Why am I receiving these proxy materials?

You are receiving these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at the 2009 Annual Meeting of Stockholders.

If your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, as of the close of business on May 1, 2009, you are considered a stockholder of record, and we have sent you this Notice of Annual Meeting and Proxy Statement, together with the enclosed proxy card and our 2008 Annual Report.

If your shares were held in the name of a bank, brokerage account or other nominee as of the close of business on May 1, 2009, you are considered a beneficial owner of the shares held in street name. Your bank, broker or other nominee has sent you this Notice of Annual Meeting and Proxy Statement, together with the enclosed vote instruction form and our 2008 Annual Report.

You have the right to direct your bank, broker or other nominee on how to vote your shares by completing and returning the vote instruction form or by instructing your bank, broker or other nominee by following the telephone or Internet voting instructions provided.

What am I voting on?

You are voting on three proposals. Details of each proposal are included in the next section entitled “Matters to Be Considered at the Annual Meeting.”

- § Proposal 1: To elect one Class III director (nominee Robert J. Dwyer) to serve until the 2012 Annual Meeting of Stockholders and until his successor is duly elected and qualified;
- § Proposal 2: To elect one Class I director (nominee Frank E. Jaumot) to serve until the 2010 Annual Meeting of Stockholders and until his successor is duly elected and qualified; and
- § Proposal 3: To ratify the selection of BDO Seidman, LLP as our independent registered public accounting firm for the year ending December 31, 2009.

What are the recommendations of the Board of Directors on how I should vote my shares?

The Board recommends that you vote your shares as follows:

- § Proposal 1: FOR the election of the Class III director nominee to serve until the 2012 Annual Meeting of Stockholders and until his successor is duly elected and qualified;
- § Proposal 2: FOR the election of the Class I director nominee to serve until the 2010 Annual Meeting of Stockholders and until his successor is duly elected and qualified; and
- § Proposal 3: FOR the ratification of BDO Seidman, LLP as our independent registered public accounting firm for the year ending December 31, 2009.

What are my choices when voting?

- § Proposal 1: You may cast your vote in favor of the election the Class III director nominee or you may elect to abstain from voting your shares.
- § Proposal 2: You may cast your vote in favor of the election of the Class I director nominee or you may elect to abstain from voting your shares.
- § Proposal 3: You may cast your vote in favor of the ratification of BDO Seidman, LLP or you may elect to abstain from voting your shares.

How will my shares be voted if I do not specify how they should be voted?

The Board of Directors is asking for your proxy. Giving your proxy means that you authorize us to vote your shares at the meeting in the manner you direct. If you sign and return the enclosed proxy card, but do not specify how to vote, your shares will be voted as follows:

- § Proposal 1: FOR the election of the Class III director nominee to serve until the 2012 Annual Meeting of Stockholders and until his successor is duly elected and qualified;
- § Proposal 2: FOR the election of the Class I director nominee to serve until the 2010 Annual Meeting of Stockholders and until his successor is duly elected and qualified; and
- § Proposal 3: FOR the ratification of BDO Seidman, LLP as our independent registered public accounting firm for the year ending December 31, 2009.

How do I vote?

You may grant a proxy to vote your shares by any one of the following methods:

- § By mail: Mark your votes, sign and return the proxy card or vote instruction form in the postage paid envelope provided.
- § By Internet: Log onto the website indicated on your proxy card or vote instruction form and follow the instructions provided.
- § By telephone: Call the toll-free number shown on your proxy card or vote instruction form and follow the voice prompts.

Alternatively, you may attend the Annual Meeting in person and use a ballot to cast your vote. If you grant a proxy by the Internet or by telephone to vote your shares, you do not need to send in the proxy card or vote instruction form. The deadline for Internet and telephone proxy authorization will be 11:59 PM, Eastern Time, on Thursday, June 11, 2009. If your shares are held in the name of a bank, broker or other nominee, and you wish to vote your shares at the Annual Meeting, you will need to contact your bank, broker or other nominee to obtain a legal proxy form that you must bring with you to the meeting to exchange for a ballot.

What vote is needed for the proposals to be adopted?

As of the close of business on the record date, May 1, 2009, there were 26,905,517 shares of the Company's Class A Common Stock and 319,388 shares of the Company's Class B Common Stock issued and outstanding, representing the only classes of voting stock of the Company issued and outstanding as of such date. Each holder of Class A Common Stock and each holder of Class B Common Stock is entitled to cast one vote per share of Class A Common Stock or Class B Common Stock held on each matter that properly comes before the Annual Meeting. Holders of shares of Class A Common Stock and Class B Common Stock vote together as one class in all matters, except that matters that would adversely affect the rights and preferences of only one class must be separately approved by the holders of the adversely affected class.

