This Lock-up and Voting Agreement, dated as of October 1, 2006 (this "Agreement"), is made and entered into by and between Metromedia International Group, Inc., a Delaware corporation ("MIG"), and FARALLON CAPITAL PARTNERS, L.P., FARALLON CAPITAL INSTITUTIONAL PARTNERS, L.P., FARALLON CAPITAL INSTITUTIONAL PARTNERS II, L.P., FARALLON CAPITAL INSTITUTIONAL PARTNERS III, L.P., TINICUM PARTNERS, L.P., FARALLON CAPITAL OFFSHORE INVESTORS II, L.P., NOONDAY CAPITAL PARTNERS, L.L.C., FARALLON CAPITAL OFFSHORE INVESTORS, INC. and NOONDAY OFFSHORE, INC. MIG and each of the Farallon Consenting Preferred Stockholders is referred to individually as a "Party" and are referred to collectively as the "Parties."

RECITALS

WHEREAS, each of the Farallon Consenting Preferred Stockholders, as of the date hereof, is the beneficial owner (and/or agent, advisor, affiliate, manager or other authorized representative of the beneficial owner(s)) of, and has voting power and dispositive power with respect to (i) the 7.25% Cumulative Convertible Preferred Stock of MIG, par value \$1.00 per share (the "Preferred Stock"), and owns or controls the aggregate amount of Preferred Stock set forth next to its name on Schedule I attached hereto (the rights evidenced by the Preferred Stock owned by the Farallon Consenting Preferred Stockholders on the date of this Agreement and any Preferred Stock acquired by any Farallon Consenting Preferred Stockholder after the date of this Agreement are referred to herein as the "Preferred Stock Interests") and (ii) the common stock of MIG (the "Common Stock"), and owns or controls the aggregate amount of Common Stock set forth next to its name on Schedule I attached hereto (the rights evidenced by the Common Stock owned by the Farallon Consenting Preferred Stockholders on the date of this Agreement and any Common Stock acquired by any Farallon Consenting Preferred Stockholder after the date of this Agreement are referred to herein as the "Common Stock Interests");

WHEREAS, MIG intends, subject to the terms and conditions of this

Agreement, to prepare and file a disclosure statement (the "Disclosure Statement") and plan of reorganization (the "Plan") consistent with and to implement the terms set forth in this Agreement and the term sheet attached hereto as Exhibit "A" (the "Term Sheet") in a case (the "Chapter 11 Case") filed under chapter 11 of title 11 of the United States Code, as amended (the "Bankruptcy Code"), and MIG intends to use its reasonable best efforts to have such Disclosure Statement approved and such Plan confirmed by the United

States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), in each case as expeditiously as possible under the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") following a binding agreement to sell substantially all of its assets;

WHEREAS, in order to expedite the implementation of the Plan, each Farallon Consenting Preferred Stockholder is prepared to commit, on the terms and subject to the conditions of this Agreement and, when properly solicited to do so, to vote its Preferred Stock Interests to accept the Plan.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, MIG and each Farallon Consenting Preferred Stockholder hereby agrees as follows:

1. Agreement. MIG and the Farallon Consenting Preferred Stockholders, to the extent permitted by applicable law, agree to the terms set forth in the Term Sheet and this Agreement.

2. Voting.

2.1 So long as this Agreement shall remain in effect, each Farallon Consenting Preferred Stockholder agrees that (i) when properly solicited to do so, it shall timely vote its Preferred Stock Interests and Common Stock Interests (and not revoke or withdraw such vote) to accept the Plan, in accordance with the Term Sheet, subject to the terms herein, including the provisions of Section 6 herein, provided that the terms of the Plan and Disclosure Statement are in all material respects consistent with the terms set forth in the Term Sheet, (ii) it shall not object to or otherwise commence any proceeding to oppose or object to confirmation and consummation of the Plan including, but not limited to, filing an involuntary chapter 11 case against MIG, and (iii) it shall not vote its Preferred Stock Interests and Common Stock Interests in favor of any other plan.

