Item 2.01 Completion of Acquisition or Disposition of Assets

On February 8, 2016, DraftDay Fantasy Sports, Inc. (“DraftDay” or the “Company”) completed its previously announced sale of the assets of its Viggle business, including the Viggle application (the “Business”), to Perk.com, Inc. under an Asset Purchase Agreement signed on December 13, 2015 (the “Transaction”).

As consideration for the assets to be sold, the Company received the following consideration:

1,370,000 shares of Perk common stock (the “Initial Perk Shares”), a portion of which will be placed in escrow to satisfy any potential indemnification claims;

2,000,000 Perk Shares if Perk’s total revenues exceed USD \$130.0 million for the year ended December 31, 2016 or December 31, 2017 (the “Earn-Out”);

A warrant entitling the Company to purchase 1,000,000 shares of Perk common stock at a strike price of CDN \$6.25 per share in the event the volume weighted average price (“VWAP”) of shares of Perk common stock is greater than or equal to CDN \$12.50 for 20 consecutive trading days in the two year period following the closing of the Acquisition;

A warrant entitling the Company to purchase 1,000,000 shares of Perk common stock at a strike price of CDN \$6.25 per share in the event that the VWAP of Perk common stock is greater than or equal to CDN \$18.75 for 20 consecutive trading days in the two year period following the closing of the Acquisition; and

Perk will also assume certain liabilities of the Company, including Viggle points liability.

The foregoing summary of the Asset Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and qualified in their entirety by, the full text of the Asset Purchase Agreement, which was filed as Exhibit 2.1 to the Company's Current Report on Form 8-K dated December 14, 2015.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As previously disclosed on the Company’s Current Report on Form 8-K dated December 14, 2015, on December 13, 2015, the Company entered into a Credit Agreement with Perk, under which Perk provided a \$1,000,000 line of credit to the Company (the “Credit Agreement”). As provided in the Credit Agreement, the Company elected to pay all amounts outstanding under the Credit Agreement by reducing the number of shares of Perk common stock due at closing of the Transaction by 130,000 shares. The Asset Purchase Agreement provided that Perk was to deliver 1,500,000 shares of Perk common stock at closing. Therefore, because the Company elected to pay amounts outstanding under the Credit Agreement in full by reducing the number of shares of Perk common stock payable by Perk at closing by 130,000 shares, Perk delivered 1,370,000 shares of Perk common stock at closing, and the Credit Agreement is now deemed paid in full. Further, the security interest granted to Perk in the assets of the Company under the Security Agreement executed in connection with the Credit Agreement has been terminated.

Item 9.01. Financial Statements and Exhibits.

(b) Pro forma financial information

The Company has prepared unaudited pro forma condensed consolidated financial statements (“unaudited pro forma statements”) to assist readers in understanding the nature and effects of the Transaction. The unaudited pro forma statements are based on the Company’s historical consolidated financial statements adjusted to give effect to the sale of the Business to Perk. The Unaudited Pro Forma Condensed Consolidated Statements of Operations for the three months ended September 30, 2015, and for the fiscal years ended June 30, 2015 and June 30, 2014 have been prepared with the assumption that the Transaction was completed as of July 1, 2013. The Unaudited Pro Forma Condensed Consolidated Balance Sheet as of September 30, 2015 has been prepared with the assumption that the Transaction was completed as of the balance sheet date. Such statements are incorporated by reference to the Company’s Definitive Information Statement on Schedule 14C as filed with the Securities and Exchange Commission on January 6, 2016.
