The Amended and Restated Note is convertible into shares of the Company’s common stock at a price equal to eighty-five percent (85%) of the average daily volume weighted average price of the Company’s common stock during the five (5) trading days immediately prior to the date of conversion and it may be prepaid in whole or in part at the Company’s option without penalty.

In addition, the Amendment amends that certain Committed Equity Facility Agreement dated as of March 30, 2012 (the “CEF”), by and between the Company and TCA to, among other things, amend certain definitions of the CEF and amend and restate Article II of the CEF related to the mechanics for advances.

It is the intention of the Company and TCA that the value of the Amendment Fee Shares shall equal \$45,000. In the event the value of the Amendment Fee Shares issued to TCA is either less than or greater than \$45,000 after a twelve month evaluation date, the Amendment provides for an adjustment provision allowing for necessary action (either the issuance of additional shares to TCA or the return of shares previously issued to TCA to the Company’s treasury) to adjust the number of Amendment Fee Shares issued.

Further, in connection with the Company’s issuance of the Amended and Restated Note, effective on the Closing Date, Pharmco, L.L.C., a Florida limited liability company and a wholly owned subsidiary of the Company (“Pharmco”), entered into an acknowledgement and affirmation of guaranty agreement (the “Affirmation of Guaranty”) with TCA.