2.2 Notwithstanding the foregoing provisions, nothing in this Agreement shall require the Farallon Consenting Preferred Stockholders to take any action prohibited by the United States Bankruptcy Code, the Securities Act of 1933, as amended (the "Securities Act"), the Securities Exchange Act of 1934, as amended (the "Exchange Act"), any rule or regulations thereunder or by other applicable law or regulation or by any order or direction of any court or any federal or state governmental authority.

2.3 It is agreed by and among MIG and the Farallon Consenting Preferred Stockholders that the right of any or all of them to enforce the rights and obligations under this Agreement shall not be abridged, modified or in any manner affected by the commencement of a chapter 11 case against MIG.

3. Restriction on Transfer/Obligations of Transferee. Each Farallon Consenting Preferred Stockholder hereby agrees that, so long as this Agreement shall remain in effect, it shall not sell, transfer or assign its Preferred Stock or any option thereon or any right or interest (voting or otherwise) therein, unless the transferee thereof agrees in writing to be bound by all the terms of this Agreement by executing the transfer form attached hereto as Exhibit "B" and the transferor promptly provides MIG with a copy thereof, in which event MIG shall be deemed to have acknowledged that its obligations to the Farallon Consenting Preferred Stockholder hereunder shall be deemed to constitute obligations in favor of such transferee, and MIG shall confirm that acknowledgement in writing (but the transferor need not wait for such confirmation prior to consummating such transfer).

4. Company Agreements. MIG hereby agrees that it shall, following execution of a binding agreement to sell substantially all of its assets, use its reasonable efforts to have the Disclosure Statement approved by the Bankruptcy Court, and thereafter to use its reasonable efforts to obtain an order of the Bankruptcy Court confirming the Plan, in each case as expeditiously as possible under the Bankruptcy Code and the Bankruptcy Rules, and consistent with the terms and conditions set forth in the Term Sheet.

5. Support of the Plan. Subject to Section 14 of this Agreement, as long as this Agreement remains in effect, each Farallon Consenting Preferred Stockholder will, subject to the provisions of this Agreement, support and, when properly solicited to do so, vote for the Plan. As long as this Agreement remains in effect, each Farallon Consenting Preferred Stockholder, in any capacity, whether as a holder of the Preferred Stock or other securities or claims against MIG, shall not (a) oppose the chapter 11 filing; (b) object to confirmation of the Plan or otherwise commence any proceeding to oppose or alter the Plan, (c) vote for, consent to, support or participate in the formulation of any other plan of reorganization or liquidation proposed or filed or to be proposed or filed in any chapter 11 or chapter 7 case commenced in respect of MIG, (d) directly or indirectly seek, solicit, support or encourage any other plan, sale, proposal or offer of dissolution, winding up, liquidation, reorganization, merger or restructuring of MIG or any of its subsidiaries that could reasonably be expected to prevent, delay or impede the successful sale of substantially all of MIG's assets and distribution of the proceeds of such sale as contemplated by the Term Sheet or the Plan, (e) permit any of its subsidiaries, officers, directors, employees, members, attorneys, advisors, agents or representatives (collectively, any "Affiliate") (1) to, directly or indirectly, (i) solicit, initiate or encourage the submission of any other plan, (ii) enter into any agreement with respect to any other plan, or (iii) participate in any discussions or negotiations regarding, or furnish to any person any information, with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes, or may be reasonably expected to lead to, any plan other than the Plan, (f) object to the Disclosure Statement or the solicitation of

acceptances to the Plan, or (g) take any action, directly or indirectly, with respect to MIG, any of its subsidiaries or otherwise that is inconsistent with, or that would delay confirmation of, the Plan. Without limiting the foregoing, it is understood that any violation of the restrictions set forth in the preceding sentence by any Farallon Consenting Preferred Stockholder or any Affiliate, whether or not such Affiliate is purporting to act on behalf of such Farallon Consenting Preferred Stockholder, shall be deemed to be a material breach of this Agreement by such Farallon Consenting Preferred Stockholder.

6. Acknowledgement. This Agreement is not and shall not be deemed to be a solicitation for consents to the Plan. The acceptance of the Farallon Consenting Preferred Stockholder will not be solicited until the Farallon Consenting Preferred Stockholder shall have received the Disclosure Statement and related ballot, as approved by the Bankruptcy Court.

