On February 24, 2016, the Board of Directors of Landec Corporation (the “Company”) approved a proposal by its Apio, Inc. subsidiary (“Apio”) to consolidate the sale of fresh vegetables under its Eat Smart® brand and will phase out over the next several months the selling of products to retail customers under its GreenLine® brand. Apio will continue selling products to food service customers under the GreenLine brand. Apio acquired the GreenLine brand as part of its acquisition of GreenLine Holdings Company in April 2012. The acquisition price was \$63 million, of which \$36 million was attributed to the GreenLine brand. The Company has estimated that the shift away from the GreenLine brand will result in a non-cash impairment charge of approximately \$34 million during the fiscal quarter ending February 28, 2016. The Company does not expect this action to result in any cash expenditures.
