FOR
MEETING OF STOCKHOLDERS
TUESDAY, MAY 12, 2009

INTRODUCTION

The annual meeting of stockholders (the “Meeting”) of PGT, Inc., a Delaware corporation (“PGT,” “we,” “us,” “our,” or the “Company”) will be held on Tuesday, May 12, 2009, beginning at 12:00 p.m., local time, at the Roosevelt Hotel, Madison Avenue at 45th Street, New York, New York 10017. We encourage all of our stockholders to vote, and we hope that the information contained in this document will help you decide how you wish to vote.

The Board of Directors does not intend to bring any matter before the Meeting except as specifically indicated in the notice and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned to, and received by, the Company prior to voting at the Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. In the absence of instructions, the shares will be voted “FOR” Proposal One, the nominees of the Board of Directors in the election of the three directors whose terms of office will extend until the 2012 annual meeting of stockholders and until their respective successors are duly elected and qualified; and “FOR” Proposal Two, the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the 2009 fiscal year. Any proxy may be revoked at any time before its exercise by notifying the Secretary of PGT in writing, by delivering a duly executed proxy bearing a later date, or by attending the Meeting and voting in person.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on May 12, 2009:

The proxy statement for the Meeting, the Annual Report to Stockholders and our Annual Report on Form 10-K for the 2008 Fiscal Year Ended January 3, 2009 are available at www.pgtindustries.com/proxymaterials.

THE MEETING OF STOCKHOLDERS

Why did I receive these proxy materials?

- Elect three directors, nominated by the Board of Directors, to serve until our 2012 meeting of stockholders and until their respective successors are duly elected and qualified;
- Ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the 2009 fiscal year; and to

Table of Contents

What do I need to attend the Meeting?

Attendance at the Meeting is limited to stockholders. Registration will begin at 11:00 a.m., and each stockholder will be asked to present a valid form of personal identification. Cameras, recording devices and other electronic devices will not be permitted at the Meeting. Additional rules of conduct regarding the Meeting will be provided at the Meeting.

Who is entitled to vote at the Meeting?

The Board of Directors has determined that those stockholders who are recorded in our record books as owning shares of PGT common stock as of the close of business on April 14, 2009, are entitled to receive notice of and to vote at the Meeting. As of the record date, there were 35,688,584 shares of PGT common stock issued and outstanding. Your shares may be (1) held directly in your name as the stockholder of record and/or (2) held for you as the beneficial owner through a stockbroker, bank or other nominee. Our common stock is our only class of outstanding voting securities. Each share of common stock is entitled to one vote on each matter properly brought before the Meeting. There are no dissenters' rights of appraisal in connection with any stockholder vote to be taken at the Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares and are also invited to attend the Meeting. However, because you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. If you do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes. The effect of broker non-votes is more specifically described in "What vote is required to approve each item?" below.

How can I vote my shares in person at the Meeting?

Shares of PGT common stock held directly in your name as the stockholder of record may be voted in person at the Meeting.

Table of Contents

SHARES HELD BENEFICIALLY IN STREET NAME MAY BE VOTED IN PERSON BY YOU ONLY IF YOU OBTAIN A SIGNED PROXY FROM THE RECORD HOLDER GIVING YOU THE RIGHT TO VOTE THE SHARES.

EVEN IF YOU CURRENTLY PLAN TO ATTEND THE MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker, bank or nominee.

Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee.

BY INTERNET OR TELEPHONE – If you hold shares through a broker or other nominee in “street name,” you may be able to vote by the internet or telephone as permitted by your broker or nominee. The availability of internet and telephone voting for beneficial owners will depend on the voting process of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions you receive.

BY MAIL — You may vote by mail by marking, signing and dating your proxy card or, for shares held in street name, the voting instruction card included by your broker, bank or nominee and mailing it in the accompanying enclosed, pre-addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If the pre-addressed envelope is missing, please mail your completed proxy card to American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, NY 11219, Attn: Proxy Department.

If you cast your vote in any of the ways set forth above, your shares of PGT common stock will be voted in accordance with your voting instructions, unless you validly revoke your proxy. We do not currently anticipate that any other matters will be presented for action at the Meeting. If any other matters are properly presented for action, the persons named on your proxy will vote your shares of PGT common stock on these other matters in their discretion, under the discretionary authority you have granted to them in your proxy.

IF YOUR PROPERLY EXECUTED PROXY DOES NOT SPECIFY HOW YOUR SHARES ARE TO BE VOTED, YOUR SHARES OF PGT COMMON STOCK WILL BE VOTED FOR THE ELECTION OF EACH NOMINEE NAMED UNDER THE SECTION OF THIS DOCUMENT CAPTIONED “ELECTION OF DIRECTORS,” AND FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2009 FISCAL YEAR, AND WILL BE COUNTED AS ABSTENTIONS WITH REGARD TO ANY STOCKHOLDER PROPOSAL. UNDER DELAWARE LAW, ABSTENTIONS HAVE THE SAME EFFECT AS A VOTE AGAINST THE PROPOSAL.

Can I change my vote after I submit my proxy?

Yes. Even after you have submitted your proxy, you may change your vote at any time prior to the close of voting at the Meeting by:

- submitting a duly executed proxy bearing a later date,

- attending the Meeting and voting in person.

In order to revoke your proxy, prior to the Meeting, we must receive an original notice of revocation of your proxy at the address above sent by U.S. mail or overnight courier. If you grant a proxy, you are not prevented from attending the Meeting and voting in person. However, your attendance at the Meeting will not by itself revoke a proxy that you have previously granted; you must vote in person at the Meeting to revoke your proxy.

If your shares of PGT common stock are held in a stock brokerage account or by a bank or other nominee, you may revoke your proxy by following the instructions provided by your broker, bank or nominee.

All shares of PGT common stock that have been properly voted and not revoked will be voted at the Meeting.

Is there a list of stockholders entitled to vote at the Meeting?

