PROXY STATEMENT

For Annual Meeting of Stockholders to be held on May 24, 2016

General

The enclosed proxy is solicited on behalf of our Board of Directors (the “Board” or “Board of Directors”) for use at the Annual Meeting of Stockholders (the “Annual Meeting”) of B. Riley Financial, Inc. to be held on May 24, 2016, at 1:00 p.m. local time or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the Loews Hollywood Hotel, located at 1755 N. Highland Avenue, Hollywood, California 90028. We expect to mail this proxy statement to our stockholders on or about April 20, 2016.

All references to “us”, “we”, “our”, and “the Company” refer to B. Riley Financial, Inc. and its subsidiaries.

Solicitation of Proxies

The Board is soliciting the accompanying proxy. In accordance with unanimous recommendations of our Board, the individuals named in the proxy will vote all shares represented by proxies in the manner designated, or if no designation is made, they will vote the proxies FOR the election of all of the director nominees and FOR proposals 2 and 3. In their discretion, the proxy holders named in the proxy are authorized to vote on any other matters that may properly come before the Annual Meeting and at any continuation, postponement or adjournment of the Annual Meeting. As of the date of this Proxy Statement, the Board does not know of any other items of business that will be presented for consideration at the Annual Meeting other than those described in this proxy statement. The individuals acting as proxies will not vote on a particular matter if the proxy card representing those shares instructs them to abstain from voting on that matter or to the extent a proxy card is marked to show that some of the shares represented by the proxy card are not to be voted.

Shares Outstanding and Required Vote

Only holders of record of shares of our common stock at the close of business on the record date, April 8, 2016, will be entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. At the close of business on April 8, 2016, the Company had 16,614,786 shares of common stock outstanding and entitled to vote held by 105 stockholders of record. Each holder of record of shares of our common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of our outstanding shares of common stock entitled to vote are represented at the meeting, either in person or by proxy. All votes will be tabulated by the inspector of elections appointed for the meeting by the board of directors, who will tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions and broker shares that are voted as to any matter at the meeting will be included in determining if a quorum is present or represented at the Annual Meeting. Any broker holding shares of record for you is not entitled to vote on certain matters unless the broker receives voting instructions from you. Uninstructed shares, or broker non-votes, result when shares are held by a broker who has not received instructions from its customer on such matters and the broker has so notified us on a proxy form in accordance with industry practice or has otherwise advised us that the broker lacks voting authority. The effects of broker non-votes and abstentions on the specific items to be brought before the Annual Meeting are discussed under each item.

How to Vote

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. If you hold your shares of common stock in street name you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares. Your broker, bank or other nominee may allow you to deliver your voting instructions via the Internet and may also permit you to submit your voting instructions by telephone.

If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that if your shares are held of record by a broker, bank or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from your broker, bank or other nominee. Even if you plan to attend the Annual Meeting, we encourage you to submit your proxy to vote your shares in advance of the Annual Meeting.

Revocation of Proxies

You are a stockholder of record if at the close of business on the record date your shares were registered directly in your name with Continental Stock Transfer and Trust Company, our transfer agent. If you are a stockholder of record and give a proxy, you may revoke it at any time before its use, either:

- (1) by revoking it in person at the Annual Meeting;
- (2) by writing, delivered to our Corporate Secretary at 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, California 91367 before the proxy is used; or
- (3) by a later dated proxy card delivered to us at the above noted address before the proxy is used.

Your presence at the meeting will not revoke your proxy, but if you attend the meeting and cast a ballot, your proxy will be revoked as to the matters on which the ballot is cast.

If you hold your shares through a broker, bank, trustee or other nominee, please follow the instructions provided by your broker or other nominee as to how you may change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the Annual Meeting.

Cost and Method of Solicitation

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to our stockholders. Solicitation of proxies by mail may be supplemented by telephone or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners.

Stockholder List

A complete list of registered stockholders entitled to vote at the meeting will be available for examination by any stockholder, for any purpose related to the meeting, for ten days prior to the meeting during ordinary business hours at our principal offices located at 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, California 91367.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

We previously had a classified board of directors whereby the directors were elected to serve for three-year terms that were staggered into three classes. At our 2014 annual meeting of stockholders, the stockholders of the Company approved an amendment to the Company's Certificate of Incorporation (the "Charter Amendment"), which phases out such three-year, staggered terms and instead provides for the annual election of directors. The Charter Amendment became effective upon its filing with the Secretary of State of the State of Delaware on October 7, 2014.

Robert D'Agostino, Andrew Gumaer, Thomas J. Kelleher, Bryant R. Riley, Mikel H. Williams and Kenneth M. Young will serve as directors until the Annual Meeting, and Richard L. Todaro (as the remaining director with a staggered term) will serve as a director until our annual meeting of stockholders to be held in 2017, or until their respective successors are duly elected and qualified or their earlier death, resignation or removal.

Upon expiration of the term of any director, the successor to such director (or such director, if such director is reelected) will be elected for a one-year term at the annual meeting of stockholders in the year in which such term expires. Each director's term is subject to the election and qualification of his successor, or his earlier death, resignation or removal.

As stated above, the terms of Robert D'Agostino, Andrew Gumaer, Thomas J. Kelleher, Bryant R. Riley, Mikel H. Williams and Kenneth M. Young will expire on the date of the upcoming Annual Meeting. The Board of Directors has nominated each such individual to be elected as a director at the Annual Meeting. If elected, the nominees will serve as directors until our annual meeting of stockholders in 2017, or until their successors are duly elected and qualified. If any of the nominees declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as the Board of Directors may designate.

There are no familial relationships between any of our directors or our executive officers and any other director or executive officer. No arrangement or understanding exists between any nominee and any other person or persons pursuant to whom any nominee was or is to be selected as a director or director nominee of the Company.

