### **Item 1.01. Entry into a Material Definitive Agreement.**

On August 8, 2018, The Dun & Bradstreet Corporation (the **Company** or **we**) entered into an Agreement and Plan of Merger (the **Merger Agreement**), by and among the Company, Star Parent, L.P., a Delaware limited partnership (**Parent**), and Star Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (**Merger Sub**), pursuant to which, upon the terms and subject to the conditions set forth therein, Merger Sub will merge with and into the Company (the **Merger**), with the Company surviving the Merger as a direct wholly owned subsidiary of Parent. The board of directors of the Company (the **Board**) has unanimously approved the Merger Agreement.

### *The Merger*

Pursuant to the Merger Agreement, at the effective time of the Merger, each share of common stock, par value \$0.01 per share, of the Company (the **Common Stock**) issued and outstanding immediately prior to the effective time of the Merger (other than (i) shares owned by Parent, Merger Sub, the Company or any other direct or indirect wholly owned subsidiary of Parent or the Company, including treasury shares and (ii) shares that are owned by dissenting stockholders who are entitled to, and who have timely perfected and not withdrawn a demand for (or lost their right to), appraisal rights pursuant to Section 262 of the Delaware General Corporation Law), will be converted into the right to receive cash in an amount equal to \$145.00 per share, without interest and subject to applicable withholding (the **Per Share Merger Consideration**).

Pursuant to the Merger Agreement, (i) each outstanding Company stock option will immediately vest and be cancelled and converted into the right to receive an amount in cash equal to the product of (x) the total number of shares of Common Stock subject to each Company stock option multiplied by (y) the excess, if any, of the Per Share Merger Consideration over the per share exercise price under such Company stock option and (ii) each outstanding Company restricted stock unit will be cancelled and converted in accordance with the terms of the Company's stock incentive plan into the right to receive an amount in cash equal to the product of (x) the number of shares of Common Stock subject to such Company stock unit multiplied by (y) the Per Share Merger Consideration.

Consummation of the Merger is subject to the satisfaction or waiver of specified closing conditions, including (i) the approval of the Merger by the affirmative vote of holders of a majority of the outstanding shares of the Common Stock entitled to vote at a stockholders meeting, (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, (iii) the approval of the UK Financial Conduct Authority and (iv) other customary closing conditions, including (a) the absence of any law or order prohibiting the Merger or the other transactions contemplated by the Merger Agreement, (b) the accuracy of each party's representations and warranties (subject to customary materiality qualifiers) and (c) each party's performance of its obligations and covenants contained in the Merger Agreement.

The Merger Agreement contains representations, warranties and covenants of the parties customary for a transaction of this type, including, among other things, covenants not to solicit alternative transactions or to provide information or enter into discussions in connection with alternative transactions, subject to certain exceptions described below and to allow the Board to exercise its fiduciary duties.

During the period beginning on the date of the Merger Agreement and continuing until 11:59 p.m. New York time on September 22, 2018 (the **Go-Shop Period**), the Company and its representatives may initiate, solicit, encourage and facilitate any alternative acquisition proposal from third parties, participate in discussions and negotiations regarding any acquisition proposal and provide nonpublic information to any persons related to any acquisition proposal (pursuant to a confidentiality agreement with each such person which complies with the terms of the Merger Agreement). Following expiration of the Go-Shop Period and until the earlier of the effective time of the Merger and the termination of the Merger Agreement in accordance with its terms, the Company will be subject to customary

no-shop restrictions on its ability to solicit, initiate, encourage or facilitate any competing acquisition proposals from third parties, participate in discussions or negotiations with such third parties regarding such competing acquisition proposals or provide nonpublic information to such third parties, except that, until October 7, 2018, the Company may continue solicitation of, or discussions or negotiations with, third parties engaged by the Company during the Go-Shop Period from whom a written acquisition proposal was received during the Go-Shop Period that the Board determines in good faith, after consultation with outside counsel and its financial advisors, constitutes or is reasonably likely to result in a Superior Proposal (as defined in the Merger Agreement) (each such third party, an **Excluded Party** ).

