust on October 13, 2016, the record date for the determination of shareholders entitled to vote at the Special Meeting, is entitled to one vote for each share of the Trust. On September 26, 2016, we had 54,300,000 shares of the Trust issued and outstanding that were held by approximately 28,774 shareholders.

Quorum

Under the Amended and Restated Trust Agreement of the Trust, dated as of November 1, 2010, as amended, which we refer to as the Trust Agreement, the shareholders present in person electronically or by proxy holding a majority of the outstanding shares of the Trust entitled to vote shall constitute a quorum at a meeting of shareholders of the Trust. The Chairman of the Board or the holders of a majority of the outstanding shares of the Trust entitled to vote so represented may adjourn the meeting from time to time, whether or not there is such a quorum. Holders of shares of the Trust are the only shareholders entitled to vote at the Special Meeting. Shares of the Trust that are represented by broker non-votes will not be counted as shares present for purposes of determining the presence of a quorum at the Special Meeting. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal without specific voting instructions from the beneficial owner. Proposal 1, Proposal 2 and Proposal 3 described in this proxy are all non-discretionary items.

Table of Contents

Approval of Proposals

For each of the amendments to the Trust Agreement (Proposal 1), the amendments to the LLC Agreement (Proposal 2) and the adjournment of the Special Meeting, if necessary or appropriate, to establish a quorum or to permit further solicitation of proxies (Proposal 3), the affirmative vote of a majority of the outstanding shares present in person electronically or represented by proxy at the Special Meeting is required. With the exception of director elections and certain business combinations, as such term is defined in the Trust Agreement, any other proposal that properly comes before the Special Meeting must be approved by the affirmative vote of a majority of the outstanding shares present in person electronically or represented by proxy at the Special Meeting.

Each of Proposal 1, Proposal 2 and Proposal 3 requires the affirmative vote of a majority of the outstanding shares present in person electronically or by proxy, and therefore, an abstention is the same as a vote Against a proposal.

Under the terms of the Fourth Amended and Restated Operating Agreement of the Company, dated as of January 1, 2012, which we refer to as the LLC Agreement, and the Trust Agreement, with respect to those matters subject to vote by the members of the Company, the Company will act at the direction of the Trust. The Trust Agreement requires the Trust to vote 100% of the limited liability interests of the Company, or the LLC interests, of which it is the sole holder, in the same proportion as the vote of holders of the shares of the Trust. In this way the voting rights of members of the Company will effectively be exercised by the shareholders of the Trust by proxy. For the amendments to the LLC Agreement (Proposal 2), the LLC Agreement requires the affirmative vote of members of the Company holding a majority of the then outstanding LLC interests present in person electronically or represented by proxy at a meeting of the members. The Trust will vote its LLC interests as directed at the Company's members' meeting promptly following the tabulation of votes cast at this Special Meeting.

All votes will be tabulated by Broadridge, the proxy tabulator and inspector of election appointed for the Special Meeting. Broadridge will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We have also retained Broadridge to distribute copies of these proxy materials to banks, brokers, fiduciaries and custodians, or their agents holding shares in their names on behalf of beneficial owners of shares so that they may forward these Proxy Materials to the beneficial owners of shares.

We may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by directors, officers and/or employees of our manager, Compass Group Management LLC. We will not pay any additional compensation to these individuals for any such services.

We also engaged _____ to assist in proxy solicitation and collection at a cost of \$ _____, plus out-of-pocket expenses.

PROPOSAL 1: AMENDMENTS TO THE TRUST AGREEMENT

General

On October 6, 2016, the Board approved, subject to shareholder approval of both Proposal 1 and Proposal 2, amendments to the Trust Agreement to authorize the Board to create classes or series of, and to issue up to 50,000,000, preferred shares of the Trust with such terms as may be designated and approved by the Board, without further approval of the shareholders, including amendments to Sections 2.4, 3.1, 5.6, and 10.2 and the new definitions added in Section 1.1(b) of the Trust Agreement. The Board also approved other amendments to the Trust Agreement to incorporate certain updates of tax-related provisions and other technical or clean-up changes, which amendments do not require shareholder approval and are not part of Proposal 1. All of the above amendments are reflected substantially in the form attached hereto as Exhibit A.

Authorization of Issuance of Preferred Shares to Be Approved by Shareholders

The Trust Agreement currently authorizes the issuance of only one class of shares, which we refer to as common shares. The Trust Agreement, if amended pursuant to Proposal 1, will authorize the Board, without further action by shareholders (unless required by applicable law or the rules of any applicable stock exchange), to create and cause the Trust to issue from time to time one or more classes or series of up to 50,000,000 preferred shares. The existing shares will be redefined as common shares and the definitions of preferred shares and other related terms will be added into the Trust Agreement. The Board would be able to determine, without further action by shareholders, the terms, designations, preferences, rights, powers and duties of any such future preferred shares, as reflected in a share designation, including:

the ranking of such shares relative to the Trust's other shares;

the right, if any, of such shares to share in the Trust's profits and losses or items thereof;

the right, if any, of such shares to share in the Trust's distributions, the dates distributions on such shares will be payable and whether distributions with respect to such shares will be cumulative or non-cumulative;

the rights of such shares upon dissolution and liquidation of the Trust;

whether, and the terms and conditions upon which, the Trust may redeem such shares;

whether such shares are issued with the privilege of conversion or exchange and, if so, the terms and conditions upon which the conversion or exchange may be made;

the terms and conditions upon which such shares will be issued, evidenced by certificates and assigned or transferred;

the method for determining the percentage interest as to such shares;

the terms and amounts of any sinking fund provided for the purchase or redemption of such shares;

whether there will be restrictions on the issuance of preferred shares of the same class or series or any other class or series; and

the right, if any, of the holder of each such share to vote.

At all times, the Trust will have outstanding the identical number of preferred shares as the number of outstanding trust preferred interests of the Company that are of the corresponding class and series as the preferred shares. Any share designation adopted by the Board would amend the provisions of the Trust Agreement and any other share designation. In addition, the Board would be able to, without further action by shareholders, amend the Trust Agreement to the extent the Board determines that it is necessary or desirable in order to effectuate any issuance of preferred shares. The above amendment as proposed by Proposal 1, including certain technical and cleanup changes, are reflected in Sections 2.4, 3.1, 5.6, and 10.2 and the new definitions added in Section 1.1(b) of the Trust Agreement in Exhibit A attached hereto.

Table of Contents

The approval of Proposal 1 is conditioned upon the approval of Proposal 2 by shareholders.

Further Amendment to Trust Agreement to Be Effected without Shareholder Approval

The Board has approved that, regardless of whether Proposal 1 or Proposal 2 is approved by the shareholders, the Trust Agreement will be further amended to incorporate certain updates of tax-related provisions and other technical or clean-up changes in sections of the Trust Agreement not referred to in Proposal 1, including the following:

Revising Exhibit B (Allocations of Profits and Losses) to the Trust Agreement to permit the maintenance of separate capital accounts for the preferred shares and common shares if necessary for appropriate tax reporting and address new partnership audit provisions in the Bipartisan Budget Act of 2015;

Updating the information of regular trustees, the Delaware trustee, the transfer agents, tax matter partner, partner representative and contact of the Trust; and

Making conforming changes with respect to cross-references and other technical or clean-up changes. Under the terms of the Trust Agreement, these updates of tax-related provisions and other technical or clean-up changes do not require shareholder approval and are not part of Proposal 1. If both Proposal 1 and Proposal 2 are approved by shareholders, the Trust Agreement will be amended and restated to reflect both Proposal 1 and these updates and changes, as set forth in Exhibit A hereto, where proposed additions are indicated by underlining and proposed deletions are indicated by overstriking; if either Proposal 1 or Proposal 2 is not approved by shareholders, only these updates and changes will be made to the Trust Agreement and only to the extent they are unrelated to preferred shares.