Vote Required and Board of Directors’ Recommendation

Each director is elected by a plurality of the votes cast with regard to the election of directors. The persons named in the enclosed proxy will vote the proxies they receive FOR the election of the nominees named above, unless a particular proxy card withholds authorization to do so, or provides contrary instructions. Because directors are elected by a plurality of the votes cast, abstentions and broker non-votes will not be counted in determining which nominees receive the largest number of votes cast. Each of the nominees has indicated that he is willing and able to serve as a director. If, before the Annual Meeting, any nominee becomes unable to serve, an event that is not anticipated by the Board, the proxies will be voted for the election of whomever the Board may designate.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR

THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

PROPOSAL NO. 2**RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTING FIRM**

Our Board has selected Marcum LLP (“Marcum”) as our independent public accounting firm for the fiscal year ending December 31, 2016, and has further directed that management submit the selection of independent public accounting firm for ratification by our stockholders at our Annual Meeting. Marcum has audited our financial statements since the fiscal year ended December 31, 2006. Representatives of Marcum are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Marcum as our independent public accounting firm is not required by our Bylaws or otherwise. However, the Board is submitting the selection of Marcum to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Board and our Audit Committee (“Audit Committee”) will reconsider whether or not to retain Marcum. Even if the selection is ratified, the Board and the Audit Committee may, in their discretion, direct the appointment of a different independent public accounting firm at any time during the year if they determine that such a change would be in our and our stockholders’ best interests.

Audit and All Other Fees

The following table sets forth the aggregate fees for services provided to us by Marcum for the fiscal years ended December 31, 2014 and 2015:

	Fiscal 2014	Fiscal 2015

Audit-Related Fees (2)	24,383	4,590

March 31, 2015, June 30, 2015 and September 30, 2015 and (b) the audit of our financial statements for the year ended December 31, 2015.

- (2) Audit-Related Fees consists of fees for assurance and related services performed by Marcum LLP that related to the performance of the audit or review of the Company's financial statements other than audit fees.

Audit Committee Pre-Approval Policy

As a matter of policy, all audit and non-audit services provided by our independent registered public accounting firm are approved in advance by the Audit Committee, which considers whether the provision of non-audit services is compatible with maintaining such firm's independence. All services provided by Marcum during fiscal years 2014 and 2015 were pre-approved by the Audit Committee. The Audit Committee has considered the role of Marcum in providing services to us for the fiscal year ended December 31, 2016, and has concluded that such services are compatible with their independence as our auditors.

Vote Required and Board of Directors' Recommendation

Approval of this proposal requires the affirmative vote of the holders of a majority in voting power of our common stock present in person or represented by proxy at a meeting at which a quorum is present. Abstentions will be counted as present for purposes of determining the presence of a quorum and will have the same effect as a vote against this proposal. Broker non-votes will not result from the vote on Proposal No. 2.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF MARCUM LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.

PROPOSAL NO. 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) added Section 14A to Securities Exchange Act of 1934, as amended (the “Exchange Act”), which enables our stockholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the Securities and Exchange Commission’s (“SEC”) rules.

Our named executive officer compensation program is designed to attract, motivate and retain our named executive officers, who are critical to our success. Our Compensation Committee (“Compensation Committee”) believes an effective compensation program is one that is designed to recruit and retain executive leadership focused on attaining long-term corporate goals and increasing stockholder value. The Compensation Committee believes that it has taken a responsible approach to compensating our named executive officers.

We urge stockholders to read the “Executive Compensation” section of this proxy statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation table and other related compensation tables and narratives, which provide detailed information on the compensation of our named executive officers. The Board and the Compensation Committee believe that the policies and procedures described and explained therein are effective in achieving our goals and that the compensation of our named executive officers reported in this proxy statement supports and contributes to the Company’s long-term success.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our stockholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required and Board of Directors' Recommendation

Approval of this proposal requires the affirmative vote of the holders of a majority in voting power of our common stock present in person or represented by proxy at a meeting at which a quorum is present. Abstentions will be counted as present for purposes of determining the presence of a quorum and will have the same effect as a vote against this proposal. Broker non-votes will not result from the vote on Proposal No. 3.

The Board of Directors recommends that stockholders vote FOR the approval of the compensation of our named executive officers on an advisory basis, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board of Directors has adopted corporate governance guidelines to assist it in the exercise of its responsibilities and to serve the interests of the Company and our stockholders. The corporate governance guidelines are available for review on our website at <http://ir.brileyfin.com/governance.cfm>.

Director Independence

Our Board has unanimously determined that four (4) of our directors, Messrs. D'Agostino, Todaro, Williams and Young, a majority of the Board, are "independent" directors as that term is defined by Nasdaq Marketplace Rule 5605(a)(2). In addition, based upon such standards, the Board determined that Messrs. Riley, Gumaer and Kelleher are not "independent" because they are employees of the Company. Further, the Board determined that Matthew M. Hart and Hugh G. Hilton, who served as directors until October 2015, were "independent" directors as that term is defined by Nasdaq Marketplace Rule 5605(a)(2).

Nominations for Directors

Our Corporate Governance Committee ("Corporate Governance Committee") evaluates and recommends to the Board of Directors director nominees for each election of directors. In fulfilling its responsibilities, the Corporate Governance Committee considers the following factors: (i) demonstrated personal integrity and moral character; (ii) willingness to apply sound and independent business judgment for the long-term interests of the stockholders; (iii) relevant business or professional experience, technical expertise or specialized skills; (iv) personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative Board responsive to the Company's needs; and (v) ability to commit sufficient time to effectively carry out the substantial duties of a director. The Corporate Governance Committee and the Board will not consider as a director candidate anyone who is an officer, director or principal of an enterprise which is in substantial competition with the Company. Other than the foregoing factors, there are no stated minimum criteria for director nominees. However, the Corporate Governance Committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Corporate Governance Committee does, however, recognize that under applicable regulatory requirements at least one member of the Board must, and believes that it is preferable that more than one member of the Board should, meet the criteria for an "audit committee financial expert" as defined by SEC rules. Further, although the Company does not have a formal diversity policy, the Corporate Governance Committee seeks to nominate a board of directors that brings to the Company a variety of perspectives, skills, expertise, and sound business understanding and judgment, derived from business, professional, governmental, finance, community and industry

experience.

The Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. If the Corporate Governance Committee believes that the Board of Directors requires additional candidates for nomination, the committee may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Corporate Governance Committee reviews all nominees, including those recommended by stockholders, for nomination by the Board in accordance with the above requirements and qualifications to determine whether they possess attributes the Corporate Governance Committee believes would be most beneficial to the Company. The Corporate Governance Committee will select qualified candidates and make its recommendations to the Board, which will formally decide whether to nominate the recommended candidates for election to the Board. Stockholders may recommend nominees for consideration by the Corporate Governance Committee by submitting the names and the following supporting information to the Company's Secretary: Corporate Secretary, Stockholder Nominations, B. Riley Financial, Inc., 21860 Burbank Blvd., Suite 300 South, Woodland Hills, California 91367. The submissions should include a current resume of the candidate and statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate.

