On May 7, 2015, the shareholders of P. H. Glatfelter Company (the Company) approved the Amended and Restated Management Incentive Plan (the MIP). The MIP is administered by the Compensation Committee and is intended to provide grants of performance-based cash awards under Section 162(m) of the Internal Revenue Code to eligible participants.

As more fully described in the MIP, awards will be based on the achievement of one or more performance goals during a performance period as established by the Compensation Committee; for awards not intended to be performance-based compensation, other non-financial operating and management performance objectives may be used. The period for which performance is measured generally is a calendar year but can be another period not to exceed three years, as selected by the Compensation Committee. Participation in the MIP is approved by the Compensation Committee and is limited to officers, including the named executive officers, and key employees of the Company who have significant responsibility for corporate or business segment facility-based operations. Awards under the MIP for any participant may not exceed \$3.5 million for a performance period of one year. In the event a performance period exceeds one year, the individual \$3.5 million limit shall be multiplied by such number of years to determine the aggregate limit for the performance period. The MIP will continue from year to year until terminated by the Board or the Compensation Committee. This description is qualified in its entirety by reference to the MIP, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