Purpose of the Proposal

The Board believes that it is in the best interests of the Trust and its shareholders to adopt the amendments to the Trust Agreement described in Proposal 1 because they will provide the Trust with increased flexibility in meeting future capital requirements through equity financings without the delay and expense ordinarily associated with obtaining further shareholder approvals, and (ii) they will improve the Trust's ability to attract investment capital, as various classes or series of the preferred shares may be customized to meet the needs of any particular transaction or market conditions.

We have no current plans, arrangements, or agreements to issue any preferred shares. However, in light of our recent add-on and platform acquisitions, our Board may in the near future determine that it is appropriate or necessary to raise additional capital to pay down our debt through the sale of preferred shares.

Effects of the Proposal

The preferred shares to be authorized pursuant to Proposal 1 could be issued at the discretion of the Board, for any proper business purpose, without further action by the shareholders except as may be required by applicable law, the rules of any applicable stock exchange or our declawing representation described below in this section. We do not currently have any plan or proposal to issue any preferred shares. Existing shareholders would not have preemptive rights with respect to any future issuance of preferred shares by the Trust, and their interest in the Trust could be

diluted by such issuance with respect to earnings per share, voting, liquidation rights and book and market value.

Table of Contents

The Board would have the power to issue the preferred shares in one or more classes or series with such preferences and voting rights as the Board may fix in the resolution providing for the issuance of such shares. The issuance of preferred shares could affect the relative rights of the holders of the Trust's common shares. Depending upon the exact terms, limitations and relative rights and preferences, if any, of the preferred shares as determined by the Board at the time of issuance, the holders of preferred shares may be entitled to a higher distribution rate than that paid on the common shares, a prior claim on funds available for the payment of distributions, a fixed preferential payment in the event of liquidation or dissolution of the Trust, redemption rights, rights to convert their preferred shares into common shares, and voting rights which would dilute the voting control of the Trust by the holders of common shares. Depending on the particular terms of any series of the preferred shares, holders thereof may have significant voting rights and the right to representation on the Board. In addition, the approval of the holders of preferred shares, voting as a class or as a series, may be required for the taking of certain corporate actions, such as mergers.

Proposal 1 is not proposed in response to, or for the purpose of deterring, any effort to obtain control of the Trust or the Company or as an anti-takeover measure. **If the proposed amendments to the Trust Agreement described in Proposal 1 are approved by the shareholders at the Special Meeting, the Board represents that it will not, without prior shareholder approval, issue or use any preferred shares for any defensive or anti-takeover purpose or for the purpose of implementing any shareholder rights plan.**

Required Vote for Shareholder Approval

The affirmative vote of a majority of the outstanding shares present in person electronically or by proxy at the Special Meeting is required to approve the amendments to the Trust Agreement described in Proposal 1.

Recommendation of the Board

Our Board recommends that you vote **FOR** the amendments to the Trust Agreement described in Proposal 1.

PROPOSAL 2: AMENDMENTS TO THE LLC AGREEMENT

General

On October 6, 2016, the Board approved, subject to shareholder approval of both Proposal 1 and Proposal 2, amendments to the LLC Agreement to authorize the Board to create classes or series of, and to issue up to 50,000,000, trust preferred interests in the Company with such terms as may be designated and approved by the Board, without further approval of the members of the Company (other than in certain circumstances, the allocation member of the Company), including amendments to Sections 1.3, 2.5, 3.1(a), 5.1, 14.1(i) and (ii), and Articles 10 and 12 of the LLC Agreement. The Board also approved other amendments to the LLC Agreement to incorporate certain updates of tax-related provisions and other technical or clean-up changes, which amendments do not require shareholder approval and are not part of Proposal 2. All of the above amendments are reflected substantially in the form attached hereto as Exhibit B.

Authorization of Issuance of Preferred Shares to Be Approved by Shareholders

The LLC Agreement currently authorizes the issuance of only one class of trust interests, which we refer to as trust common interests. The LLC Agreement, if amended pursuant to Proposal 2, would authorize the Board, without further action by the Company's members (other than in certain circumstances, the allocation member of the Company) or the shareholders (unless required by applicable law or the rules of any applicable stock exchange), to create and cause the Company to issue from time to time one or more classes or series of up to 50,000,000 trust preferred interests. The existing trust interests will be redefined as trust common interests and the definitions of trust preferred interests and other related terms will be added into the LLC Agreement. The Board may determine, without further action by the Company's members or the shareholders, the terms, designations, preferences, rights, powers and duties of any such future trust preferred interests, as reflected in a trust interest designation, including:

the ranking of such trust interests relative to the Company's other trust interests;

the right, if any, of such trust interests to share in the Company's profits and losses or items thereof;

the right, if any, of such trust interests to share in the Company's distributions, the dates distributions on such trust interests will be payable and whether distributions with respect to such trust interests will be cumulative or non-cumulative;

the rights of such trust interests upon dissolution and liquidation of the Company;

whether, and the terms and conditions upon which, the Company may redeem such trust interests;

whether such trust interests are issued with the privilege of conversion or exchange and, if so, the terms and conditions upon which the conversion or exchange may be made;

Edgar Filing: Compass Diversified Holdings - Form PRE 14A

the terms and conditions upon which such trust interests will be issued, evidenced by certificates and assigned or transferred;

the method for determining the percentage interest as to such trust interests;

the terms and amounts of any sinking fund provided for the purchase or redemption of such trust interests;

whether there will be restrictions on the issuance of preferred trust interests of the same class or series or any other class or series; and

the right, if any, of the holder of each such trust interest to vote.

Table of Contents

As long as the Trust remains the sole holder of the trust interests of the Company, the Company will cause to be issued to the Trust, as of any time, the identical number of each class or series of trust preferred interests as the number of each class or series of outstanding preferred shares of the Trust. Any trust interest designation adopted by the Board would amend the provisions of the LLC Agreement and any other trust interest designation. In addition, the Board would be able to, without further action by the Company's members (other than the Company's allocation member in certain circumstances) or the shareholders, amend the LLC Agreement to the extent the Board determines that it is necessary or desirable in order to effectuate any issuance of trust preferred interests. The above amendments as proposed by Proposal 2 and certain technical and cleanup changes, are reflected in Sections 1.3, 2.5, 3.1(a), 5.1, 14.1(i) and (ii), and Articles 10 and 12 of the LLC Agreement in Exhibit B attached hereto.

The approval of Proposal 2 is conditioned upon the approval of Proposal 1 by shareholders.

Further Amendment to LLC Agreement to Be Effected without Shareholder Approval

The Board has approved that, regardless of whether Proposal 1 or Proposal 2 is approved by the shareholders, the LLC Agreement will be further amended to incorporate certain updates of tax-related provisions and other technical or clean-up changes in sections of the LLC Agreement not referred to in Proposal 2, including the following:

Revising the LLC Agreement to permit the maintenance of separate capital accounts for the trust preferred interests and trust common interests if necessary for appropriate tax reporting and address new partnership audit provisions in the Bipartisan Budget Act of 2015;

Updating the information of the Company's directors and contact information of the parties to the LLC Agreement;

Deleting unnecessary and obsolete references in the LLC Agreement; and

Making conforming changes with respect to cross-references and other technical or clean-up changes.