A complete list of stockholders entitled to vote at the Meeting will be available for examination by PGT stockholders for any purpose germane to the Meeting, during regular business hours, for a period of ten days prior to the Meeting, at the Company's principal place of business and at the Meeting.

What constitutes a quorum to transact business at the Meeting?

Before any business may be transacted at the Meeting, a quorum must be present. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of PGT common stock outstanding and entitled to vote on the record date will constitute a quorum. At the close of business on the record date, 35,688,584 shares of our common stock were issued and outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Meeting for purposes of a quorum.

What is the recommendation of the Board of Directors?

Our Board of Directors recommends a vote "FOR" the election of our three nominees to the Board of Directors, and "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2009 fiscal year.

Unless you give other instructions either via your proxy card or your electronic vote, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors.

With respect to any other matter that properly comes before the Meeting, the proxy holders will vote in accordance with their judgment on such matter.

Table of Contents

What vote is required to approve each item?

Directors named in Proposal One are elected by a plurality of the votes present in person or represented by proxy and entitled to vote, and the director nominees who receive the greatest number of votes at the Meeting (up to the number of directors to be elected) will be elected. You may vote "FOR" or "WITHHELD" with respect to election of directors. Shares will be voted, if authority to do so is not withheld, for election of the Board of Directors' nominees named in Proposal One. Only votes "FOR" or "WITHHELD" are counted in determining whether a plurality has been cast in favor of a director. Broker non-votes, if any, will not affect the outcome of the vote on the election of directors.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, and entitled to vote at the Meeting will be required to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the 2009 fiscal year.

The affirmative vote of at least a majority of our issued and outstanding common stock present, in person or by proxy, and entitled to vote at the Meeting will be required to approve any stockholder proposal. Under applicable Delaware law, in determining whether any stockholder proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be counted and will have the same effect as a vote against any stockholder proposal.

A "broker non-vote" occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the election of directors even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any "non-discretionary" matter which includes any stockholder proposal. Without your voting instructions, a broker non-vote will occur. An "abstention" will occur at the Meeting if your shares of PGT common stock are deemed to be present at the Meeting, either because you attend the Meeting or because you have properly completed and returned a proxy, but you do not vote on any proposal or other matter which is required to be voted on by our stockholders at the Meeting. You should consult your broker if you have questions about this.

What does it mean if I receive more than one proxy or voting instruction card?

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting and intend to publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal year 2009.

Who will count the votes?

A representative of American Stock Transfer & Trust Company, LLC, our transfer agent, will both tabulate the votes and serve as the inspector of election.

Table of Contents

Who will pay for the cost of this proxy solicitation?

We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. We will request banks, brokers, nominees, custodians and other fiduciaries, who hold shares of PGT common stock in street name, to forward these proxy solicitation materials to the beneficial owners of those shares, and we will reimburse them the reasonable out-of-pocket expenses they incur in doing so.

How can I access the Company's proxy materials and annual report electronically?

A copy of our Annual Report on Form 10-K for the fiscal year ended January 3, 2009 as filed with the SEC on March 19, 2009 is being mailed concurrently with this proxy statement to all stockholders entitled to notice of and to vote at the Meeting. A copy of our Annual Report on Form 10-K and these proxy materials are available without charge at www.pgtindustries.com/proxymaterials. References to our website in this proxy statement are not intended to function as hyperlinks, and the information contained on our website is not intended to be incorporated into this proxy statement. May I propose actions for consideration at next year's annual meeting of stockholders?

Any proposals that our stockholders wish to have included in our proxy statement and form of proxy for the 2010 annual meeting of stockholders must be received by us no later than the close of business on December 18, 2009 and must otherwise comply with the requirements of Rule 14a-8 under the Exchange Act. The Company's bylaws provide that, in order for a stockholder to propose any matter for consideration at an annual meeting of the Company other than matters set forth in the Notice of Meeting such stockholder must have given timely prior written notice to the Corporate Secretary of the Company of such stockholder's intention to bring such business before the meeting. To be timely for the 2010 Annual Meeting of Stockholders, notice must be received by the Company not less than ninety days nor more than one hundred twenty days prior to May 12, 2010, which will be the anniversary date of the prior year's meeting (or if the meeting date for the 2010 annual meeting is not within thirty days before or after the anniversary date of the prior year's meeting, then not later than the tenth day following the first to occur of the day on which the notice of the date of the meeting is mailed or public disclosure thereof is made). Such notice must contain certain information about such business and the stockholder who proposes to bring the business before the meeting, including a brief description of the business the stockholder proposes to bring before the meeting, the reasons for conducting such business at the annual meeting, the name and address of the stockholder, the class and number of shares of common stock owned beneficially or of record by such stockholder, any material interest of such stockholder in the business so proposed and a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the Meeting. PROPOSAL ONE
ELECTION OF DIRECTORS

There are currently eleven members of our Board of Directors. Pursuant to the Company's Amended and Restated Certificate of Incorporation, the Board is "classified," which means it is divided into three classes of directors based on the expiration of their terms. Under the classified board arrangement, directors are elected to terms that expire on the annual meeting date three years following the annual meeting at which they were elected, and the terms are "staggered" so that the terms of approximately one-third of the directors expire each year. At the Meeting, our stockholders will elect three directors to hold office until the 2012 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Accordingly, this Proposal One seeks the election of three directors (Messrs. Paul S. Levy, Rodney Hershberger, and Floyd F. Sherman as Class III directors) whose terms expire in 2009.

The Board of Directors has nominated Messrs. Levy, Hershberger and Sherman to serve again as Class III directors until the 2012 annual meeting of stockholders and until their respective successors have been duly elected and qualified. Each nominee has consented to continue to serve as a director if elected at the Meeting. Should a nominee become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that such proxy represents for the election of such other person as the Board of Directors may nominate. We have no reason to believe that any of the nominees will be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS VOTING "FOR" THE ELECTION OF THE THREE CLASS III
DIRECTOR NOMINEES.