Our Bylaws provide that any stockholder who is entitled to vote at the annual meeting of our stockholders and who complies with the notice requirements described below may nominate persons for election to the Board of Directors. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than 60 days or more than 90 days prior to the first anniversary of the date on which we first mailed our proxy materials (or, in the absence of proxy materials, our notice of meeting) for the previous year's annual meeting of stockholders. However, if our annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder to be timely must be delivered to our corporate secretary at our principal executive offices not earlier than the close of business the 90th day prior to such annual meeting and not later than the later of (i) the 60th day prior to such annual meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made.

The stockholder's notice relating to director nomination(s) shall set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of our capital stock which are beneficially owned by the person, and (iv) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Exchange Act; (b) as to the stockholder giving the notice, (i) the name and record address of the stockholder, (ii) the class and number of shares of our capital stock which are beneficially owned by the stockholder, (iii) a representation that the stockholder is a holder of record of our capital stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination and (iv) a representation whether the stockholder or beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of our outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (b) otherwise to solicit proxies from stockholders in support of such nomination. These notice requirements are deemed satisfied if the stockholder notifies us that he or she intends to present a nomination at the annual meeting in compliance with SEC rules and such stockholder's nomination has been included in a proxy statement that has been prepared by us.

Stockholder Communications with Directors

Stockholders may communicate with the Board of Directors by sending a letter to the Corporate Secretary, Stockholder Communications of B. Riley Financial, Inc., 21860 Burbank Blvd., Suite 300 South, Woodland Hills, California 91367. Each communication must set forth the name and address of the stockholder on whose behalf the communication is sent and should indicate in the address whether the communication is intended for the entire Board, the non-management directors as a group or an individual director. Each communication will be screened by the Secretary or his designee to determine whether it is appropriate for presentation to the Board or such director(s). Examples of inappropriate communications include junk mail, spam, mass mailings, resumes, job inquiries, surveys, business solicitations and advertisements, as well as unduly hostile, threatening, illegal, unsuitable, frivolous, patently offensive or otherwise inappropriate material. Communications determined to be appropriate for presentation to the Board or the director(s) to whom it is addressed will be submitted to the Board or such director on a periodic basis. Any communications that concern complaints regarding accounting, internal controls or auditing matters will be handled in accordance with procedures adopted by the Audit Committee.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees. The Code of Business Conduct and Ethics is available for review on our website at <http://ir.brileyfin.com/governance.cfm>, and is also available in print, without charge, to any stockholder who requests a copy by writing to us at B. Riley Financial, Inc., 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, California 91367, Attention: Investor Relations. Each of our directors, employees and officers, including our Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer, and all of our other principal executive officers, are required to comply with the Code of Business Conduct and Ethics. There have not been any waivers of the Code of Business Conduct and Ethics relating to any of our executive officers or directors in the past year.

Meetings and Committees of the Board

Our Board is responsible for overseeing the management of our business. We keep our directors informed of our business at meetings and through reports and analyses presented to the Board and the committees of the Board. Regular communications between our directors and management also occur apart from meetings of the Board and committees of the Board.

Meeting Attendance

Our Board normally meets quarterly, but may hold additional meetings as required. During fiscal year 2015, the Board held five regularly scheduled meetings. Each of our directors attended at least 75% of the Board meetings he was eligible to attend and each director attended at least 75% of the meetings of each committee of the Board on which he was serving. We do not have a policy requiring that directors attend our annual meeting of stockholders. Four of our directors attended our 2015 annual meeting of stockholders.

Committees of the Board of Directors

Our Board currently has three standing committees to facilitate and assist the Board in the execution of its responsibilities: the Audit Committee, the Compensation Committee and the Corporate Governance Committee.

Audit Committee

Our Audit Committee is composed of Messrs. Kenneth M. Young (Chairperson), Richard L. Todaro and Mikel H. Williams. Former directors Matthew J. Hart and Hugh G. Hilton served on our Audit Committee until their resignation from the Board in October 2015. Our Board has affirmatively determined that each member of the Audit Committee during 2015 was, and each current member is, independent under Nasdaq Marketplace Rule 5605(a)(2), and meets all other qualifications under Nasdaq Marketplace Rule 5605(c) and the applicable rules of the SEC. Our Board has also affirmatively determined that Kenneth M. Young qualifies as an “audit committee financial expert” as such term is defined in Regulation S-K under the Securities Act of 1933. During 2015, the Audit Committee held four meetings. The Audit Committee acts pursuant to a written charter, which is available for review on our website at <http://ir.brileyfin.com/governance.cfm>. The responsibilities of the Audit Committee include overseeing, reviewing and evaluating our financial statements, accounting and financial reporting processes, internal control functions and the audits of our financial statements. The Audit Committee is also responsible for the appointment, compensation, retention, and as necessary, the termination of our independent auditors.

Compensation Committee

Our Compensation Committee is composed of Messrs. Robert D’Agostino (Chairperson), Mikel H. Williams and Kenneth M. Young. Former directors Matthew J. Hart and Hugh G. Hilton served on our Compensation Committee until their resignation from the Board in October 2015. Our Board has affirmatively determined that each member of the Compensation Committee during 2015 was, and each current member is, independent as such term is defined under Nasdaq Marketplace Rule 5605(a)(2) and the applicable rules of the SEC. During 2015, the Compensation Committee met one time. Our Board has adopted a charter for the Compensation Committee which is available for review on our website at <http://ir.brileyfin.com/governance.cfm>. The Compensation Committee reviews and makes recommendations to our Board concerning the compensation and benefits of our executive officers, including the Chief Executive Officer, and directors, oversees the administration of our stock incentive and employee benefits plans, and reviews general policy relating to compensation and benefits.

