Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On September 7, 2010, Biolase Technology, Inc. (the "Company") received a deficiency letter from The Nasdaq Stock Market LLC ("Nasdaq") indicating that the Company was not in compliance with Listing Rule 5605 (the "Rule") due to the vacancies created by the resignations from our Audit Committee of: (i) Mr. Gregory D. Waller on August 22, 2010 and (ii) Mr. James R. Largent on August 26, 2010.

The Rule requires the audit committee of each Nasdaq issuer to have at least three independent members on its audit committee, and as such, as of August 26, 2010, the Company was not in compliance with the Rule as the Company only had one (1) of the three (3) required independent audit committee members.

On August 27, 2010, the Company's Board of Directors appointed Dr. Norman J. Nemoy, one of its Directors, to the Company's Audit Committee and we subsequently notified Nasdaq of Dr. Nemoy's appointment. Dr. Nemoy is an independent member of our audit committee as defined by the Nasdaq Rules. Therefore, there remains one (1) vacancy on the Audit Committee.

Consistent with the Rule, Nasdaq has provided the Company with a cure period to regain compliance with the Rule, by either (i) the Company's next annual meeting of shareholders (if the annual meeting of shareholders is held before August 22, 2011), or (ii) if the Company's next annual meeting is held before February 18, 2011, then no later than February 18, 2011.