Set forth below is certain information concerning each nominee for election as a director at the Meeting and each director whose current term of office will continue after the Meeting.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Board Purpose and Structure

The mission of the Board of Directors is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's stockholders, while considering and appropriately balancing the interests of other stakeholders and constituencies. The Board is constituted of eleven directors.

Director Independence

The Board of Directors applies standards in affirmatively determining whether a director is "independent," in compliance with applicable SEC rules and the rules and listing standards of The NASDAQ Stock Market LLC (the "NASDAQ"). The Board of Directors, in applying the above-referenced standards, has affirmatively determined that Messrs. Feintuch, McHugh, Morgan and Sherman are "independent" directors. As part of the Board's process in making such determination, it also determined that each such director has no other "material relationship" with the Company that could interfere with his ability to exercise independent judgment.

Table of Contents

In addition to Messrs. Feintuch, McHugh, Morgan and Sherman, our Board of Directors includes the following directors who are not independent: one management director, Mr. Hershberger, who is the Company's President and CEO; five directors (Chairman Levy and Messrs. Agroskin, Castaldi, Frank and Milgrim) who are affiliated with JLL Partners; and Mr. White.

As part of its annual evaluation of director independence, the Board examined (among other things) whether any transactions or relationships exist currently (or existed during the past three years), between each independent director and the Company, its subsidiaries, affiliates, equity investors, or independent auditors and the nature of those relationships under the relevant NASDAQ and SEC standards. The Board also examined whether there are (or have been within the past year) any transactions or relationships between each independent director and any executive officer of PGT or its affiliates. As a result of this evaluation, the Board has affirmatively determined that each independent director is independent under those criteria. Independent directors meet in regularly scheduled executive sessions outside the presence of other directors and management representatives. Interested parties, including stockholders, may communicate with the Chairman of the Board of Directors or the independent directors as a group through the process described in this Proxy Statement under the heading "Corporate Governance — Director Nomination Process - Policy on Stockholder Recommendations for Director Candidates and Stockholder-Director Communication."

Board Meetings and Attendance

In 2008, including both regularly scheduled and special meetings, our Board of Directors met a total of eight (8) times, the Audit Committee met a total of six (6) times and the Compensation Committee met a total of three (3) times. During 2008, four (4) of the meetings of the Board of Directors were attended by 100% of the Company's directors, three (3) were attended by all but one director and one (1) was attended by all but three directors. Additionally, 100% of the members of the Audit Committee attended all of the meetings of the Audit Committee held during the period in which they served on such committee and 100% of the members of the Compensation Committee attended all of the meetings of the Compensation Committee held during the period in which they served on such committee. Pursuant to the PGT, Inc. Policy on Director Attendance at the Annual Meeting of Stockholders, which can be obtained without charge in the "Investors" section of our Company website at www.pgtindustries.com under the heading "Corporate Governance," all directors are strongly encouraged to attend the annual meeting in person. Any director who is unable to attend an annual meeting of stockholders is expected to notify the Chairman of the Board in advance of such meeting. All members of the Company's Board of Directors, including each nominee for election as a director and each director whose then current term of office continued after the meeting, attended our 2008 annual meeting of stockholders held on July 23, 2008. Item 407(b)(1) requires the Company name each incumbent director who attended fewer than 75% of the aggregate of the total meetings of the board of directors and the total meetings held by all committees on which such director served. I don't think our current disclosure is clear re: whether any director attended fewer than 75% of all meetings. If none of the directors attended fewer than 75% of the aggregate of the total meetings of the board and applicable committee meetings, we should make such an affirmative statement.

Controlled Company Exemption and Committees

As of the date hereof, we are a "Controlled Company" for purposes of Rule 4350(c)(5) of the NASDAQ Marketplace Rules (the "NASDAQ Rules") by virtue of the fact that our majority stockholder holds approximately 53% of the voting power of our common stock. As a Controlled Company, we are exempt from the provisions of the NASDAQ Rules that require us to have a board of directors comprised of a majority of independent directors and to maintain compensation and nominating committees comprised solely of independent directors. Accordingly, the Board does not have a standing nominating committee. The Board has two standing committees: the Audit Committee and the Compensation Committee. The Board believes that in light of its current status as a Controlled Company and its adoption of the Policy Regarding Processes for Identifying and Evaluating Director Nominees, it has in place adequate

processes to identify, evaluate, select and nominate qualified director candidates. If we cease to be a Controlled Company under the NASDAQ Rules, we will come into full compliance with all of the requirements thereof within the applicable transition periods provided by the NASDAQ Rules.

Audit Committee

The Audit Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities with respect to the oversight of the accounting and financial reporting practices of PGT, including oversight of the integrity of our financial statements and compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our independent registered public accounting firm. The Audit Committee also is charged with preparation of an audit committee report, retention and termination of our independent registered public accounting firm, annual review of the report of our independent registered public accounting firm, and discussion with our independent registered public accounting firm of the audited and quarterly financial statements of PGT and any audit problems or difficulties and management's response thereto. The Audit Committee Charter can be obtained without charge in the "Investors" section of our Company website at www.pgtindustries.com under the heading "Corporate Governance."

The Audit Committee is comprised of three independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations), Messrs. Feintuch, McHugh and Morgan. Mr. McHugh serves as the Chairman of the Audit Committee. The Audit Committee met six times during 2008. During each meeting, the Audit Committee met privately with the Company's independent registered public accounting firm. The Board of Directors has: (i) affirmatively determined that all Audit Committee members are financially literate and possess "financial sophistication" as defined by the NASDAQ listing standards; (ii) has designated Messrs. McHugh and Morgan, as audit committee "financial experts" as defined by SEC rules; and (iii) determined that Messrs. Feintuch, McHugh and Morgan meet the independence standards of both the SEC rules and the NASDAQ Rules for Audit Committee members.

