Re.: Independent Auditor Substitution

In compliance with CVM Instruction no. 308, dated May 14, 1999, we hereby inform you that the Board of Directors of the Company, at a meeting held on May 22, 2007, approved ERNST & YOUNG AUDITORES INDEPENDENTES S/S to be hired for providing Independent Audit services with respect to its financial statements, as from the review of the financial statements for the second quarter 2007, in substitution for Deloitte ToucheTohmatsu Auditores Independentes.

The substitution complies with the independent auditor substitution requirements set forth in article 31 of the above referred instruction, which provides for substitution of the independent auditor at every five years.

We further point out that Deloitte Touche Tohmatsu, during the period when it performed the duties of independent auditor of the Company, rendered services within the highest standards of quality, independence and professional ethics.

### **FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
