Item 1.01 Entry into a Material Definitive Agreement

On April 25, 2018, First Interstate BancSystem, Inc. (First Interstate) and Northwest Bancorporation, Inc. (Northwest) entered into an Agreement and Plan of Merger (the Merger Agreement) pursuant to which Northwest will merge with and into First Interstate (the Merger). Following the Merger, Inland Northwest Bank will merge with and into First Interstate Bank.

Under the terms of the Merger Agreement, each outstanding share of Northwest common stock will be converted into the right to receive 0.516 shares of First Interstate Class A common stock.

The Merger Agreement includes customary representations and warranties made by First Interstate and Northwest, each with respect to its and its subsidiaries businesses. Each party has also agreed to customary covenants, including, among others, covenants relating to the conduct of its business during the interim period between the execution of the Merger Agreement and the consummation of the Merger.

The Merger has been unanimously approved by the Boards of Directors of each of First Interstate and Northwest and is expected to close late in the third quarter or early in the fourth quarter of 2018.

The Merger is also subject to approval by Northwest s stockholders as well as regulatory approvals and other customary closing conditions. The Merger Agreement provides certain termination rights for both First Interstate and Northwest and further provides that a termination fee of \$5,076,204 will be payable by Northwest to First Interstate upon termination of the Merger Agreement under certain circumstances.

In connection with entering into the Merger Agreement, the directors and executive officers of Northwest have each entered into a voting agreement (collectively, the Voting Agreements). The Voting Agreements generally require that the stockholder party thereto vote all of his or her shares of Northwest common stock in favor of the Merger Agreement and the transactions contemplated therein. The Voting Agreements will remain in effect until the earlier of (a) the final adjournment of the stockholder meeting held by Northwest to vote on the approval and adoption of the Merger Agreement and the transactions contemplated therein or (b) the termination of the Merger Agreement.

The foregoing summaries of the Merger Agreement and the Voting Agreement are qualified in their entirety by reference to the complete text of such documents, which are filed as Exhibit 2.1 and Exhibit A to Exhibit 2.1, respectively, to this Current Report on Form 8-K and which are incorporated herein by reference in their entirety. The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, and were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact. In addition, such representations and warranties (1) will not survive consummation of the Merger, unless otherwise specified therein, and (2) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with other factual information regarding First Interstate or Northwest, their respective affiliates or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding First Interstate, Northwest, their respective affiliates or their respective businesses, that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 that will include a proxy statement of Northwest and a prospectus of First Interstate, as well as in the Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings that First Interstate makes with the Securities and Exchange Commission (the "SEC").