Under the terms of the LLC Agreement and the Trust Agreement, these updates of tax-related provisions and other technical or clean-up changes do not require shareholder approval and are not part of Proposal 2. If both Proposal 1 and Proposal 2 are approved by shareholders, the LLC Agreement will be amended and restated to reflect both Proposal 2 and these updates and changes, as set forth in Exhibit B hereto, where proposed additions are indicated by underlining and proposed deletions are indicated by overstriking; if either Proposal 1 or Proposal 2 is not approved by shareholders, only these updates and changes will be made to the LLC Agreement and only to the extent they are unrelated to trust preferred interests.

Purpose of the Proposal

Under Proposal 1 and Proposal 2, the shareholder approvals of which are conditioned upon one another, each preferred share of the Trust corresponds to one underlying trust preferred interest of the Company held by the Trust. Unless the Trust is dissolved, it must remain the holder of 100% of the trust preferred interests of the Company and at all times the Company will have outstanding the identical number of trust preferred interests as the number of outstanding preferred shares of the Trust that are of the corresponding class and series as the trust preferred interests.

Therefore, the Board believes that, for the same reasons the Board is recommending that the shareholders of the Trust adopt the amendments to the Trust Agreement described in Proposal 1, it is in the best interests of the Company, the members of the Company, the Trust and the shareholders of the Trust to adopt the amendments to the LLC Agreement described in Proposal 2. See Proposal 1: Amendments to the Trust Agreement Purpose of the Proposal.

Effects of the Proposal

As the approvals of Proposal 1 and Proposal 2 are conditioned upon the approval of one another and, under Proposal 1, the Trust will have outstanding the identical number of preferred shares as the number of outstanding trust preferred interests that are of the corresponding class and series as the preferred shares, the effects of Proposal 2 are same as those of Proposal 1. See Proposal 1: Amendment to the Trust Agreement Effects of the Proposal.

Any other business may be transacted at the annual meeting; *provided*, that it is properly brought before the meeting.

Section 5.2 Special Meetings of Shareholders

Special meetings of Shareholders shall be held on such date, at such time and at such place (if any) within or without the State of Delaware as shall be designated from time to time by the Board of Directors and stated in the notice of the meeting. Special meetings of Shareholders may be called at any time only by the Chairman of the Board of Directors or by the Board of Directors pursuant to a resolution adopted by a majority of the Board of Directors. Business transacted at any special meeting of Shareholders shall be limited to the purpose stated in the notice relating thereto.

Section 5.3 Place of Meeting

The Board of Directors may designate the place (if any) of meeting for any meeting of Shareholders. If no designation is made by the Board of Directors, the place of meeting shall be the principal executive office of the Sponsor. In lieu of holding any meeting of Shareholders at a designated place, the Board of Directors may, in its sole discretion, determine that any meeting of Shareholders may be held solely by means of remote communication.

Section 5.4 Notice of Meeting

(a) A notice of meeting, stating the place (if any), day and hour of the meeting, and the means of remote communication, if any, by which Shareholders and proxy holders may be deemed to be present in person and vote at such meeting (the *Trust's Notice*), shall be prepared and delivered by the Sponsor not less than twenty (20) days and not more than sixty (60) days before the date of the meeting, either personally, by mail or, to the extent and in the manner permitted by applicable law, electronically, to each Shareholder of record. Any Trust's Notice to Shareholders given by the Trust pursuant to this Section 5.4 shall be effective if given by a form of electronic transmission consented to by the Shareholder to whom the notice is given. Any such consent shall be revocable by the Shareholder by written notice to the Trust and shall also be deemed revoked if (1) the Trust is unable to deliver by electronic transmission two consecutive notices given by the Trust in accordance with such consent, and (2) such inability becomes known to the Secretary of the Sponsor, the Transfer Agent or other person responsible for the giving of notice; *provided*, that, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

Notice given by electronic transmission pursuant to this subsection shall be deemed given: (1) if by facsimile telecommunication, when directed to a facsimile telecommunication number at which the Shareholder has consented to receive notice; (2) if by electronic mail, when directed to an electronic mail address at which the Shareholder has consented to receive notice; (3) if by posting on an electronic network together with separate notice to the Shareholder of such specific posting, upon the later of (A) such posting and (B) the giving of such separate notice; and (4) if by any other form of electronic transmission, when directed to the Shareholder. An affidavit of the Secretary or an assistant Secretary or of the Transfer Agent or other agent of the Sponsor that the notice has been given by personal delivery, mail or a form of electronic transmission shall, in the absence of fraud, be *prima facie* evidence of the facts stated therein.

(c) In order that the Trust may determine the Shareholders entitled to notice of or to vote at any meeting of Shareholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) or fewer than twenty (20) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining Shareholders entitled to notice of or to vote at any meeting of Shareholders or any adjournment thereof shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

Section 5.5 Quorum and Adjournment

Except as otherwise provided by applicable law or by this Agreement, the Shareholders present in person or by proxy holding a majority of the then Outstanding [Voting Shares](#) ~~entitled to vote~~, shall, [subject to any applicable Share Designation](#), constitute a quorum at a meeting of Shareholders. The Chairman or the holders of a majority of the then Outstanding [Voting Shares](#) ~~entitled to vote~~ so represented may adjourn the meeting from time to time, whether or not there is such a quorum. The Shareholders present at a duly organized meeting at which a quorum is present in person or by proxy may continue to transact business until adjournment, notwithstanding the withdrawal of enough Shareholders to leave less than a quorum.

When a meeting is adjourned to another time and place, if any, unless otherwise provided by this Agreement, notice need not be given of the reconvened meeting if the date, time and place, if any, thereof and the means of remote communication, if any, by which Shareholders and proxyholders may be deemed to be present in person and vote at such reconvened meeting are announced at the meeting at which the adjournment is taken. If the time, date and place of the reconvened meeting are not announced at the meeting at which the adjournment is taken, then the Secretary of the Sponsor shall give written notice of the time, date and place of the reconvened meeting not less than twenty (20) days prior to the date of the reconvened meeting.

A determination of Shareholders of record entitled to notice of or to vote at a meeting of Shareholders shall apply to any adjournment of such meeting; *provided, however*, that the Board of Directors may fix a new record date for the reconvened meeting. If an adjournment is for more than thirty (30) days or if, after an adjournment, a new record date is fixed for the reconvened meeting, a notice of the reconvened meeting shall be given to each Shareholder entitled to vote at the meeting.

Section 5.6 Voting

(a) Subject to the provisions of this Section 5.6 and Section 5.7, the Shareholders shall have the exclusive and absolute right to direct the Regular Trustees with respect to the voting of the Trust on all matters that it, as holder of the Sponsor Interests, is entitled to vote upon under the terms of the Sponsor Agreement or applicable law and the Regular Trustees shall cause the Trust to vote its Sponsor Interests as so directed by the Shareholders.

If such calculation of votes would require a fractional vote, the Regular Trustees shall vote the next lower number of whole ~~Shares~~Sponsor Interests.

Section 5.7 Proxies

At all meetings of Shareholders, a Shareholder entitled to vote may vote by proxy as may be permitted by applicable law; *provided*, that, no proxy shall be voted after three (3) years from its date, unless the proxy provides for a longer period in accordance with this Agreement. Any proxy to be used at a meeting of Shareholders must be filed with the Secretary of the Sponsor or his or her representative at or before the time of the meeting. A Shareholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary a revocation of the proxy or a new proxy bearing a later date.