Compensation Committee

The Compensation Committee determines the compensation of our executive officers, including our Chief Executive Officer and Chief Financial Officer. The Compensation Committee also reviews and reassesses the compensation paid to members of our Board for their service on our Board and Board committees and recommends any changes in compensation to the full Board for its approval. In addition, the Compensation Committee authorizes all stock option and other equity-based awards to employees and non-employee directors under our stock option and equity incentive plans. The Compensation Committee met three times during 2008. For information about our compensation program, the role of the Compensation Committee and the engagement of compensation consultants in setting executive compensation, see "Executive Compensation - Compensation Discussion and Analysis." The Compensation Committee charter can be obtained without charge in the "Investors" section of our Company website at www.pgtindustries.com in the section titled "Corporate Governance."

The Compensation Committee is comprised of three directors, Messrs. Castaldi, Feintuch and Sherman, of whom Messrs. Feintuch and Sherman are independent directors (as that term is defined by the NASDAQ listing standards and SEC regulations). Mr. Castaldi serves as Chairman of the Compensation Committee and, given his experience and knowledge of the Company, the Board of Directors determined that the service of Mr. Castaldi on the Compensation Committee is in the best interests of the Company and its stockholders.

We want to be a company of integrity and to be perceived as such by everyone who comes in contact with us. To that end, the Board of Directors has approved a comprehensive system of corporate governance documents. Code of Business Conduct and Ethics

Our Compliance Committee, comprised of representatives from our Legal, Finance, and Human Resources departments, administers our Code of Business Conduct and Ethics, and our General Counsel administers our Supplemental Code of Ethics and our Policy on Insider Trading.

The Company's Code of Business Conduct and Ethics includes provisions ranging from restrictions on gifts and respect for colleagues to conflicts of interest and fraud. The Company's Policy on Insider Trading relates to the confidentiality of and prohibition on the use of material non-public information an employee may come to possess in the course of conducting the Company's business. By-law Provisions for Stockholder Recommendations for Director Candidates

Policy Regarding Processes for Identifying and Evaluating Director Nominees

Each member of our Board of Directors participates in the consideration of director nominees. The Board of Directors has adopted a Policy Regarding Processes for Identifying and Evaluating Director Nominees that describes the process followed by the Board to identify, evaluate, select and nominate director candidates. A copy of the Policy Regarding Processes for Identifying and Evaluating Director Nominees is available without charge in the “Investors” section of our Company website at www.pgtindustries.com under the heading “Corporate Governance.”

The Board of Directors believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board’s oversight of the business and affairs of the Company and have a record and reputation for honest and ethical conduct in both his or her professional and personal activities. Nominees for director shall be those people who the Board believes, after taking into account, among other things, their skills, expertise, integrity, character, judgment, age, independence, corporate experience, length of service, conflicts of interest and commitments, including, among other things, service on the boards (or comparable governing bodies) of other public companies, private business companies, charities, civic bodies or similar organizations and other qualities, will enhance the Board’s ability to manage and direct, in an effective manner, the affairs and business of the Company, including, when applicable, to enhance the ability of committees of the Board to fulfill their duties and satisfy any independence requirements imposed by law, regulation or NASDAQ listing requirements.

The Board will identify potential nominees by asking current directors and executive officers to notify the Board if they become aware of persons meeting the criterion described above or by engaging a firm or firms that specialize in identifying director candidates. The Board also will consider candidates recommended by stockholders as described above.

Notwithstanding the foregoing, so long as the Company continues to be a Controlled Company (within the meaning of NASDAQ Rule 4350(c)(5)), the Board will be guided by the recommendations of the Company’s majority stockholder, in its nomination process.

Auditor Services Pre-Approval Policy

The Audit Committee Charter, available in the “Investors” section of our Company’s website at www.pgtindustries.com under the heading “Corporate Governance”, tasks the Audit Committee with the responsibility of appointing, compensating, retaining and overseeing the work of the Company’s independent registered public accounting firm, and defines the principles and procedures followed by the Audit Committee in overseeing the annual audit, quarterly reviews, financial reporting process and internal controls.

The Audit Committee is responsible for pre-approving all audit services and permitted non-audit services (including the fees and retention terms) to be performed for us by Ernst & Young LLP prior to their engagement for such services. The Audit Committee has adopted a pre-approval policy pursuant to which the Audit Committee establishes detailed pre-approved categories of non-audit services that may be performed by Ernst & Young LLP during the fiscal year, subject to dollar limitations set by the Audit Committee. All of the fees paid to Ernst & Young LLP and corresponding services provided under the categories Audit-Related Fees, Tax Fees and All Other Fees were pre-approved by the Audit Committee, and none of such fees were approved in reliance on the de minimis exception established by the Securities and Exchange Commission.

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee also has established procedures for the receipt, retention, and treatment of complaints regarding accounting, internal accounting controls, or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding accounting or auditing matters.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee appointed Ernst & Young LLP, independent registered public accounting firm, to audit the consolidated financial statements of the Company for the 2009 fiscal year ending January 2, 2010. As a matter of good corporate governance, the Company's stockholders will be requested to ratify the Audit Committee's selection at the Meeting. Ernst & Young LLP has audited the Company's consolidated financial statements since 2001.

Although there is no requirement that Ernst & Young LLP's appointment be terminated if the ratification fails, the Audit Committee will consider the appointment of other independent registered public accounting firms if the stockholders choose not to ratify the appointment of Ernst & Young LLP. The Audit Committee may terminate the appointment of Ernst & Young LLP as our independent registered public accounting firm without the approval of the stockholders whenever the Audit Committee deems such termination appropriate.

Amounts paid by us to Ernst & Young LLP for audit and non-audit services rendered in 2008 and 2007 are disclosed on page 38.

Ernst & Young LLP has affirmed that they are not aware of any relationships between Ernst & Young LLP and the Company that may reasonably be thought to bear on their independence.