- § Quorum: In order to conduct the Annual Meeting, the presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting is required. This is referred to as a quorum. If you submit a properly executed proxy card or authorize a proxy by telephone or by Internet, you will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum. Proxy cards marked as abstaining and broker non-votes on any proposal to be acted on by stockholders will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum.
- § Proposals: The vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of directors. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. The affirmative vote of a majority of all of the votes entitled to be cast on the matter is required for approval of the Auditor Proposal. For purposes of the vote on the Auditor Proposal, abstentions and broker non-votes will have the same effect as votes against the proposal.

Who will count and certify the votes?

Representatives of Broadridge Financial Solutions, Inc. and our corporate secretary and controller will count the votes and certify the election results. The results will be published in our Quarterly Report on Form 10-Q for the second quarter of 2009.

What does it mean if I receive more than one proxy card?

It means you have multiple accounts registered with our transfer agent or with stock brokers or other nominees. Please complete and provide your voting instructions for all proxy cards and vote instruction forms that you receive.

Will my shares be voted if I do not sign and return my proxy card?

Possibly. If your shares are held in street name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may either use its discretion to vote your shares on “routine matters” including each of the proposals at this meeting or leave your shares unvoted. For any “non-routine matters” considered at the meeting, your broker or other nominee would not be able to vote on such matters. We encourage you to provide instructions to your nominee by completing the vote instruction form or proxy card that you have received. This will ensure that your shares are voted at the Annual Meeting as you direct.

How can I change my vote?

You have the right to revoke your proxy at any time before the Annual Meeting. If you are a holder of record, you may contact our corporate secretary and request that another proxy card be sent to you. Alternatively, you may use the Internet or the telephone to authorize a new proxy and revoke your old proxy, even if you previously mailed in a proxy card. The latest-dated, properly completed proxy that you submit, whether through the Internet, by telephone or by mail will count as your vote. Please note that if you submit a later proxy authorization by mail, your re-authorization will not be effective unless it is received by our corporate secretary prior to the start of the Annual Meeting. If your shares are held in street name, you must contact your bank, broker or other nominee and follow their procedures for changing your vote instructions.

How can I attend the Annual Meeting?

Admission to the Annual Meeting is limited to stockholders who are entitled to vote or their authorized representatives. If you are a holder of record and wish to attend the Annual Meeting, tear off the Admission Ticket attached to the top half of your proxy card and bring it and a photo ID with you to gain admission to the meeting.

If your shares are held in the name of a bank, broker or other nominee, and you wish to attend the Annual Meeting, you must bring other proof of ownership, such as an account statement, that clearly shows that you held Bimini Capital Management, Inc. common stock on the record date, or a legal proxy obtained from your bank, broker or other nominee. You must also bring a photo ID. Alternatively, you may obtain an admission ticket by sending your request and a copy of your proof of ownership to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963 provided that your request is received by the Company by Tuesday, June 11, 2009.

No cameras, recording equipment, electronic devices, large bags, backpacks, briefcases or packages will be permitted in the meeting room or adjacent areas, and other items will be subject to search.

Can I view or receive these materials electronically?

This Proxy Statement and our 2008 Annual Report are available online at www.biminicapital.com. From the home page, select the “SEC Filings” tab to view or download the materials.

If you hold your shares in street name, you must contact your bank, broker or other nominee to consent to electronic delivery. By choosing to access your proxy materials electronically in the future, you will save the company the cost of printing and mailing these documents to you and help conserve natural resources.

How do I obtain a copy of materials related to corporate governance?

Our Corporate Governance Guidelines, the charters of each standing committee of our Board of Directors, our Code of Business Conduct and Ethics, our Code of Ethics for Senior Financial Officers and other materials related to our corporate governance are published on the Corporate Governance section of our website at www.biminicapital.com. In addition, this information is available in print to any stockholder who requests it by contacting our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

Who are the proxy solicitors and what are the solicitation expenses?

Our Board of Directors is asking for your proxy and we will pay all of the costs of asking for stockholder proxies. We can ask for proxies through the mail or personally by telephone or the Internet. We may use directors, officers and regular employees of the Company to ask for proxies. These people do not receive additional compensation for these services. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of the Company's common stock held of record by them. Broadridge Financial Solutions, Inc. assists us with certain administrative functions related to the distribution of the proxy, but is not acting as a solicitor.

How can I submit a proposal for consideration at the 2010 Annual Meeting?