(iii) the Gross Asset Value of any item of Trust assets distributed to any Shareholder shall be adjusted to equal the gross fair market value (taking Code Section 7701(g) into account) of such asset on the date of distribution, as determined by the Tax Matters Member; and

ALLOCATIONS

[In each case subject to any applicable Share Designation:](#)

Section B.1 Special Allocations

The following special allocations shall [subject to any applicable Share Designation](#), be made in the following order:

(a) **Minimum Gain Chargeback.** Except as otherwise provided in Section 1.704-2(f) of the Regulations, notwithstanding any other provision of Section 3.4 and this Article B.II, if there is a net decrease in Trust Minimum Gain during any Allocation Year, each Shareholder shall be specially allocated items of Trust income and gain for such Allocation Year (and, if necessary, subsequent Allocation Years) in an amount equal to such Shareholder's share of the net decrease in Trust Minimum Gain, determined in accordance with Regulations Section 1.704-2(g) and (h). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Shareholder pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(f)(6) and 1.704-2(j)(2) of the Regulations. This Section B.1(a) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith.

(b) **Shareholder Minimum Gain Chargeback**. Except as otherwise provided in Section 1.704-2(i)(4) of the Regulations, notwithstanding any other provision of Section 3.4 and this Article B.II, if there is a net decrease in Shareholder Nonrecourse Debt Minimum Gain attributable to a Shareholder Nonrecourse Debt during any Allocation Year, each Shareholder who has a share of the Shareholder Nonrecourse Debt Minimum Gain attributable to such Shareholder Nonrecourse Debt, determined in accordance with Section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Trust income and gain for such Allocation Year (and, if necessary, subsequent Allocation Years) in an amount equal to such Shareholder's share of the net decrease in Shareholder Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Shareholder pursuant thereto. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and 1.704-2(j)(2) of the Regulations. This Section B.1(b) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(i)(4) of the Regulations and shall be interpreted consistently therewith.

(c) **Qualified Income Offset**. In the event any Shareholder unexpectedly receives any adjustments, allocations or distributions described in Section 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5) or 1.704-1(b)(2)(ii)(d)(6) of the Regulations, items of Trust income and gain shall be specially allocated to such Shareholder in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of the Shareholder as quickly as possible; provided, that an allocation pursuant to this Section B.1(c) shall be made only if and to the extent that the Shareholder would have an Adjusted Capital Account Deficit after all other allocations provided for in Section 3.4 and this Article B.II have been tentatively made as if this Section B.1(c) were not in this Agreement.

(d) **Nonrecourse Deductions**. Nonrecourse Deductions for any Allocation Year shall be specially allocated to the Shareholders in the manner elected by the Tax Matters Member in conformity with the provisions of Regulations 1.704-2, and in the absence of such an election, to the Shareholders in proportion to their respective Percentage Interests.

Table of Contents

(e) Shareholder Nonrecourse Deductions. Any Shareholder Nonrecourse Deductions for any Allocation Year shall be specially allocated to the Shareholder who bears the economic risk of loss with respect to the Shareholder Nonrecourse Debt to which such Shareholder Nonrecourse Deductions are attributable in accordance with Regulations Section 1.704-2(i)(1).

(f) Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Trust asset, pursuant to Code Section 734(b) or Code Section 743(b), is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Shareholder in complete liquidation of such Shareholder's interest in the Trust, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Shareholders in accordance with their interests in the Trust in the event Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies or to the Shareholder to whom such distribution was made in the event Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

(g) Allocations Relating to Taxable Issuance of Trust Shares. Any income, gain, loss or deduction realized as a direct or indirect result of the issuance of Shares by the Trust to a Shareholder (the *Issuance Items*) shall be allocated among the Shareholders so that, to the extent possible, the net amount of such Issuance Items, together with all other allocations made under this Agreement to each Shareholder, shall be equal to the net amount that would have been allocated to each such Shareholder if the Issuance Items had not been realized.

Section B.2 Curative Allocations

The allocations set forth in Sections B.1(a), B.1(b), B.1(c), B.1(d), B.1(e), B.1(f), B.1(g) and B.3 (the *Regulatory Allocations*) are intended to comply with certain requirements of the Regulations. It is the intent of the Shareholders that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Trust income, gain, loss or deduction pursuant to this Section B.2. Therefore, notwithstanding any other provision of Section 3.4 or this Article B.II (other than the Regulatory Allocations), the Board of Directors shall make such offsetting special allocations of Trust income, gain, loss or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Shareholder's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Shareholder would have had if the Regulatory Allocations were not part of this Agreement and all Trust items were allocated pursuant to Section 3.4.

Table of Contents

Section B.3 Loss Limitation

Losses allocated pursuant to Section 3.4 shall not exceed the maximum amount of Losses that can be allocated without causing any Shareholder to have an Adjusted Capital Account Deficit at the end of any Allocation Year. In the event some but not all of the Shareholders would have Adjusted Capital Account Deficits as a consequence of an allocation of Losses pursuant to Section 3.4, the limitation set forth in this Section B.3 shall be applied on a Shareholder-by-Shareholder basis, and Losses not allocable to any Shareholder as a result of such limitation shall be allocated to the other Shareholders in accordance with the positive balances in such Shareholders' Capital Accounts so as to allocate the maximum permissible Losses to each Shareholder under Section 1.704-1(b)(2)(ii)(d) of the Regulations.

Section B.4 Other Allocation Rules

(a) For purposes of determining the Profits and Losses or any other items allocable to any period, Profits, Losses, and any other such items shall be determined on a monthly or other basis, as determined by the Trust using any method permissible under Code Section 706 and the Regulations thereunder.

(b) The Shareholders are aware of the income tax consequences of the allocations made by Section 3.4 and this Article B.II and hereby agree to be bound by the provisions of Section 3.4 and this Article B.II in reporting their shares of Trust income and loss for income tax purposes.

(c) Solely for purposes of determining a Shareholder's proportionate share of the excess nonrecourse liabilities of the Trust within the meaning of Regulations Section 1.752-3(a)(3), the Shareholder's interests in Trust profits are in proportion to their Percentage Interests.

(d) To the extent permitted by Section 1.704-2(h)(3) of the Regulations, the Trustees shall endeavor to treat distributions as having been made from the proceeds of a Nonrecourse Liability or a Shareholder Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Shareholder.

(e) To the extent the Tax Matters Member determines, in consultation with the Trust's tax advisors, that any distribution pursuant to Article III to a Shareholder hereunder (or portion of such distribution) would more properly be characterized as a payment described in Code Section 707(a) or 707(c), such payment may be so characterized in the Trust's tax filings, and in such event, shall be taken into account for federal income tax purposes as an expense of the Trust, and not as an allocation of income to a Shareholder affecting such Shareholder's Capital Account.

Section B.5 Tax Allocations; Code Section 704(c)

In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss and deduction with respect to any Property contributed to the capital of the Trust shall, solely for tax purposes, be allocated among the Shareholders so as to take account of any variation between the adjusted basis of such Property to the Trust for U.S. federal income tax purposes and its initial Gross Asset Value (computed in accordance with the definition of Gross Asset Value) using a method, selected in the discretion of the Board of Directors of the Sponsor in accordance with Section 1.704-3 of the Regulations.

