**Brasil Telecom Assumes its Call Centers Operation**

Brasil Telecom Participações S.A. and Brasil Telecom S.A. inform that we will set up a subsidiary, 100% owned by Brasil Telecom, to operate call center services. Initially, this new company will attend only Brasil Telecom, with the main purpose of providing our clients with higher quality customer care services and reducing costs.

Brasília, Brazil, August 16, 2007.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