To be considered for the 2010 Annual Meeting of Stockholders, stockholder proposals must be submitted in writing to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. No proposal can be included in our proxy statement for the 2010 Annual Meeting of Stockholders unless it is received by our corporate secretary no later than December 31, 2009. The proposal must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholder proposals.

Any stockholder whose proposal is not included in our proxy statement relating to the 2010 Annual Meeting of Stockholders and who intends to present a matter for consideration at such meeting must give notice to our corporate secretary in accordance with Section 1.11 of our Amended and Restated Bylaws and such matter must otherwise be a proper matter for stockholder action. For our 2010 Annual Meeting of Stockholders, any such notice must be received by our corporate secretary no later than April 17, 2010, and no earlier than March 18, 2010.

How can I recommend someone as a candidate for director?

A stockholder who wishes to recommend a candidate for director of the Company may write to Chair, Corporate Governance and Nominating Committee of the Board of Directors, c/o Corporate Secretary, Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

To be effective for consideration at the 2010 Annual Meeting of Stockholders, the recommendation must be received by our corporate secretary no later than April 17, 2010, and no earlier than March 18, 2010 and must include information about the nominating stockholder and the nominee required to be included in a proxy statement under the rules of the Securities and Exchange Commission.

CORPORATE GOVERNANCE

Board Composition

The Company’s business, property and affairs are managed under the direction of the Board of Directors. The Board is currently comprised of three directors divided into three classes, with one director representing each class. Terms of the classes are staggered, with one class standing for election each year. The Board is elected by stockholders to oversee management of the Company in the long-term interests of all stockholders.

Director Independence

Pursuant to Item 407(a)(1)(ii) of Regulation S-K of the Securities and Exchange Commission, the Board is required to affirmatively determine and disclose the independence of each director, and nominee for election as a director, based on the director independence standards of a national securities exchange or an inter-dealer quotation system having certain director independence requirements notwithstanding that the Company is not currently listed on any such exchange and the Company’s securities are not currently quoted in any such inter-dealer quotation system. The Board has determined to use the definition of “independent director” as set forth in the marketplace rules of The Nasdaq Stock Market, LLC. Based on such definition, the Board has affirmatively determined that the following person is independent within the meaning of the marketplace rules of The Nasdaq Stock Market, LLC and has no relationship with the Company which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director:

Robert J. Dwyer

In addition, the Board has determined that Robert E. Cauley is not independent because he is an officer and employee of the Company and Frank E. Jaumot is not independent as a result of the services provided to the Company by Ahearn, Jasco & Company, P.A. (see Transactions with Related Persons below for further details). The Board has further determined that each member of the Board’s standing committees as described below satisfy the independent director criteria applicable to each such committee’s members under the marketplace rules of The Nasdaq Stock Market, LLC.

Board Meetings and Committees

The Board currently has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The charter of each Board committee is available on the Corporate Governance section of our website at www.biminicapital.com and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. The following table reflects the composition of each of the Board’s standing committees as of April 30, 2009:

Audit Committee	Compensation Committee	Corporate Governance and Nominating Committee
Robert J. Dwyer*+	Robert J Dwyer*	Robert J. Dwyer*

- * Current Committee Chair.
- + Audit Committee Financial Expert.

If Mr. Jaumot is elected, the Board anticipates that he will join the Compensation and Corporate Governance and Nominating Committee.

During 2008, the Board held 10 meetings, the Audit Committee held 7 meetings, the Corporate Governance and Nominating Committee held two meetings and the Compensation Committee held 8 meetings. During 2008, no incumbent director attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which such person was a director) and the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served). It is the Company's policy for Board members to attend the Annual Meeting of the Stockholders. In 2008, three of the four Board members attended the Annual Meeting of the Stockholders.

Audit Committee

The Audit Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee will be comprised of at least one director as appointed by the Board, whom shall meet the independence and audit committee composition requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the Committee.

The functions of the committee are primarily to review with our independent registered public accounting firm their reports concerning audit findings related to the Company's annual and quarterly financial statements, internal controls and procedures and disclosure controls and procedures. The committee also appoints our independent registered public accounting firm and assists the Board in oversight of our compliance with legal and regulatory requirements related to financial reporting matters.