Table of Contents

In the event the Gross Asset Value of any Trust asset is adjusted pursuant to subparagraph (ii) of the definition of Gross Asset Value, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for U.S. federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder.

Any elections or other decisions relating to such allocations shall be made by the Board of Directors in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section B.5 are solely for purposes of U.S. federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Shareholder's Capital Account or share of Profits, Losses, other items or distributions pursuant to any provision of this Agreement.

Section B.6 Tax Elections

(a) The [Regular](#) Trustees shall, without any further consent of the Shareholders being required (except as specifically required herein), make (i) the election to adjust the basis of Property pursuant to Code Sections 754, 734(b) and 743(b), or comparable provisions of state, local or foreign law, in connection with Transfers of Shares and Trust distributions; and (ii) any and all other elections for U.S. federal, state, local and foreign tax purposes, including, without limitation, any election, if permitted by applicable law: (x) to extend the statute of limitations for assessment of tax deficiencies against the Shareholders with respect to adjustments to the Trust's U.S. federal, state, local or foreign tax returns; ~~and~~ (y) to the extent provided in Code Sections 6221 through 6231 [\(as in effect prior to amendment by the Bipartisan Budget Act of 2015, P.L. 114-74 \(BBA \)\)](#) and Code Sections 6221 through 6235 [\(following the effective date of the BBA\)](#) and similar provisions of U.S. federal, state, local or foreign law, to represent the Trust and the Shareholders before taxing authorities or courts of competent jurisdiction in tax matters affecting the Trust or the Shareholders in their capacities as Shareholders, and to file any tax returns and execute any agreements or other documents relating to or affecting such tax matters, including agreements or other documents that bind the Shareholders with respect to such tax matters or otherwise affect the rights of the Trust and the Shareholders; ~~James J. Bottiglieri is specifically authorized to act as the Tax Matters Member .~~ and (z) [following the effective date of the BBA, to make all decisions and elections which in their sole discretion will allocate audit adjustments among the Shareholders in an equitable and practicable manner, including the payment and/or allocation of taxes resulting from such audit adjustments. Ryan J. Faulkingham is specifically authorized to act as the tax matters partner \(as defined in Code Section 6231\(a\)\(7\) prior to amendment by the BBA\) and as partner representative \(as referenced in Code Section 6223\(a\) following amendment by the BBA\) \(both such roles referred to herein and in the Agreement as Tax Matters Member .\)](#) under the Code and in any similar capacity under state or local law.

(b) The Board of Directors of the Sponsor may, by the affirmative vote of at least a majority of the entire Board of Directors, and without any further consent of the Shareholders being required, cause the Trust to elect to be treated as a corporation for U.S. federal income tax purposes; *provided, however*, that such action shall be taken only if the Board of Directors first obtains an opinion from a nationally recognized financial advisor to the effect that it expects the market valuation of the Trust to be significantly lower as a result of the Trust continuing to be treated as a partnership for U.S. federal income tax purposes than if the Trust instead elected to be treated as a corporation for U.S. federal income tax purposes.

Section B.7 Distributions on Liquidation; Compliance with Certain Requirements of Regulations; Deficit Capital Accounts.

In the event the Trust is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), notwithstanding Section 3.1, distributions shall, [subject to any applicable Share Designation](#), be made to the Shareholders who have positive Capital Accounts in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(2). If any Shareholder has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all Allocation Years, including the Allocation Year during which such liquidation occurs), such Shareholder shall have no obligation to make any contribution to the capital of the Trust with respect to such deficit, and such deficit shall not be considered a debt owed to the Trust or to any other Person for any purpose whatsoever.

(d) To the extent permitted by Section 1.704-2(h)(3) of the Regulations, the Manager shall endeavor to treat distributions as having been made from the proceeds of a Nonrecourse Liability or a Member Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Member.

(e) To the extent the Tax Matters Member determines, in consultation with the Company's tax advisors, that any distribution pursuant to Article 5 to a Member hereunder (or portion of such distribution) would more properly be characterized as a payment described in Code Section 707(a) or 707(c), such payment may be so characterized in the Company's tax filings, and in such event, shall be taken into account for federal income tax purposes as an expense of the Company, and not as an allocation of income to a Member affecting such Member's Capital Account.

Section 4.7 Tax Allocations: Code Section 704(c). In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss and deduction with respect to any Property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such Property to the Company for U.S. federal income tax purposes and its initial Gross Asset Value (computed in accordance with the definition of Gross Asset Value) using a method, selected in the discretion of the Board of Directors in accordance with Section 1.704-3 of the Regulations.

ARTICLE 5

DISTRIBUTIONS

Section 5.1 Distributions to Members. Except as otherwise provided in Section 5.3 and Article 14, the Board of Directors may, in its sole discretion and at any time, declare and pay distributions with respect to the LLC Interests to the Members, as of any record date established by the Board of Directors with respect to such distributions, from Cash Available for Distribution to all Members, [subject to any applicable Trust Interest Designation](#), in proportion to their Percentage Interests.

Section 5.2 Distributions to the Allocation Member.

(a) In General. Except as otherwise provided in Section 5.3 and Article 14 and subject to the other terms and conditions set forth in this Section 5.2, for so long as the Allocation Interests are Outstanding (i) the Administrator shall calculate (x) the Profit Distribution Amount, and the components thereof, in accordance with Section 5.2(b) and (y) Tax Distributions, and the components thereof, in accordance with Section 5.2(i) and (ii) the Company shall pay (x) Profit Distributions in accordance with Section 5.2(e) and (y) Tax Distributions in accordance with Section 5.2(h).

(b) Calculation of Profit Distribution Amount Upon Trigger Event. Subject to Section 5.2(g), upon the occurrence of a Trigger Event with respect to any Subsidiary (the *Profit Distribution Subsidiary*), the Administrator, as of the relevant Calculation Date with respect to such Trigger Event, shall:

(i) calculate, on or promptly following such Calculation Date, the Profit Distribution Amount with respect to such Profit Distribution Subsidiary as of such Calculation Date; and

(ii) adjust such Profit Distribution Amount (as adjusted, the *Adjusted Profit Distribution Amount*) so calculated, on a dollar-for-dollar basis, by:

(A) *reducing* such Profit Distribution Amount by the aggregate amount of any Over-Paid Profit Distributions, if any, existing as of such Calculation Date;

(B) *increasing* such Profit Distribution Amount by the aggregate amount of any Under-Paid Profit Distributions, if any, existing as of such Calculation Date; and

Table of Contents

(C) *reducing* such Profit Distribution Amount by the aggregate amount of any Tax Distributions, if any, that were previously received by the Allocation Member on any Tax Distribution Payment Date prior to such Calculation Date, to the extent such amount of Tax Distributions have not been previously applied towards a reduction of Profit Distribution Amount in accordance with this Section 5.2(b).

If more than one Trigger Event takes place during any Fiscal Quarter which would cause the calculation of the Profit Distribution Amount with respect to more than one Profit Distribution Subsidiary as of the Calculation Date with respect to such Trigger Event, then the Profit Distribution Amount shall be calculated under this Section 5.2(b) with respect to each Profit Distribution Subsidiary separately and in the order in which controlling interest in each such Profit Distribution Subsidiary was acquired or otherwise obtained by the Company, and the resulting amounts so calculated shall be aggregated to determine the total amount of the Profit Distribution Amount as of such Calculation Date for any purpose hereunder; *provided*, that if controlling interest in such Profit Distribution Subsidiaries was acquired or otherwise obtained at the same time, then the Profit Distribution Amount shall be further calculated under this Section 5.2(b) with respect to each Profit Distribution Subsidiary separately and in the order in which each such Profit Distribution Subsidiary was sold.

