(1) This is the adjustment to the target amount of the 2008 performance based restricted stock previously reported.

This is the target amount of a performance based restricted stock grant available if certain criteria is met. Any adjustments to the target award will be reported at the time of the actual determination of performance as compared to the applicable threshold, target and maximum performance objectives. In no event, however, will the number of shares awarded exceed 150% of the number of shares of the target award. The share price will be determined at the close of business on the end of the performance cycle.

(2) Beginning with the issue date, equal installments of 33 1/3 of the option shares granted will be available for exercise upon completion of one, two and three years of service measured from date of grant, respectively. The options expire ten (10) years from the grant date.

(3) The phantom stock units are accrued under the Renasant DSU Plan. The units are settled 100% in the Company's common stock upon the reporting person's retirement or upon approved hardship reasons. The conversion price is one phantom stock unit for one share of the Company's common stock. Dividends are paid quarterly and reinvested on the phantom stock.