The Board has determined that the Chair of the committee, Mr. Robert J. Transactions with Related Persons

Pursuant to its committee charter, the Audit Committee of the Board of Directors is responsible for reviewing and approving related person transactions. Related person transactions include those transactions required to be disclosed by Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended. As the Company is currently a “smaller reporting company” within the meaning of Regulation S-K, Item 404 requires disclosure of any transaction, since the beginning of the Company’s fiscal year immediately preceding the Company’s last fiscal year, or any currently proposed transaction, in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company’s total assets at year end for the last two completed fiscal years, and in which a related person had or will have a direct or indirect material interest. The term “related person” is defined in Item 404 and includes the Company’s directors, nominees for director, executive officers and each of their respective immediate family members, as well as any person that beneficially owns more than 5% of any class of the Company’s voting stock and each such person’s immediate family members, where applicable.

In fulfilling its responsibility, the Audit Committee will review the relevant facts of each related person transaction or series of related transactions and either approve, ratify or disapprove such transaction or transactions. The Audit Committee will take into account such factors as it deems necessary or appropriate in deciding whether to approve, ratify or disapprove any related person transaction, including any one or more of the following:

§ The terms of the transaction;

§ The benefits to the Company of the transaction;

§ The availability of other sources for comparable products or services;

§ The terms available to unrelated third parties or to employees generally; and

§ The impact on a director’s independence in the event that such director is a party to the transaction or such director, an immediately family member of such director, or an entity in which such director is an executive officer or has a direct or indirect material interest is a party to the transaction.

No director may participate in any consideration or approval of a related person transaction with respect to which such director or any of such director’s immediate family members is the related person or has a direct or indirect material interest. Related person transactions will only be approved if they are determined to be in, or not inconsistent with, the best interests of the Company and its stockholders.

On an annual basis, the Company solicits information from each of the Company’s directors and executive officers to identify related person transactions. If a related person transaction that has not been previously approved or previously ratified is identified, the Audit Committee will promptly consider all of the relevant facts. If the transaction is ongoing, the Audit Committee may ratify or request the rescission, amendment or termination of the related person transaction. If the transaction has been completed, the Audit Committee may seek to rescind the transaction where appropriate and may recommend that the Board or the Company take appropriate disciplinary action where warranted. In addition, the Audit Committee will generally review any ongoing related person transactions on an annual basis to determine whether to continue, modify or terminate such related person transactions.

the evaluation of the Board.

In identifying potential candidates for Board membership, the Corporate Governance and Nominating Committee may consider candidates proposed by management, but is not required to do so. The committee also relies on suggestions and recommendations from current directors and stockholders and does not distinguish nominees recommended by stockholders from other nominees. A stockholder who wishes to recommend a candidate for director of the Company may write to Chair, Corporate Governance and Nominating Committee of the Board of Directors, in care of our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

Directors that are also employees of the Company are not separately compensated for their service as directors.

1 Amounts in this column represent the number of shares of the Company's Class A Common Stock that is issuable upon vesting of phantom shares that were granted under the Company's 2003 Long-Term Incentive Compensation Plan and that remain unvested as of December 31, 2008. These phantom shares time vest quarterly and are subject to certain forfeiture provisions prior to vesting, but are not subject to any performance-based vesting criteria. For this reason, these amounts are reflected in this column and not the "Equity Incentive Plan Awards: Number of Unearned Shares, Units or Other Rights That Have Not Vested" column. For Mr. Cauley, the 43,999 phantom shares were fully vested on November 15, 2008.

2 Market value is based on the \$0.04 closing price of the Company's Class A Common Stock on December 31, 2008, and assumes that the time-based vesting criteria of all phantom shares unvested as of December 31, 2008, will be satisfied.

Executive Retirement Benefits

The Company does not maintain any tax-qualified or nonqualified defined benefit pension plans, supplemental executive retirement plans or nonqualified deferred compensation plans in which any of the named executive officers participate. The Company does maintain a tax qualified defined contribution plan in which Messrs. Zimmer and Cauley participate. Under these defined contribution plans, Messrs. Zimmer and Cauley received certain matching contributions as set forth in the All Other Compensation table above.

POTENTIAL PAYMENTS UPON TERMINATION OR A CHANGE OF CONTROL

Mr. Cauley and Mr. Haas entered severance agreements with the Company on December 18, 2008. The term of the severance agreements expires December 31, 2009, but is automatically extended by additional twelve month periods each January 1 unless the Company provides notice otherwise or in the event of a change of control during the term.

The qualitative and quantitative information below reflects the amount of compensation payable to each of the named executives under their respective severance agreements with the Company in the event of termination of such executive's employment under several different circumstances. Amounts disclosed assume that such termination was effective as of December 31, 2008, and thus include amounts earned through such time and are estimates of the amounts that would have been payable to the executives had their employment terminated effective December 31, 2008. The actual amounts, if any, to be paid out under the executive's respective employment agreement can only be determined at the time of such executive's separation from the Company. Upon expiration of these employment agreements, the termination payment provisions contained in the severance agreements, as described below, will automatically terminate and will have no further force or effect.

