Dear Managers,

In reference to Official Letter 1540/2017-SAE (“Letter”), dated September 20, 2017, through which you requested clarifications from Braskem S.A. (“Braskem” or “Company”), as transcribed below:

“Ref.: Request for clarification of news report

Dear Managers,

The article published in the newspaper Valor Econômico, entitled “Braskem terá apenas ações ordinárias” [Braskem to have only common shares], on September 20, 2017, states, among other things, that:

- 1. Braskem will soon announce its decision to convert preferred shares (PN) into common shares (ON);*
- 2. This is part of a broader restructuring project that includes the a share offering, so that Petrobras can sell its shares during trading on the New York Stock Exchange (NYSE);*
- 3. The expectation is that shares will be converted at the ratio of one preferred share for each common share.”*

In this regard, Braskem clarifies to the market and its shareholders that it is constantly analyzing operations with the potential to create value for the Company and consequently for all of its shareholders, however, at this point, no in-depth study of the alleged ownership restructuring has been conducted.

For more information, contact Braskem’s Investor Relations Department by calling +55 (11) 3576-9531 or by sending an e-mail to braskem-ri@braskem.com.br.

Sincerely,

Pedro van Langendonck Teixeira de Freitas

Chief Financial and Investor Relations Officer

Braskem S.A.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