The Audit Committee approves the annual audit fee of the Company's independent auditors. The Audit Committee also establishes pre-approved limits for which the Company's management may engage the Company's independent auditors for specific services. Any work which exceeds these pre-approved limits in a quarter requires the advance approval of the Audit Committee. Each quarter, the Audit Committee reviews and approves all work done by the independent auditors during the previous quarter and establishes any pre-approved limits for the current quarter. All fees for fiscal 2008 were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS VOTING "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors, and persons who beneficially own more than 10% of a registered class of our equity securities, to file with the Securities and Exchange Commission (“SEC”) reports of ownership and changes in ownership of the Company’s equity securities. Executive officers, directors, and beneficial owners of greater than 10% of our outstanding securities are required by SEC regulations to provide us with copies of all Section 16(a) forms that they file. Based solely on review of the copies of such forms furnished to us and written representations from our executive officers and directors that no other reports were required, we believe that through January 3, 2009, all of our executive officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, except that one share purchase transaction by Mr. McHugh was not reported on a timely filed Form 4, but such transaction was subsequently reported on a Form 4, and all such transactions are reflected herein.

EXECUTIVE COMPENSATION –
COMPENSATION DISCUSSION AND ANALYSIS

Compensation Philosophy and Objectives

Our goal in establishing the executive compensation structure is to attract, retain and reward key leaders who drive both near-term and long-term value for our stockholders. Our compensation structure is designed to reward leadership skills, operating performance and financial accomplishments. We also believe that successful compensation programs for executive officers and other key employees, including the named executive officers, must further the following primary objectives:

- ensure employee interests are aligned with the enhancement of stockholder value;
 - attract and retain quality leaders;
- reward consistent and superior performance for exemplary company and individual performance; and
 - provide incentives to enhance future performance and increased levels of responsibility.

All compensation policies and decisions are designed to reward employees, including the named executive officers, who demonstrate the capacity to make significant contributions to our operational, financial and competitive performance, thereby furthering the first primary objective referred to above. Key factors to increase or decrease compensation include:

- the nature, scope and level of the individual’s responsibilities;
- our overall performance and profitability, which we primarily measure by net sales, EBITDA, and return on operating investment;
 - our long-term stock price performance and total return to stockholders; and
 - the employee’s performance compared to goals and objectives.

Compensation to our named executive officers is intended to be competitive with that of similar companies. As part of our assessment, we look to the compensation paid to individuals with similar responsibilities at peer companies.

Because peer selection is somewhat difficult due to the lack of publicly-traded companies with which we compete and the lack of available data for privately-held competitors, we focus primarily on compensation levels within our relevant labor market to ensure that PGT's compensation arrangements are in line with companies of its size.

Table of Contents

Based on our assessment, we believe our total direct annual compensation to senior management (including our named executive officers), comprised of total cash compensation and the annualized expected value of long-term incentive awards is generally at or below the level of total direct compensation for our peer group.

Roles and Responsibilities

The Compensation Committee of the Board of Directors (“Compensation Committee”) has the primary responsibility for assisting the Board in the development, evaluation, and approval of our executive compensation programs. Our President and our Executive Vice President, assist the Compensation Committee in administering our compensation programs. Matters considered by the Compensation Committee such as competitive market information, current industry trends, compensation practices and guidelines are also based on research by independent compensation consultants. In general, the roles are discussed below; additional details regarding the roles of each are discussed throughout this Compensation Discussion and Analysis section.

Compensation Committee - As discussed above under “Information Regarding the Board and its Committees – Controlled Company Exemption and Committees” on page 10, our Compensation Committee was formed in 2007. As such, until the Compensation Committee was formed, the Board maintained direct authority and responsibility for the review, evaluation and approval of the compensation structure and level for all of our executive officers. The Compensation Committee’s primary responsibilities include: (1) establishing, in consultation with management, the Company’s general compensation and incentive philosophy; (2) establishing, reviewing and recommending approval of the Chief Executive Officer’s annual compensation, and evaluating his performance in light of the goals and objectives of the Company’s executive compensation plans, (3) evaluating the appropriate level of compensation for Board and committee service by members of the Board, (4) reviewing incentive compensation programs to ensure unnecessary risk is not encouraged, and (5) overseeing the long-term incentive plan, the annual cash incentive plan and any other equity-based awards.

Management - In collaboration with the Compensation Committee and considering information provided by the compensation consultants, our President and our Executive Vice President coordinate the annual review of the compensation programs for senior management, including certain named executive officers. Such review includes an evaluation of individual and Company performance, competitive practices and trends, and various compensation issues. Based on the outcomes of this review, management makes recommendations to the Compensation Committee regarding the compensation of each of the named executive officers, other than the Chief Executive Officer.

Our senior leadership team (which includes representation from each of the Company’s major functional areas) sets our strategic business and operational objectives and strives to design and develop compensation programs that motivate leadership behaviors consistent with such objectives.

Table of Contents

Compensation Consultant - In 2008, the Compensation Committee retained the services of Deloitte Consulting, LLP (“Deloitte”), a compensation consultant, to assist in evaluating and discussing our compensation structure. The role of the consultant was to advise the Compensation Committee and management in the executive compensation design process, provide independent compensation data and analysis to facilitate the annual review of the Company’s compensation programs, and advise the Compensation Committee in its oversight role. Deloitte attended meetings with our Compensation Committee and management as needed. Specifically, Deloitte analyzed our then-current incentive compensation arrangements for the executive team, including each of the named executive officers; and utilized a group of peer companies in recommending an appropriate structure for incentive compensation, including a long-term incentive plan through which the interests of management are directly aligned with those of our stockholders.

