- (1) Mr. Carmilani receives no additional compensation for serving as our Chairman of the Board.
- (2) Effective as of March 1, 2008, the Compensation Committee approved eliminating the COLA as a separate benefit and instead added the dollar amount of the COLA each NEO (other than Mr. Knight) was receiving into his or her annual base salary. Accordingly, as of such date, the following dollar amounts of the COLA were added to the respective annual base salaries of our NEOs: for Mr. Carmilani \$67,074; for Ms. Dillard \$59,548; for Mr. Dupont \$63,178; and for Mr. Grossack \$63,178. As an executive officer residing in the United States, Mr. Knight never received a COLA as that benefit was available only to the Company's senior officers who resided in Bermuda. For a description of the Company's former COLA benefit, see Compensation Discussion and Analysis Benefits and Perquisites COLA.
- (3) The amounts shown in the Stock Awards column equal the dollar amount recognized by us during the applicable year as compensation expense for financial statement reporting purposes as a result of RSU and LTIP awards made in such year and in prior years in accordance with FAS 123(R). Pursuant to the SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. For RSU and LTIP awards issued in 2008, 2007 and in 2006 subsequent to the IPO, the fair value has been calculated using the closing price of the Company's Common Shares on the date of grant. For RSUs issued prior to the IPO, the incremental fair value as a result of the IPO and modification of the plans has been calculated using the difference between the IPO price of \$34.00 per share and the book value immediately prior to the IPO. For additional information on the calculation of the compensation expense, please refer to note 12(b) and (c) of the Company's consolidated financial statements contained in the Form 10-K for the year ended December 31, 2008, as filed with the SEC. These amounts reflect the Company's accounting expense for these awards and do not correspond to the actual value that may be recognized by the NEOs. For more information on RSU and performance-based awards under our LTIP made to the NEOs during 2008, please see the Grants of Plan-Based Awards table below.

- (4) The amounts shown in the **Option Awards** column equal the dollar amount recognized by us during the applicable year as compensation expense for financial reporting purposes as a result of options granted in such year and in prior years in accordance with FAS 123(R). Pursuant to the SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. For all stock option awards issued, the fair value has been calculated by using the Black-Scholes option-pricing model. For additional information on the calculation of the compensation expense including the valuation assumptions used within the option-pricing model, please refer to note 12(a) of the Company's consolidated financial statements contained in the Form 10-K for the year ended December 31, 2008, as filed with the SEC. These amounts reflect the Company's accounting expense for these awards and do not correspond to the actual value that may be recognized by the NEOs. For more information on option grants made to the NEOs during 2008, please see the **Grants of Plan-Based Awards** table below.
- (5) The amounts shown in the **Non-Equity Incentive Plan Compensation** column represent cash bonuses earned under our 2008, 2007 and 2006 cash bonus plans and were paid in March 2009, 2008 and 2007, respectively. For a description of our annual cash bonus plan, see **Compensation Discussion and Analysis - Cash Compensation Annual Cash Bonus**.
- (6) The amounts shown in the **All Other Compensation** column are attributable to perquisites and other personal benefits or compensation not reported elsewhere in the Summary Compensation Table. The table below shows certain components of the **All Other Compensation** column.

- (a) Perquisites in 2008 for the NEOs include reimbursements for amounts for certain home leave travel expenses, housing allowances, utilities, club dues, tax preparation, financial planning, parking, company-leased or fractionally-owned airplane usage and COLA. Not all of these perquisites are applicable to all of our NEOs. For 2008, Mr. Carmilani received a housing allowance of \$198,200, Ms. Dillard received a housing allowance of \$123,000, Mr. Dupont received a housing allowance of \$141,000, Mr. Grossack received a housing allowance of \$141,000 and Mr. Knight received a housing allowance of \$72,000. We lease the fractional use of one aircraft and fractionally own another. We also lease aircraft outside of this arrangement on an as needed basis. The incremental cost of the personal use of these aircraft is based on the variable operating costs to us, including fuel costs, mileage, trip-related maintenance, federal excise tax, landing/ramp fees and other miscellaneous variable costs. Fixed costs that do not change based on usage, such as the lease and ownership costs and the cost of maintenance not related to trips, are excluded. During 2008, Mr. Carmilani used the aircraft on four occasions for personal use, the incremental cost of which was \$48,934 to the Company. The incremental costs of such uses are included in the aggregate amount of perquisites he received in 2008. For more information on personal benefits and perquisites, please see **Compensation Discussion and Analysis**

Benefits and Perquisites.

- (b) Consists of (i) gross-up payments to our NEOs residing in Bermuda who are U.S. taxpayers for additional tax obligations incurred in 2008 as a result of the Tax Act as follows: for Mr. Carmilani \$98,603, for Ms. Dillard \$47,529, for Mr. Dupont \$62,467 and for Mr. Grossack \$63,740; and (ii) payments of \$16,625 on behalf of our NEOs residing in Bermuda for his or her portion of the Bermuda payroll tax. The gross-up payments are estimates based on advice from an independent tax advisor and our current understanding of the Tax Act. The application of the Tax Act to the applicable NEOs has not been finalized and the gross-up amounts provided above are subject to revision. For more information on personal benefits and perquisites, please see Compensation Discussion and Analysis Benefits and Perquisites.

(7) In accordance with SEC requirements, compensation information is being provided for Mr. Grossack only for the years for which he was an NEO. Mr. Knight became employed by us on January 16, 2008.

- (1) The Company's 2008 cash bonus plan provided for funding of the pool based on target EBIT goals. The NEOs are eligible for annual cash bonuses as a percentage of their base salaries. For more information on the target EBIT goals and percentages, see Compensation Discussion and Analysis Cash Compensation Annual Cash Bonus.

The amounts provided in the Estimated Future Payouts Under Non-Equity Incentive Plan Awards columns above assume that the same percentage of funding of the annual cash bonus pool will be applied to each NEO.

*Threshold.* The amounts provided in the applicable threshold column above assume that the annual cash bonus pool will be 50% funded and that each NEO will receive 50% of the target cash bonus that he or she is eligible to receive. Accordingly, we have reduced by 50% the amount each NEO would be eligible to receive based on his or her target bonus as a percentage of base salary, as reflected below in the adjusted bonus column below.

Name	Bonus Target as a Percentage of Base Salary	Adjusted Bonus Target as a Percentage of Base Salary
Scott A. Carmilani	100%	50.0%
Joan H. Dillard	100%	50.0%
Wesley D. Dupont	75%	37.5%
Marshall J. Grossack	50%	25.0%
W. Gordon Knight	100%	50.0%

## **Table of Contents**

The amounts provided in the applicable threshold column above indicates the dollar amount calculated by multiplying the adjusted bonus target as a percentage of base salary (as set forth in the table in this footnote) by the NEO's base salary.

*Target.* The amounts provided in the applicable target column above assume that the annual cash bonus pool will be 100% funded and that each NEO will receive the full amount of the cash bonus that he or she is eligible to receive. The dollar amount for each NEO is calculated by multiplying the bonus target as a percentage of base salary (as set forth in the table in this footnote) by the NEO's base salary.

*Maximum.* If we achieve or exceed the maximum threshold, the annual cash bonus plan will be 150% funded. However, individual bonuses under the annual cash bonus plan are not capped or subject to any maximums, so long as the aggregate amount of the bonus pool is not exceeded. Accordingly, no information appears in the applicable column above.

