## INDEX TO EXHIBITS

99	Quarterly shareholder report issued May 4, 2005

Exhibit 99

[GRAPHIC OMITTED][GRAPHIC OMITTED]

First Mid-Illinois Bancshares, Inc. had a successful first quarter with diluted earnings per share increasing to \$.54 per share as compared to \$.51 per share for the first quarter of 2004, a 6% increase. Net income increased to \$2,435,000 as compared to \$2,389,000 in the first quarter of 2004. All share and per share information for prior periods presented in this report have been adjusted to reflect the three-for-two stock split in the form of a 50% stock dividend completed in July 2004.

Higher non-interest income was the primary factor in earnings growth.

## Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

Non-interest income increased to \$3,176,000 as compared to \$2,898,000 for the first quarter of 2004. As a result of new business underwritten through The Checkley Agency, Inc. and decreased policy claims, insurance commissions were \$81,000 greater than the first quarter of 2004. Also, we sold securities that resulted in a gain of \$173,000 during the quarter as market opportunities and investment portfolio liquidity factored in the decision to sell. In addition, increased residential mortgage originations and greater refinance activity as a result of lower long-term interest rates than the first quarter of last year led to mortgage banking revenues increasing by \$59,000 from the first three months of 2004.

Net interest income also increased to \$7,075,000 as compared to \$7,040,000 for the first quarter of 2004. This was the result of higher loan and deposit balances than the first quarter of last year. Loan balances on March 31, 2005 were \$593 million as compared to \$551 million on March 31, 2004. Deposit balances increased to \$638 million from \$624 million last March. Since December 31, 2004, loan balances have declined as a result of seasonal paydowns on agricultural loans and deposits have declined primarily as a result of the maturity of brokered CDs that were not replaced. The Company's year-to-date net interest margin was 3.76% on a tax-equivalent basis compared with 3.93% for the first quarter of last year as increases in short-term interest rates led to greater funding costs. It is important to note the Company did recover \$85,000 in interest during the first quarter of 2004 that enhanced the previous year's net interest margin.

Our provision for loan losses amounted to \$187,000 for the first three months of 2005, which was the same amount as the first quarter of 2004. Net charge-offs declined to \$71,000 in the first quarter of 2005 compared to \$113,000 for the same period last year. Non-performing loans were \$3.7 million on March 31, 2005 as compared with \$3.3 million on March 31, 2004.

Non-interest expenses increased by \$138,000 compared to the first quarter of 2004 as a result of increased costs incurred with the opening of a new banking facility and professional fees incurred in complying with the requirements of the Sarbanes-Oxley Act of 2002.

First Mid opened its twenty-fifth banking location in the first quarter. The new full-service facility is located at the corner of Broadway and Cypress Street in Highland and provides customers a downtown location in addition to the existing facility on Route 143. We have grown loans and deposits substantially since entering the community in 2001 and are pleased to now offer our customers the convenience of two Highland locations.

In April, our Company celebrated 140 years of providing financial services to the people of Illinois. As you can imagine, we have overcome many economic, governmental, and societal changes over the past 140 years. One thing that has remained clear is our focus on retaining the trust and confidence of our shareholders, our customers, our communities, and our employees. Together, we have built an outstanding organization.

Our 2005 annual meeting of stockholders will be held at 4:00 p.m. on May 25, 2005 in the main lobby of First Mid-Illinois Bank & Trust, N.A., 1515 Charleston Avenue, Mattoon, Illinois. All shareholders are invited to attend. On behalf of the Board, management and entire staff of the Company, I thank you for your continued support and look forward to visiting with as many of you as possible at the annual meeting.

Sincerely,

/s/ William S. Rowland
