RE: Opinion of Counsel - Order No. 70-9937

Edgar Filing: AMERICAN ELECTRIC POWER CO INC - Form 35-CERT

I have acted as counsel for American Electric Power Company, Inc. ("American") in connection with its short-term financing program to fund a utility money pool ("Money Pool") in effect through December 31, 2002, pursuant to which certain subsidiaries of American, namely, AEP Texas Central Company ("TCC") [formerly known as Central Power and Light Company ("CPL")], Public Service Company of Oklahoma ("PSO"), Southwestern Electric Power Company ("SWEPCO"), AEP Texas North Company ("TNC") [formerly known as West Texas Utility Company ("WTU")], and Central and Southwest Services, Inc. ("CSWS"), AEP Generating Company ("AEPGCO"), Columbus Southern Power Company ("CSPCO"), Indiana Michigan Power Company ("IMPSCO"), Kentucky Power Company ("KPCO"), Kingsport Power Company ("KGPCO"), Ohio Power Company ("OPCO"), American Electric Power Service Corporation ("AEPSC"), Cedar Coal Company ("CEDAR"), Central Coal Company ("CCCO"), Appalachian Power Company ("APCO"), Central Appalachian Coal Company ("CACCO"), Southern Appalachian Coal Company ("SACCO"), West Virginia Power Company ("WVPCO"), Colomet, Inc. ("COLM"), Simco, Inc. ("SIMCO"), Franklin Real Estate Company ("FRECO"), Indiana Franklin Realty, Inc. ("IFRI"), Blackhawk Coal Company ("BHCCO"), Wheeling Power Company ("WPCO"), and Conesville Coal Preparation Company ("CONESVILLE") (collectively "Subsidiaries") borrowed short-term funds through the Money Pool in an aggregate amount not in excess of the maximum amount authorized by the Commission as specified in the Application or Declaration on Form U-1 and all amendments filed thereto with the Commission in File No. 70-9937.

In connection with said financing program, I have examined, among other things, the following: the Application or Declaration on Form U-1 and all amendments thereto filed by American and its Subsidiaries with your Commission in File No. 70-9937; the resolutions adopted by the Board of Directors of American authorizing the short-term financing program and the filing of said Application or Declaration on Form U-1; and the Orders of the Securities and Exchange Commission, the Virginia State Corporation Commission, and the West Virginia Public Service Commission authorizing the foregoing transactions.

In my opinion, (a) all requisite action has been taken that was necessary to make valid the issuance and sale of such commercial paper to dealers, and the making of such unsecured borrowings through the Money Pool; (b) the transactions have been carried out in accordance with the Application or Declaration on Form U-1; (c) American and each of the Subsidiaries are validly organized and duly existing corporations and such commercial paper issued to fund the Money Pool and the borrowings by the Subsidiaries through the Money Pool were valid and binding obligations of American and the Subsidiaries in accordance with their terms; and (d) the consummation of the transactions did not violate the legal rights of the holders of any securities issued by American, Subsidiaries, or any associate company thereof.

Very truly yours,

/s/ Ann B. Graf