- (2) Amounts disclosed in these columns were awarded under the LTIP. The vesting of performance-based awards under the LTIP is currently based on average per annum adjusted book value growth, which is described in greater detail in Compensation Discussion and Analysis Equity Compensation LTIP Awards. The vested share amounts disclosed in the applicable threshold, target and maximum columns of the Estimated Future Payouts Under Equity Incentive Plan Awards heading assume an average per annum growth in adjusted book value of 9%, 12% and 15%, respectively. Each of the performance-based awards made under the LTIP had a grant date fair value equal to the closing price of the Common Shares on February 28, 2008 (\$43.27). In calculating the grant date value, it was assumed that the performance target regarding such awards will be attained.
- (3) Except for Mr. Knight, this number represents each NEO's annual grant of RSUs on February 28, 2008 pursuant to the Company's Stock Incentive Plan. In accordance with FAS 123(R), the grant date fair value included in the table reflects the closing price of the Common Shares on such date (\$43.27) multiplied by the number of RSUs granted to the NEO.
- (4) Mr. Knight was granted these RSUs pursuant to the Company's Stock Incentive Plan as compensation for equity awards granted to him by his former employer that he forfeited upon joining our company. In accordance with FAS 123(R), the grant date fair value included in the table reflects the closing price of the Common Shares on such date (\$43.27) multiplied by the number of RSUs granted to Mr. Knight.
- (5) Mr. Knight was granted this stock option award pursuant to the Company's Stock Option Plan as compensation for equity awards granted to him by his former employer that he forfeited upon joining our company. In accordance with FAS 123(R), a fair value of \$9.78 has been calculated by using the Black-Scholes option-pricing model. For additional information on the calculation of compensation expense, including the valuation assumption used within the option-pricing model, please refer to note 12(a) of the Company's consolidated financial statements contained in the Form 10-K for the year ended December 31, 2008, as filed with the SEC. The grant date fair value included in the table reflects the \$9.78 fair value multiplied by the number of Common Shares underlying the stock option granted to Mr. Knight.

## **Narrative Disclosure Regarding Equity Plans and Employment Agreements**

### ***Stock Option Plan***

We implemented the Stock Option Plan, under which up to 4,000,000 Common Shares may be issued, subject to adjustment as described below. Of that amount, 2,307,892 Common Shares remained available for issuance as of December 31, 2008. During 2008, the Company granted stock options to purchase 323,300 Common Shares under the

Stock Option Plan. These stock options are exercisable in certain limited conditions, expire after ten years and generally vest pro rata over four years from the date of grant. Awards may be made to any of our directors, officers, employees (including prospective employees), consultants and other individuals who perform services for us, as determined by the Compensation Committee in its discretion. The Compensation Committee may grant non-qualified stock options to purchase Common Shares (at the price set forth in the award agreement, but in no event less than 100% of the fair market value of the Common Shares on the date of grant) subject to the terms and conditions as it may determine. While the Board retains the right to terminate the Stock Option Plan at any time, in any case the Stock Option Plan will terminate on May 8, 2018.

## **Table of Contents**

The shares subject to the Stock Option Plan are authorized but unissued Common Shares. If any award is forfeited or is otherwise terminated or canceled without the delivery of Common Shares, then such shares will again become available under the Stock Option Plan. Our Compensation Committee has the authority to adjust the terms of any outstanding awards, the number of Common Shares covered by each outstanding award and the number of Common Shares issuable under the Stock Option Plan as it deems appropriate for any increase or decrease in the number of issued Common Shares resulting from a stock dividend, stock split, reverse stock split, recapitalization, reorganization, merger, consolidation, combination, exchange or any other event that the Compensation Committee determines affects our capitalization, other than regular cash dividends. In the event of a merger, amalgamation or consolidation, the sale of a majority of the Company's securities or the reorganization or liquidation of the Company, the Compensation Committee will have the discretion to provide, as an alternative to the adjustment described above, for the accelerated vesting of options prior to such an event or the cancellation of options in exchange for a payment based on the per-share consideration being paid in connection with the event.

### ***Stock Incentive Plan***

We implemented the Stock Incentive Plan, under which up to 2,000,000 Common Shares may be issued, subject to adjustment as described below. Of that amount, 843,469 Common Shares remained available for issuance as of December 31, 2008. During 2008, the Company granted 357,811 RSUs under the Stock Incentive Plan. The Stock Incentive Plan provides for awards of restricted stock, RSUs, dividend equivalent rights and other equity-based or equity-related awards. We will not grant stock options pursuant to the plan. Awards under the Stock Incentive Plan may be made to any of our directors, officers, employees (including prospective employees), consultants and other individuals who perform services for us, as determined by the Compensation Committee in its discretion. Only RSUs have been granted under the Stock Incentive Plan and these RSUs generally vest in the fourth or fifth year from the original grant date, or pro rata over four years from the date of grant. For additional information regarding RSUs granted under the Stock Incentive Plan, see Compensation Discussion and Analysis Equity Compensation RSU Awards. While the Board retains the right to terminate the Stock Incentive Plan at any time, the plan will automatically terminate on May 8, 2018.

The shares subject to the Stock Incentive Plan may be either authorized but unissued Common Shares or Common Shares previously issued and reacquired by the Company. If any award expires, terminates or otherwise lapses, in whole or in part, any Common Shares subject to such award will again become available for issuance under the Stock Incentive Plan. Our Compensation Committee has the authority to adjust the terms of any outstanding awards, the number of Common Shares covered by each outstanding award and the number of Common Shares issuable under the Stock Incentive Plan as it deems appropriate to preserve the intended benefits or intended potential benefits for any increase or decrease in the number of issued Common Shares resulting from a stock split, stock dividend, combination or exchange of the Common Shares, merger, amalgamation, consolidation, rights offering, separation, reorganization or liquidation, or any other change in the corporate structure or Common Shares. In the event of a merger, amalgamation or consolidation, the sale of a majority of the Company's securities or the reorganization or liquidation of the Company, the Compensation Committee will have the discretion to provide, as an alternative to the adjustment described above, for the accelerated vesting of awards prior to such an event or the cancellation of awards in exchange for a payment based on the per-share consideration being paid in connection with the event.

### ***Long-Term Incentive Plan***

On May 22, 2006, the Board adopted the Long-Term Incentive Plan. On November 7, 2007, the Board adopted the Amended and Restated Long-Term Incentive Plan to make certain changes necessary to comply with Section 409A of the Code. Under the LTIP, up to 2,000,000 Common Shares may be issued pursuant to the terms of the plan. Of that amount, 793,681 Common Shares remained available for issuance as of December 31, 2008. Participation in the LTIP is limited to employees who are selected by the Compensation Committee. During 2008, the Company granted

507,152 performance-based equity awards under the LTIP. See Compensation Discussion and Analysis Equity Compensation LTIP Awards for more information about the performance-based awards made under the LTIP.

**Table of Contents**

The LTIP provides for grants of long-term incentive awards that are earned based upon the achievement of applicable performance conditions over a three consecutive fiscal-year period. Performance conditions are selected by the Compensation Committee or the Board prior to the commencement of an applicable performance period from a list of permissible financial metrics, including (i) consolidated earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization); (ii) net income; (iii) operating income; (iv) earnings per share; (v) book value per share; (vi) return on shareholders' equity; (vii) return on investment; (viii) stock price; (ix) improvements in capital structure; (x) revenue or sales; and (xi) total return to shareholders. Awards are expressed as a target amount representing the number of shares to be issued upon 100% achievement of applicable performance conditions, with the actual number of shares delivered ranging from 0% to between 50% and 150% of the target amount based on the level of actual achievement of applicable performance conditions.

The shares subject to the LTIP shall be authorized but unissued Common Shares. If any award expires or is canceled, forfeited or otherwise terminated, any Common Shares subject to such award will again become available for issuance under the LTIP. The Compensation Committee has the authority to adjust the terms of any outstanding awards, the number of Common Shares covered by each outstanding award and the number of Common Shares issuable under the LTIP as it deems appropriate for any increase or decrease in the number of issued Common Shares or in the capital structure of the Company resulting from a stock dividend, stock split, reverse stock split, recapitalization, reorganization, merger, consolidation, combination or exchange or any other event that the Compensation Committee determine affects our capitalization, other than the regular cash dividends.

**2008 Employee Share Purchase Plan**

On February 28, 2008, the Board adopted the ESPP, which was approved by our shareholders on May 8, 2008. The purposes of the ESPP are to provide employees of the Company and its subsidiaries with an opportunity to purchase our Common Shares, help such employees to provide for their future security and encourage such employees to remain in the employment of the Company and its subsidiaries. The ESPP is designed to qualify as an employee share purchase plan under Section 423 of the Code. A total of 1,000,000 Common Shares are reserved for issuance under the plan. The ESPP provides for consecutive six-month offering periods (or other periods of not more than 27 months as determined by the Compensation Committee) under which participating employees can elect to have between 1% and 10% of their base salary withheld and applied to the purchase of Common Shares at the end of the period. Unless otherwise determined by the Compensation Committee before an offering period, the purchase price will be 85% of the fair market value of the Common Shares at the end of the offering period. Applicable Code limitations specify, in general, that a participant's right to purchase shares under the plan cannot accumulate at a rate in excess of \$25,000 (based on the value at the beginning of the applicable offering periods) per calendar year.

