Klein – Chairman, President & Chief Executive Officer Anthony V. “Tony” Cosentino – Executive Vice President & Chief Financial Officer Issuer Free Writing Prospectus Filed Pursuant to Rule 433 Registration No. 333 - 217206 SB Financial Group, Inc. 401 Clinton Street Defiance, OH 43512 www.yoursbfinancial.com

2 Caution Regarding Forward Looking Statements This presentation contains certain forward - looking statements within the meaning of Section 27 A of the Securities Act of 1933 , and Section 21 E of the Securities Exchange Act of 1934 . These statements include, but are not limited to, descriptions of the financial condition, results of operations, asset and credit quality trends, profitability, projected earnings, future plans, strategies and expectations of SB Financial Group, Inc . (the “Company”) . The Company intends such forward - looking statements to be covered by the safe harbor provisions for forward - looking statements contained in the Private Securities Litigation Reform Act of 1995 and is including this statement for purposes of complying with those safe harbor provisions . Forward - looking statements, which are based on certain assumptions of the Company, are generally identifiable by use of the words “believe,” “expect,” “intend,” “anticipate,” “estimate,” “project,” “seek,” “target,” “potential,” “focus,” “may,” “could,” “should,” “may be,” “might,” “could be,” “would,” “would be,” “may be,” “might be,” “could be,” “should be,” “may be,” “might be,” “could be,” “should be,” “may be,” “might be,” “could be,” “should be” expressions . These forward - looking statements express management’s current expectations or forecasts of future events, and by their nature, are subject to risks and uncertainties . Therefore, there are a number of factors that might cause actual results to differ materially from those in such statements . Factors that might cause such a difference include, but are not limited to : (i) the effects of future economic, business and market conditions and changes, domestic and foreign ; (ii) governmental monetary and fiscal policies ; (iii) legislative and regulatory changes, including changes in banking, securities and tax laws and regulations such as the recently enacted Dodd - Frank Wall Street Reform and Consumer Protection Act and the recently adopted Basel III regulatory capital reforms and their application by the Company’s regulators, and changes in the scope and cost of Federal Deposit Insurance Corporation insurance and other coverages ; (iv) changes in accounting policies, rules and practices ; (v) the risks of changes in interest rates on the levels, composition and costs of deposits, loan demand, and the values and liquidity of loan collateral, securities, and other interest sensitive assets and liabilities ; (vi) the failure of assumptions and estimates underlying the establishment of reserves for possible loan losses and other estimates ; (vii) changes in borrowers’ credit risks and payment behaviors ; (viii) changes in the availability and cost of credit and capital in the financial markets ; (ix) changes in the prices, values and sales volumes of residential and commercial real estate ; (x) the effects of competition from a wide variety of local, regional, national and other providers of financial, investment and insurance services ; (xi) the risks of mergers, acquisitions and divestitures, including, without limitation, the related time and costs of implementing such transactions, integrating operations as part of these transactions and possible failures to achieve expected gains, revenue growth and/or expense savings from such transactions ; (xii) changes in technology or products that may be more difficult, costly, or less effective than anticipated ; (xiii) the effects of war or other conflicts, acts of terrorism or other catastrophic events, including hurricanes, storms, droughts, tornados and flooding, that may affect economic conditions generally and in the Company’s markets ; (xiv) the failure of assumptions and estimates used in the Company’s reviews of its loan portfolio, the review of its credit grading methods by an independent firm and the Company’s analysis of its capital position ; and (xv) such other matters as discussed in this presentation or identified in the Company’s periodic filings with the Securities and Exchange Commission, particularly those matters described under the heading “Risk Factors” in its Annual Report on Form 10 - K for the year ended December 31 , 2016 . You are cautioned not to place undue reliance on forward - looking statements, which reflect the Company’s outlook only and speak only as of the date of this presentation or the dates indicated in the statements . The Company assumes no obligation to update or supplement forward - looking statements . For further information on these and other factors that could impact the Company and the statements contained herein, reference should be made to the Company’s filings with the Securities and Exchange Commission . This presentation is a summary only . The Company is not making any implied or express representation or warranty as to the accuracy or completeness of the information contained herein . This presentation is neither an offer to sell nor a solicitation of an offer to purchase any securities of the Company . Any offer to sell or solicitation of an offer to purchase securities of the Company will be made only pursuant to the preliminary prospectus supplement and accompanying prospectus filed with the Securities and Exchange Commission .

3 Certain Important Information Registration Statement ; No Offer or Solicitation The Company has filed a registration statement (including a prospectus and related prospectus supplement) with the SEC for the offering to which this presentation relates . Before you invest, you should read the prospectus in that registration statement, the prospectus and related prospectus supplement and other documents the issuer has filed with the SEC for more complete information about the Company and this offering . You may get these documents for free by visiting EDGAR on the SEC website at [www . sec . gov](http://www.sec.gov) . Alternatively, the Company, any underwriter or any dealer participating in the offering will arrange to send you the prospectus supplement if you request it by calling FIG Partners LLC at 404 - 601 - 7200 . This presentation does not constitute an offer to sell, a solicitation of an offer to sell, the solicitation or an offer to buy any securities or a solicitation of any vote or approval . There will be no sale of securities in any jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction . No offer of securities shall be made except by means of a prospectus meeting the requirement of Section 10 of the Securities Act of 1933 , as amended . Non - GAAP Financial Measures This presentation contains certain financial information that has not been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”) . The Company believes that these non - GAAP financial measures provide management and potential investors with a more complete understanding of the Company . However, they should not be used as a substitute for any analysis based on GAAP financial measures . Because other companies may use different calculations for these measures, they may not be comparable to similarly titled measures as calculated by other companies . For a reconciliation of these non - GAAP financial measures to the most directly comparable GAAP financial measures, please see the section titled “Non - GAAP Reconciliations . ”
