The Fifth Amendment amends the Credit Agreement dated as of June 27, 2006, as previously amended (as amended, the “Credit Agreement”).

The Fifth Amendment amended the consolidated leverage ratio covenant so that the consolidated leverage ratio may not exceed (a) 5.00 to 1 at the end of the Company’s fiscal quarters ending during the period from and including March 31, 2017 through and including December 31, 2017, (b) 4.75 to 1 at the end of the Company’s fiscal quarters ending March 31, 2018 and June 30, 2018, (c) 4.50 to 1 at the end of the Company’s fiscal quarters ending September 30, 2018 and December 31, 2018, and (d) 4.00 to 1 at the end of each of the Company’s fiscal quarters thereafter. The Fifth Amendment provides that no consolidated leverage ratio covenant is applicable for the Company’s fiscal quarter ending December 31, 2016.

In addition, the Fifth Amendment provides for the following other changes related to the Credit Agreement: (i) reduced the maximum aggregate lender commitments from \$225 million to \$200 million; (ii) reduced the amount of the Company’s permitted unsecured indebtedness from \$100 million to \$50 million; (iii) reduced the amount of permitted acquisitions to either \$25 million or \$50 million, based upon a pro forma leverage ratio calculation; and (iv) imposed a restriction that the Company not use more than \$15 million of the \$114.9 million of gross proceeds realized in December 2016 from the issuance of equity by the Company to prepay any indebtedness under the Amended and Restated GSO Note Purchase Agreement (as defined below).

Borrowings under the credit facility following the Fifth Amendment generally bear interest at the British Bankers Association LIBOR rate or an alternate base rate, in each case plus an additional margin based on the consolidated leverage ratio as set forth below:

			Fee Rate

Certain of the lenders under the Credit Agreement and their affiliates have in the past provided, and may from time to time in the future provide, commercial banking, financial advisory, investment banking and other services to the Company and its subsidiaries. They have received, and may receive in the future, customary fees and commissions for these transactions.