Notwithstanding anything to the contrary in this Agreement (including, for the avoidance of doubt, the definitions of Calculation Date and Total Profit Allocation), upon the closing of an initial public offering (an *IPO Event*) by any Subsidiary (an *IPO Entity*), such IPO Event and the receipt of proceeds from such IPO Event shall be treated as a Sale Event subject to the following provisions:

- (1) The calculation by the Administrator and the payment by the Company of the Adjusted Profit Distribution Amount in connection with the IPO Event shall be calculated and paid in quarterly installments upon the receipt by the Company of proceeds from the sale of equity securities of such IPO Entity, either in connection with the IPO Event or thereafter, regardless of whether such IPO Entity is thereafter a Subsidiary;
- (2) If on the date of the IPO Event the IPO Entity had positive Contribution-Based Profits for the Measurement Period ending on the IPO Event, then the Administrator shall calculate and the Company shall pay the first installment of the Adjusted Profit Distribution Amount inclusive of the entire amount attributable to the Contribution-Based Profits of the IPO Entity as though a Holding Event had been declared in conjunction with the IPO Event;
- (3) If on the date of the IPO Event the IPO Entity had negative Contribution-Based Profits for the Measurement Period ending on the IPO Event, then no installments of the Adjusted Profit Distribution Amount shall be payable to the Allocation Member until, and to the extent, the Total Profit Allocation with respect to the IPO Entity recalculated as of the date of payment is a positive number.

Table of Contents

(4) Upon an IPO Event, the Contribution-Based Profits in respect of the IPO Entity shall be fixed and no further Contribution-Based Profits shall be taken into account in respect of the IPO Entity, regardless of whether the IPO Entity is or is not then a Subsidiary.

(5) In conjunction with the IPO Event, the Administrator shall allocate to each share of equity securities of the IPO Entity held by the Company plus each share sold in the IPO Event a ratable portion of the Company's book basis (as calculated in accordance with GAAP) in the aggregate shares, such that the Administrator is able to calculate readily an installment of the Adjusted Profit Distribution Amount to be distributed to the Allocation Member in connection with each disposition by the Company of shares of equity securities in the IPO Entity. This allocation by the Administrator shall be fixed and shall not be adjusted thereafter, notwithstanding that the Company's book basis in any such shares held by the Company may thereafter be adjusted in accordance with GAAP.

(6) On the last day of the first twelve Fiscal Quarters following an IPO Event, and subject to the Audit Committee approvals and review procedures provided in Section 5.2(c), (d) and (g), the Administrator shall recalculate and the Company shall pay such installments of the Adjusted Profit Distribution Amount on a per share basis to the extent the Company has received proceeds from the disposition of equity securities in such IPO Entity during such Fiscal Quarter.

(7) On the last day of the twelfth Fiscal Quarter following the IPO Event, subject to the Audit Committee approvals and review procedures provided for in Section 5.2(c), (d) and (g), the Administrator shall recalculate the Adjusted Profit Distribution as if all shares of the IPO Entity held by the Company on that date were sold for cash equal to their fair market value, and shall pay the Adjusted Profit Distribution, as so calculated, to the Allocation Member in the form of shares of the IPO Entity with a fair market value equal to the Adjusted Profit, unless the Allocation Member elects to be paid in immediately available funds or a combination of shares of the IPO Entity and immediately available funds. Any such final payment shall be based upon the average of the closing price of the shares of the IPO Entity for the fifteen (15) trading days that precede the third anniversary and such payment shall be made without discount of any kind (including discounts that might be based upon lack of control, liquidity or other factors); provided that if such shares are not then traded on either the New York Stock Exchange or the NASDAQ (or such applicable successor market thereto), then such payment shall be based upon a fair market evaluation of such shares performed by the Administrator and approved by the Audit Committee in accordance with this Agreement.

(8) In connection with an IPO Event, all calculations related to the Profit Distribution Amount shall use the Level 1 Hurdle Amount and Level 2 Hurdle Amount calculated as of the date of the IPO Event as though all the Company's equity interest in the IPO Entity were disposed of by the Company on the date of the IPO Event at the price per share achieved in the IPO Event, regardless of how many shares of the IPO Entity were disposed of by the Company in the IPO Event. Cumulative Gains and Losses shall be taken into account in an IPO Event in connection with each calculation and payment of an installment of the Profit Distribution Amount (including, for the avoidance of doubt, for purposes of the calculations called for by sub-clause (5) above).

(d) **Independent Accounting Firm.** The Administrator shall have ten (10) Business Days to review the Audit Committee's calculation of any Disputed Profit Distribution presented to it pursuant to Section 5.2(c), and if the Administrator disagrees with such calculation, then the Administrator shall have the right, pursuant to a written notice that must be delivered during such ten (10) Business Day period, to direct the Audit Committee to engage, at the Company's cost and expense, an independent accounting firm to calculate the Adjusted Profit Distribution Amount as of the relevant Calculation Date in accordance with this Section 5.2. Such notice from the Administrator shall state any points of disagreement with the Audit Committee's calculation and shall designate no fewer than three independent accounting firms to calculate the Adjusted Profit Distribution Amount. The Audit Committee shall engage one of the designated independent accounting firms within ten (10) Business Days. If the Audit Committee fails to engage one of the designated independent accounting firms within ten (10) Business Days, then the calculation of the Adjusted Profit Distribution Amount originally submitted to the Audit Committee by the Administrator pursuant to Section 5.2(c) shall be deemed an Approved Profit Distribution. The Audit Committee shall direct the designated independent accounting firm to deliver its calculation of the Adjusted Profit Distribution Amount, calculated in accordance with this Section 5.2 (as calculated, the ***Independently Calculated Profit Distribution***), within twenty (20) Business Days of its engagement (the ***Submission Date***) to both the Administrator and the Audit Committee at the same time. If the independent accounting firm so engaged fails to deliver its calculation of the Adjusted Profit Distribution Amount within the time required hereby, then the calculation of the Adjusted Profit Distribution Amount originally submitted to the Audit Committee by the Administrator pursuant to Section 5.2(c) shall be deemed an Approved Profit Distribution. Section 6.22 Indemnification, Advances and Insurance.

(a) Each Person who was or is made a party or is threatened to be made a party to or is involved in any manner in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he, she or a Person of whom he or she is the legal representative is or was a director, officer, manager, Member of the Company or the Manager of the Company, or is or was serving at the request of the Company as a director, officer, manager, member of a Subsidiary of the Company or the Manager of the Company, if the Person acted in good faith and in a manner the Person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the Person's conduct was unlawful, shall be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the Person in connection with any such action, suit or proceeding, and held harmless by the Company to the fullest extent permitted from time to time as such Person would be if the Company were a corporation incorporated under the DGCL as the same exists or may hereafter be amended (but, if permitted by applicable law, in the case of any such amendment, only to the extent that such amendment permits the Company to provide broader indemnification rights than said law permitted the Company to provide prior to such amendment) or any other applicable laws as presently or hereafter in effect, and such indemnification shall continue as to a Person who has ceased to be a director, officer, manager, Member (or member) or the Manager of the Company and shall inure to the benefit of his or her heirs, executors and administrators (if applicable); *provided, however,* that the Company shall indemnify any such Person seeking indemnification in connection with any such action, suit or proceeding (or part thereof) initiated by such Person only if such action, suit or proceeding (or part thereof) was authorized by the Board of Directors or is an action, suit or proceeding to enforce such Person's claim to indemnification pursuant to the rights granted by this Agreement. The Company shall pay, to the fullest extent permitted by law, the expenses (including attorneys' fees) incurred by such Person in defending any such action, suit or proceeding in advance of its final disposition upon receipt (unless the Company upon authorization of the Board of Directors waives such requirement to the extent permitted by applicable law) of an undertaking by or on behalf of such Person to repay such amount if it shall ultimately be determined by final judicial decision from which there is no further right of appeal that such Person is not entitled to be indemnified by the Company as

authorized in this Agreement or otherwise.