Corporate Governance Committee

Our Corporate Governance Committee is composed of Messrs. Richard L. Todaro (Chairperson), Robert D'Agostino and Kenneth M. Young. Messrs. Former directors Matthew J. Hart and Hugh G. Hilton served on our Corporate Governance Committee until their resignation from the Board in October 2015. Our Board has affirmatively determined that each member of the Corporate Governance Committee during 2015 was, and each current member is, independent as such term is defined under Nasdaq Marketplace Rule 5605(a)(2). The Corporate Governance Committee evaluates and recommends to the Board nominees for each election of directors. The Corporate Governance Committee met one time in 2015. Our Board has adopted a charter for the Corporate Governance Committee and a copy of that charter is available for review on our website at <http://ir.brileyfin.com/governance.cfm>. The responsibilities of the Corporate Governance Committee include making recommendations to the Board with respect to the nominations or elections of directors and providing oversight of our corporate governance policies and practices.

Board Leadership Structure

Pursuant to our Corporate Governance Guidelines and Bylaws, the Board may, but is not required to, select a Chairman of the Board on an annual basis. In addition, the positions of Chairman of the Board and Chief Executive Officer may be filled by one individual or two different individuals. Mr. Riley, our Chief Executive Officer, currently serves as Chairman of our Board.

The Board has determined that its current structure, with a combined Chairman and Chief Executive Officer and independent directors as members of each Board committee, is in the best interests of our company and our stockholders. The Board believes that combining the Chairman and Chief Executive Officer positions is currently the most effective leadership structure for our company given Mr. Riley's in-depth knowledge of many of the businesses and industries in which we operate, his ability to formulate and implement strategic initiatives, and his extensive contact with and knowledge of certain of our customers. In addition, as a member of our Board of Director's since 2009, Chairman of B. Riley & Co., LLC since founding the stock brokerage firm in 1997 and Chief Executive Officer of B. Riley & Co., LLC from 1997 to 2006, Mr. Riley provides important continuity in the operation of our business and its oversight by our Board. His knowledge and experience, as well as his role as our Chief Executive Officer, provide that he is in a position to elevate the most critical business issues for consideration by our independent directors.

We believe that the independent nature of the Board committees, as well as the practice of our independent directors regularly meeting in executive session without Mr. Riley, Mr. Gumaer, Mr. Kelleher or other members of our management present, ensures that our Board maintains a level of independent oversight of management that we believe is appropriate for our company. We do not have a lead independent director; however, pursuant to our Corporate Governance Guidelines, the Board may at any time decide to appoint a Presiding Director to provide leadership of executive sessions of the Board and consult with the Chairman with respect to matters to be brought before the Board, should it believe that such an appointment would be beneficial to the company and its stockholders.

Board Role in Risk Management

The Board as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board committees. These committees then provide reports to the full Board. The oversight responsibility of the Board and its committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks and management's risk mitigation strategies. These areas of focus include strategic, operational, financial and reporting, succession and compensation, and other risks. The Board and its committees oversee risks associated with their respective areas of responsibility, as summarized below. Each committee meets in executive session with key management personnel and representatives of outside advisors as required.

Employment Agreements with Andrew Gumaer and Harvey M. Yellen

On July 31, 2009, we entered into employment agreements with Andrew Gumaer and Harvey M. Yellen. The employment agreements of Messrs. Gumaer and Yellen were amended and restated in their entirety on May 19, 2014, in connection with the BRC Acquisition, with changes effective as of June 18, 2014, the date of the initial closing of the BRC Acquisition. Prior to such amendment and restatement of such agreements, such agreements provided that, among other things, Messrs. Gumaer and Yellen were each entitled to receive (i) annual base salaries of at least \$729,303 for the period from July 31, 2013 to July 31, 2014; however, each of Messrs. Gumaer and Yellen accepted a reduced base salary of \$630,000 for fiscal 2014, (ii) annual increases to their the annual base salaries of no less than five percent, (iii) an annual discretionary bonus, (iv) monthly automobile allowances of \$2,000, (v) indemnification, and an agreement from the Company to hold Messrs. Gumaer and Yellen harmless, to the fullest extent permitted by law against any and all liabilities incurred by Messrs. Gumaer and Yellen in connection with employment by us and (vi) severance payments if Messrs. Gumaer's and Yellen's employment relationship is terminated by us without "Cause" or by Messrs. Gumaer or Yellen with "Good Reason," or upon the death or disability of Messrs. Gumaer and Yellen. For purposes of such severance, "Good Reason" was defined as (a) a material diminution in Messrs. Gumaer and Yellen's base salary, authority, duties, or responsibilities; (b) a material diminution in the budget over which Messrs. Gumaer and Yellen retains authority; (c) a material change in the geographic location at which Messrs. Such severance consisted of payment of a lump sum equal to one year of base salary, a lump

Gumaer and Yellen and Messrs. Gumaer and Yellen's spouse and dependents. Severance would not have been owed if Messrs. Gumaer and Yellen terminated the employment relationship without Good Reason or if we terminated the relationship for "Cause." "Cause" was defined to exist if Messrs. Gumaer and Yellen: (1) engages in gross misconduct or gross negligence in the performance of Messrs. Gumaer and Yellen's duties or willfully and continuously failed or refused to perform any duties reasonably requested in the course of Messrs. Gumaer and Yellen's employment consistent with Messrs. Such employment agreements also provide for the award of an annual discretionary bonus and the reimbursement of certain business expenses. Each such employment agreement also contains an indemnification provision wherein the Company promises to defend, indemnify, and hold the respective employee harmless to the fullest extent permitted by law against any and all liabilities incurred by such employee in connection with employment by the Company. The term of each such employment agreement is three years from June 18, 2014, which term shall be automatically extended for one year terms, unless either party gives the other party not less than 90 days' prior written notice of the intention to not extend such amendment and restated employment agreement automatically. Mr. Yellen's employment with the Company ceased on February 17, 2015.