**Equity Compensation Plan Information**

The following table presents information concerning our equity compensation plans as of December 31, 2008.

***Employment Agreements***

Effective as of October 1, 2008, the Company entered into amended and restated employment agreements with Messrs. Carmilani, Dupont and Grossack and Ms. Dillard (the Bermuda Employment Agreements). Effective as of the same date, Allied World National Assurance Company, a U.S. subsidiary of the Company, entered into an amended and restated employment agreement with Mr. Knight (the Knight Employment Agreement). These employment agreements were amended and restated primarily to comply with final U.S. Treasury regulations published under Section 409A of the Code regarding the treatment of deferred compensation, and for the Bermuda Employment Agreements, to combine the cost of living allowance with and into the NEO's base salary. Apart from the name, title, base salary and housing and utility allowance, the Bermuda Employment Agreements are identical, and apart from the company, name, title, base salary, the definition of Severance Multiplier (as defined below) and the exclusion of certain benefits that only the NEOs in Bermuda are eligible to receive, the Knight Employment Agreement is virtually identical to the Bermuda Employment Agreements. Under their respective employment agreements, each NEO receives an enumerated base salary that may be increased only upon the approval of the Compensation Committee. In addition, each NEO is eligible for a discretionary annual cash bonus.

The Bermuda Employment Agreements provide for base salary, financial and tax planning, an allowance for housing and utilities, an expense reimbursement for club membership fees for a club in Bermuda and other business expenses, subject to applicable limits set forth in each employment agreement and the policies of our Company as approved from time to time by the Compensation Committee. As discussed above under Compensation Discussion and Analysis Benefits and Perquisites, these types of perquisites are standard in the compensation packages of executives among our Company's Bermuda Peer Group and other Bermuda companies. The Knight Employment Agreement provides for base salary, financial and tax planning and expense reimbursement for other business expenses, subject to applicable limits set forth in his agreement and the policies of our Company as approved from time to time by the Compensation Committee.

Under each employment agreement, during the term of employment and ending on the 24-month anniversary following any termination of employment, the NEO is subject to a non-interference covenant. Generally, the non-interference covenant prevents the NEO from soliciting or hiring employees or other service providers of the Company or its subsidiaries and from inducing any customer, supplier, licensee or other business relation of the Company or its subsidiaries to cease doing business, or reduce the amount of business conducted, with the Company or its subsidiaries, or in any other manner interfering with the Company or its subsidiaries' relationship with these parties. During the term of employment and ending following the Non-Compete Period (as defined below), the NEO is subject to a non-competition covenant. Generally, the non-competition covenant prevents the NEO from engaging in activities that are competitive with the business of the Company or its subsidiaries in certain jurisdictions. Each employment agreement also contains standard confidentiality and assignment of inventions provisions. In addition, each employment agreement provides that we shall generally indemnify the NEO to the fullest extent permitted, except in certain limited circumstances.

The Non-Compete Period means the period commencing on the date of the employment agreement and (i) in the case of the NEO's termination of employment by us with cause, ending on the date of such termination; (ii) in the case of a NEO's termination of employment by us without cause or by the NEO for good reason, ending on the 24-month

anniversary of the date of such termination; and (iii) in the case of a NEO's termination of employment by the NEO without good reason or as a result of a disability, ending on the date of such termination; *provided, however*, in the case of clause (iii) above, we may elect to extend the Non-Compete Period up to an additional 12 months following the date of such termination, during which period we will be required to continue to pay the NEO his or her base salary and provide coverage under our company's health and insurance plans (or the economic equivalent of such coverage, including its cash value).

**Table of Contents**

Each employment agreement terminates upon the earliest to occur of (i) the NEO's death, (ii) a termination by reason of a disability, (iii) a termination by us with or without cause and (iv) a termination by the NEO with or without good reason. Upon any termination of the NEO's employment for any reason, except as may otherwise be requested by us in writing and agreed upon in writing by the NEO, the NEO will resign from any and all directorships, committee memberships or any other positions the NEO holds with the Company or any of its subsidiaries.

Upon termination of the NEO's employment with our company for any reason, including a termination by our company with cause or by the NEO without good reason, the NEO will be entitled to all prior accrued obligations. Upon termination of the NEO's employment due to his or her death or disability, the NEO (or his or her estate or beneficiaries), in addition to all prior accrued obligations, will be entitled to any (i) unpaid annual bonus in respect to any completed fiscal year prior to such termination, (ii) a pro rata annual bonus if such termination occurs during a fiscal year and (iii) vesting, as of the date of termination, in the number of equity-based awards that otherwise would have vested during the one-year period immediately following such termination.

Upon termination of the NEO's employment by us without cause or by the NEO with good reason, in addition to any prior accrued obligations and unpaid annual bonus, the NEO will receive (i) an amount equal to the Severance Multiplier multiplied by the sum of the NEO's base salary and annual bonus to be paid in substantially equal monthly installments over the period beginning on the termination date and ending one day prior to two and one-half months following the end of the Company's fiscal year in which such termination occurs, (ii) continuation of coverage under our health and insurance plans (or the economic equivalent of such coverage, including its cash value) for a period of years equal to the Severance Multiplier and (iii) vesting, as of the date of termination, in the number of equity-based awards that otherwise would have vested during the two-year period immediately following such termination. For each NEO other than Mr. Knight, the Severance Multiplier will equal two; *provided, however*, if the NEO's termination occurs within the 12-month period following a change in control, the Severance Multiplier will equal three. For Mr. Knight, the Severance Multiplier will equal two; *provided, however*, if Mr. Knight's termination occurs within the 12-month period following a change in control, the Severance Multiplier will equal four until January 16, 2010 and three thereafter.

We may require the NEO to execute a general release prior to payment of any amount or provision of any benefit as a result of termination of employment by us without cause or by the NEO for good reason. In addition, upon the occurrence of a change in control, all equity-based awards received by the NEO will fully vest immediately prior to such change in control.

*Investment Alternatives Under the SERP.* Under the SERP, each NEO has the option to select a variety of mutual funds that are used to determine the additional amounts to be credited to his or her account. These mutual funds are the same as those offered under our 401(k) plan. Each NEO is permitted to change, on a monthly basis, his or her mutual fund choices in which individual and company contributions are to be invested.

*Payouts and Withdrawals.* Each NEO may elect to receive at retirement amounts deferred and contributions credited to his or her account in either a lump sum or in annual installments over a period of up to ten years. For more information regarding the SERP, please see Compensation Discussion and Analysis Retirement, Health and Welfare Benefits.

**Table of Contents****Potential Payments Upon a Termination or Change in Control**

The table below reflects the amount of compensation and benefits payable to each NEO in the event of (i) a termination by the NEO without good reason (a voluntary termination), (ii) a termination without cause or with good reason (involuntary termination) other than within 12 months of a change in control, (iii) an involuntary termination within 12 months of a change in control, (iv) a termination due to death and (v) a termination due to disability. The amounts shown assume that the applicable triggering event occurred on December 31, 2008, and therefore are estimates of the amounts that would be paid to the applicable NEO upon the occurrence of such triggering event, assuming a price of \$40.60 per Common Share, the closing price as of December 31, 2008.

(1) Under the employment agreements by and between the Company and each NEO, in the case of a voluntary termination, an NEO is entitled only to the prior accrued obligations. However, for purposes of precluding the NEO from joining an organization that competes with the Company, the Company may elect to extend a

non-compete period for up to 12 months from the date of such voluntary termination. The amounts included in the voluntary termination column above under Cash Severance represent the NEO's current base salary (the amount to which the NEO would be entitled for the entire non-compete period) and the amounts included under Continued Benefits represent participation in the Company's health and insurance plans, based on current health and insurance premiums for the NEO projected over the applicable period, and such amounts assume that the Company has elected to extend the non-compete period for the full 12 months. Please see Narrative Disclosure Regarding Equity Plans and Employment Agreements Employment Agreements for more information on the employment agreements.