Compensation Actions for 2008

When evaluating and setting the 2008 executive compensation relative to our performance, the Compensation Committee and management took into account the economic environment in which we are currently operating, the national credit crisis, and sensitivity regarding executive pay. We believe our programs have a balanced approach and properly reflect our views that, in challenging times such as these, senior management, including the named executive officers, should sacrifice in the interest of the Company with the expectation that, in more profitable years, such sacrifices will be rewarded. Recent, tangible examples of such sacrifices are evidenced by the fact that (i) in the past two years, the Company has decreased its employment count by 35% and its senior management team by almost 50%; (ii) in fiscal years 2007 and 2008, the average salary increase (after factoring in increases solely due to acquiring significant additional responsibilities) for members of the Company’s senior management team was approximately 1%; and (iii) all salaried employees, including the named executive officers, agreed to a 16% salary decrease throughout the Company’s second and third quarters of 2009. The aggregate effect of these actions has helped to strengthen our financial position, better enabling us to compete in the long-term.

Compensation Elements We Used in 2008

The following items summarize the essential elements used as compensation tools to reward and retain our named executives during fiscal 2008:

- **Annual Base Salary.** Base salaries for our executives depend on the scope of their responsibilities and performance. Our objectives are to target annual base salary at the median level and to make it competitive, when taken in conjunction with the other compensatory elements;
- **Annual Cash Incentive Plan.** For each executive, we use annual cash bonuses for the achievement of annual company and individual performance objectives;
- **Long-Term Equity-Based Incentives.** Our long-term equity incentive program is designed to recognize leadership accomplishments, scope of responsibilities and performance, retain our executives and align their interest with long-term stockholder value. We combine grants of both restricted stock and stock options to effectively focus our executives on delivering long-term value for PGT and its stockholders; and
- **Executive Benefit and Perquisites.** As the Company seeks to maintain a classless culture in our facilities and operations, our executive compensation program remains relatively free of executive benefits and perquisites. Such benefits and perquisites which do exist, however, are described below.

Table of Contents

Annual Base Salary

Our Compensation Committee separately considers the salary and bonus of our President. In determining his annual compensation, our Compensation Committee considers the highly competitive industry in which we operate and the unique experience he brings to the position as well as his contributions to our long-term performance.

For our other named executive officers, our President provides our Compensation Committee with recommendations regarding compensation. Our Compensation Committee reviews such recommendations and approves annual compensation for named executive officers, consisting of base salary and target bonus (discussed below), on an annual basis. Our Compensation Committee may request additional information and analysis and ultimately determines in its discretion, based on its own analysis and judgment and the recommendations of the President, whether to approve any recommended changes in compensation.

Our goal is to pay each named executive officer a base salary sufficient to remain competitive in the market. Our base salaries are less performance based than our annual cash bonuses and long term equity-based incentives. See the "Summary Compensation Table" for a listing of our named executive officers. At the end of fiscal 2008, Mr. Hershberger's base salary was \$360,000 per year after an increase of \$35,000 effective on August 1, 2008. At the end of fiscal 2008, Mr. Jackson's base salary was \$300,000 per year after an increase of \$27,000 effective on August 1, 2008. At the end of fiscal 2008, Mr. Ferrucci's base salary was \$205,000 per year; Mr. McCutcheon's base salary was \$185,000 per year; and Mr. Cross's base salary was \$218,400 per year; none of which were increased from the prior year. These salary increases were largely reflective of the Board of Directors' perception of individual performance, competitiveness of salary in the marketplace and inflation adjustments. Base salary paid to the named executive officers in 2008 constituted approximately the following percentages of their total compensation as set forth in the Summary Compensation Table: Mr. Hershberger: 85.1%; Mr. Jackson: 42.6%; Mr. Ferrucci: 41.3%; Mr. McCutcheon: 76.3%; and Mr. Cross: 67.4%.

Annual Cash Incentive Plan

In order to provide incentives for future annual performance, we believe that a substantial portion of each named executive officer's total potential compensation should be in the form of a bonus, the amount of which is based upon both individual and Company performance. Accordingly, our policy is to allocate an amount equal to a target range of 40% to 70% of a named executive officer's annual base salary to performance based cash bonus awards. The target percentage of each named executive officer's annual base salary is determined by comparing the total annual cash compensation, including cash incentives, paid to individuals with similar responsibilities at peer companies, to the named executive officer's annual base salary.

Our Board of Directors established annual cash bonus targets as a percentage of salary under the 2008 Annual Incentive Plan ("2008 AIP") for each named executive officer. As a percentage of base salary, these targets were 70% for Mr. Hershberger, 60% for Mr. Jackson and 40% for Messrs. Ferrucci, McCutcheon and Cross, respectively, and were:

- 20% based on net sales,
- 35% based on EBITDA,
- 20% based on return on operating investment, and
- 25% based on discretionary factors.

Table of Contents

No amounts were earned under the portions of the 2008 AIP based on net sales, EBITDA or return on operating investment. However, on January 28, 2009, our Board of Directors approved a bonus under the portion of the 2008 AIP based on discretionary factors including, among other things, management's success in actions taken to respond to the severe market and economic downturns that have had a negative effect on our Company. All employees of the Company who participated in the 2008 AIP were awarded bonuses under its discretionary portion, including the named executive officers.

Payments of cash bonuses to be made to participants in 2009 related to the 2008 AIP are included in the Summary Compensation Table in the column titled "Non-Equity Incentive Plan Compensation".

On January 28, 2009, our Board of Directors approved the details of the 2009 AIP. The 2009 AIP established annual cash bonus targets as a percentage of salary for each named executive officer. As a percentage of base salary, these targets are 70% for Mr. Hershberger, 60% for Mr. Jackson, and 40% for Messrs. Ferrucci, McCutcheon and Cross, respectively, and are:

- 20% based on net sales,
- 35% based on EBITDA,
- 20% based on return on operating investment, and
- 25% based on discretionary factors.

If PGT achieves less than 100% of its target for net sales, EBITDA, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be reduced accordingly. Conversely, if PGT achieves greater than 100% of its target for net sales, EBITDA, or return on operating investment, the corresponding percentage of the opportunity based on such respective measurement will be increased, to a maximum of 175%. Specific targets, for each of the above, are set so they can only be achieved through performance that exceeds that which is generally expected in the current economic and industrial environment. As such, Company-wide performance at these targeted levels, which is required for an executive officer to obtain his/her target annual cash bonus, is challenging.

