Item 2.01 Completion of Acquisition or Disposal of Assets

On November 23, 2011, The L.S. Starrett Company (the “Company”) filed a Current Report on Form 8-K ( the” Original Form 8-K”) to report the November 22, 2011 acquisition of Bytewise Development Corporation. The financial information available to the Company when the Original Form 8-K was filed was insufficient to enable the Company to determine definitively whether Bytewise Development Corporation met any of the conditions of a “significant subsidiary” as set forth in Rule 1-02(w) of Regulation S-X to the extent that Regulation S-X would require the filing of certain financials statements within seventy-one days after the date on which the Original 8-K was required to have been filed. This Current Report on Form 8-K/A is being filed to amend the Original 8-K in view of financial information that has become available and financial analyses that has been completed subsequent to the filing of the Original 8-K.

Item 9.01 Financial Statements and Exhibits

(a) Financial statements of business acquired.

As set forth in Item 2.01 above, since the filing of the Original Form 8-K, the Company has determined that Bytewise Development Corporation does not meet any of the conditions of a “significant subsidiary” to the extent provided by Rule 3-05(b)(2) of Regulation S-X. Accordingly, the filing of audited financial statements of the acquired business is not required by this item.

(b) Pro forma financial information.

As set forth in Item 2.01 above, since the filing of the Original Form 8-K, the Company has determined that Bytewise Development Corporation does not meet any of the conditions of a “significant subsidiary” to the extent provided by Rule 3-05(b)(2) of Regulation S-X. Accordingly, the filing of unaudited pro forma financial information of the acquired business is not required by this item.
