ITEM 7.01 REGULATION FD DISCLOSURE.

On June 28, 2017, Comerica Incorporated (“Comerica”) issued a press release announcing that after the Federal Reserve had completed its 2017 Comprehensive Capital Analysis and Review (“CCAR”), it did not object to the Comerica capital plan and capital distributions contemplated in the plan. The plan includes equity repurchases of up to \$605 million for the four-quarter period commencing in the third quarter 2017 and ending in the second quarter 2018. The timing and ultimate amount of equity repurchases will be subject to various factors, including the Company’s financial performance and market conditions.

In addition, at its meeting on July 25, 2017, the Board will consider increasing the Company’s quarterly dividend to \$0.30 per common share, a 15 percent increase over the current dividend rate.

Shares reacquired pursuant to the equity repurchase program will be held as treasury shares and may be used for various corporate purposes, including to offset issuances of common shares under Comerica's compensation plans. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

The information in Items 7.01 and 9.01 of this report (including Exhibit 99.1 hereto) is being “furnished” and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except as shall be expressly set forth by specific reference in such a filing.
