INFORMATION STATEMENT
TO STOCKHOLDERS
OF
AMERICAN CAPITAL ALLIANCE, INC.
1400 N. Gannon Drive, 2nd Floor
Hoffman Estates, IL 60194

THIS INFORMATION STATEMENT IS BEING PROVIDED TO YOU BY
THE BOARD OF DIRECTORS OF THE COMPANY.
WE ARE NOT ASKING YOU FOR A PROXY
YOU ARE REQUESTED
NOT TO SEND US A PROXY.

This Information Statement is furnished to holders of shares of common stock, \$.0001 par value (the "Common Stock"), of **American Capital Alliance, Inc.** (the "Company") to notify such stockholders that on or about September 9, 2004 the Company received written consents in lieu of a meeting of stockholders from holders of a majority of the shares of Common Stock representing in excess of 51 % of the total issued and outstanding shares of voting stock of the Company (the "Majority Stockholders") approving the Certificate of Amendment to the Certificate of Incorporation of the Company, pursuant to which the Company's name will change to "**American Petroleum Group, Inc.**" (the "Name Change").

This Information Statement describing the approval of the Name Change and the reverse split of common stock (the "Stockholder Matter") is first being mailed or furnished to the Company's stockholders on or about October 15, 2004, and such matters shall not become effective until at least 10 days thereafter. Expenses in connection with the distribution of this Information Statement will be paid by the Company and are anticipated to be less than \$10,000.

The Board of Directors knows of no other matters other than those described in this Information Statement which have been recently approved or considered by the holders of a majority of the shares of the Company's voting stock.

OUTSTANDING VOTING SECURITIES

As of September 30, 2004 (the "Record Date"), out of the 100,000,000 shares of Common Stock authorized there were 69,800,000 shares of Common Stock issued and outstanding, and out of the 10,000,000 shares of preferred stock authorized there were no shares of the preferred stock outstanding.

Only holders of record of the Common Stock at the close of business on the Record Date were entitled to participate in the written consent of the Company's stockholders. Each share of Common Stock was entitled to one (1) vote.

The Company's Board of Directors approved this action on November 18, 2003 and recommended that the Articles of Incorporation be amended in order to effectuate the name change.

The proposed Amendment to the Articles of Incorporation to amend the name of the Corporation to "**American Petroleum Group, Inc.**" was filed with the Nevada Secretary of State and was effective on November 19, 2003. If the proposed Amendment were not adopted by written majority shareholder consent, it would have been necessary for this action to be considered by the Company's shareholders at a special shareholder's meeting convened for the specific purpose of approving the Amendment.

The elimination of the need for a special meeting of the shareholders to approve the Amendment is authorized by Section 78.320 of the Nevada Revised Statutes, (the "*Nevada Law*"). This Section provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. According to this Section 78.390 of the Nevada Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to amend the Company's Articles of Incorporation. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Amendment as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company voted to utilize the written consent of the majority shareholders of the Company.

The Board of Directors of the Company has determined that all Shareholders MUST return their certificates to have them re-issued by the Transfer Agent. Along with this Information Statement, the Transfer Agent will send a Letter of Transmittal for each shareholder to return the shares with the previous name of the Company in order to have new certificates issued.

DESCRIPTION OF THE STOCKHOLDER MATTER

Approval of the Certificate of Amendment to the Company's Certificate of Incorporation and related actions.

The Board of Directors (the "Board") by unanimous written consent dated as of September 9, 2004, and certain stockholders (the "Majority Stockholders"), owning a majority of issued and outstanding capital stock of the Company entitled to vote, by written consent dated as of September 9, 2004, approved and adopted resolutions to amend the Company's Certificate of Incorporation. The Certificate of Amendment to the Company's Certificate of Incorporation, already filed with the Secretary of State of the State of Nevada changed the Company's name to "**American Petroleum Group, Inc.**" or such similar available name, and will not be effective earlier than 20 days after the mailing of this Information Statement.

Procedure for the Approval of the Certificate of Amendment to the Company's Certificate of Incorporation

The elimination of the need for a special meeting of the shareholders to approve the Amendment is authorized by Section 78.320 of the Nevada Revised Statutes, (the "*Nevada Law*"). This Section provides that the written consent of the holders of outstanding shares of voting capital stock, having not less that the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. According to this Section 78.390 of the Nevada Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to amend the Company's Articles of Incorporation. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Amendment as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company voted to utilize the written consent of the majority shareholders of the Company.

Required Approvals Obtained

The Board, by its unanimous written consent (the "Board Consent"), adopted resolutions approving the Certificate of Amendment to the Company's Certificate of Incorporation to amend the name of the Corporation to "**American Petroleum Group, Inc.**" On the Record Date, the only issued and outstanding shares of the Company's capital stock entitled to vote on the proposed amendment

were 69,800,000 shares of the Company's common stock, par value \$.0001 per share (the "Common Stock"), of which the Majority Stockholders held in excess of 51% of the total stock entitled to vote on the proposed amendment. On September 9, 2004, the Majority Stockholders, by written consent in lieu of a meeting, approved the Certificate of Amendment to the Company's Certificate of Incorporation, a copy of which is attached to this Information Statement as Exhibit A. No further consents, votes or proxies are or were necessary to effect the approval of Certificate of Amendment to the Company's Certificate of Incorporation.

Dissenters' Rights of Appraisal.

Under Nevada Law, our dissenting shareholders, if any, are not entitled to appraisal rights with respect to our amendment, and we will not independently provide our shareholders with any such right.

APPROVAL OF REVERSE SPLIT

The Board of Directors has determined that it is in the best interest of the Company to approve a reverse split of 20 to 1 of its issued and outstanding common stock (the "New Common Stock"). It is necessary to take this action to allow the Company to attract the interest of the financial community.

The Board of Directors has fixed the effective date of the reverse split as October 20, 2004, (the "Effective Date"). As of the Effective Date, a shareholder of the Company will receive one (1) new share of common stock for each twenty (20) old shares of common stock of the Company. The resolution adopted by the Board of Directors calls for each fractional share to be rounded downward. This means, for example, if a shareholder owns 10,000 shares of the old common stock of the Company prior to October 20, 2004, that after the Effective Date he or she will be issued 500 shares of New Common Stock of the Company. The amount is determined by taking the 10,000 shares of old common stock and dividing that number by 20, leaving a remainder of 500 New Common Stock. In the case of fractional shares, they will be rounded down to the nearest whole share, therefore a shareholder would then be the owner of the next lowest whole number of shares. This is being done to avoid additional expense to the Company.

The Board of Directors has also determined, with the approval of a majority of shares entitled to vote, that in order to receive the New Common Stock a shareholder must return the certificate representing Old Common Stock. Upon receipt of the Old Common Stock certificate, the Transfer Agent will issue new certificates representing New Common Stock.

The Board of Directors believes that by effectuating the reverse split of the common stock, it will increase the attractiveness of the Company to the financial community.

Based upon the number of shares outstanding on October 20, 2004, of 69,800,000 there will be approximately 3,490,000 shares outstanding after the reverse, prior to the issuance of shares of common stock for the Acquisition as outlined in Item 2.
