**MATERIAL FACT**

Braskem S.A. (“Braskem” or the “Company”), pursuant to CVM Instruction 358/2002 and in light of news published by the press referring to its participation in an asset acquisition process, publicly informs its shareholders and the market that the Company is constantly in touch with different companies in the pursuit of growth and partnership opportunities, as part of its internationalization strategy and its goal of becoming a global leader in the petrochemical industry. All potential movements considered by Braskem are aimed at strengthening its competitiveness and preserving the financial health of its capital structure.

With respect to news claiming the existence of negotiations to acquire Quattor Participações S.A. (“Quattor”), Braskem clarifies that despite of being currently in talks with Quattor’s shareholders aiming at identifying potential opportunities from a strategic business alliance, so far there is no final result nor commitment, not even preliminary, nor a deadline expected for the conclusion of these conversations.

Braskem will keep its shareholders and the capital markets informed about the eventual conclusion of these negotiations and will come to public again if some fact that needs disclosure is concluded, in compliance with the Law and the regulations of the Brazilian Securities and Exchange Commission (CVM). Braskem takes the opportunity to reaffirm its commitment to the best practices of Corporate Governance, through the continuous quest for excellence in communicating with the Capital Markets.

### FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
