Item 8.01 Other Events.

On July 28, 2011, the Company announced that on July 27, 2011, its Board of Directors declared a special cash dividend of \$1.00 per share (or approximately \$136.8 million in the aggregate) payable to holders of record of the Company's common stock, par value \$.001 per share ("Common Stock"), as of the close of business on August 9, 2011. The payment date for the special dividend will be on or about August 23, 2011.

In conjunction with announcing the special dividend, the Company also announced that on July 27, 2011, its Board of Directors had approved a 1-for-4 reverse stock split of its Common Stock to be implemented following the payment of the special dividend.

The reverse stock split will be effective with respect to shareholders of record at the close of trading on August 30, 2011, and the Common Stock is expected to begin trading as adjusted for the reverse stock split on August 31, 2011. As a result of the reverse stock split, each four shares of the Common Stock will be exchanged for one share of Common Stock, and the total number of shares of Common Stock outstanding will be reduced from approximately 136.8 million shares to approximately 34.2 million shares. Shareholders will receive cash in lieu of Common Stock for any fraction of a share that the shareholder would otherwise be entitled to receive as a result of the reverse stock split equal to the fraction of shares to which the shareholder would otherwise be entitled to, multiplied by the closing price of the Company's common stock as reported on NASDAQ on August 29, 2011, the date immediately prior to the effective date of the reverse stock split.

A copy of the press release announcing the special dividend and the reverse stock split is included as Exhibit 99.1 to this report.
