Explanatory Note

On March 8, 2010, we filed our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 and on May 11, 2010, we filed an amendment to our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 (collectively, the “Annual Report”). Upon reviewing our 2010 Proxy Statement, we became aware of an error in the Annual Report in the “Director Independence” and “Committees of the Board” sections of Item 10. Directors, Executive Officers and Corporate Governance (“Item 10”), with respect to director independence. This amendatory filing (“Amendment”) is being made solely in order to amend and restate the paragraphs in Item 10 of the Annual Report captioned “Director Independence” and “Committees of the Board”. We have made no further changes to the Annual Report or any amendment thereto. This Amendment does not reflect events occurring after the filing of the Annual Report, nor does it modify or update the disclosures and information contained in the Annual Report in any way other than as described in this explanatory note of the Amendment.

Director Independence

The NASDAQ listing standards require that a majority of our board must be composed of “independent directors,” which is defined generally as a person other than an officer or employee of the company or its subsidiaries or any other individual having a relationship, which, in the opinion of the company’s board of directors would interfere with the director’s exercise of independent judgment in carrying out the responsibilities of a director. Our board of directors has determined that its members are currently “independent” in accordance with the applicable listing standards of NASDAQ as currently in effect, with the exception of Mr. Rosenschein.

Committees of the Board

The Company’s board of directors has also adopted a written charter for each of the Audit Committee, Compensation Committee and Nominations/ Corporate Governance Committee. Each charter is available on the Company’s website.

Audit Committee. In May 2004, the Company established an Audit Committee of the board of directors. The Audit Committee consists of Mr. Sternlicht, Chairman, Mr. Tebbe and Mr. Segall, each of whom satisfy the current independence standards as promulgated by the SEC and NASDAQ, as such standards apply specifically to members of audit committees. The Audit Committee’s scope of authority, which is specified in our Audit Committee Charter, includes, but is not limited to:

- Reviewing and discussing with management and the independent accountants our annual and quarterly financial statements and discussing with management any earnings guidance provided to the market;
- Directly appointing, compensating, retaining, and overseeing the work of the independent auditor;
- Approving, in advance, the provision by the independent auditor of all audit and permissible non-audit services;
- Establishing procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters and the confidential, anonymous submissions by the Company’s employees of concerns regarding questionable accounting or auditing matters;
- Retaining independent legal and other advisors as the Audit Committee deems necessary or appropriate;
- Determining and receiving from the Company appropriate funding to compensate the independent accountants and any outside advisors engaged by the Audit Committee; and
- Reviewing reports and disclosure of insider and affiliated party transactions.

Edgar Filing: Answers CORP - Form 10-K/A

The Audit Committee will at all times be composed exclusively of “super independent directors” who are “financially literate” as defined under the NASDAQ listing standards. The NASDAQ listing standards define “financially literate” as being able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement.

In addition, the Company must certify to NASDAQ that the committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience that results in the individual's financial sophistication. The board of directors believes that Mr. Sternlicht satisfies NASDAQ's definition of financial sophistication and also qualifies as an "audit committee financial expert," as defined under SEC rules and regulations. For additional information about the Audit Committee, see "Report of the Audit Committee" below.

Compensation Committee. In May 2004, the Company established a Compensation Committee of the board of directors. The Compensation Committee consists of Mr. Tebbe, Chairman, Mr. Kramer and Mr. Beasley. The board of directors has determined that each of the Compensation Committee members is an independent director under the current definition promulgated by NASDAQ. The Compensation Committee reviews and approves the Company's salary and benefits policies, including the compensation of executive officers. The Compensation Committee also administers the Company's stock option plans and recommends and approves grants of stock options and/or other stock-based awards under the plans.

Nominations/Corporate Governance Committee. In May 2004, the Company established a Nominating/Corporate Governance Committee ("Nominating Committee") of the board of directors. The Nominating Committee consists of Mr. Kramer, Chairman, Mr. Tebbe and Mr. Dyal. The board of directors has determined that each of the Nominating Committee members is an independent director under the current definition promulgated by NASDAQ. The purpose of the Nominating Committee is to select, or recommend for the entire board's selection, the individuals to stand for election as directors at the annual meeting of stockholders and to oversee the selection and composition of committees of the board. The committee's duties, which are specified in the Nominating Committee Charter, include, but are not limited to:

- Establishing criteria for the selection of new directors;
- Recommending directors to serve on the committees of the board;
- Considering the adequacy of the Company's corporate governance and proposing amendments accordingly;
- Overseeing and approving management continuity planning process; and
- Reporting regularly to the board matters relating to the committee's duties.

Financing Committee. In July 2005, the Company established a Financing Committee of the board of directors. The Financing Committee consists of Mr. Segall, Chairman, Mr. Sternlicht and Mr. Beasley. Each of the Finance Committee members is an independent director under the current definition promulgated by NASDAQ. The purpose of the Financing Committee is to review and discuss with management financing opportunities that the Company is considering, to evaluate the business merits of all potential mergers and acquisitions and to provide the board of directors with a recommendation as to the terms and conditions of any extraordinary transactions, in consultation with the management team, legal advisors and financial consultants.

Vice-Chairman of the Board of Directors and Lead Director. On April 12, 2007, Mark A. Tebbe was appointed Vice-Chairman of the board of directors and Lead Director. In this capacity, Mr. Tebbe is authorized to call meetings of the board, in consultation with the non-employee directors, advise the Chairman as to scheduling board meetings and provide the Chairman with input regarding the agendas for the board meetings, preside at all meetings at which the Chairman is not present including executive sessions of the non-employee directors and apprise the Chairman of the issues considered, be available for consultation and direct communication with the Company's major stockholders and perform such other duties as the board may from time to time delegate.