- (2) Under the employment agreements executed by and between the Company and each NEO, upon an involuntary termination, an NEO is entitled to: (i) his or her current base salary and the highest annual cash bonus paid or payable for the two immediately prior fiscal years multiplied by two (for Mr. Knight, his current base salary plus his target annual bonus for 2008, multiplied by two), (ii) participation in the Company's health and insurance plans (or the economic equivalent of such participation) for a period of two years from the date of such termination and (iii) vesting in the number of equity awards held by the NEO that otherwise would have

**Table of Contents**

vested during the two-year period from the date of such termination. The dollar value reflected under the Involuntary Termination column above for Equity Acceleration assumes all equity awards vested, were exercised and sold as of December 31, 2008.

- (3) Under the employment agreements executed by and between the Company and each NEO, upon the occurrence of a change in control of the Company all equity awards held by the NEO shall fully vest immediately prior to such change in control. If within 12 months of a change in control the NEO undergoes an involuntary termination, the NEO is entitled to: (i) his or her current base salary and the highest annual cash bonus paid or payable for the two immediately prior fiscal years multiplied by three (for Mr. Knight, his current base salary plus his target annual bonus for 2008 multiplied by five) and (ii) participation in the Company's health and insurance plans (or the economic equivalent of such participation) for a period of three years from the date of such termination (for Mr. Knight, for the five-year period from the date of such termination). The dollar value reflected under the Change in Control column above for Equity Acceleration assumes all equity awards vested, were exercised and sold as of December 31, 2008.
- (4) The amounts included under the Death column above for Cash Severance represent the highest cash bonus paid or payable for the two immediately prior fiscal years to which the NEO would be entitled under his or her employment agreement (for Mr. Knight, his target annual bonus for 2008) and which would be received by the NEO's estate or beneficiary. Under the employment agreements, upon the NEO's death, the NEO's estate or beneficiary is also entitled to receive a pro rata annual bonus for that portion of the year that the NEO worked.

Under the employment agreements, as of the date of the NEO's death, his or her estate or beneficiaries would also be entitled to the number of equity awards held by the NEO that otherwise would have vested during the one-year period following such date. In addition, the Stock Option Plan and the Stock Incentive Plan provide for the accelerated vesting of all stock options and RSUs, respectively, held by the NEO in the event of his or her death. The LTIP provides for vesting on a proportional basis depending on the date of death in relation to the three-year performance period. If the NEO were to die in the first fiscal year of the three-year performance period, the NEO would be entitled to 25% of the award; in the second fiscal year of the three-year performance period, the NEO would be entitled to 50% of the award; and in the third fiscal year of the three-year performance period, the NEO would be entitled to 75% of the award. The dollar value reflected under the Death column above for Equity Acceleration assumes all equity awards vested, were exercised and sold as of December 31, 2008.

- (5) Under the employment agreements by and between the Company and each NEO, in the case of a termination of employment as a result of the NEO's disability, the NEO is entitled to: (i) his or her highest annual cash bonus paid or payable for the two immediately prior fiscal years (for Mr. Knight, his target annual bonus for 2008) and (ii) the number of equity awards held by the NEO that otherwise would have vested during the one-year period following the date of disability. For purposes of precluding the NEO from joining an organization that competes with the Company, the Company may elect to extend a non-compete period for up to 12 months from the date the NEO's employment is terminated as a result of a disability. The amounts included in the disability column above under Cash Severance represent the NEO's current base salary and the highest annual cash bonus paid or payable for the two immediately prior fiscal years (for Mr. Knight, his target annual bonus for 2008) and Continued Benefits represent participation in the Company's health and insurance plans (or the economic equivalent of such participation) and assumes that the Company has elected to extend the Non-Compete Period for the full 12 months.

The Stock Option Plan provides for the accelerated vesting of all stock options held by the NEO in the event of his or her disability. Under the Stock Incentive Plan, there is no acceleration of vesting of the RSUs; however, the NEO would not forfeit his or her RSUs upon being disabled and the RSUs will vest according to the schedule established on the date of grant. The LTIP provides for vesting on a proportional basis depending on the date of

disability in relation to the three-year performance period. If the NEO were to be disabled in the first year of the three-year performance period, the NEO would be entitled to 25% of the award; in the second fiscal year of the three-year performance period, the NEO would be entitled to 50% of the award; and in the third fiscal year of the three-year performance period, the NEO would be entitled to 75% of the award. The dollar value reflected under the Disability column above for Equity Acceleration assumes all equity awards vested at the applicable levels described above, were exercised and sold as of December 31, 2008.

## **Table of Contents**

Under the employment agreements, if the NEO is terminated for cause, he or she is entitled only to the prior accrued obligations. Under the employment agreements, the NEO is subject to certain restrictive covenants, including non-compete, non-interference, confidentiality and assignment of inventions provisions. In the case where the NEO is terminated by the Company without cause or by the NEO with good reason, should the NEO breach these restrictive covenants, the payments and benefits described above (other than the vesting of equity awards) would cease immediately.

Under the RSU Award Agreement to the Stock Incentive Plan, each employee agrees that the Company may terminate the NEO's right to any RSU he or she holds (whether or not vested) upon the occurrence of: (i) any event that constitutes cause; (ii) the NEO's violating the non-solicitation provision set forth in the RSU Award Agreement; or (iii) the NEOs interfering with a relationship between the Company and one of its clients.

Under the Stock Option Plan, a participant retiring after attaining the age of 65 is entitled to accelerated vesting of all stock options held by him or her. Under the Stock Incentive Plan, there is no acceleration of vesting of the RSUs; however, a participant would not forfeit his or her RSUs upon retirement after attaining the age of 65 and these RSUs will vest according to the schedule established on the date of grant. Under the employment agreements, there are no additional compensation provisions for retirement. None of our NEOs was 65 as of December 31, 2008. Accordingly, if any of our NEOs had retired as of December 31, 2008, he or she would not have been entitled to the acceleration or continued vesting of equity awards or any additional compensation.

In addition to the payments and benefits described above, upon the NEO's retirement at or after age 65, termination of employment (other than with cause), change in control or death or disability of the NEO, the NEO (or his or her estate or beneficiaries) would be entitled to the distribution of the vested contributions we made to the SERP on his or her behalf. The NEO would also be entitled to receive his or her own contributions to the SERP.

The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles and policies, and its internal controls and procedures. The independent auditors are responsible for auditing the Company's financial statements, reviewing the Company's quarterly financial statements, annually auditing management's assessment of the effectiveness of internal controls over financial reporting and other procedures. Finally, the Audit Committee receives the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, considers whether the provision of non-audit services by the independent auditors to the Company is compatible with maintaining the auditors' independence and discusses with the auditors the auditors' independence.

Based upon the reviews and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 that was filed with the SEC.

**ALLIED WORLD ASSURANCE COMPANY HOLDINGS, LTD**

**BOARD POLICY ON DIRECTOR INDEPENDENCE**

A majority of the Board of Directors will be independent, as that term is defined in any applicable laws and regulations including the listing standards of the New York Stock Exchange. Allied World Assurance Company Holdings, Ltd (the Company) believes that independent directors as well as directors who may be deemed not independent all make valuable contributions to the Board and to the Company by reason of their experience and judgment.

