Explanatory Note

Under Armour, Inc. (the “Company”) is filing this Current Report on Form 8-K/A to correct an error in the Company’s press release furnished by the Company with its Current Report on Form 8-K, filed with the Securities and Exchange Commission on October 31, 2017 (the “Original Filing”). This error only occurred in Exhibit 99.1 to the Original Filing, and did not occur in the press release publicly disseminated by the Company and posted on the Company’s investor relations website in advance of its conference call on October 31, 2017.

Item 2.02. Results of Operations and Financial Condition.

This Form 8-K/A is being filed solely to correct an error in the presentation in the Original Filing of the Company’s consolidated statements of income for the nine-months ended September 30, 2017. With respect to such period, \$88.097 million of restructuring and impairment charges were inadvertently omitted from the table. This error resulted in an overstatement for the nine-months ended September 30, 2017 of the Company’s income from operations, income before income taxes, net income, net income available to all stockholders, and basic and diluted net income per share calculations. The information presented in the table with respect to the quarter ended September 30, 2017 was not impacted by this error.

The corrected table is furnished herewith in Exhibit 99.1 to this Form 8-K/A.

There are no additional changes to the Original Filing.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

Exhibit 99.1: Corrected Under Armour, Inc. press release announcing financial results for the third quarter ended September 30, 2017.