Long-Term Equity-Based Incentives

We believe the best way to align the interests of the named executive officers and our stockholders are for such officers to own a meaningful amount of our common stock. In order to reach this objective and to retain our executives, we grant equity-based awards to named executive officers under the long-term incentive portion of our 2006 Equity Incentive Plan. Accordingly, our policy is to allocate an amount equal to a target range of 40% to 75% of a named executive officer's annual base salary to long-term equity-based incentives. The target percentage of each named executive officer's annual base salary allocated to long-term equity-based incentives is determined by comparing the total direct compensation, including long-term equity-based incentives, paid and awarded to individuals with similar responsibilities at peer companies, to the named executive officer's total cash compensation and establishing the target percentage which brings the named executive officer's total potential direct compensation to a median level.

Long-term incentive compensation, rather than reflecting a single year's results, is intended to reward performance over the long-term. Our practice is to structure this long-term incentive compensation in the form of options and restricted stock granted under the Company's Long-Term Incentive Plan, or LTIP. All outstanding options have an exercise price equal to the fair market value of the common stock on the date of grant. Options granted to officers and employees have been granted on, or shortly after, the date that PGT's Board of Directors authorized the grant of the option.

Table of Contents

In 2008, stock options and restricted stock granted pursuant to the Company's LTIP were authorized by our Board of Directors and granted three market days after the Company released its fiscal year earnings. From time to time, options and restricted stock have been granted to officers on the respective dates of commencement of their employment with the Company, and restricted stock has been granted to non-management directors, other than those affiliated with JLL Partners, Inc., in connection with commencement of service on the Board.

Restricted stock and options create a strong link between executive compensation and stockholder return and contribute to the ability of our executives to develop a meaningful ownership interest in PGT. In order to allow executive officers to benefit from increases in common stock values and thus provide such officers a continuing incentive to achieve results beneficial to the stockholders, we generally award restricted stock and options on an annual basis on terms providing for vesting over a period of time. In comparison with stock option awards, restricted stock awards are less dilutive and still closely align the interests of the named executive officers with those of our stockholders.

The Board of Directors of the Company determined that, as a result of economic conditions that have adversely affected the Company and the industry in which the Company competes, the options held by certain designated employees had exercise prices that were significantly above the current market price of the Company's common stock and that the grants of replacement options would help the Company retain and provide additional incentive to such designated employees and align their interests with those of the Company's stockholders.

Therefore, on March 6, 2008, the Board of Directors approved the cancellation and termination of the then-current option agreements of certain designated employees of the Company, including Messrs. Jackson, Ferrucci and Cross, and the grant of replacement options under the Company's 2006 Equity Incentive Plan. The replacement options were approved by the Company's shareholders at its annual meeting of shareholders held on July 23, 2008.

The replacement options have an exercise price of \$3.09 per share, which was the closing price on the NASDAQ Global Market of the Company's common stock on March 5, 2008, the day before the date on which the Board of Directors of the Company granted the replacement options and the designated employees executed the Replacement Option Agreements. The replacement options are exercisable with respect to one third of the shares (rounded to the nearest whole share) on each of the first, second, and third anniversaries of March 6, 2008. The replacement options expire on March 6, 2015.

Mr. Jackson was granted an option to purchase an aggregate of 152,675 shares of the Company's common stock at an exercise price of \$3.09 per share. In connection therewith, Mr. Jackson's option to purchase 115,863 shares of the Company's common stock at an exercise price of \$12.84 per share and his option to purchase 36,812 shares of the Company's common stock at an exercise price of \$12.77 per share were cancelled and terminated.

Mr. Ferrucci was granted an option to purchase an aggregate of 53,984 shares of the Company's common stock at an exercise price of \$3.09 per share. In connection therewith, Mr. Ferrucci's option to purchase 36,414 shares of the Company's common stock at an exercise price of \$14.00 per share and his option to purchase 17,570 shares of the Company's common stock at an exercise price of \$12.77 per share were cancelled and terminated.

Mr. Cross was granted an option to purchase an aggregate of 9,423 shares of the Company's common stock at an exercise price of \$3.09 per share. In connection therewith, Mr. Cross's option to purchase 9,423 shares of the Company's common stock at an exercise price of \$12.80 per share were cancelled and terminated.

Executive Benefits and Perquisites

Our executive compensation program remains relatively free of fringe benefits and perquisites. Generally, benefits and perquisites available to executive officers are available to all employees on similar terms.

The Company does not provide its executive officers separate dining or other facilities, company cars, club dues, or other similar perquisites. Company-provided air travel for executive officers is for business purposes only. The Company's use of non-commercial aircraft on a rental basis is limited to appropriate business-only travel. The Company's health care, insurance, 401(k) plan, and other welfare and employee-benefit programs are the same for all eligible employees, including the named executive officers. In certain situations, we provide our named executive officers with expense reimbursement relating to relocation. Additionally, the Company does, within certain limits, provide our products free of charge to executive officers for installation in their respective primary residences. The Company does not, however, pay for the cost of installing such product.

We provide the above-described executive benefits and perquisites in order to attract and retain executive officers by offering compensation opportunities that are competitive with those offered by similarly situated public companies. However, such executive benefits and perquisites represent a relatively small portion of their total compensation. The value of benefits and perquisites provided are presented in the "All Other Compensation" column (and described in the related footnotes) of the "Summary Compensation Table".

Other Compensation

Retirement/Post-Employment Benefits. The Company does not provide any retirement programs, pension benefits or deferred compensation plans to its named executive officers other than its 401(k) plan, which is available to all employees.

Equity Grant Practices. The Company's practice is to grant annual equity awards to certain eligible employees, including the named executive officers, following the release of earnings in February of each year to ensure that the most current information regarding the Company's financial position is properly reflected in the fair market value for all such equity grants. We do not engage in the practice of timing equity grants prior to the release of material non-public information. We determine that the fair market value of equity grants as the closing price of the Company's common stock on the date immediately preceding the grant date.