A director will be considered independent only if the Board has affirmatively determined that the director has no material relationship with the Company that would impair his or her independent judgment. The Board will review factors affecting independence at the time a director is proposed for election or re-election. In the process of making such determinations, the Board will consider the nature, extent and materiality of the director's relationships with the Company. In particular, in order for a director to be independent for purposes of service on our Board of Directors, the director should meet all of the following criteria:

1. has not been an employee within the last three years and never has been an officer of the Company.
2. has not been employed as an executive officer of a company within the last three years where an executive officer of the Company serves on the compensation committee (or board committee performing similar functions) of such other company.
3. is not affiliated with, or employed in a professional capacity, by a present or former auditor of the Company within the three years after the end of either the affiliation or the auditing relationship.
4. does not have an immediate family member who is or has been (a) an executive officer of the Company within the last three years; (b) employed as an executive officer of a company within the last three years where an executive officer of the Company serves on the compensation committee (or board committee performing similar functions) of such other company; or (c) affiliated with, or employed in a professional capacity, by a present or former auditor of the Company within the three years after the end of either the affiliation or the auditing relationship.
5. is not an immediate family member of any executive officer, or another director, of the Company.
6. has not, nor has any immediate family member (other than a non-executive employee), received within the last three years any compensation from the Company or any other person, directly or indirectly (including, for example, fees paid to an advisory firm in which the director is a partner or has a greater than 10% equity or voting interest whether or not the director personally provided the service) for services rendered to the Company (other than standard arrangements applicable to directors generally, including, but not limited to, deferred compensation for prior service provided that such compensation is not contingent on continued service).
7. has not had a personal services contract with the Company, or with any executive officer of the Company, within the last five years.
8. is not, nor is any immediate family member, an executive officer, employee or greater than 10% owner of any company supplying or receiving goods or services to or from the Company, unless such goods or services are supplied in the ordinary course of business on an arms-length basis and their value has not exceeded within the last three years

(a) 5% of the consolidated gross revenues of either company in any single year or (b) the greater of \$1 million or 2% of the other company's consolidated gross revenues in any single year.

9. is not an executive officer, partner or greater than 10% owner of any company to which the Company is indebted in an aggregate amount in excess of 5% of the Company's consolidated assets.

A-1

---

**Table of Contents**

10. is not, nor is any immediate family member, (a) indebted to the Company in an amount greater than \$60,000; (b) an executive officer, partner or greater than 10% owner of any entity that is so indebted; or (c) a trustee of, or have a substantial beneficial interest in, any trust or other estate that is so indebted.

11. has not had, nor has any immediate family member had, any direct or indirect material interest in a transaction or series of transactions to which the Company is a party and in which the transaction amount exceeds \$60,000 (other than interests that arise solely from an aggregate ownership of less than 10% of the Company or an entity furnishing services to the Company).

12. is not a director pursuant to any arrangement or understanding with another person or group.

13. does not hold, nor otherwise have voting power with respect to, 25% or more of the Company's outstanding voting stock, either directly, or indirectly through one or more intermediaries.

14. is not, nor is any immediate family member, an employee, officer or director of a foundation, university or other non-profit organization that receives, or has received, from the Company in any of the last five years grants or endowments greater than \$100,000 or greater than 1% of the total donations received by the entity in that year.

In applying the criteria listed above, the Board of Directors will consider such other factors as it may deem necessary to arrive at sound determinations as to the independence of each director, and such factors may override the conclusions of independence or non-independence that would be reached simply by applying the criteria. In such cases, the basis for independence determinations will be disclosed in the Company's annual proxy statement.

**NOTES:**

1. For purposes of these independence guidelines, the Company is intended to also refer to any and all consolidated subsidiaries of Allied World Assurance Company Holdings, Ltd.

2. Immediate family member means any of the person's spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, and brothers- and sisters-in-law and anyone (other than domestic employees) who shares the person's home.

46. Demand for a poll

(a) the chairman of such meeting;

(2) Where, in accordance with the provisions of subparagraph (1) of this Bye-law, a poll is demanded, subject to any rights or restrictions for the time being lawfully attached to any class of shares, including any limitation on the voting power of any Controlled Shares pursuant to Bye-law 51, every Person present at such meeting shall have one vote for each Voting Share (as defined in Bye-law 50) of which such Person is the holder or for which such person holds a proxy and such vote shall be counted in the manner set out in subparagraph (4) of this Bye-law and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded and shall replace any previous resolution upon the same matter which has been the subject of a show of hands.

(3) A poll demanded in accordance with the provisions of subparagraph (1) of this Bye-law, for the purpose of electing a chairman of the meeting or on a question of adjournment, shall be taken forthwith and a poll demanded on

any other question shall be taken in such manner and at such time and place as the chairman of the meeting may direct and any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll.

(4) Where a vote is taken by poll, each Person present and entitled to vote shall be furnished with a ballot paper on which such Person shall record his, her or its vote in such manner as shall be determined at the meeting having regard to the nature of the question on which the vote is taken, and each ballot paper shall be signed or initialled or otherwise marked so as to identify the voter and the registered holder in the case of a proxy. At the conclusion of the poll, the ballot papers shall be examined and counted as the chairman of the meeting directs for the purpose and the result of the poll shall be declared by the chairman.

47. Seniority of joint holders voting

In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members.

48. Instrument of proxy

(1) The instrument appointing a proxy shall be in any common form or in such other form as the Board may approve, shall be in writing, and shall be signed or, in the case of a transmission by electronic mail, electronically signed in a manner acceptable to the chairman of the meeting, by the appointor or of the appointor's attorney duly authorised in writing, or if the appointor is a corporation, either under its seal, or under the hand of a duly authorised officer or attorney. The decision of the chairman of any general meeting as to the validity of any instrument of proxy shall be final.

(2) The appointment of a proxy must be received by the Company at the registered office or at such other place or in such manner as is specified in the notice convening the meeting or in any instrument of proxy sent out by the Company in relation to the meeting at which the person named in the appointment proposes to vote, and an appointment of proxy not received in the manner so permitted shall be invalid.

49. Representation of corporations at meetings

A corporation which is a Member may, by written instrument, authorise such Person as it thinks fit to act as its representative at any meeting of the Members and the Person so authorised shall be entitled to exercise the same powers on behalf of the corporation which such Person represents as that corporation could exercise if it were an individual Member. Notwithstanding the foregoing, the chairman of the meeting may accept such assurances as he or she thinks fit as to the right of any Person to attend and vote at general meetings on behalf of a corporation which is a Member.

50. Rights of shares

(1) At the date these Bye-laws are adopted, the share capital of the Company shall be divided into three (3) classes of shares: Common Shares that carry voting rights ( Voting Shares ), Common Shares that do not carry voting rights ( Non-Voting Shares ) and Preference Shares ( Preference Shares ). The holders of Voting Shares shall, subject to the provisions of these Bye-laws (including, without limitation, the rights attaching to the Preference Shares):

(a) be entitled to one vote per Voting Share or, in the case of a Controlled Share of a Person that would be a 10% Shareholder without giving effect to Bye-law 51, a fraction of a vote per Controlled Share as determined pursuant to

Bye-law 51;

(b) be entitled to such dividends as the Board may from time to time declare;

(c) in the event of a winding-up or dissolution of the Company, whether voluntary or involuntary or for the purpose of a reorganisation or otherwise or upon any distribution of capital, be entitled to the surplus assets of the Company; and

(d) generally be entitled to enjoy all of the rights attaching to shares.

**Table of Contents**

Non-Voting Shares shall at all times rank, as to assets, dividends and in all other respects, on a parity with Voting Shares, except that the Non-Voting Shares shall not have the right to vote, except as otherwise provided by the Act.

(2) All the rights attaching to a Treasury Share shall be suspended and shall not be exercised by the Company while it holds such Treasury Share and all Treasury Shares shall be excluded from the calculation of any percentage or fraction of the share capital, or number of shares, of the Company as required by the Act and for the purposes of the calculation of the quorum and majority vote required to approve an amalgamation.

(3)

(2) The Board is authorised to provide for the issuance of the Preference Shares in one or more series, and to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof (and, for the avoidance of doubt, such matters and the issuance of such Preference Shares shall not be deemed to vary the rights attached to the Common Shares). The authority of the Board with respect to each series shall include, but not be limited to, determination of the following:

(a) the number of shares constituting that series and the distinctive designation of that series;

(b) the dividend rate (or the basis therefor, if floating) on the shares of that series, whether dividends shall be cumulative and, if so, from which date or dates, and the relative rights of priority, if any, of the payment of dividends on shares of that series;

(c) whether that series shall have voting rights, in addition to the voting rights provided by law, and if so, the terms of such voting rights;

(d) whether that series shall have conversion or exchange privileges (including, without limitation, conversion into Common Shares), and, if so, the terms and conditions of such conversion or exchange, including provision for adjustment of the conversion or exchange rate in such events as the Board shall determine;

(g) the right of the shares of that series to the benefit of conditions and restrictions upon the creation of indebtedness of the Company or any subsidiary, upon the issue of any additional shares (including additional shares of such series or any other series) and upon the payment of dividends or the making of other distributions on, and the purchase, redemption or other acquisition by the Company or any subsidiary of any issued shares of the Company;

(h) the rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the Company, and the relative rights of priority, if any, of payment of shares of that series; and

(i) any other relative participating, optional or other special rights, qualifications, limitations or restrictions of that series including the right to appoint directors and the manner for appointing and removing such directors and the number and term of such directors.

discretion of the Board, whether or not in connection with the issuance and sale of any shares or other securities of the Company, the Company may issue securities, contracts, warrants or other instruments evidencing any shares, option rights, securities having conversion or option rights, or obligations on such terms, conditions and other provisions as are fixed by the Board, including, without limiting the generality of this authority, conditions that preclude or limit any Person or Persons owning or offering to acquire a specified number or percentage of the outstanding Common Shares, other shares, option rights, securities having conversion or option rights, or obligations of the Company or transferee of the Person or Persons from exercising, converting, transferring or receiving the shares, option rights, securities having conversion or option rights, or obligations.

