Item 1. Plan Information.

(a) General Plan Information

Equus Total Return, Inc., (hereafter, the “Registrant” or the “Company”) has adopted its 2016 Equity Incentive Plan (hereinafter referred to as the “Plan”), the nature and purpose of which is to compensate the Company’s officers, directors, and employees (hereafter, collectively, “Participants” or individually a “Participant”) for services rendered to the Company and to generate an increased incentive to contribute to the progress of the Company. The Plan is attached as an exhibit to the Registrant’s Proxy Statement filed with the Securities and Exchange Commission on May 5, 2016 and provides for the issuance of an aggregate of 2,534,728 shares of the Registrant’s common stock in connection with common stock purchase options granted under the Plan, or grants of common stock under the Plan (grants of common stock purchase options or shares of common stock are hereafter generically referred to as “Awards.” Awards under the Plan may be made at any time up until ten years from the date the Plan was approved by the Company’s shareholders, or June 13, 2026 (the “Plan Expiration Date”).

The Compensation Committee of the Company’s Board of Directors (hereafter, the “Committee” or the “Administrator”) is the Administrator of the Plan. Members of the Committee serve for one-year terms or until such time as they resign, are unable to perform their duties as Committee members, or are dismissed from the Committee by the Board of Directors or dismissed as directors by the Company’s shareholders. Members of the Committee, as directors of the Company, are also eligible as Participants to receive Awards under the Plan. The Board may amend the Plan at any time and may also amend any Award granted thereunder without the consent of the Participant in receipt of such Award, unless any such amendment would have a material adverse effect in respect to the Award so granted.

The Plan is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974.

The name, address, and telephone number of the Registrant are as set forth on the facing page of this Registration Statement. Additional information about the Plan may be obtained from the Registrant by any Participant.

(b) Employees Who May Participate in the Plans

The Registrant intends to issue shares of its common stock, par value \$0.001 per share, the amounts of which are set forth above in subsection (a) of this Item 1.

(c) Employees Who May Participate in the Plans

Any Employee, including any officer or director of the Company, shall be eligible to be designated a Participant in the Plan.

(d) Purchase of Securities Pursuant to the Plans and Payment for Securities Offered

The Participants may be issued common stock purchase options or grants of common stock for services rendered to the Registrant. The number of shares of common stock (whether as common stock purchase options or grants of (1) common stock) underlying any Award under the Plan shall be set by the Administrator. The aggregate number of shares of common stock underlying all Awards granted under the Plan shall not exceed the amount set forth in Item 1(a). Awards may be granted under the Plan until the Plan Expiration Date.

(2) Payment for the securities constituting an Award consists of services rendered to the Registrant. In the case of common stock purchase options, payment of the exercise price of any such options shall be made in cash unless otherwise determined by the Administrator. The exercise price of common stock purchase options is set by the Plan Administrator in accordance with the requirements of the Plan.

(3) No contributions are required by a Participant under the Plan.

(4) No contributions by the Registrant other than the issuance of Awards is applicable.

(5) Reports to the Participant as to the amount and status of the Participant's account under the Plan will not be made.

(6) The Awards issued pursuant to the Plan will consist of (i) newly-issued shares of the Registrant, or (ii) options to acquire newly-issued shares of the Registrant.

(7) No fees or commissions will be paid or issued in connection with any Awards granted under the Plan.

(e) Resale Restrictions

Awards of common stock purchase options may not be resold until the same are exercised pursuant to the terms of such Award, following which no resale restrictions shall apply. There are no resale restrictions in respect of the vested portion of Awards constituting shares of common stock.

(f) Tax Effects on Plan Participation

The Plan is not qualified under Section 401(a) of the Internal Revenue Code. To the extent a Participant receives an Award of common stock purchase options with an exercise price below the fair value of the underlying common stock, such Participant may recognize ordinary income with respect to the difference between the exercise price and fair value in respect of any vested options. To the extent that a Participant receives an Award of common stock, the Participant will recognize ordinary income equal to the aggregate fair market value of any such shares that become vested and not subject to forfeiture.

(g) Investment of Funds

Absent a contrary provision in a Participant's written agreement that embodies an Award under the Plan (each, an "Award Agreement"), the termination of a Participant's directorship, employment, consulting relationship may result in the forfeiture of any unvested portion of an Award granted under the Plan. Moreover, except as may otherwise be set forth in an Award Agreement, any Award of common stock purchase options must be exercised within three (3) months of the cessation of a Participant's directorship, employment, or consulting relationship with the Company, as applicable. In the case of a Participant's death, such exercise period is one year from the Participant's date of death. In the case of a Participant's termination or removal for "cause" as defined in the Plan, any unvested portion of an Award of common stock purchase options or other securities shall be immediately forfeited to the Company.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents are hereby incorporated by reference in the Registration Statement:

- (a) the Registrant's Annual Report on Form 10-K (including amendments thereto) for the fiscal year ended December 31, 2016, as filed with the SEC; and
- (b) all other reports filed with the SEC pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") since December 31, 2016.

In addition to the above, all documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14, and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment, which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in the Registration Statement and to be a part thereof from the date of filing of such documents.

Any statement contained herein or in a document incorporated or deemed incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

None.

Item 6. Indemnification of Directors and Officers.

Pursuant to the Company's Certificate of Incorporation and, under the General Corporation Law of Delaware, the Company's directors are not liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty, except for liability in connection with a breach of duty of loyalty, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, for authorization of illegal dividend payments or stock redemptions under Delaware law or any transaction from which a director has derived an improper personal benefit. The Company's charter provides that the Registrant is authorized to provide indemnification of (and advancement of expenses) to directors, officers, employees and agents of the Company (and any other persons to which applicable law permits the Company to provide indemnification) through Bylaws provisions, agreements with such persons, vote of stockholders or disinterested directors, or otherwise, to the fullest extent permitted by applicable law.

The Company has previously entered into indemnification agreements with each of its current directors and officers. The indemnification agreement indemnifies the indemnitee to the fullest extent permitted by law, including against third-party claims and claims by or in right of the Company or any subsidiary or majority-owned partnership of the Company by reason of that person (including the advancement of expenses subject to certain conditions) (a) being a director, officer employee or agent of the Company, or of any subsidiary or majority-owned partnership of the Company or (b) serving at the request of the Company as a director, officer, employee or agent of another entity. If appropriate, the Company is entitled to assume the defense of the claim with counsel selected by the Company and approved by the indemnitee (which approval may not be unreasonably withheld). Separate counsel employed by the indemnitee will be at his or her own expense unless (1) the employment of separate counsel has been previously authorized by the Company, (2) the indemnitee reasonably concludes there may be a conflict of interest, or (3) the Company has not, in fact, employed counsel to assume the defense of such claim.

Regarding indemnification for liabilities arising under the Securities Act of 1933 ("Securities Act"), which may be permitted to directors or officers under Delaware law, the Company has been informed that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy, as expressed in the Securities Act and is, therefore, unenforceable.

Item 9. Undertakings.

(a) The Registrant hereby undertakes to do the following:

To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration
(1) Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment
(2) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act, as amended, may be permitted to directors, officers, and controlling persons of the registrant pursuant to any provisions or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by a controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