Employment Agreement with Alan N. Forman

In April 2015, we entered into an employment agreement with Alan N. Forman, an executive officer of the Company, in connection with the commencement of his employment with the Company on May 12, 2015. The employment agreement with Mr. Forman is for a term of two years from May 12, 2015, which term shall be automatically extended for one year terms, unless either party gives the other party not less than 90 days' prior written notice of the intention to not extend such employment agreement automatically. Either party may terminate the employment relationship at any time, subject to possible acceleration of vesting as set forth below. Pursuant to the employment agreement, Mr. Forman is entitled to receive (i) an annual base salary of \$300,000 per year, (ii) an annual discretionary bonus with a target equal to 100% of his annual base salary, based on the achievement of annual target performance goals established by the Compensation Committee (provided that Mr. Forman may be eligible for a bonus that is (A) less than such target if the Company or Mr. Forman do not achieve annual targets but achieve certain threshold performance goals set by the Compensation Committee or (B) greater than such target if the Company or Mr. Forman achieve superior performance to the goals established), (iii) a grant of restricted common stock (or restricted stock units) with a fair market value equal to \$150,000, (iv) reimbursement for certain business expenses, and (v) an indemnification provision wherein the Company promises to defend, indemnify, and hold Mr. Forman harmless to the fullest extent permitted by law against any and all liabilities incurred by Mr. Forman in connection with employment by the Company. Pursuant to the employment agreement, the vesting for the restricted stock units referenced above accelerates in full upon a Change in Control (as defined in our Amended and Restated 2009 Stock Incentive Plan). Further, the vesting for such restricted stock units and any other unvested restricted shares, restricted stock units or other equity securities held by Mr. Forman accelerates in full in the event Mr. Forman's employment relationship is terminated by us without "Cause" (as defined in our Amended and Restated 2009 Stock Incentive Plan) or by Mr. Forman with "Good Reason". For purposes of such provision, "Good Reason" is defined as the occurrence of any of the following without Mr. Forman's consent (a) a material diminution in the nature or scope of Mr. Forman's responsibilities, duties or authority in his capacity as Executive Vice President, General Counsel and Secretary of the Company, without regard to any other responsibilities, duties or authority Mr. Forman may have had or performed for the Company at any time; (b) the Company's material breach of Mr. Forman's employment agreement; (c) any change in the Mr. Forman's reporting relationship so that he no longer reports to Bryant R. Private Placement

On June 5, 2014, we completed a private placement of 10,289,300 shares of our common stock at a purchase price of \$5.00 per share (the "Private Placement"). Fifty-three accredited investors (the "Investors") participated in the Private Placement pursuant to the terms and provisions of a securities purchase agreement entered into among us and the Investors on May 19, 2014. At the closing of the Private Placement on June 5, 2014, we received net proceeds of approximately \$51.2 million. Effective as of the closing, the Company entered into a registration rights agreement with the Investors (the "Registration Rights Agreement") which obligated the Company, subject to certain conditions, to file with the SEC one or more registration statements to register the Private Placement Shares and certain shares of common stock issued in connection with the BRC Acquisition (the "Acquisition Shares") for resale under the Securities Act of 1933, as amended (the "Securities Act"), and to maintain the effectiveness of all such registration statements until the earlier of June 18, 2019 or such time as the Private Placement Shares and Acquisition Shares registered thereunder have been sold or become eligible for sale without restriction under Rule 144 promulgated under the Securities Act. In accordance with the terms of the Registration Rights Agreement, the Company filed a registration statement on Form S-1 with the SEC covering the resale of the common stock issued in the Private Placement and BRC Acquisition on September 18, 2014 and the registration statement was declared effective on November 7, 2014. The Company filed a post-effective amendment to such registration statement on April 20, 2015 with the SEC to convert such Form S-1 registration statement into a registration statement on Form S-3, which registration statement, as amended, was declared effective on July 2, 2015. After considering the terms of the Private Placement and the interests of certain related parties with respect thereto, the Private Placement and related transactions were unanimously approved by the Board, including all of the members of the Audit Committee. Certain related parties at the time of the Private Placement participated in the Private Placement as Investors as set forth below:

BRC Acquisition

On June 18, 2014, we completed the initial closing of the BRC Acquisition pursuant to the terms of the Acquisition Agreement (the “Acquisition Agreement”), dated as of May 19, 2014, by and among the Company, Darwin Merger Sub I, Inc., a wholly owned subsidiary of the Company, B. Riley Capital Markets, LLC, a wholly owned subsidiary of the Company (“BCM”), B. Riley and Co. Inc. (“BRC”), B. Riley & Co. Holdings, LLC (“BRH”), Riley Investment Management LLC (“RIM,” and collectively with BRC and BRH, the “B. Riley Entities”) and Bryant R. Riley (the principal owner of each of the B. Riley Entities). In connection with the BRC Acquisition, Darwin Merger Sub I, Inc. merged with and into BRC, and BRC subsequently merged with and into BCM, with BCM surviving as a wholly owned subsidiary of the Company. We completed the acquisitions of BRH, whose operations include asset management and financial advisory services, and RIM, which provides services to certain pooled investment vehicles, on August 1, 2014.

The total purchase price for the B. Riley Entities was \$26.4 million, which was paid at closing on June 18, 2014 or through post-closing adjustments and arrangements, in the form of 4,182,637 newly issued shares of our common stock. The fair value of the newly issued shares of the Company’s common stock for accounting purposes was determined based on the closing market price of the Company’s shares of common stock on the acquisition date, less a 25% discount for lack of marketability as the shares issued are subject to certain restrictions that limit their trade or transfer in the open market.

Prior to the BRC Acquisition, Bryant R. Riley was a director and officer of, and the primary equity holder in, BRC and Thomas J. Kelleher was a director and officer of, and an equity owner in, BRC. In connection with the BRC Acquisition, on June 18, 2014 the Company issued (i) Mr. Kelleher 440,248 shares of the Company’s common stock in exchange for his ownership interests in BRC and (ii) Mr. Riley 3,751,264 shares of the Company’s common stock in exchange for his ownership interests in BRC. 628,727 of such shares issued to Mr. Riley were placed into an escrow account governed by the terms and conditions of an escrow agreement, dated as of June 18, 2014 by and among the Company, Mr. Riley and Continental Stock Transfer & Trust Company, Inc., as escrow agent (the “Escrow Agreement”). Such escrowed shares served as security for the indemnification obligations of Mr. Riley and the B. Riley Entities pursuant to the Acquisition Agreement and also served as security for any downward adjustment to the merger consideration as a result of the final working capital adjustment provided for in the Acquisition Agreement. As a result of such final working capital adjustment, 8,875 of such escrowed shares were forfeited to the Company by Mr. Riley and cancelled in accordance with the terms of the Acquisition Agreement and Escrow Agreement on December 29, 2014. The remaining 619,852 of such escrowed shares were released to Mr. Riley. After considering the terms of the BRC Acquisition and the interests of Mr. Riley with respect thereto, the BRC Acquisition and related transactions were unanimously approved by a special committee of disinterested directors and the Board, including all of the members of the Audit Committee.