51. Limitation on voting rights of Controlled Shares

(1) Subject to any rights or restrictions for the time being attached to any class or classes of shares, on a poll at a general meeting every Member present in person or by proxy shall have one vote for each Voting Share registered in his, her or its name in the Register of Members; provided, however, that, subject to the following provisions of this Bye-law 51, if and for so long as (i) the aggregate number of votes conferred by the Controlled Shares of any Person would constitute ten percent (10%) or more of the total combined voting power of all classes of shares entitled to vote of the Company (calculated after giving effect to any prior reduction in voting rights attaching to shares of other Persons as provided in this Bye-law 51) and (ii) with respect to any Person described in clause (i) who is a U.S. Person, such Person owns by application of Section 958(a) of the Code any shares of the Company, such Controlled Shares, regardless of the identity of the registered holder thereof, shall collectively confer a number of votes determined by the following formula (the Formula):

$$((T - C) / 9) - 1$$

Where: *T* is the aggregate number of votes conferred by all the issued shares of the Company immediately prior to the application of the Formula with respect to such Controlled Shares, adjusted to take into account each reduction in such aggregate number of votes that results from a prior reduction in the exercisable votes conferred by any Controlled Shares pursuant to Bye-law 51(4) as at the same date;

*C* is the aggregate number of votes conferred by the Controlled Shares attributable to such Person.

Each Controlled Share shall be affected equally by such diminution.

(2) The Directors may, by notice in writing, require any Member to provide within not less than ten (10) Business Days, complete and accurate information to the registered office or such other place as the Directors may designate in respect of any or all of the following matters:

(a) the number of shares in which such Member is legally or beneficially interested;

(b) the Persons who are beneficially interested in shares in respect of which such Member is the registered holder;

(c) the relationship, association or affiliation of such Member with any other Member or Person whether by means of common control or ownership or otherwise; or

(d) any other facts or matters which the Directors may consider relevant to the determination of the number of Controlled Shares attributable to any Person.

(3) If any Member does not respond to any notice given pursuant to Bye-law 51(2) above within the time specified therein or the Directors shall have reason to believe that any information provided in relation thereto is incomplete or inaccurate, the Directors may determine that the votes attaching to any shares registered in the name of such Member shall be disregarded for all purposes until such time as a response (or additional response) to such notice reasonably satisfactory to the Directors has been received as specified therein.

(4) The Formula shall be applied successively as many times as may be necessary to ensure that (i) no U.S. Person who owns by application of Section 958(a) of the Code any shares of the Company shall be a 10%

B-16

---

**Table of Contents**

Shareholder at any time, and (ii) no Person who is not a U.S. Person shall be a 10% Shareholder at any time. For the purposes of determining the votes exercisable by Members as of any date, the Formula shall be applied to the Controlled Shares of each Person in declining order based on the respective numbers of Controlled Shares attributable to each Person. Thus, the Formula will be applied first to the Controlled Shares of the Person to whom the largest number of Controlled Shares are attributable and thereafter sequentially with respect to the Controlled Shares of the Person with the next largest number of Controlled Shares. In each case, calculations are made on the basis of the aggregate number of votes conferred by the issued shares as of such date, as reduced by the prior application of the Formula to any Controlled Shares of any Person as of such date.

(5) Notwithstanding the provisions of subparagraphs (1) and (2) of this Bye-law 51 above, having applied the provisions thereof as best as they consider reasonably practicable, the Directors may make such final adjustments to the aggregate number of votes attaching to the shares of any Member that they consider fair and reasonable in all the circumstances to ensure that no Person shall be a 10% Shareholder at any time. It is the intention of these Bye-laws to prevent any Person from being treated as a United States shareholder, within the meaning of Section 951(b) of the Code, that would be required to include any amounts in income for United States federal income tax purposes in respect of such Person's investment in the Company prior to receipt of dividend distributions from the Company or disposition of such Person's shares in the Company. In order to insure that no Person shall be treated as a United States shareholder within the meaning of Section 951(b) of the Code, it is also the intention of these Bye-laws to prevent any Person from exercising, through beneficial (direct or indirect) ownership within the meaning of Section 13(d)(3) of the Exchange Act, ten percent (10%) or more of the total combined voting power of all classes of shares of the Company entitled to vote. Accordingly, this Bye-law 51 should be interpreted so as to effectuate this goal (along with conforming definitional changes as needed) in light of future events, including, but not limited to, (i) the issuance of other shares, or right to acquire shares, that are entitled to vote; and (ii) any recapitalization or modification to the rights of any shares the effect of which is, in part, to alter the voting rights or relative voting rights of any shares.

52. Power to issue shares

(1) Subject to these Bye-laws and to any rights attaching to issued shares of the Company, the unissued shares of the Company (whether forming part of the original share capital or any increased share capital) shall be at the disposal of the Board, which may issue, offer, allot, exchange or otherwise dispose of shares or options, warrants or other rights to purchase shares or, subject to Section 43 of the Act, securities convertible into or exercisable or exchangeable for shares (including any employee benefit plan providing for the issuance of shares or options or rights in respect thereof), at such times, for such consideration and on such terms and conditions as it may determine (including, without limitation, such preferred or other special rights or restrictions with respect to dividend, voting, liquidation or other rights of the shares as may be determined by the Board).

(2) ~~Notwithstanding the foregoing provisions of this Bye-law, the Company shall not~~  
The Board, in its sole and absolute discretion, may refuse to issue any shares in a manner that the Board believes would cause, by reason of such issuance, a violation of the Ownership Limits (described below under Bye-law 64).

Notwithstanding the foregoing provisions of this Bye-law, ~~the restrictions of this Bye-law 52(2)~~ shall not apply to any issuance of shares to a Person acting as an underwriter in the ordinary course of its business, purchasing such shares pursuant to a purchase agreement to which the Company is a party, for resale.

(3) The Board shall, in connection with the issue of any share, have the power to pay such commission and brokerage as may be permitted by law.

(4) The Company shall not give, whether directly or indirectly, whether by means of loan, guarantee, provision of security or otherwise, any financial assistance for the purpose of a purchase or subscription made or to be made by any Person of or for any shares in the Company, but nothing in this Bye-law shall prohibit transactions mentioned in or permitted pursuant to Sections 39A, 39B and 39C of the Act.

(5) The Company may from time to time do any one or more of the following things:

(a) make arrangements on the issue of shares for a difference between the Members in the amounts and times of payments of calls on their shares;

B-17

---

**Table of Contents**

(b) accept from any Member the whole or a part of the amount remaining unpaid on any shares held by him, although no part of that amount has been called up;

(c) pay dividends in proportion to the amount paid up on each share where a larger amount is paid up on some shares than on others; and

(d) issue its shares in fractional denominations and deal with such fractions to the same extent as its whole shares and shares in fractional denominations shall have in proportion to the respective fractions represented thereby all of the rights of whole shares including (but without limiting the generality of the foregoing) the right to vote, to receive dividends and distributions and to participate in a winding up.

53. Variation of rights, alteration of share capital and purchase of shares of the Company

(1) Without limitation to Bye-law 50, subject to the provisions of Sections 42 and 43 of the Act any Preference Shares may be issued or converted into shares that, at a determinable date or at the option of the Company, are liable to be redeemed on such terms and in such manner as the Company before the issue or conversion may by resolution of the Board determine.

