The proceeds received by the Company, net of fees and expenses incurred by the Company's placement agent, were \$1,011,968.

The following describes certain of the material terms of this transaction. The description below is not a complete description of the terms of the financing transaction and is qualified in its entirety by reference to the agreements entered into in connection therewith which are included as exhibits to this Current Report on Form 8-K.

Series A Preferred Stock. Each Investor received certain rights in connection with its purchase of the Series A Preferred Stock:

- * The Investor shall be entitled to receive in preference to any dividend on the Common Stock a cumulative non-compounding dividend at the rate of 8% per annum of the original Preferred A Per Share Price.
- * In the event of any liquidation or winding up of the Company, the Investor shall be entitled to receive in preference to the holders of the Common Stock an amount equal to two times the original Preferred A Per Share Price plus any declared but unpaid dividends.
- * The conversion price of the Series A Preferred Stock will be subject to a weighted average adjustment (based on all deemed outstanding shares of Common Stock and shares of Preferred Stock) and to reduce dilution in the event that the Company issues additional equity securities (other than the shares reserved for issuance under or to Laurus Master Fund Ltd., the Company's Stock Option Plan, the Company's Employee Stock Purchase Plan, employees, officers, consultants and directors of the Company, and under other currently existing options, warrants and obligations to issue shares) at a purchase price less than the Series A Preferred Stock conversion price. The Series A Preferred Stock conversion price will also be subject to proportional adjustment for stock splits, stock dividends, recapitalizations and the like.

- * The Series A Preferred Stock will vote together with the Common Stock and not as a separate class except as required by law, however, the Series A Preferred Stock, exclusively and as a separate class, will be entitled to elect one (1) director of the Corporation. Each share of Series A Preferred Stock shall have a number of votes equal to the number of shares of Common Stock then issuable upon conversion of such share of Series A Preferred Stock.

The foregoing provisions were incorporated in the Certificate of Designation filed with the Secretary of State of the State of Delaware on February 17, 2006.

2

Warrant to Purchase Shares of Stock. The Investors received warrants to purchase up to an aggregate 324,530 shares of the Company's common stock at an exercise price of \$2.125 per share. The warrant expires five years from issuance. In lieu of exercising the warrant with cash, the Holder may elect to receive that number of shares of common stock equal to the value of the warrant (or that portion being exercised) at the time of exercise.

In connection with the above transactions, the Company issued to its placement agent warrants (the "Placement Agent Warrants") (i) to purchase up to an aggregate 48,675 shares of the Company's common stock at an exercise price of \$2.125 per share and (ii) to purchase up to an aggregate 9,735 shares of the Company's Series A Preferred Stock at an exercise price of \$17.00 per share. The Placement Agent Warrants expire ten years from issuance. In lieu of exercising the warrants with cash, the placement agent may elect to receive that number of shares of common stock or Series A Preferred Stock, as applicable, equal to the value of the warrant (or that portion being exercised) at the time of exercise.

Registration rights. The Company agreed to use its best efforts to register the common stock underlying the Securities for resale via a Form S-3 or other appropriate registration statement ("Registration Statement") within 90 days after the completion of the Series A Offering.