Effective upon the closing of the BRC Acquisition on June 18, 2014, (i) Bryant R. Riley was appointed as our Chief Executive Officer and Chairman, (ii) Andrew Gumaer continued to serve as the Chief Executive Officer of GAG, LLC and no longer serves as the Company’s Chief Executive Officer and Chairman and (iii) Harvey M. Yellen

continued to serve as the President of GAG, LLC and no longer served as the Company's President and Vice-Chairman. Mr. Yellen's employment with the Company ceased on February 17, 2015. As a result of the BRC Acquisition and Bryant R. Riley's other beneficial ownership interests, Mr. Riley beneficially owns approximately 23.8% of our outstanding common stock. In addition, new employment agreements became effective upon the closing of the BRC Acquisition for Messrs. Gumaer, Yellen and Riley as further described herein.

Promissory Notes

As of December 31, 2013, there was \$48.8 million in aggregate principal amount outstanding owed to Andrew Gumaer, a director and an executive officer, and Harvey Yellen, a former director and executive officer, all of which accrued interest at 3.75%. In addition, there was \$1.7 million in aggregate principal amount outstanding payable to other related parties, \$1.0 million of which accrued interest at 3.75% and \$0.7 million of which accrue interest at 12.0%. On January 31, 2014, the Company paid in full the \$0.7 million of principal balance for the notes that had the 12.0% interest rate. The remaining \$1.0 million principal amount payable had a maturity date of July 31, 2014. The \$48.8 million principal amount payable to Messrs. Gumaer and Yellen had a maturity date of July 31, 2018.

On June 5, 2014, we used \$30.2 million of the net proceeds from the Private Placement to repay the principal amount and accrued interest owing to Messrs. Gumaer and Yellen. The \$30.0 million principal payment and then outstanding accrued interest of \$0.2 million retired the entire \$48.8 million face amount of such outstanding notes. The discount of \$18.8 million for the repayment of the notes payable was recorded as a capital contribution to additional paid in capital in our consolidated financial statements. After considering the terms of such repayment and the interests of Messrs. Gumaer and Yellen with respect thereto, such repayment was unanimously approved by the Board, including all of the members of the Audit Committee. On July 31, 2014, the remaining outstanding principal amount of \$1.0 million was paid in full to the other related parties. As of August 1, 2014, there is no remaining outstanding principal or interest payable on the notes payable to related parties.

Escrow Agreement

On July 31, 2009, Andrew Gumaer and Harvey Yellen, the then members of GAG, LLC, contributed all of their membership interests of GAG, LLC to the Company (the “Contribution”) in exchange for shares of common stock of the Company and subordinated unsecured promissory notes issued in favor of the Messrs. Gumaer and Yellen and the phantom equityholders of GAG, LLC. Concurrently with the Contribution, Alternative Asset Management Acquisition Corp. (“AAMAC”) merged with and into AAMAC Merger Sub, Inc., a subsidiary of the Company (together with the Contribution, the “Acquisition”).

In connection with the consummation of the Acquisition, the Company entered into that certain Escrow Agreement, dated as of July 31, 2009 (the "Acquisition Escrow Agreement"), with AAMAC, GAG, LLC, Andrew Gumaer, as representative of the members and phantom equityholders of GAG, LLC, and Continental Stock Transfer & Trust Company, as escrow agent, to provide a fund (a) to secure the indemnification obligations of GAG, LLC to AAMAC against losses that the Company, as the surviving entity of the Acquisition, may sustain as a result of (i) the inaccuracy or breach of any representation or warranty made by GAG, LLC in the acquisition agreement relating to the Acquisition or any schedule or certificate delivered by GAG, LLC in connection with such agreement and (ii) the non-fulfillment or breach of any covenant or agreement made by GAG, LLC in the such agreement, (b) to offset against any working capital shortfall pursuant to the acquisition agreement relating to the Acquisition or (c) to offset against any inventory amount shortfall. These shares will remain in escrow until such claims are resolved, at which time the remaining Escrowed Indemnification Stock shall be promptly returned to the Messrs. Gumaer and Yellen.

Riley Investment Partners, L.P. Promissory Note

In March 2015, the Company had capital deployed for three retail liquidation engagements. On March 10, 2015, the Company borrowed \$4.5 million from Riley Investment Partners, L.P. ("RIP") in accordance with a subordinated unsecured promissory note (the "RIP Note"). The principal amount of \$4.5 million for the RIP Note accrued interest at the rate of 10% per annum (or 15% in the event of a default under the RIP Note). The borrowings were for short-term working capital needs and capital for other retail liquidation engagements. RIP was also entitled to the Success Fee of 20% of the net profit, if any, earned by the Company in connection with a designated liquidation transaction. Pursuant to the terms of the RIP Note, under no circumstances was the Company obligated to pay to RIP any portion of the combined amount of interest and the Success Fee which exceeded twelve percent (12%) of the \$4.5 million principal amount of the RIP Note. The outstanding principal amount, together with the accrued and unpaid interest and the Success Fee, were due and payable by the Company on March 9, 2016. The RIP Note was subordinated in certain respects to the Company's guaranty relating to its existing credit facility with Wells Fargo Bank, National Association and, in the event of certain insolvency proceedings, with respect to such credit facility itself, as well as to any other indebtedness of the Company to the extent required by the documents governing the repayment thereof. Interest expense on the RIP Note totaled \$207,261 for the year ended December 31, 2015, which includes success fees of \$139,453. The RIP Note was repaid on May 4, 2015.

Riley Investment Management LLC, a wholly owned subsidiary of the Company, is the general partner of RIP. Bryant Riley, the Chief Executive Officer and Chairman of the Board of Directors of the Company, owns or controls approximately 45% of the equity interests of RIP. In addition, Thomas J. Kelleher, the President and a director of the Company, and one other employee of the Company, own or control de minimis amounts of the equity interests of RIP.

After considering the economic interests of Mr. Riley and Mr. Kelleher in the RIP Note and comparing the terms of the RIP Note to terms that may have been available from unaffiliated third parties, the disinterested members of the Company's Board of Directors unanimously approved the issuance of the RIP Note.