7. Termination of Agreement. Each Farallon Consenting Preferred Stockholder may terminate its obligations hereunder, and may rescind its vote on the Plan (which vote shall be null and void and have no further force and effect) if one of the following termination events occurs:

(a) MIG shall not have (i) commenced the Chapter 11 Case on or before December 31, 2006 (such date of commencement, the "Petition Date") or (ii) filed a Plan consistent in all material respects with the Term Sheet and Disclosure Statement relating thereto with the Bankruptcy Court on or before five (5) days after the Petition Date, or such later date as MIG and the holders of Preferred Stock who are a party to a lock-up and voting agreement with respect to the distributions contemplated by the Term Sheet with the Company representing a majority of Preferred Stock held by such holders shall mutually agree;

(b) MIG shall file with the Bankruptcy Court a plan of reorganization, or an amendment to the plan of reorganization, that is materially inconsistent with the Term Sheet; provided, however, that the Farallon Consenting Preferred Stockholder shall give MIG no less than five (5) business days' notice in order to provide MIG an opportunity to cure any such inconsistency;

(c) The Plan shall not have been confirmed by the Bankruptcy Court on or before October 1, 2007; provided, however, that with respect to this Section 7(c) of this Agreement, such date shall be extended, on a daily basis, so long as (i) a hearing to consider confirmation of the Plan has commenced and is continuing and (ii) the Company is using its best efforts to obtain an order of the Bankruptcy Court confirming the Plan; provided, further, however that such date shall not be extended beyond August 31, 2008 without the consent of such Farallon Consenting Preferred Stockholder;

(d) MIG publicly announces that it is no longer actively engaged in discussions or negotiations in respect of a sale transaction involving the sale

of all or substantially all of its assets (whether by merger, stock sale, asset sale or other form of transaction); it being understood and agreed that MIG is hereby covenanting that it shall, in its reasonable judgment, determine if the foregoing set of circumstances exists, and, if so, issue a press release to such effect no later than 48 hours after making such determination;

(e) The Chapter 11 Case shall have been dismissed or converted to a case under Chapter 7 of the Bankruptcy Code;

(f) An occurrence of whatever nature that results in the material impairment of the ability of (x) MIG to perform its material obligations under the Plan or Term Sheet or (y) the Farallon Consenting Preferred Stockholder to realize the material benefits intended to be provided to the Farallon Consenting Preferred Stockholder under the Plan;

(g) MIG shall have made or engaged in any act or omissions that is inconsistent with the Term Sheet;

(h) A Chapter 11 trustee shall have been appointed for MIG pursuant to section 1104 of the Bankruptcy Code; or

(i) Following the Effective Date, if a sufficient number of holders of Preferred Stock either rescind their vote in favor of the Plan or terminate their obligations under substantially similar voting agreements in accordance with their terms so that a Required Consent (as defined in Section 10 below) ceases to be bound (and MIG shall promptly inform the Farallon Consenting Preferred Stockholders of such event).

8. Additional Payments. If, prior to April 1, 2007, each Farallon Consenting Preferred Stockholder has not received sixty-eight dollars (\$68.00) in cash for each share of Preferred Stock payable to it in accordance with the Term Sheet, such Farallon Consenting Preferred Stockholder shall, from and after such date, be entitled to receive additional amounts for each share of its Preferred Stock equal to an annual rate of five percent (5 %) on the difference between (a) sixty-eight dollars (\$68.00) and (b) any amounts received, in cash pursuant to the Term Sheet, for such share of Preferred Stock prior to April 1, 2007. As of July 1, 2007, such annual rate shall increase and such Farallon Consenting Preferred Stockholder shall be entitled to receive additional amounts equal to an annual rate of seven and a quarter percent (7.25 %) on the difference, if any, between (a) sixty-eight dollars (\$68.00) and (b) any amounts received, in cash pursuant to the Term Sheet, for such share of Preferred Stock prior to July 1, 2007.

9. Good Faith Negotiation of Documents. Each Party hereby further covenants and agrees to negotiate the definitive documents relating to the Plan in good faith, in any event, in all respects consistent with the Term Sheet.

