**2010 Executive Incentive Plan**

The following is a description of the 2010 Executive Incentive Plan that was adopted by the board of directors (the "Board") of the Farmers National Banc Corp. (the "Company") and The Farmers National Bank of Canfield (the "Bank") on September 14, 2010 as approved and recommended by the Compensation Committee. The Company has not adopted a formal written plan. The 2010 Executive Incentive Compensation Plan (the "Plan") is in effect for the calendar year 2010.

This plan authorizes the Compensation Committee to pay Plan-based cash incentive awards to certain executive officers if the Company achieves specific financial goals or if the individual participant under the Plan performs in certain categories to a level deemed by the Compensation Committee to be acceptable for the cash incentive awarded in such category for calendar year 2010. Payment under the Plan is contingent upon the achievement of pre-established performance goals relating to five objective performance criteria established by the Compensation Committee for the performance period of the award. The Plan is open to the Chief Executive Officer, Chief Financial Officer and the Executive Chairman of the Board of Directors. Each participant under the Plan is eligible to receive a cash incentive bonus of up to 35% of his yearly base salary.

The first benchmark of the Plan is based on the Company achieving its targeted Earnings per Share of \$0.51. This amount is based upon internal budget goals as set forth in the Company's internal business plan. This factor has a weight of 25% of the overall incentive payment for each of the Plan's participants. If the minimum target is not attained, no amount under this benchmark is paid.

The second benchmark of the Plan is based on the Bank achieving its targeted Tier One Leverage Capital Ratio of 7.20%. This amount is based upon internal budget goals as set forth in the Bank's internal business plan. This factor has a weight of 15% of the overall incentive payment for each of the Plan's participants. If the minimum target is not attained, no amount under this benchmark is paid.

The third benchmark of the Plan is based on the Company achieving its targeted Efficiency Ratio of 64%. This amount is based upon internal budget goals as set forth in the Company's internal business plan. This factor has a weight of 20% of the overall incentive payment for each of the Plan's participants. If the minimum target is not attained, no amount under this benchmark is paid.

The fourth benchmark of the Plan is based on the Bank achieving its targeted Classified Loans as a percentage of its Tier One Capital at the Bank level plus the allowance for loan and lease losses for a total of 38%. This amount is based upon internal budget goals as set forth in the Bank's internal business plan. This factor has a weight of 15% of the overall incentive payment for each of the Plan's participants. If the minimum target is not attained, no amount under this benchmark is paid.

The fifth benchmark of the Plan is based on the participant's development and implementation of strategic initiatives set forth by the Company throughout the year. Each participant will be evaluated by the Compensation Committee and other Independent Directors on a subjective basis and given an overall score. This factor has a weight of 25% of the overall Plan. Each participant under the Plan will receive his proportionate amount of the 25% based on the score determined by the Compensation Committee and other Independent Directors.

The Compensation Committee may increase, reduce, or eliminate individual performance targets or other factors in the Plan as it deems appropriate based on the economic climate or any other factors it deems appropriate. The Compensation Committee must confirm each payment under the Plan before it is paid.

Based on the participant's current base salaries, the maximum incentive compensation available under the Plan that would be available to participants if 100% of the benchmarks were reached is \$234,973. The compensation available under the Plan to the Chief Executive Officer is \$90,563, the Chief Financial Officer is \$56,700 and the Executive Chairman of the Board of Directors is \$87,710.
