Item 2.02 Results of Operations and Financial Condition.

On January 30, 2018, Cerus Corporation (Cerus, we, our or us), filed with the U.S. Securities and Exchange Commission (the SEC) a preliminary prospectus supplement (the Preliminary Prospectus) pursuant to Rule 424(b) under the Securities Act of 1933, as amended, relating to its Registration Statement on Form S-3 (File No. 333-219727) filed with the SEC on August 4, 2017, amended on November 6, 2017 and December 29, 2017, and declared effective on January 8, 2018, in connection with a proposed public offering. In the Preliminary Prospectus, Cerus disclosed that it expects to report that it had cash, cash equivalents and short-term investments of approximately \$60.7 million as of December 31, 2017. This amount reflects Cerus' estimates based solely upon information available to it as of the date of this Current Report on Form 8-K, is not a comprehensive statement of its financial results or position as of or for the year ended December 31, 2017, and has not been audited, reviewed or compiled by Cerus' independent registered public accounting firm. Cerus' financial closing procedures for the three months and year ended December 31, 2017 are not yet complete and, as a result, Cerus' final results upon completion of its closing procedures may vary from the preliminary estimates, and any such differences may be material.

The information in this report, including the exhibit hereto, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of Section 11 and 12(a)(2) of the Securities Act of 1933, as amended. The information contained in this Item 2.02 shall not be incorporated by reference into any filing with the SEC made by the Company, whether made before or after the date hereof, except as shall be expressly set forth by specific reference in such filing.

Item 8.01 Other Events.

On January 30, 2018, we entered into an underwriting agreement (the Underwriting Agreement) with BTIG, LLC (BTIG or the Underwriter) relating to the issuance and sale of 12,200,000 shares of our common stock, par value \$0.001 per share. BTIG has agreed to purchase the shares of common stock pursuant to the Underwriting Agreement at a price of \$4.10 per share. The proceeds to us from this offering are expected to be approximately \$50.0 million, before deducting estimated offering expenses payable by us. The closing of the offering is expected to take place on or about February 2, 2018, subject to customary closing conditions. In addition, under the terms of the Underwriting Agreement, we have granted the Underwriter an option, exercisable for 30 days, to purchase up to an additional 1,830,000 shares of common stock.

The Underwriting Agreement contains customary representations, warranties and agreements by us, customary conditions to closing, indemnification obligations of Cerus and the Underwriter, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties.

The offering is being made pursuant to a registration statement on Form S-3 previously filed with and declared effective by the SEC and a prospectus supplement thereunder. A copy of the Underwriting Agreement is filed as Exhibit 1.1 to this report, and the foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to such exhibit. A copy of the opinion of Cooley LLP relating to the legality of the issuance and sale of the shares in the offering is attached as Exhibit 5.1 hereto.