Procedures for Approval of Related Party Transactions

Under its charter, the Audit Committee is charged with reviewing all potential related party transactions. Our policy has been that the Audit Committee, which is comprised solely of independent, disinterested directors, reviews and then recommends such related party transactions to the entire Board for further review and approval. All such related party transactions are then required to be reported under applicable SEC rules. Aside from this policy, we have not adopted additional procedures for review of, or standards for approval of, related party transactions, but instead review such transactions on a case-by-case basis.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who beneficially own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from such reporting persons, we believe that all filing requirements applicable to our executive officers, directors and more than 10% stockholders were met in a timely manner.

Role of Compensation Committee and Executive Officers in Compensation Decisions

The Compensation Committee has oversight responsibility for our executive compensation programs. The Compensation Committee makes all compensation decisions for our Chief Executive Officer and other named executive officers and annually reviews their performance. Such review includes an analysis of the Company's performance and the performance of the Chief Executive Officer and other named executive officers with respect to matters including, but not limited to, the implementation of strategic and financial plan initiatives.

The Compensation Committee also reviews determinations of our Chief Executive Officer regarding all of the compensation of our other executive officers and provides guidance with respect thereto for consideration by our Chief Executive Officer. Our Chief Executive Officer makes determinations regarding the compensation of all other executive officers due to his daily involvement with our executive team. Our Chief Executive Officer annually reviews the performance of each other officer.

Role of Compensation Consultants in Compensation Decisions

The Compensation Committee did not utilize any compensation consultants in determining or recommending the amount and form of executive and director compensation for the fiscal year 2015.

Setting Executive Compensation

The Compensation Committee has structured our annual and long-term incentive-based executive compensation to motivate executives to achieve the business goals set by us and to reward the executives for achieving such goals. The structure of such compensation for certain of our executive officers is set forth in such executive's employment agreement with the Company. For more information regarding employment agreements for our named executive officers, see "Employment Agreements" below.

There is no pre-established policy or target for the allocation between short-term and long-term incentive compensation. Rather, the Compensation Committee reviews relevant information and market data for similar executives at other public companies of comparable size and in the same industry as the Company to determine the appropriate level and mix of incentive compensation. Income from such incentive compensation is realized as a result of the performance of the Company or the individual, depending on the type of program, compared to established goals.

Components of Compensation for Named Executive Officers

The compensation of our named executive officers consists of the following principal components: base salary, discretionary and performance based cash bonuses, and equity compensation. The Compensation Committee believes that the combination of these elements provides an appropriate mix between short-term and long-term cash and non-cash compensation that is essential to attracting and retaining talented and hard-working individuals and aligning their incentives with the interests of our stockholders.

Base Salary

We provide our named executive officers with a base salary as required under their respective employment agreements (see “Employment Agreements” below) or as otherwise determined by the Compensation Committee to compensate them for services rendered during the fiscal year. The Compensation Committee uses its judgment and discretion in determining the amount of each named executive officer’s base salary and reviews base salaries annually. In considering named executive officers’ base salaries, including for fiscal 2014 and fiscal 2015, the Compensation Committee considers individual and corporate performance factors, including the success of the Company in meeting its business and financial objectives and the overall contribution of each named executive officer in helping to attain those objectives. The Compensation Committee also considers other qualitative and quantitative factors that it may deem relevant, including industry trends and other similar information.

Discretionary and Performance Based Cash Bonuses

We have periodically paid cash bonuses to our named executive officers at the discretion of the Compensation Committee. Such compensation is designed to motivate our employees to meet the business and financial objectives of the Company.

Performance Based Cash Bonuses

The Compensation Committee believes performance-based cash compensation is important to focus our executives on, and reward our executives for, achieving key Company objectives. In furtherance of this, in August 2015, we adopted the B. Riley Financial, Inc. Management Bonus Plan (the “Bonus Plan”). The purpose of the Bonus Plan is to increase stockholder value and the success of the Company by motivating key employees, including our named executive officers, to perform to the best of their abilities and to achieve the Company’s objectives. The Bonus Plan’s goals are to be achieved by providing such employees with incentive awards only after the achievement of specified objective performance goals during specified performance periods, in each case determined by the Compensation Committee, the administrator of the Bonus Plan.

In fiscal 2015, the Compensation Committee established a non-equity incentive plan pursuant to the Bonus Plan for our executive officers, including each of our named executive officers, that included: 1) a minimum award of 25% of base salary upon the Company achieving a minimum adjusted EBITDA as defined by the Compensation Committee (“Adjusted EBITDA”) of \$16 million; 2) a target award of 100% of base salary upon the Company achieving a minimum Adjusted EBITDA of \$20 million (“Target Adjusted EBITDA”); and 3) a maximum award of 200% of base salary upon the Company achieving a minimum Adjusted EBITDA of \$30 million. Such plan also provided for target awards of a prorated percentage of base salary based on the foregoing for Adjusted EBITDA levels between the foregoing targets. The Company achieved Adjusted EBITDA of 129% of the Target Adjusted EBITDA and the bonuses awarded to each of Messrs. Riley, Kelleher, and Ahn was 157% of such individual’s respective base salary.

Discretionary Cash Bonuses

Our Compensation Committee may, in its discretion, award additional special cash bonuses to reward extraordinary efforts by our named executive officers. In fiscal 2014, the Compensation Committee awarded discretionary bonuses to Messrs. Kelleher and Ahn. The Compensation Committee did not award any such bonuses to any of our named executive officers for fiscal fiscal 2015.

Equity Compensation

The Company currently maintains one equity compensation plan, the Amended and Restated 2009 Stock Incentive Plan, which was established to provide participants, including our named executive officers, with incentives designed to align those employees' interests with the interests of our stockholders. In fiscal 2015, the Compensation Committee awarded restricted stock unit grants under our Amended and Restated 2009 Stock Incentive Plan to our named executive officers, as further described on the Summary Compensation Table above. The Compensation Committee believes that these grants, which vest over a period of time, appropriately align the interests of our named executive officers with those of our stockholders and retain, motivate and reward such executives.

Other

In addition, we provide our named executive officers with a variety of benefits that are generally available to all salaried employees and with perquisites and other personal benefits as determined appropriate by the Compensation Committee. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers. Attributed costs of the personal benefits described above for the named executive officers for fiscal 2015 are summarized in Footnote 4 of the Summary Compensation Table above.