With respect to any Person who is a present or former director, officer, manager, Member of the Company or the Manager of the Company, the undertaking required by this Section 6.22(a) shall be an unlimited general obligation but need not be secured and shall be accepted without reference to financial ability to make repayment; *provided, however*, that such present or former director, officer, manager, Member of the Company or the Manager of the Company does not transfer assets with the intent of avoiding such repayment. With respect to any Person who is a present or former director, officer, manager, Member of the Company or the Manager of the Company, the provisions of Section 6.22(b) relating to a determination that indemnification is proper in the circumstances shall not be a condition to such Person's right to receive advances pursuant to this Section 6.22(a).

(b) Any indemnification of a present or former director, officer, manager, Member or the Manager of the Company under this Section 6.22 shall be made by the Company only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, manager, Member or the Manager of the Company is proper in the circumstances because the Person has met the applicable standard of conduct set forth in Section 6.3 or the applicable section of Article 7, as the case may be, and acted in good faith and in a manner the Person reasonably believed to be in, or not opposed to, the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe that its conduct was unlawful. Such determination shall be made, with respect to a Person who is a director, officer, manager, Member or the Manager of the Company at the time of such determination, (1) by a majority vote of the directors who are not parties to any such action, suit or proceeding, even though less than a quorum, (2) by a committee of such directors designated by a majority vote of such directors, even though less than a quorum, (3) if there are no such directors, or if a majority, even though less than a quorum, of such directors so direct, by independent legal counsel in a written opinion, or (4) by the Members. The indemnification and the advancement of expenses incurred in defending a action, suit or proceeding prior to its final disposition provided by or granted pursuant to this Agreement shall not be exclusive of any other right which any Person may have or hereafter acquire under any statute, provision of the Certificate, other provision of this Agreement, vote of Members or Disinterested Directors (as defined below) or otherwise. No repeal, modification or amendment of, or adoption of any provision inconsistent with, this Section 6.22, nor, to the fullest extent permitted by applicable law, any modification of law, shall adversely affect any right or protection of any Person granted pursuant hereto existing at, or with respect to any events that occurred prior to, the time of such repeal, amendment, adoption or modification.

(d) The Company may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification, and rights to be paid by the Company the expenses incurred in defending any such action, suit or proceeding in advance of its final disposition, to any Person who is or was an employee or agent of the Company or any Subsidiary of the Company (other than those Persons indemnified pursuant to clause (a) of this Section 6.22) and to any Person who is or was serving at the request of the Company or a Subsidiary of the Company as a director, officer, partner, manager, member, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by the Company or a Subsidiary of the Company, to the fullest extent of the provisions of this Agreement with respect to the indemnification and advancement of expenses of directors, officers, managers and Members of the Company. The payment of any amount to any Person pursuant to this clause (d) shall subrogate the Company to any right such Person may have against any other Person or entity.

(e) The indemnification provided in this Section 6.22 is intended to comply with the requirements of, and provide indemnification rights substantially similar to those available to corporations incorporated under, the DGCL as it relates to the indemnification of officers, directors, employees and agents of a Delaware corporation and, as such (except to the extent greater rights are expressly provided in this Agreement), the parties intend that they should be interpreted consistently with the provisions of, and jurisprudence regarding, the DGCL.

(f) Any notice, request or other communications required or permitted to be given to the Company under this Section 6.22 shall be in writing and either delivered in person or sent by facsimile, telex, telegram, overnight mail or courier service, or certified or registered mail, postage prepaid, return receipt requested, to the Secretary of the Company and shall be effective only upon receipt by the Secretary, as the case may be.

(g) To the fullest extent permitted by the law of the State of Delaware, each Member, manager, director, officer, employee and agent of the Company agrees that all actions for the advancement of expenses or indemnification brought under this Section 6.22 or under any vote of Members or Disinterested Directors or otherwise shall be a matter to which Section 18-111 of the Act shall apply and which shall be brought exclusively in the Court of Chancery of the State of Delaware. Each of the parties hereto agree that the Court of Chancery may summarily determine the Company's obligations to advance expenses (including attorneys' fees) under this Section 6.22.

(b) No director shall be liable to the Company or the Members for monetary damages for any breach of fiduciary duty by such director as a director; *provided, however*, that a director shall be liable to the same extent as if he or she were a director of a Delaware corporation pursuant to the DGCL (i) for breach of the director's duty of loyalty to the Company or its Members, (ii) for acts or omissions not in good faith or a knowing violation of applicable law, or (iii) for any transaction for which the director derived an improper benefit. To the extent the provisions of this Agreement restrict or eliminate the duties and liabilities of a director of the Company or the Members or the Manager otherwise existing at law or in equity, the provisions of this Agreement shall replace such duties and liabilities.

(c) To the fullest extent permitted by law, a director of the Company shall not be liable to the Company, any Member, the Trust or any other Person for: (i) any action taken or not taken as required by this Agreement; (ii) any action taken or not taken as permitted by this Agreement and, with respect to which, such director acted on an informed basis, in good faith and with the honest belief that such action, taken or not taken, was in the best interests of the Company; or (iii) the Company's compliance with an obligation incurred or the performance of any agreement entered into prior to such director having become a director of the Company.

(d) Any director shall not be liable to the Company or to any other director or Member of the Company or any such other Person for breach of fiduciary duty for the director's good faith reliance on the provisions of this Agreement.

(e) Except as otherwise required by the Act, the debts, obligations and liabilities of the Company shall be solely the debts, obligations and liabilities of the Company and no director shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a director of the Company.

Section 9.5 Notice of Meeting.

(a) A notice of meeting, stating the place (if any), day and hour of the meeting, and the means of remote communication, if any, by which Members and proxy holders may be deemed to be present in person and vote at such meeting, shall be prepared and delivered by the Company not less than twenty (20) days and not more than sixty (60) days before the date of the meeting, either personally, by mail or, to the extent and in the manner permitted by applicable law, electronically, to each Member of record. In the case of special meetings, the notice shall state the purpose or purposes for which such special meeting is called. Such further notice shall be given as may be required by applicable law. Any notice of meeting given to Members pursuant to this Section 9.5 shall be effective if given by a form of electronic transmission consented to by the Member to whom the notice is given. (b) Notice to Members shall be given personally, by mail or, to the extent and in the manner permitted by applicable law, electronically to each Member of record. If mailed, such notice shall be delivered by postage prepaid envelope directed to each holder at such Member's address as it appears in the records of the Company and shall be deemed given when deposited in the United States mail.

If no record date is fixed by the Board of Directors, the record date for determining Members entitled to notice of or to vote at any meeting of Members or any adjournment thereof shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held.