Employment Agreements

During fiscal 2008, the Company was party to employment agreements with each of our named executive officers. Each of these agreements had a term of three years, with automatic one-year renewals commencing on the first anniversary of the effective date of the employment agreement. In addition to providing for an annual base salary and employee benefits, these agreements provided, among other things, that the executive was eligible for an annual performance bonus, as determined by the President of the Company and the Board of Directors, in their discretion.

Under each of these employment agreements, in the event that (a) the executive's employment was terminated by us without "cause" (as defined in the employment agreement) or (b) the executive terminated his/her employment because of (i) a material adverse diminution of his/her duties or responsibilities to which he/she has not agreed in writing, (ii) the assignment of the executive to a location outside of a fifty (50) mile radius from the Company's current headquarters, or (iii) conduct on the part of the Company amounting to fraud against the executive; in addition to the benefits otherwise due to the executive and as otherwise required by law, the executive was entitled to continuation of his/her base salary for twelve months after the date of termination. Should the executive have terminated his/her employment other than for the reasons set forth above in clause (b), the Company was obligated to continue to pay such executive's salary for the shorter of thirty days or the notice period provided by the executive with respect to his/her termination. In addition, under these employment agreements, in the event that the executive's employment was terminated by his or her death or disability (as defined in the employment agreement), in addition to the benefits otherwise due to him or her, the Company was obligated to pay to the executive (or, in the case of death, to his or her designated beneficiary) his/her base salary for a period of twelve months.

The following table summarizes the value of the termination payments and benefits that our named executive officers would receive if they had terminated employment on January 3, 2009 under the circumstances shown. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees.

Table of Contents

Effective on February 20, 2009, the named executive officers, individually, entered into employment agreements with the Company that supersede and replace any prior employment agreements entered into by each named executive and the Company. The following table summarizes the value of the termination payments and benefits that our named executive officers would receive under the newly executed employment agreements under the circumstances shown. The amounts shown in the table exclude distributions under our 401(k) retirement plan and any additional benefits that are generally available to all of our salaried employees. Each employment agreement provides for, among other things, an annual base salary and benefits to the named executive who is a party thereto.

Pursuant to the new employment agreements, in the event that (a) the executive's employment is terminated by the Company without "cause" (as defined in the employment agreement) or (b) the executive terminates his or her employment for "good reason" (as defined in the employment agreement), the executive is entitled to (1) continuation of his/her base salary for twelve months after the date of termination (except in the case of Messrs. Hershberger and Jackson, for whom the period is 24 months and 18 months, respectively), (2) payment by the Company of applicable premiums for medical benefits for twelve months following the date of termination (except in the case of Messrs. Hershberger and Jackson for whom the period is 18 months); and (3) payment in a lump sum of an amount of cash equal to 100% of the executive's target incentive amount (except for Messrs. Hershberger and Jackson from whom such percentage is 200% and 150%, respectively) payable under the Company's annual incentive plan for the award period ending in which the termination of employment occurred.

Should the executive terminate his/her employment other than for "good reason", the Company will continue to pay such executive's salary for the shorter of thirty days or the notice period provided by the executive with respect to his/her termination. Further, under each employment agreement, in the event that the executive's employment is terminated by his or her death or disability (as defined in the employment agreement), the Company will pay to the executive (or, in the case of death, to his or her designated beneficiary) his or her base salary for a period of twelve months.

Each employment agreement also provides that during the executive's employment with the Company and at all times thereafter, he or she may not disclose any confidential information of the Company and that all inventions of the executive shall belong exclusively to the Company. In addition, each employment agreement provides that during the executive's employment with the Company and for two years thereafter, unless the employment agreement is terminated by the Company without "cause" or by such executive for "good reason", in which case the period will be the duration of the executive's employment with the Company and for one year thereafter, the executive may not directly or indirectly compete with the Company or solicit employees of the Company.

IMPACT OF TAX TREATMENTS ON COMPENSATION

Section 162(m) of the Internal Revenue Code limits the tax deduction for public companies to \$1 million for compensation paid to a company's chief executive officer or any of the four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if Internal Revenue Code requirements are met. We believe that stock options granted under our long-term incentive plans would qualify as performance-based compensation. While such stock options vest over a specified period of time contingent upon the option holder's continued employment with the Company, such stock options only have value if the Company's performance results in a stock price higher than the price on the date of grant. In addition, we believe that annual cash bonus awards would qualify as performance-based compensation. In contrast, restricted stock awards, do not qualify as performance-based compensation because they have immediate value (at a minimum, once the restrictions are released) irrespective of the Company's performance.

While we seek to take advantage of favorable tax treatment for executive compensation where appropriate, the primary drivers for determining the amount and form of executive compensation must be the retention and motivation of superior executive talent rather than tax-based considerations.

REVIEW AND APPROVAL OF TRANSACTIONS WITH RELATED PARTIES

All related party transactions are reviewed and, as appropriate, may be approved or ratified by the Board of Directors. If a Director is involved in the transaction, he may not participate in any review, approval or ratification of such transaction. Related party transactions are approved by the Board of Directors only if, based on all of the facts and circumstances, they are in, or not inconsistent with, the best interests of the Company and the best interests of our stockholders, as the Board of Directors determines in good faith. The Board of Directors takes into account, among other factors it deems appropriate, whether the transaction is on terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. The Board of Directors may also impose such conditions as it deems necessary and appropriate on the Company or the related party in connection with the transaction.

In the case of a transaction presented to the Board of Directors for ratification, the Board of Directors may ratify the transaction or determine whether rescission of the transaction is appropriate.

In addition, the Audit Committee has established in its charter a policy that every engagement of the Company's independent registered public accounting firm to perform audit or permissible non-audit services on behalf of the Company or any of its subsidiaries requires pre-approval from the Audit Committee or its designee before such independent registered public accounting firm is engaged to provide those services.
