Item 1.01. Entry into Material Definitive Agreement

The disclosure set forth in Item 2.03 is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

Effective November 9, 2015 Reed's Inc. (the "Company") entered into a modification of the maturity dates for both Term Loan (Term Loan A) dated December 4, 2014 and Term Loan B dated September 1, 2015 with PMC Financial Services Group, LLC (PMC). Both term loans have a principal amount of \$1,500,000 for a total of \$3,000,000.

Term Loan A had a lump sum maturity on December 3, 2016 and Term Loan B had a series of equal principal amounts beginning November 30, 2015 and continuing for four consecutive months. Under the new terms, the modified maturity date for both loans will be April 1, 2017. The interest rate will remain the same as those terms in the Term Loan B which set forth Term Loan B's rate and modified Term Loan A rate. That agreement was dated September 1, 2015 and was announced at that time.

In consideration for the maturity lengthening, the Company provided PMC 125,000 warrants of the Company's Common Stock with an exercise price to be set at the lowest closing price on the NYSE between November 9, 2015 and December 31, 2015 but no higher than \$5.05.

Reed's believes that the lengthened maturity dates will provide the opportunity for the Company to accumulate cash to be used for future investments including the LA Plant and to lower borrowing costs.