The Chairman or the holders of a majority of each class of the LLC Interests entitled to vote hereunder so represented may adjourn the meeting from time to time, whether or not there is such a quorum. The Members present at a duly organized meeting at which a quorum is present in person or by proxy may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum.

When a meeting is adjourned to another time and place, if any, unless otherwise provided by this Agreement, notice need not be given of the reconvened meeting if the date, time and place, if any, thereof and the means of remote communication, if any, by which Members and proxyholders may be deemed to be present in person and vote at such reconvened meeting are announced at the meeting at which the adjournment is taken. If the time, date and place of the reconvened meeting are not announced at the meeting at which the adjournment is taken, then the Secretary of the Company shall give written notice of the time, date and place of the reconvened meeting not less than twenty (20) days prior to the date of the reconvened meeting. At the reconvened meeting, the Members may transact any business that might have been transacted at the original meeting. A determination of Members of record entitled to notice of or to vote at a meeting of Members shall apply to any adjournment of such meeting; *provided, however*, that the Board of Directors may fix a new record date for the reconvened meeting. If an adjournment is for more than thirty (30) days or if, after an adjournment, a new record date is fixed for the reconvened meeting, a notice of the reconvened meeting shall be given to each Member entitled to vote at the meeting.

In addition, for so long as the Trust is the sole holder of Trust Interests, the Company shall provide to the Trust, for transmittal to the holders of Trust Shares, the appropriate form of proxy to enable the holders of Trust Shares to direct, in proportion to their percentage ownership of the Trust Shares, the vote of the Trust Member, and the Trust Member shall vote its Trust Interests in the same proportion as the vote of holders of Trust Shares. At all meetings of Members, a Member may vote by proxy as may be permitted by law; *provided*, that no proxy shall be voted after three (3) years from its date unless, in the case of the Trust Member and for so long as the Trust is the sole holder of Trust Interests, the proxy provides for a longer period in accordance with the Trust Agreement. In the case of the first annual meeting of Members, a Member's notice shall be timely if it is delivered to the Secretary at the principal executive offices of the Company not earlier than the one hundred and twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. In no event shall the public announcement or an adjournment or postponement of an annual meeting commence a new time period for the giving of a Member's notice as described in this Section 9.8(a).

Subject to Section 9.8(a)(i), such Member's notice shall set forth: (A) as to each individual whom the Member proposes to nominate for election or reelection as a director, all information relating to such individual that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, pursuant to Regulation 14A under the Exchange Act, including such individual's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (B) as to any other business that the Member proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration), the reasons for conducting such business at the meeting and any material interest in such business of such Member and the Beneficial Owner or holder of Trust Shares, if any, on whose behalf the proposal is made; and (C) as to the Member giving the notice and the Beneficial Owner, if any, on whose behalf the nomination or proposal is made, (1) the name and address of such Member as they appear on the Company's books and of such Beneficial Owner, (2) the number of, and evidence of such number of, LLC Interests which are owned beneficially and of record by such Member and such Beneficial Owner, (3) a representation that the Member intends to appear in person or by proxy at the meeting to propose such business or nomination, and (4) a representation whether the Member or the Beneficial Owner, if any, intends or is part of a group which intends (i) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the LLC Interests required to approve or adopt the proposal or elect the nominee and/or (ii) otherwise to solicit proxies from Members in support of such proposal or nomination. The foregoing notice requirements shall be deemed satisfied by a Member if the Member has notified the Company of the Member's intention to present a proposal at an annual meeting in compliance with Rule 14a-8 (or any successor thereof) promulgated under the Exchange Act and such Member's proposal has been included in a proxy statement that has been prepared by the Company to solicit proxies for such annual meeting. The Company may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Company or on any committee of the Board of Directors.

(iii) Notwithstanding anything in the second sentence of clause (ii) of this Section 9.8(a) to the contrary, in the event that the number of directors to be elected to the Board of Directors is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by the Company at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a Member's notice required by this Section 9.8 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Company.

Whenever any notice is required to be given to any Member by the terms of this Agreement, a waiver thereof in writing, signed by the Person or Persons entitled to such notice, or a waiver thereof by electronic transmission by the Person or Persons entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Neither the business to be transacted at, nor the purpose of, any annual or special meeting of the Members need be specified in any written waiver of notice or any waiver by electronic transmission of such meeting. Notice of any meeting of Members need not be given to any Member if waived by such Member either in a writing signed by such Member or by electronic transmission, whether such waiver is given before or after such meeting is held. The Members hereby agree that, notwithstanding any provision of the Act, the Company shall not dissolve prior to the occurrence of a Dissolution Event.

Section 14.2 Winding Up. Upon the occurrence of a Dissolution Event, the Company shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors and Members, and no Member shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Company's business and affairs; *provided, however*, that all covenants contained in this Agreement and obligations provided for in this Agreement shall continue to be fully binding upon the Members until such time as the Property has been distributed pursuant to this Section 14.2 and the Certificate has been canceled pursuant to the Act. Section 15.3 Construction. It is the intent of the parties hereto that every covenant, term and provision of this Agreement shall be construed simply according to its fair meaning and not strictly for or against any Member.

Section 15.6 Severability. Except as otherwise provided in the succeeding sentence, every provision of this Agreement is intended to be severable, and, if any term or provision of this Agreement is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity or legality of the remainder of this Agreement. The preceding sentence of this Section 15.6 shall be of no force or effect if the consequence of enforcing the remainder of this Agreement without such illegal or invalid term or provision would be to cause any Member to lose the material benefit of its economic bargain.

Section 15.7 Incorporation by Reference. Every exhibit, schedule and other appendix attached to this Agreement and referred to herein is not incorporated in this Agreement by reference unless this Agreement expressly otherwise provides.

Section 15.8 Variation of Terms. All terms and any variations thereof shall be deemed to refer to masculine, feminine or neuter, singular or plural, as the identity of the Person or Persons may require.

Section 15.9 Governing Law and Consent to Jurisdiction/Service of Process. The laws of the State of Delaware shall govern this Agreement, including the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties arising hereunder.

Each party hereto and any Person acquiring an LLC Interest, from time to time, (i) irrevocably submits to the non-exclusive jurisdiction and venue of any Delaware state court or U.S. federal court sitting in Wilmington, Delaware in any action arising out of this Agreement and (ii) consents to the service of process by mail. Nothing herein shall affect the right of any party to serve legal process in any manner permitted by law or affect its right to bring any action in any other court.

SECTION 15.10 WAIVER OF JURY TRIAL. EACH OF THE MEMBERS IRREVOCABLY WAIVES, TO THE EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY AND ALL RIGHTS TO IMMUNITY BY SOVEREIGNTY OR OTHERWISE IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

Section 15.11 Counterpart Execution. This Agreement may be executed in any number of counterparts with the same effect as if all of the Members had signed the same document. All counterparts shall be construed together and shall constitute one agreement.

Section 15.12 Specific Performance. Each Member agrees with the other Members that the other Members would be irreparably damaged if any of the provisions of this Agreement were not performed in accordance with their specific terms and that monetary damages would not provide an adequate remedy in such event. Accordingly, it is agreed that, in addition to any other remedy to which the nonbreaching Members may be entitled, at law or in equity, the nonbreaching Members shall be entitled to [seek](#) injunctive relief to prevent breaches of the provisions of this Agreement and specifically to enforce the terms and provisions hereof in any action instituted in any court of the United States or any state thereof having subject matter jurisdiction thereof.
