**Item 1.01 Entry into a Material Definitive Agreement.**

*Agreement to Acquire nora systems*

On June 14, 2018, Interface, Inc. (the "Company") and Interface Europe B.V., a wholly owned subsidiary of the Company ("Interface BV"), entered into a Share Purchase and Transfer Agreement (the "Purchase Agreement") with DealCo Luxembourg II S.à r.l. ("DealCo") and nora Management III Beteiligungs GmbH & Co. KG ("nora Management III," and collectively with DealCo, the "Sellers"). Pursuant to the terms and subject to the conditions set forth in the Purchase Agreement, Interface BV will acquire from the Sellers all of the issued and outstanding shares (the "Shares") of nora Holding GmbH ("nora"), and the Company will acquire from the Sellers all of the outstanding receivables (the "Shareholder Receivables") under certain shareholder loans from the Sellers to nora (together, the "Acquisition"), based on an enterprise value of €385 million calculated on a cash-free, debt free basis as of December 31, 2017 (the "Locked Box Date"). Nora is the holding company for a Germany-based multinational manufacturer and marketer of resilient floor coverings, including rubber flooring. The Purchase Agreement is generally governed by German law.

The purchase price payable at the closing of the Acquisition consists of (i) a purchase price for the Shares of €154,428,131.77 in cash, plus a daily rate of €41,545 from the Locked Box Date to the date of the closing, (ii) a purchase price for the Shareholder Receivables of €142,571,867.91 in cash, plus accrued and unpaid interest from the Locked Box Date to the date of the closing and (iii) the retirement of outstanding indebtedness of nora and its subsidiaries (together, the "Target Group Companies") as of the closing of approximately €80.6 million.

The Sellers have made certain fundamental warranties regarding the ownership of the Shares and Shareholder Receivables and similar matters as set forth in the Purchase Agreement. In addition, the Purchase Agreement contains customary warranties regarding the business of Target Group Companies, including warranties regarding their financial statements, operations, employment matters, employee benefits, pension matters, compliance with laws, taxes, real property, intellectual property, IT systems, insurance, litigation and other customary warranties.

The Company has obtained a commitment for warranty and indemnity insurance, which will provide coverage for certain breaches of warranties of the Sellers contained in the Purchase Agreement, subject to certain deductibles, exclusions, policy limits and certain other terms and conditions. Pursuant to the Purchase Agreement, the Company can make certain claims against the Sellers for breaches of warranties contained therein, to the extent not insured by the warranty and indemnity insurance, subject to certain thresholds, caps and other limitations set forth therein.

The Sellers have agreed, subject to the terms of the Purchase Agreement, to various covenants and agreements, including, among others, to operate the business of each relevant entity in the ordinary course of business, consistent with past practice and in compliance with applicable laws, and to reimburse the Company for any Leakage (as defined in the Purchase Agreement) from the Locked Box Date, which includes certain identified actions from or by any

Seller or Target Group Company for the benefit of the Sellers during the relevant period, including, without limitation, dividends, capital and other similar payments, and certain fees and expenses.

Pursuant to the Purchase Agreement, the closing of the Acquisition is subject to the satisfaction or waiver of the following closing conditions: (i) merger control clearance in Germany and the United States, (ii) foreign trade clearance in Germany, (iii) no material adverse change to the Target Group Companies has occurred since the execution of the Purchase Agreement, (iv) the Sellers have not breached their pre-closing covenants in the Purchase Agreement such that any resulting losses suffered by the Purchasers would exceed the purchase price of the Shares and the Shareholder Loans in the aggregate, (v) the Purchasers have received payoff letters for third party debt, (vi) the accuracy of Sellers' warranties contained in the Purchase Agreement (subject to certain materiality qualifiers); and (vii) the absence of any preliminary or permanent injunction prohibiting the Acquisition. The Purchase Agreement may be terminated by any party at any time after December 11, 2018 if merger control clearance is not obtained in Germany and the United States.

Completion of the Acquisition is not subject to a financing condition, and the Company has warranted that it will have sufficient funds on hand, when combined with any debt financing for the Acquisition, to fulfill its obligations under the Purchase Agreement.

Subject to the satisfaction or waiver of the foregoing conditions and the other terms and conditions of the Purchase Agreement, the Acquisition is expected to close during the third quarter of 2018.

### ***Financing Commitment Letter***

In connection with the entry into the Purchase Agreement, the Company entered into a commitment letter (the "Financing Commitment Letter") with Bank of America, N.A. ("BOA") and Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPFS" and together with BOA, collectively, the "Commitment Parties") pursuant to which the Commitment Parties have agreed to arrange and provide the Company with a senior secured incremental term loan in an aggregate principal amount of \$465 million, available to the Company in Dollars or Euros, on the terms and subject to the conditions set forth in the Financing Commitment Letter (the "Incremental Term Loan"), the proceeds of which will be applied to pay the purchase price payable at the closing of the Acquisition, repay existing bank indebtedness of the Target Group Companies and pay fees and expenses incurred in connection with the Acquisition.

The Financing Commitment Letter contemplates that the Incremental Term Loan will: (i) bear interest at the same interest rate and interest rate margins applicable to the Company's existing term loan facility (the "Existing Term Loan") outstanding under its Amended and Restated Syndicated Facility Agreement dated as of August 8, 2017 (the "Existing Facility"), (ii) amortize in equal quarterly principal installments in an amount equal to 1.875% of the initial principal amount of the Incremental Term Loan, (iii) mature on August 8, 2022, (iv) share ratably in optional and mandatory prepayments with the Existing Term Loan, and (v) otherwise be on all the same terms and conditions as the Existing Term Loan. The Existing Term Loan is summarized under Item 1.01 of the Company's Current Report on Form 8-K filed on August 9, 2017, which summary is incorporated herein by reference for the purpose of summarizing the Incremental Term Loan. BOA has committed to fund the full principal amount of the Incremental Term Loan, subject

to the terms and conditions of the Commitment Letter.

The Commitment Letter also provides that MLPFS will solicit the consent of the lenders under the Existing Facility to amend such facility to permit the Incremental Term Loan and to make other changes necessitated by the Acquisition, including amending financial covenants to accommodate the Acquisition and the indebtedness the Company will incur to complete it. In the event the requisite lenders under the Existing Facility do not consent to the proposed amendments, BOA has committed to fund the full principal amount of a 'backstop' replacement credit facility with terms identical in all material respects to the terms of the Existing Facility, as such terms are proposed to be amended to accommodate the Acquisition.

In addition, pursuant to the terms of an engagement letter between MLPFS and the Company, MLPFS has agreed to use commercially reasonable efforts to obtain debt financing in the form of a senior secured term loan facility in multiple tranches in an aggregate principal amount of approximately \$465 million and a senior secured multicurrency revolving credit facility of approximately \$300,000,000 in lieu of the financing provided in the Financing Commitment Letter in order to, among other things, refinance the Company's existing credit agreement and pay the purchase price of the Acquisition, repay existing indebtedness of the Target Group Companies and pay transactions fees and expenses. It is contemplated that the new senior secured facilities will have a five-year maturity.

BOA and MLPFS or their affiliates have engaged in, and may in the future engage in, commercial or investment banking, corporate trust or other commercial dealings in the ordinary course of business with the Company or its affiliates. They or their affiliates have received, or may in the future receive, customary fees and commissions for these transactions. Without limitation, BOA is the administrative agent under the Existing Facility and its related security and pledge agreement, BOA and certain of its affiliates are lenders under the Existing Facility and MLPFS was an arranger of the Existing Facility.
