Represents the settlement upon partial vesting of a performance unit award granted on April 2, 2010. The award entitles the reporting owner to receive up to 16,500 shares of issuer common stock upon achievement of a stock price performance condition, subject also to employment-based vesting of the award in three equal annual installments on the anniversary of the grant date. The stock price

(1) performance condition was achieved on March 15, 2013 when the closing price of the issuer's common stock reported on the New York Stock Exchange exceeded \$5.98 per share on 20 trading days of the 30 consecutive trading day period ending on March 15, 2013. The acquired shares represent settlement of the time-vested portion of the award on the date the stock price performance condition was achieved. The remaining shares subject to the award will vest, subject to satisfaction of the employment conditions, on April 2, 2013.