10. Effectiveness. This Agreement shall not become effective and binding on the parties hereto unless and until: (i) MIG has entered into substantially similar agreements with entities or persons holding in the aggregate (together

with the

holdings of the Farallon Consenting Preferred Stockholders) at least sixty-seven percent of the issued and outstanding shares of Preferred Stock (the "Required Consent"), (ii) a fully executed letter of intent has been entered into between MIG and a buyer for the sale of substantially all of the assets of MIG and (iii) MIG has informed the Farallon Consenting Preferred Stockholders in writing that the conditions set forth in clauses (i) and (ii) above have been satisfied (the date the conditions set forth in clauses (i), (ii) and (iii) above are satisfied being referred to herein as the "Effective Date"). If the Effective Date has not occurred on or before October 6, 2006, each Farallon Consenting Preferred Stockholder may withdraw its signature page hereto and its agreement to be bound hereunder, and the Parties agree that this Agreement shall be deemed to have never come into effect.

11. Representations and Warranties by MIG. MIG represents and warrants to each Farallon Consenting Preferred Stockholder that the following statements are true, correct and complete as of the date hereof:

(a) Corporate Power and Authority. MIG has all requisite corporate power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its obligations under, this Agreement.

(b) Authorization. The execution and delivery of this Agreement and the performance of its obligations hereunder have been duly authorized by all necessary corporate action on its part.

(c) No Conflicts. The execution, delivery and performance by MIG of this Agreement does not and shall not (i) violate any provision of law, rule, regulation, injunction or court order applicable to MIG or any of its subsidiaries or its certificate of incorporation or bylaws or other organizational documents or those of any of its subsidiaries, or (ii) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party.

(d) Governmental Consents. The execution, delivery and performance by MIG of this Agreement does not and shall not require any registration or filing with, other than potentially filing a form 8K by MIG, consent or approval of, or notice to, or other action to, with or by, any federal, state or other governmental authority or regulatory body, other than the approval of the Bankruptcy Court.

(e) Binding Obligation. Subject to the provisions of sections 1125 and 1126 of the Bankruptcy Code, this Agreement is the legally valid and binding obligation of MIG, enforceable against it in accordance with its terms, except to the extent that enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws relating to the rights of a creditor against a debtor, or by equitable principles relating to enforceability.

12. Representations and Warranties by Farallon Consenting Preferred Stockholders. Each Farallon Consenting Preferred Stockholder, severally and not jointly, with respect to itself only, represents and warrants to MIG that the following statements are true, correct and complete as of the date hereof:

(a) Beneficial Ownership. As of the date hereof, such Farallon Consenting Preferred Stockholder is the beneficial owner (and/or agent, advisor, affiliate, manager or other authorized representative of the beneficial owner(s)) of and has voting power and dispositive power with respect to, the number of shares of Preferred Stock and Common Stock set forth next to such Farallon Consenting Preferred Stockholder's name on Schedule I attached hereto, and owns or controls such shares.

(b) Corporate Power and Authority. Such Farallon Consenting Preferred Stockholder has all requisite corporate, partnership or Limited Liability Company power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its obligations under, this Agreement.

(c) Authorization. The execution and delivery of this Agreement and the performance of its obligations hereunder have been duly authorized by all necessary corporate, partnership or Limited Liability Company action on its part.

(d) No Conflicts. The execution, delivery and performance by such Farallon Consenting Preferred Stockholder of this Agreement does not and shall not (i) violate any provision of law, rule or regulation applicable to such Farallon Consenting Preferred Stockholder or any of its subsidiaries or its certificate of incorporation or bylaws or other organizational documents or those of any of its subsidiaries, or (ii) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party.

(e) Governmental Consents. The execution, delivery and performance by such Farallon Consenting Preferred Stockholder of this Agreement does not and shall not require any registration or filing with, other than potentially filing a 13D (individually or as a member of a group holding more than 5% of the Preferred Stock), consent or approval of, or notice to, or other action to, with or by, any federal, state or other governmental authority or regulatory body.

(f) Binding Obligation. Subject to the provisions of sections 1125 and 1126 of the Bankruptcy Code, this Agreement is the legally valid and binding obligation of such Farallon Consenting Preferred Stockholder, enforceable against it in accordance with its terms, except to the extent that enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws relating to the rights of a creditor against a debtor, or by equitable principles relating to enforceability.

