Controlling Shareholder Announcement

São Paulo, February 25, 2008 GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and Bovespa: GOLL4), announces that its controlling shareholder, Fundo de Investimento em Participações Asas (FIP Asas), has issued the following notice:

Fundo de Investimento em Participações Asas (FIP Asas or the Controlling Shareholder), enrolled in the Brazilian Taxpayers Registry CNPJ/MF under the n° 07.672.313/0001 -35, in compliance with the CVM Instruction 358/2002, art. 12, paragraph 1°, informs that from May 18, 2007 to February 21,2008, it has purchased preferred shares of Gol Linhas Aéreas Inteligentes S.A. (GLAI or Company) representing an increase in its percentage shareholdings of 5% of the issued preferred shares. FIP Asas held on February 22, 2008, 36,623,738 preferred shares of the Company, representing 38.67% of the issued preferred shares.

FIP Asas holds 100% of the common shares of the Company, except for shares held by the members of the board of directors of the Company for eligibility purposes. FIP Asas is not a party to any agreement relating to the exercise of voting rights or the purchase or sale of securities issued by the Company.

FIP Asas further informed the Company that its purchase of preferred shares was not intended to affect its control over the Company or the management of the Company and did not trigger any requirement to conduct a tender offer pursuant to CVM Rule 361 of March 5, 2002.

Additionally, the Company informs that individuals affiliated with FIP Asas hold 1,857,714 preferred shares and options to purchase 73,526 preferred shares of the Company.

About GOL Linhas Aéreas Inteligentes S.A.

GOL Linhas Aéreas Inteligentes S.A. is the parent company of Brazilian airlines GOL Transportes Aéreos S.A. (GTA, a low-cost, low-fare airline which operates the GOL brand) and VRG Linhas Aéreas S.A. (VRG, a premium service airline which operates the VARIG brand). GTA and VRG offer daily flights to more destinations in Brazil than any other domestic airline while providing customers with the most convenient flight schedules in the country. The airlines operate a young, modern fleet of Boeing aircraft, the safest and most comfortable aircraft of its class, with low maintenance, fuel and training costs, and high aircraft utilization and efficiency ratios. In addition to safe and reliable services, which stimulate brand recognition and customer satisfaction, the Company's service is recognized as the best value proposition in the market. Growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic travel destinations. Shares are listed on the NYSE (GOL) and the Bovespa (GOLL4) stock exchanges.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