(2) While the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, whether or not the Company is being wound-up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class or with the sanction of a resolution passed by a majority of the votes cast at a separate general meeting of the holders of the shares of the class in accordance with Section 47(7) of the Act. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking pari passu therewith.

(3) The Company may from time to time by resolution of the Members change the currency denomination of, increase, alter or reduce its share capital in accordance with the provisions of Sections 45 and 46 of the Act. Where, on any alteration of share capital, fractions of shares or some other difficulty would arise, the Board may deal with or resolve the same in such manner as it thinks fit, including, without limiting the generality of the foregoing, the issue to Members, as appropriate, of fractions of shares and/or arranging for the sale or transfer of the fractions of shares of Members.

(4) Subject to Bye-law 11(4), the Company may from time to time purchase its own shares for cancellation or acquire them as Treasury Shares in accordance with the provisions of ~~Section 42A~~ of the Act.

(5) Notwithstanding Bye-law 53(3), the Board may generally exercise the powers of the Company set out in Sections 45(1)(b), (c), (d) and (e) of the Act, without the need of any approval of the Members as might otherwise be required by such sections of the Act.

54. Conversion and transfer of Non-Voting Shares

Subject to Bye-law 64:

(1) Except as provided in Bye-law 54(3) below, upon the sale, transfer or other disposition of Non-Voting Shares by any Member, such Non-Voting Shares shall become Voting Shares in the hands of the transferee, and shall be so reflected in the Register of Members.

(2) (a) Subject to the terms and conditions hereof, a holder of Non-Voting Shares shall have the right at any time and from time to time, without payment of additional consideration, to convert all or any part of such Member's Non-Voting Shares into Voting Shares on a one-for-one basis.

(b) Such conversion shall take effect upon the registration of such conversion, which shall (subject to By-law 64) occur upon the holder providing written notice of such conversion to the Company specifying the date on which such conversion is to be registered, which shall be a date at least 10 days after the date on which such notice is delivered to the Company, or such other date as the holder and the Company may agree. From and after the date such conversion is registered, the holder of the Non-Voting Shares shall cease to be entitled to any rights or privileges attached to the Non-Voting Shares and the

certificates representing the Non-Voting Shares shall represent only a right to receive certificates for the Voting Shares into which such Non-Voting Shares have been converted. The Company shall deliver or ~~cause~~

cause

to be delivered, to the order of all holders of Non-Voting Shares who have surrendered to the Company for cancellation certificates representing Non-Voting Shares, certificates representing the Voting Shares into which such Non-Voting Shares have been converted.

(3) Notwithstanding anything in this Bye-law 54 to the contrary and subject to Bye-law 64, a holder of Non-Voting Shares shall have the right to transfer such Non-Voting Shares to (i) an Affiliate or (ii) any other Member that is, prior to such transfer, a holder of Non-Voting Shares. Any Non-Voting Shares transferred pursuant to this Bye-law 54(3) shall retain their status as Non-Voting Shares.

(4) Voting Shares shall not be convertible into Non-Voting Shares, except that so long as a Founder (other than an Industry Founder) or any of such Founder's Affiliates owns directly or by application of the attribution and constructive ownership rules of Sections 958(a) and 958(b) of the Code any Common Shares, all Voting Shares owned directly or by application of the attribution and constructive ownership rules of Sections 958(a) and 958(b) of the Code by such Founder or any of such Founder's Affiliates shall automatically convert into Non-Voting Shares, provided that, with respect to Voting Shares converted into Non-Voting Shares by operation of this sentence, such shares shall revert to being Voting Shares after the date such Common Shares are no longer owned by such Founder or its Affiliates. Upon the request of the Company, such Founder or Affiliate shall timely identify to the Company all shares subject to the exception and the first proviso in this Bye-law 54(4).

55. Registered holder of shares

(1) The Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not be bound to recognise any equitable or other claim to, or interest in, such share on the part of any other Person.

(2) Any dividend, interest or other moneys payable in cash in respect of shares may be paid by cheque or draft sent through the post directed to the Member at such Member's address in the Register of Members or, in the case of joint holders, to such address of the holder first named in the Register of Members, or to such Person and to such address as the holder or joint holders may in writing direct. If two (2) or more Persons are registered as joint holders of any shares, any one can give an effectual receipt for any dividend paid in respect of such shares.

56. Death of a joint holder

Where two (2) or more persons are registered as joint holders of a share or shares, then in the event of the death of any joint holder or holders, the remaining joint holder or holders shall be absolutely entitled to the said share or shares, and the Company shall recognise no claim in respect of the estate of any joint holder except in the case of the last survivor of such joint holders.

57. Share certificates

(1) Every Member shall be entitled to a certificate under the seal of the Company (or a facsimile thereof) specifying the number and, where appropriate, the class of shares held by such Member and whether the same are fully paid up and, if not, how much has been paid thereon. The Board may by resolution determine, either generally or in a particular case, that any or all signatures on certificates may be printed thereon or affixed by mechanical means.

(2) The Company shall be under no obligation to complete and deliver a share certificate unless specifically called upon to do so by the Person to whom such shares have been allotted.

(3) If any such certificate shall be proved to the satisfaction of the Board to have been worn out, lost, mislaid or destroyed, the Board may cause a new certificate to be issued and request an indemnity for the lost certificate if it sees fit.

(4) The share certificates may bear legends concerning restrictions on transfer or otherwise as the Board may from time to time determine.

58. *Calls on shares*

(1) The Board may from time to time make such calls as it thinks fit upon the Members in respect of any moneys unpaid on the shares allotted to or held by such Members and, if a call is not paid on or before the day appointed for payment thereof, the Member may at the discretion of the Board be liable to pay the Company interest on the amount of such call at such rate as the Board may determine, from the date when such call was payable up to the actual date of payment. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

(2) The Board may, on the issue of shares, differentiate between the holders as to the amount of calls to be paid and the times of payment of such calls.

59. *Forfeiture of shares*

(1) If any Member fails to pay, on the day appointed for payment thereof, any call in respect of any share allotted to or held by such Member, the Board may, at any time thereafter during such time as the call remains unpaid, direct the Secretary to forward to such Member a notice in the form, or as near thereto as circumstances admit, of Form A in the Schedule hereto.

(2) If the requirements of such notice are not complied with, any such share may at any time thereafter before the payment of such call and the interest due in respect thereof be forfeited by a resolution of the Board to that effect, and such share shall thereupon become the property of the Company and may be disposed of as the Board shall determine.

(3) A Member whose share or shares have been forfeited as aforesaid shall, notwithstanding such forfeiture, be liable to pay to the Company all calls owing on such share or shares at the time of the forfeiture and all interest due thereon.

**REGISTER OF MEMBERS**

60. *Contents of Register of Members*

The Board shall cause to be kept in one or more books a Register of Members and shall enter therein the particulars required by the Act.

61. *Inspection of Register of Members*

The Register of Members shall be open to inspection at the registered office of the Company on every Business Day, subject to such reasonable restrictions as the Board may impose, so that not less than two (2) hours in each business day be allowed for inspection. The Register of Members may, after notice has been given in accordance with the Act, be closed for any time or times not exceeding in the whole 30 days in each year.

62. *Determination of record dates*

Notwithstanding any other provision of these Bye-laws, the Board may fix any date as the record date for:

- (b) determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

**TRANSFER OF SHARES**

63. *Instrument of transfer*

(1) An instrument of transfer shall be in writing in the form, or as near thereto as circumstances admit, of Form B in the Schedule hereto or in such other common form as the Board may accept. Such instrument of transfer shall be signed by or on behalf of the transferor and transferee, provided that, in the case of a fully paid share, the Board may accept the instrument signed by or on behalf of the transferor alone. The transferor shall be deemed to remain the holder of such share until the same has been transferred to the transferee in the Register of Members.

B-20

---

**Table of Contents**

(2) The Board may refuse to recognise any instrument of transfer unless it is accompanied by the certificate in respect of the shares to which it relates and by such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer.

(3) Shares may be transferred without a written instrument if transferred by an appointed agent or otherwise in accordance with the Act.

