Item 1.01. Entry into a Material Definitive Agreement.

Underwriting Agreement

On July 17, 2017, Viper Energy Partners LP (the “Partnership”), a subsidiary of Diamondback Energy, Inc. (“Diamondback”), entered into an Underwriting Agreement (the “Underwriting Agreement”), by and among the Partnership, Viper Energy Partners GP LLC (the “General Partner”), Viper Energy Partners LLC (“OpCo” and, together with the Partnership and the General Partner, the “Partnership Parties”) and Credit Suisse Securities (USA) LLC, as representative of the several underwriters named therein (the “Underwriters”), providing for the offer and sale by the Partnership, and the purchase by the Underwriters, of 14,000,000 Common Units representing limited partner interests (“Common Units”) in the Partnership (the “Firm Unit Offering”). Pursuant to the Underwriting Agreement, the Partnership also granted the Underwriters an option for a period of 30 days to purchase up to an additional 2,100,000 Common Units on the same terms (the “Optional Unit Offering” and, together with the Firm Unit Offering, the “Offering”), which was exercised in full on July 18, 2017. The purchase price to the public for the Common Units offered in the Offering was \$14.75 per Common Unit, except that in the Firm Unit Offering, Diamondback purchased 700,000 Common Units from the Underwriters at \$14.38125 per unit, which is the price per Common Unit paid by the Underwriters to the Partnership. Following the Offering, Diamondback had an approximate 64% limited partner interest in the Partnership.

The Offering closed on July 21, 2017. The Partnership received net proceeds of approximately \$232.6 million (after deducting underwriting discounts and commissions and estimated offering expenses) from the Offering. The Partnership intends to use the net proceeds from the Offering to repay the outstanding borrowings under the Partnership’s revolving credit facility, to fund a portion of the purchase price for the Partnership’s pending acquisitions and for general partnership purposes, which may include additional acquisitions.

The Underwriting Agreement contains customary representations, warranties and agreements of the Partnership Parties and customary conditions to closing, obligations of the parties and termination provisions. The Partnership Parties have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the “Securities Act”), or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The Offering was made pursuant to the Partnership’s effective shelf registration statement on Form S-3 (File No. 333-205432), filed with the Securities and Exchange Commission (the “SEC”) on July 2, 2015 and declared effective by the SEC on July 13, 2015 (the “Shelf Registration Statement”), and a prospectus, which consists of a base prospectus, dated as of July 13, 2015, a preliminary prospectus supplement, filed with the SEC on July 17, 2017, and a final prospectus supplement, filed with the SEC on July 19, 2017 (collectively, the “Prospectus”).

As more fully described under the caption “Underwriting” in the Prospectus, the Underwriters and certain of their affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. The Underwriters and certain of their affiliates have, from time to time, performed, and may in the future perform, various commercial and investment banking and financial advisory services for the Partnership and its affiliates in the ordinary course of business for which they have received and would receive customary fees and expenses. Affiliates of certain of the Underwriters are lenders under the Partnership’s revolving credit facility and, accordingly, will receive a portion of the net proceeds of the Offering.

The foregoing description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.

Item 8.01. Other Events.

In connection with the Offering, the Partnership is filing two legal opinions of Akin Gump Strauss Hauer & Feld LLP, one regarding the legality of the Common Units issued in the Offering and the other regarding certain federal income tax matters, attached as Exhibits 5.1 and 8.1, respectively, to this Current Report on Form 8-K, to incorporate such opinions by reference into the Shelf Registration Statement.