**Table of Contents**

The Merger Agreement contains certain termination rights for both the Company and Parent, including, among others, if the transactions contemplated by the Merger Agreement are not consummated on or before May 8, 2019 (the **Termination Date**), if the Company terminates the Merger Agreement in compliance with its terms in order to accept a superior proposal or if approval by the Company's stockholders is not obtained following a vote of stockholders taken thereon. In addition, the Merger Agreement includes the following termination rights and termination fees or expense reimbursements:

if the Merger Agreement is terminated by either Parent or the Company in connection with the Company's entry into a definitive agreement with an Excluded Party with respect to a Superior Proposal prior to the 15th day after expiration of the Go-Shop Period, then the Company will be required to pay Parent a termination fee equal to \$81.4 million;

if the Merger Agreement is terminated (i) by Parent because the Board changes its recommendation with respect to the Merger, or the Company materially breaches certain of its covenants under the Merger Agreement relating to the no-shop restrictions; or (ii) by the Company in connection with the Company's entry into a definitive agreement with respect to a Superior Proposal with any person other than an Excluded Person after the Go-Shop Period, or with an Excluded Person after the Cut-Off Time, then the Company will be required to pay Parent a termination fee equal to \$203.6 million;

if the Merger Agreement is terminated by the Company (i) because Parent or Merger Sub have breached their respective representations, warranties, covenants or other agreements in the Merger Agreement in certain circumstances and have failed to cure such breach within a certain period or (ii) because Parent has failed to consummate the Merger pursuant to the Merger Agreement notwithstanding the satisfaction or waiver of the conditions to Parent's and Merger Sub's obligations to do so and certain notice of such failure from the Company to Parent, then Parent will be required to pay the Company a termination fee equal to \$380.1 million;

if the Merger Agreement is terminated in certain circumstances related to the failure to receive certain regulatory approvals, then Parent will be required to pay the Company a termination fee equal to \$380.1 million; and

if the Merger Agreement is terminated by Parent or the Company following a no vote by the Company's stockholders, the Company has agreed to reimburse Parent's expenses up to \$25 million.

The Parent and its equity financing sources have provided the Company with limited guarantees in favor of the Company guaranteeing the payment of Parent's reverse termination fee if such amount becomes payable under the Merger Agreement.

The representations, warranties and covenants of each of the Company, Parent and Merger Sub contained in the Merger Agreement have been made solely for the benefit of the parties to the Merger Agreement. In addition, such representations, warranties and covenants (i) have been made only for purposes of the Merger Agreement, (ii) have been qualified by confidential disclosures made by the parties in connection with the Merger Agreement, (iii) are subject to materiality qualifications contained in the Merger Agreement which may differ from what may be viewed

as material by investors, (iv) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement and (v) have been included in the Merger Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the Merger Agreement is included with filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as

characterizations of the actual state of facts or condition of the parties or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the public disclosures by the parties or their subsidiaries. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the parties that is or will be contained in, or incorporated by reference into, the Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other documents that the parties file with the SEC.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement attached as Exhibit 2.1 and incorporated herein by reference.

### ***Debt and Equity Commitments***

Parent has obtained common equity, preferred equity and debt financing commitments for the transactions contemplated by the Merger Agreement, the aggregate net proceeds of which, together with available cash of the Company and its subsidiaries and Parent and Merger Sub, will be sufficient to consummate the transactions contemplated by the Merger Agreement, including for Parent to pay the aggregate merger consideration, to repay existing indebtedness of the Company and to pay all related fees and expenses.

Parent has received equity financing commitments in an aggregate amount of up to \$1,943 million, subject to the terms and conditions set forth in equity commitment letters, each dated as of the date of the Merger Agreement.

In addition, Parent has received preferred equity financing commitments in an aggregate amount of up to \$1,050 million for the transaction, on the terms and subject to the conditions set forth in the preferred equity commitment letter, dated as of the date of the Merger Agreement. The obligations of the preferred equity sources to purchase preferred equity are subject to a number of customary conditions.

Bank of America, N.A., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc. and Royal Bank of Canada (the **Lenders**) have committed to provide debt financing for the transaction, consisting of a \$400 million senior secured revolving credit facility, a \$3.13 billion senior secured term loan facility, a \$200 million senior secured 364-day bridge loan facility and a \$850 million senior unsecured bridge loan facility, each on the terms and subject to the conditions set forth in a debt commitment letter dated as of the date of the Merger Agreement. The obligations of the Lenders to provide the debt financing are subject to a number of customary conditions.