64. Restriction on transfer

(1) Subject to the Act, this Bye-law 64 and such other of the restrictions contained in these Bye-laws and elsewhere as may be applicable, and except, in the case of any shares other than the Voting Shares, as may otherwise be provided by the terms of issuance thereof, any Member may sell, assign, transfer or otherwise dispose of shares of the Company at any time owned by it and, subject to Bye-law 63, the Directors shall procure the timely registration of the same. If the Directors refuse to register a transfer for any reason they shall notify the proposed transferor and transferee within thirty (30) days of such refusal.

(2) The Directors may, in their sole and absolute discretion, decline to register a transfer (including a conversion pursuant to Bye-law 54(2)) of shares if the Directors have reason to believe that, such transfer would cause (i) any U.S. Person to become a 10% Shareholder (as determined without giving effect to any adjustments to the voting rights of any Member under Bye-law 51), other than a Person who does not own (including as a result of such transfer) any shares of the Company by application of Section 958(a) of the Code; (ii) any Founder, any Affiliate of a Founder or any Person to whom shares of a Founder are attributed under Section 318(a)(3) of the Code (giving effect to Treasury Regulations Section 1.958-2(d)), to own (after taking into account the Founder Back-Attribution Convention), directly or by application of the constructive and indirect ownership rules of Sections 958(a) and 958(b) of the Code, ~~a greater percentage of the shares than the greater of (x) 9.99% and (y) the percentage of shares such Founder, Affiliate or Person so owned as of July 17, 2006 (other than as a result of~~ more than 24.5% shares of the Company; or (iii) any U.S. Person (other than a Founder, any Affiliate of a Founder ~~(other than an Industry Founder) holding shares as an underwriter, market maker, broker, dealer or investment adviser, but in no event more than 24.5% of the shares); or (iii) any U.S. Person who is not a Founder, to own,~~ or any Person to whom shares of a Founder are attributed under Section 318(a)(3) of the Code (giving effect to Treasury Regulations Section 1.958-2(d)), to own directly or by application of the constructive and indirect ownership rules of Section 958(a) and 958(b) of the Code, ten percent (10%) or more of the shares of the Company, but only (for purposes of this Bye-law 64(2)(iii)) if such Person owns (including as a result of such transfer), or is deemed to own by application of Section 958(a) of the Code (including as a result of such transfer), any shares in the Company.

(3) The Directors may, in their sole and absolute discretion, decline to register the transfer (including a conversion pursuant to Bye-law 54(2)) of any shares if the Directors have reason to believe (i) that such transfer may expose the Company, any subsidiary thereof or any Member to, or materially increase the risk of, material adverse tax or regulatory treatment in any jurisdiction or (ii) that registration of such transfer under the Securities Act or under any blue sky or other U.S. state securities laws or under the laws of any other jurisdiction is required and such registration has not been duly effected; provided, however, that in case (ii), the Directors shall be entitled to request and rely on an opinion of counsel to the transferor or the transferee, in form and substance satisfactory to the Directors, that no such approval or consent is required and no such violation would occur, and the Directors shall not be obligated to register any transfer absent the receipt of such an opinion.

(4) Without limiting the foregoing, the Board shall decline to approve or register a transfer of shares unless all applicable consents, authorisations, permissions or approvals of any governmental body or agency in Bermuda, the United States or any other applicable jurisdiction required to be obtained prior to such transfer shall have been obtained.

(5) The registration of transfers may be suspended at such time and for such periods as the Directors may from time to time determine; provided that such registration shall not be suspended for more than forty-five (45) days in any period of three hundred and sixty five (365) consecutive days.

(6) The Directors may require any Member, or any Person proposing to acquire shares of the Company, to certify or otherwise provide information in writing as to such matters as the Directors may request for the purpose of giving effect to Bye-laws 11(3), 11(4), 52(2), 64(2) and 64(3) including as to such Member\_ s or Person s status as a

Such request shall be made by written notice and the certification or other information requested shall be provided to such place and within such period (not less than ten (10) Business Days after such notice is given unless the Directors and such Member or proposed acquiror otherwise agree) as the Directors may designate in such request. If any Member or proposed acquiror does not respond to any such request by the Directors as requested, or if the Directors have reason to believe that any certification or other information provided pursuant to any such request is inaccurate or incomplete, the Directors may decline to register any transfer or to effect any issuance or purchase of shares to which such request relates.

(7) Founder Back-Attribution Convention For the purposes of Bye-law 64(2)(ii), in applying the constructive ownership rules of Section 958(b) of the Code, the rules of Section 318(a)(3) and Treasury Regulations 1.958-2(d) of the Code shall only apply with respect to Founders and their Affiliates to the extent that the rules would attribute to a Founder, or its Affiliate, the shares owned (directly or by application of the constructive and indirect ownership rules of Sections 958(a) and 958(b) of the Code) by (i) a Person that owns twenty-five percent (25%) or more of such Founder, by vote or value; or (ii) an Affiliate of such Founder (the convention set forth in this paragraph (7), the Founder Back-Attribution Convention ).

(8) If the ~~Company has reasonable grounds to believe~~ Board believes that, as a result of a Person's direct or indirect purchase or other acquisition or ownership of shares or exercise of any right to acquire shares, one or more Members are or, upon consummation of such purchase or exercise will be, in violation of the ownership limits described in paragraphs (2) and (3) above (the Ownership Limits ) (or as to which requested evidence of compliance with the Ownership Limits has not been provided to the Company), ~~such~~ the Board, in its sole and absolute discretion, may refuse to register such transfer, purchase or other acquisition ~~shall not be registered~~ in the Register of Members of the Company. In the event that such a transfer, purchase or other acquisition is registered, such transfer ~~shall~~, purchase or other acquisition may, upon determination by the ~~Company~~ Board, in its sole and absolute discretion, that such violation has occurred (which determination shall be binding on all Members), be reversed. Neither the Company nor the Board of Directors shall be obligated to investigate the circumstances pertaining to any proposed acquisition or any ownership in order to determine compliance with the Ownership Limits. Notwithstanding anything contained in these Bye-laws to the contrary, no violation of the Ownership Limits shall be deemed to have occurred if the Board determines, in its sole and absolute discretion, that the applicable transfer, purchase or other acquisition of shares does not constitute a violation of the Ownership Limits.

(9) If the ~~Company has reasonable grounds to believe~~ Board believes that as a result of a Person's direct or indirect purchase or other acquisition or ownership of shares (or any rights to acquire shares), one or more Members are in violation of the Ownership Limits (or if the Company has requested evidence of compliance with the Ownership Limits but has not received it in a timely manner), the Board ~~shall~~

(10) Any disposition pursuant to this Bye-law 64 should occur no later than the 28th calendar day after the date on which the Board first received notice that the aforementioned Member ~~exceeded~~ violated the Ownership Limits and the disposing Member shall make all reasonable efforts to effect such disposition within such 28-day period.

(11) In addition to that set forth in paragraphs (8), (9) and (10), if as a result of a Person's direct or indirect purchase or other acquisition ~~of~~ or ownership of shares, the ~~Company has reasonable grounds to believe~~ Board believes that one or more Members are in violation of the Ownership Limits, the Board may take such other action in

and absolute

discretion (which determinations

Nothing herein contained shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by such deceased Member with other Persons. Subject to the provisions of Section 52 of the Act, for the purpose of this Bye-law, legal personal representative means the executor or administrator of a deceased Member or such other Person as the Board may in its absolute discretion decide as being properly authorised to deal with the shares of a deceased Member.

67. Registration on death or bankruptcy

Subject to Bye-law 64, any Person becoming entitled to a share in consequence of the death or the bankruptcy of any Member may be registered as a Member upon such evidence as the Board may deem sufficient or may elect to nominate some Person to be registered as a transferee of such share, and in such case the Person becoming entitled shall execute in favour of such nominee an instrument of transfer in the form, or as near thereto as circumstances admit, of Form C in the Schedule hereto. On the presentation thereof to the Board, accompanied by such evidence as the Board may require to prove the title of the transferor, the transferee shall be registered as a Member but the Board shall, in either case, have the same right to decline or suspend registration as it would have had in the case of a transfer

The Board may, subject to these Bye-laws and in accordance with Section 54 of the Act, declare a dividend to be paid to the Members, in proportion to the number of shares held by them, and such dividend may be paid in cash or wholly or partly in specie in which case the Board may fix the value for distribution in specie of any assets.
