Exhibit 99.1 Investor Presentation, dated September 12-19, 2007.

This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Statements that are not historical facts, including statements about the beliefs and expectations of the Company and its management, are forward-looking statements. All forward-looking statements are inherently uncertain as they are based on various expectations and assumptions about future events, and they are subject to known and unknown risks, uncertainties and other factors, which may cause actual events and results to differ materially from historical results or the future results expressed or implied by the forward-looking statements. The Company intends its forward-looking statements to speak only as of the date on which they were made. The Company expressly undertakes no obligation to update or revise any forward-looking statements as a result of changed assumptions, new information, future events or otherwise.

The following factors, among others, could cause the Company's actual results to differ from historical results or those expressed or implied in the forward-looking statements: its revenue is generated from a limited number of clients and the loss of one or more significant clients could have a material adverse effect on the Company; terms of its client contracts; availability of cash flows from operations and borrowing availability under its revolving loan facility; its ability to comply with its debt covenants; its ability to effectively manage customer care center capacity and offshore growth; its ability to conduct business internationally, including managing foreign currency exchange risks; its ability to attract and retain qualified employees; and fluctuations in revenue associated with its Medicare Part D enrollment and customer care programs.

Other reasons that may cause actual results to differ from historical results or those expressed or implied in the forward-looking statements can be found in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 and its subsequent filings on Form 10-Q for the fiscal quarters ended April 1, 2007 and July 1, 2007. These filings are available on a web site maintained by the SEC at <http://www.sec.gov>.

The information included in Exhibit 99.1 hereto shall not be deemed "filed" for purposes of Section 18 of the Securities and Exchange Act of 1934, nor shall it be deemed incorporated by reference into any filings made under the Securities Act of 1933, except as expressly set forth by specific reference in any such filing.