13. Further Acquisition of Interests. This Agreement shall in no way be construed to preclude a Farallon Consenting Preferred Stockholder from acquiring additional Preferred Stock Interests or Common Stock Interests. However, any such additional Preferred Stock Interests or Common Stock Interests so acquired shall automatically be deemed to be subject to the terms of this Agreement.

14. Amendments. This Agreement may not be modified, amended or supplemented without the prior written consent of MIG and each of the Farallon Consenting Preferred Stockholders.

15. Impact of Appointment to Equity Security Holders' Committee. If any equity security holders' committee is appointed by the United States Trustee in the Chapter 11 Case and the United States Trustee appoints one or more of the Farallon Consenting Preferred Stockholders to be a member of such equity security holders' committee pursuant to section 1102 of the Bankruptcy Code, then the fact of such service on such equity security holders' committee shall not otherwise affect the continuing obligations of the Farallon Consenting Preferred Stockholders under this Agreement or the validity or enforceability of this Agreement; provided, however, that nothing contained herein shall prevent any such Farallon Consenting Preferred Stockholder, in its capacity as a member of such equity committee, from acting in a manner consistent with its fiduciary duties as a member of such equity security holders' committee even if such action is inconsistent with this Agreement and the Term Sheet.

16. Disclosure of Farallon Consenting Preferred Stockholder. Unless required by applicable law or regulation, MIG shall not disclose any Farallon Consenting Preferred Stockholder's holdings of Preferred Stock Interests or Common Stock Interests without the prior written consent of the Farallon Consenting Preferred Stockholder; and if such announcement or disclosure is so required by law or regulation, MIG shall afford the Farallon Consenting Preferred Stockholder a reasonable opportunity to review and comment upon any such announcement or disclosure prior to MIG's making such announcement or disclosure. The foregoing shall not prohibit MIG from disclosing the approximate aggregate holdings of Preferred Stock Interests or Common Stock Interests by the Farallon Consenting Preferred Stockholders as a group together with the holdings of any other holders of Preferred Stock that sign substantially similar agreements.

17. Governing Law and Jurisdiction. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware, without regard to any conflicts of law provision which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding against it with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, may be brought in the United States District Court for the District of Delaware. By execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably accepts and submits itself to the nonexclusive jurisdiction of such court, generally and unconditionally, with

respect to

any such action, suit or proceeding. Notwithstanding the foregoing consent to Delaware jurisdiction, upon the commencement of the Chapter 11 Case, each of the Parties hereto hereby agrees that the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement.

18. Specific Performance. It is understood and agreed by each of the Parties hereto that money damages would not be a sufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy of any such breach.

19. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof.

20. Successors and Assigns. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, heirs, executors, administrators and representatives. Except as set forth herein (and other than in connection with a transfer of Preferred Stock Interests or Common Stock Interests by a Farallon Consenting Preferred Stockholder to one or more funds or accounts managed by Noonday Asset Management LLP or any entity owned directly or indirectly by one or more such funds or accounts), including without limitation paragraph 3 hereof, no Party may assign any of its rights or obligations hereunder without the prior consent of all other Parties.

21. Prior Negotiations. This Agreement and the Term Sheet supersede all prior negotiations with respect to the subject matter hereof.

22. Counterparts. This Agreement may be executed in one or more counterparts, any one of which need not contain the signature of more than one Party, each of which shall be deemed an original, and all of which shall constitute one and the same Agreement. This Agreement may be executed by facsimile signatures.

23. No Third-Party Beneficiaries. Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties hereto and no other person or entity shall be a third-party beneficiary hereof.

24. Consideration. It is hereby acknowledged by the Parties hereto that no consideration shall be due or paid to the Farallon Consenting Preferred Stockholders for their agreement to vote to accept the Plan in accordance with the terms and conditions of this Agreement other than MIG's agreement to use its best efforts to obtain approval of the Disclosure Statement and best efforts to confirm the Plan in accordance with the terms and conditions of this Agreement.

25. No Waiver of Participation and Reservation of Rights. Except as expressly provided in this Agreement, nothing contained herein is intended to,

without limitation, its interests and claims against MIG or its full participation in any case filed by or against MIG under the Bankruptcy Code.