Employment Agreements

On June 18, 2014, we entered into an employment agreement with Mr. Riley. Pursuant to the terms of such employment agreement, from and after June 18, 2014, Mr. Riley is entitled to receive an annual base salary of \$300,000, subject to adjustment in the sole discretion of the Compensation Committee. Such employment agreement also provides for the award of an annual discretionary bonus and the reimbursement of certain business expenses. The employment agreement also contains an indemnification provision wherein the Company promises to defend, indemnify, and hold Mr. Riley harmless to the fullest extent permitted by law against any and all liabilities incurred by Mr. Riley in connection with his employment by the Company. The term of such employment agreement is three years from June 18, 2014, which term shall be automatically extended for one year terms, unless either party gives the other party not less than 90 days' prior written notice of the intention to not extend such employment agreement automatically.

Equity Compensation Plan Information

Information about our equity compensation plans at December 31, 2015 was as follows:

DIRECTOR COMPENSATION

We use cash and equity based compensation to attract and retain qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that our directors expend in fulfilling their duties to our Company, the skill level required by our members of the Board and other relevant information. The Compensation Committee and our Board have the primary responsibility for reviewing, considering any revisions to, and approving director compensation. The Company does not pay its management directors for Board service in addition to their regular employee compensation.

Prior to August 1, 2015, each of our non-employee directors received annual fees of \$15,000 in cash, payable in quarterly installments, and \$15,000 in equity in the form of restricted stock units under the Company's Amended and Restated 2009 Stock Incentive Plan. Such restricted stock units were subject to vesting. The restricted stock units issued in 2014 vested in full on July 31, 2015. Vesting was contingent upon continued service of the applicable non-employee director on the Board through July 31, 2015 and was subject to full acceleration in the event of certain change in control transactions for the Company. In addition to the foregoing, the chairpersons of our Audit Committee, Compensation Committee and Corporate Governance Committee each received additional annual fees of \$2,000 in cash as compensation for such service during such time period.

Since August 1, 2015, each of our non-employee directors has received annual fees of \$20,000 in cash, payable in quarterly installments, and \$20,000 in equity in the form of restricted stock units under the Company's Amended and Restated 2009 Stock Incentive Plan. Such restricted stock units are subject to vesting and will vest on the earlier of the date of the Annual Meeting or August 12, 2016, subject to continued service on the Board through such vesting date. Such vesting is subject to full acceleration in the event of certain change in control transactions for the Company. In addition to the foregoing, since August 1, 2015, the chairpersons of our Audit Committee, Compensation Committee and Corporate Governance Committee receive annual fees of \$5,000, \$2,000 and \$2,000, respectively, and each of our non-employee directors that is a member of the Audit Committee, Compensation Committee and Corporate Governance Committee receives annual fees of \$2,500, \$1,000 and \$1,000, respectively.

From time to time our non-employee directors may receive additional compensation through equity compensation or otherwise at the discretion of the disinterested directors of the Board for extraordinary service relating to their capacity as Board members.

The following table summarizes the total compensation that our directors (other than directors who are named executive officers) earned during the fiscal year ended December 31, 2015 for services rendered as members of our Board.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors is comprised of independent directors as required by the listing standards of The Nasdaq Stock Market, Inc. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

The role of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting process, accounting principles and internal controls. The Company's independent public accountants are responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed the audited financial statements of the Company as of and for the year ended December 31, 2015 with management and the Company's independent public accountants. The Audit Committee has discussed with the Company's independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 1301 (Communication with Audit Committees) as adopted by the Public Company Accounting Oversight Board and as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the Company's independent public accountants required by the applicable requirements of the Public Company Accounting Oversight Board and it has discussed with the Company's independent public accountants their independence from the Company.

The members of the Audit Committee are not engaged in the accounting or auditing profession. In the performance of their oversight function, the members of the Audit Committee necessarily relied upon the information, opinions, reports and statements presented to them by management of the Company and by the Company's independent public accountants. As a result, the Audit Committee's oversight and the review and discussions referred to above do not assure that management has maintained adequate financial reporting processes, principles and internal controls, that the Company's financial statements are accurate, that the audit of such financial statements has been conducted in accordance with generally accepted auditing standards or that the Company's independent public accountants meet the applicable standards for independent public accountants independence.

Based on the reports and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2015, for filing with the SEC.

Respectfully submitted,
THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Kenneth M. Young
Richard L. Todaro
Mikel H. Williams

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are the Company’s stockholders will be “householding” our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to B. Riley Financial, Inc., c/o Corporate Secretary, 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, California 91367 or call Investor Relations at (818) 884-3737. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in our 2016 proxy statement, a stockholder’s proposal must be received by us no later than December 20, 2016, unless the date of our 2017 Annual Meeting of Stockholders is more than 30 days before or after May 24, 2017 (the one-year anniversary date of the Annual Meeting), in which case such proposals must be received by the Company a reasonable time before the Company begins to print and send applicable proxy materials. In addition, stockholder proposals must otherwise comply with Rule 14a-8 under the Exchange Act.

Pursuant to the terms of our Bylaws, stockholders wishing to submit proposals or director nominations, including those that are not to be included in such proxy statement and proxy, must provide timely notice in writing to our Secretary. To be timely, a stockholder’s notice must be delivered to or mailed and received at our principal executive offices not less than 60 days or more than 90 days prior to the previous year’s annual meeting of stockholders for our 2017 annual meeting of stockholders, unless the date of the 2017 annual meeting of stockholders is more than 30 days before or 70 days after the one-year anniversary of the Annual Meeting, in which case notice by the stockholder must be delivered not earlier than 90 days prior to the annual meeting and not later than the later of (a) 60 days prior to such annual meeting or (b) the tenth day following the date on which we first make a public announcement of the date of the annual meeting.

While our board will consider proper stockholder proposals that are properly brought before the annual meeting, we reserve the right to omit from our 2017 proxy statement stockholder proposals that we are not required to include under the Exchange Act.

ANNUAL REPORT

Our 2015 Annual Report on Form 10-K accompanies the proxy materials being provided to all stockholders. We will provide, without charge, additional copies of our 2015 Annual Report on Form 10-K upon the receipt of a written request by any stockholder.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at our annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors

Bryant R. Riley
Chairman and Chief Executive Officer