Potential Payments and Benefits upon Termination without Cause or for Good Reason

Under the severance agreements of Messrs. Cauley and Haas, if the Company terminates Mr. Cauley's or Mr. Haas' employment without "cause" or they terminate their respective employment for "good reason," Mr. Cauley or Mr. Haas, as applicable, will be entitled to receive the following payments and benefits from the Company, subject to the terms and conditions of the severance agreements:

- Payment of any accrued but unpaid salary from the Company through the date that Mr. Cauley's or Mr. Haas' employment terminates;
- Payment of any bonus that has been approved by the Compensation Committee of the Board but which remains unpaid as of Mr. Cauley's or Mr. Haas' termination of employment;
- Reimbursement for any expenses that Mr. Cauley or Mr. Haas incurred on behalf of the Company prior to termination of employment to the extent that such expenses are reimbursable under the Company's standard reimbursement policies;
- Payment for the cost of continued health plan coverage for Mr. Cauley or Mr. Haas and their qualified beneficiaries for certain periods up to one year if certain conditions are met;
- Payment for any benefits or payments that Mr. Cauley or Mr. Haas is entitled to receive under any employee benefit plans or other arrangements or agreements that cover Executive;
- Nonvested restricted stock, stock options and other equity awards will become automatically vested on the date of Mr. Cauley's or Mr. Haas' termination of employment;
- Indemnification if certain liabilities are incurred by Executive pursuant to Internal Revenue Code Section 4999; and
 - A severance benefit equal to the amount described in either (i), (ii) or (iii), as applicable.

(i) If the Company terminates Mr. Cauley's or Mr. Haas' employment with the Company without Cause within six months before or after a change of control or Mr. Cauley or Mr. Haas resigns from the Company within six months after a change of control with Good Reason, Mr. Cauley or Mr. Haas will receive a severance benefit payable equal to the sum of one year of Mr. Cauley or Mr. Haas' respective annual base salary from the Company as in effect on the date Mr. Cauley or Mr. Haas' employment terminates and the average of the annual cash bonuses, excluding extraordinary bonuses, paid to Mr. Cauley or Mr. Haas for the Company's two fiscal years ending before the date Mr.

Cauley or Mr. Haas' employment with the Company terminates.

(ii) If Mr. Cauley or Mr. Haas' employment terminates for reasons other than those specified in (i) or (iii) hereof, the severance benefit payable is equal to one-half of Mr. Cauley or Mr. Haas' annual base salary from the Company as in effect on the date Mr. Cauley or Mr. Haas' employment terminates and the average of the annual cash bonuses, excluding extraordinary bonuses, paid to Mr. Cauley or Mr. Haas for the Company's two fiscal years ending before the date Mr. Cauley or Mr. Haas' employment with the Company terminates.

(iii) If, before 2010, the Company is liquidated, dissolved or files bankruptcy, Mr. Cauley or Mr. Haas will receive a severance benefit payable equal to three hundred thousand dollars (\$300,000) to Mr. Cauley or two hundred fifty-thousand dollars (\$250,000) to Mr. Haas.

Had the employment of Messrs. Cauley and Haas been terminated effective as of December 31, 2008, without Cause or for Good Reason, the severance payment would have been \$488,800, \$288,800, or \$300,000 for Mr. Cauley, depending whether subpart (i), (ii), or (iii) applied, and \$407,504, \$307,502, or \$250,000 for Mr. Haas, depending whether subpart (i), (ii), or (iii) applied. In addition, the fair market value as of December 31, 2008, of unvested equity-based awards the vesting of which would have been accelerated under such circumstances would have been \$0 and \$3,270, respectively, for Messrs. Cauley and Haas. Thus, the total maximum value realized by Messrs. Cauley and Haas under such circumstances, excluding amounts attributable to earned and accrued (but unpaid) compensation, continuing health insurance coverage and outplacement services, would have been \$488,800 and \$410,774, respectively, based on the closing price of the Company's Class A Common Stock on December 31, 2008.

Mr. Cauley and Mr. Haas Severance Agreement Restrictive Covenants

Restrictive Covenants. In exchange for the severance payments set forth above, Messrs. Cauley and Haas are subject to confidentiality provisions that apply indefinitely, provisions barring the executive from soliciting any employees or customers of the Company or its affiliates, and non-compete provisions. Messrs. Cauley and Haas are each bound by their respective non-solicitation and non-competition covenants for so long as they remain employees of the Company and its affiliates and for a one-year period thereafter.
