Item 8.01 Other Events

Peoples Bank, National Association (“Peoples Bank”), the wholly-owned banking subsidiary of Peoples Bancorp Inc. (“Peoples”), is the owner and beneficiary of life insurance policies on the lives of certain officers and employees, known as bank owned life insurance or BOLI. These policies are recorded and reported as an asset on Peoples' Consolidated Balance Sheets at each policy's respective cash surrender value, with changes in such cash surrender value recognized as other non-interest income on Peoples' Consolidated Statements of Income.

Peoples Bank's BOLI policies were purchased to provide funding for future payment of long-term retirement and other employee benefit costs. Peoples Bank initially invested \$20.0 million in BOLI in 2001, which was followed by another \$20.0 million investment in 2004. These BOLI policies have a stable value agreement through a multi-national insurance carrier that provides unlimited cash surrender value protection in the event of declines in the value of each policy's underlying investments. Since 2008, the cash surrender value of these BOLI policies and corresponding non-interest income have been adversely affected by a decline in the value of the investments underlying the policies below the cost basis of Peoples Bank's BOLI investment. As a result, Peoples has recognized minimal BOLI non-interest income for several quarters.

As previously disclosed in Peoples' Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2013, Peoples Bank has taken steps in 2013 to reduce its BOLI investment and improve long-term shareholder return. The first action was a \$5.2 million partial withdrawal which was completed in May 2013. The second was a request for a full surrender of certain BOLI policies, which was made on July 19, 2013. The BOLI policies subject to the full surrender had a cash surrender value of \$42.8 million and cost basis of \$36.5 million at June 30, 2013.

On July 30, 2013, Peoples Bank received notification from the insurance carrier that the surrender request had been processed. Concurrently, the insurance carrier redeemed the investments underlying the BOLI policies. The proceeds of the investment redemptions totaled \$36.2 million and were received by Peoples Bank on July 31, 2013. These funds initially will be redeployed as part of Peoples Bank's investment portfolio with the goal of funding future loan growth. The remaining cash surrender value of approximately \$6.6 million is expected to be paid out by the end of January 2014 in accordance with the terms of the BOLI policies.

Peoples also will incur a federal income tax liability of approximately \$2.2 million in the third quarter of 2013 for the gain associated with the BOLI policies surrendered. The corresponding income tax expense is expected to reduce Peoples' third quarter 2013 earnings by \$0.21 per diluted share. The redeployment of the BOLI proceeds is expected to increase Peoples' annual net interest income by at least \$1 million.
