On August 13, 2009, the Compensation Committee (the "Committee") of the Board of Directors of Avnet, Inc. ("Avnet" or the "Company") adopted changes to the Form of performance stock unit term sheet approved for use in connection with awards of performance stock units under the Avnet, Inc. 2006 Stock Compensation Plan (the "Plan"). The change eliminated absolute economic performance as a goal upon which performance stock units may vest under the Plan, but did not change the maximum percentage of performance stock units which may vest pursuant to relative economic performance goals in respect of outstanding awards. The revised form of performance stock unit term sheets approved by the Committee is attached hereto as Exhibit 99.1.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to Exhibit 99.1, which document is incorporated by reference herein
