Item 1 Security and Issuer

This Amendment of the Reporting Persons' (as defined below) statement on Schedule 13D (this "Amendment") relates to shares of auction rate preferred securities ("ARPS") of BlackRock MuniYield Investment Quality Fund (the "Issuer"). This Amendment is being filed by the Reporting Persons as a result of the Issuer redeeming all of the ARPS held by the Reporting Persons on January 10, 2012. The Issuer's principal executive offices are located at 100 Bellevue Parkway, Wilmington, DE 19809.

All series of ARPS issued by the Issuer that vote together as a single class are treated as one class. As closed-end funds that issue auction rate preferred securities do not provide publicly the amount of such securities outstanding, we established the amount of such securities outstanding by canvassing the issuers and the managers of the various auctions for such securities.

Item 2 Identity and Background

This Amendment is being filed on behalf of each of the following persons (collectively, the "Reporting Persons"):

- i. Bank of America Corporation ("BAC")
- ii. Blue Ridge Investments, L.L.C. ("Blue Ridge")

This Amendment relates to the ARPS that were held for the account of Blue Ridge.

The address of the principal business office of BAC is:

Bank of America Corporate Center
100 North Tryon Street
Charlotte, North Carolina 28255

The address of the principal business office of Blue Ridge is:

214 North Tryon Street
Charlotte, North Carolina 28255

BAC, through its wholly-owned subsidiaries, BANA, Merrill Lynch, and Blue Ridge, is engaged in providing a diverse range of financial services and products. Since settlements with the Securities and Exchange Commission and certain state agencies in 2008, Merrill Lynch and certain predecessors have worked with their customers and issuers of auction rate preferred securities to provide liquidity to the auction rate preferred securities market. This has included purchasing auction rate preferred securities from their customers and working with issuers so that they are able to redeem outstanding auction rate preferred securities.

Information concerning each executive officer, director and controlling person (the "Listed Persons") of the Reporting Persons is listed on Schedule I attached hereto, and is incorporated by reference herein. To the knowledge of the Reporting Persons, all of the Listed Persons are citizens of the United States, other than as otherwise specified on Schedule I hereto.

Other than as set forth on Schedule II, during the last five years, none of the Reporting Persons, and to the best knowledge of the Reporting Persons, none of the Listed Persons, have been convicted in a criminal proceeding

(excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

Item 3 Source and Amount of Funds or Other Consideration

No funds of the Reporting Persons were used in the redemption of the ARPS.

The Reporting Persons declare that neither the filing of this Amendment nor anything herein shall be construed as an admission that such person is, for the purposes of Section 13(d) of the Exchange Act or any other purpose, (i) acting (or has agreed or is agreeing to act together with any other person) as a partnership, limited partnership, syndicate, or other group for the purpose of acquiring, holding or disposing of securities of the Company or otherwise with respect to the Company or any securities of the Company or (ii) a member of any group with respect to the Company or any securities of the Company.

Item 4 Purpose of the Transaction

On January 10, 2012, the Issuer redeemed all of the ARPS held by the Reporting Persons. As a result of this redemption, the Reporting Persons no longer hold any ARPS of the Issuer.

Item 5 Interest in Securities of the Issuer

(a) - (b) The responses of the Reporting Persons to Rows (7) through (11) of the cover pages of this Amendment are incorporated herein by reference.

(c) On January 10, 2012, the Issuer completed its redemption of all of the ARPS held by the Reporting Persons, at par value, for a total cash payment of approximately \$31,100,000. The transaction was effected as part of the Issuer's redemption of its outstanding ARPS.

(d) No other person is known by the Reporting Persons to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, ARPS that may be deemed to be beneficially owned by the Reporting Persons.

(e) On January 10, 2012, the Issuer completed its redemption of all of the ARPS held by the Reporting Persons. As a result of this redemption, the Reporting Persons ceased to be beneficial owners of more than five percent of the class of securities.

Item 6 Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The responses of the Reporting Persons under Item 4 hereof are incorporated herein by reference.

Schedule II

BAC Foreclosure Practice Order

On April 13, 2011, the Board of Governors of the Federal Reserve System (“Federal Reserve”) issued a cease and desist consent order (“Consent Order”) against Bank of America Corporation (“BAC”). The Consent Order makes no finding on any issues of fact or law or any explicit allegation concerning BAC. The Consent Order describes a consent order that the Office of the Comptroller of the Currency (“OCC”) and Bank of America, N.A. (“BANA”), which is owned and controlled by BAC, entered into addressing areas of weakness identified by the OCC in mortgage loan servicing, loss mitigation, foreclosure activities, and related functions by BANA. The Consent Order also states that the OCC’s findings raised concerns that BAC did not adequately assess the potential risks associated with such activities of BANA. The Consent Order directs the board of directors of BAC to take appropriate steps to ensure that BANA complies with the OCC consent order. The Consent Order requires BAC and its institution-affiliated parties to cease and desist and take specified affirmative action, including that BAC or its board: (1) take steps to ensure BANA complies with the OCC order; (2) submit written plans to strengthen the board’s oversight of risk management, internal audit, and compliance programs concerning certain mortgage loan servicing, loss mitigation, and foreclosure activities conducted through BANA; and (3) periodically submit written progress reports detailing the form and manner of all actions taken to secure compliance with the Consent Order. BAC submitted an offer of settlement to the Federal Reserve. In the offer of settlement, BAC agreed to consent to the entry of the Consent Order, without the Consent Order constituting an admission by BAC or any of its subsidiaries of any allegation made or implied by the Federal Reserve in connection with the matter.

BANA Foreclosure Practice Order

On April 13, 2011, the OCC issued a cease and desist consent order (“Order”) against BANA. The Order identified certain deficiencies and unsafe or unsound practices in residential mortgage servicing and in BANA’s initiation and handling of foreclosure proceedings. The Order finds that in connection with certain foreclosures of loans in its residential servicing portfolio, BANA: (a) filed or caused to be filed in courts executed affidavits making various assertions that were not based on the affiants’ personal knowledge or review of relevant books and records; (b) filed or caused to be filed in courts numerous affidavits or other mortgage-related documents that were not properly notarized; (c) litigated foreclosure proceedings and initiated non-judicial foreclosure proceedings without always ensuring that the promissory note or the mortgage document was properly endorsed or assigned and, if necessary, in the possession of the appropriate party at the appropriate time; (d) failed to devote sufficient resources to ensure proper administration of its foreclosure processes; (e) failed to devote to its foreclosure processes adequate oversight, internal controls, policies and procedures, compliance risk management, internal audit, third party management and training; and (f) failed to sufficiently oversee third-party providers handling foreclosure-related services. The Order requires that BANA cease and desist such practices and requires BANA’s Board to maintain a Compliance Committee that is responsible for monitoring and coordinating BANA’s compliance with the Order. The Order provides for BANA to: (a) submit a comprehensive action plan that includes a compliance program, third-party management policies and procedures, controls and oversight of BANA’s activities with respect to the Mortgage Electronic Registration System and compliance with MERSCORP’s membership rules, terms, and conditions; (b) retain an independent consultant to conduct an independent review of residential foreclosure actions regarding individual borrowers; (c) plan for operation of management information systems; (d) submit a plan for effective coordination of communications with borrowers related to loss mitigation or loan modification and foreclosure activities; (e) conduct an assessment of BANA’s risks in mortgage servicing operations; and (f) submit periodic written progress reports detailing the form and manner of all actions taken to secure compliance with the Order. BANA submitted an offer of settlement to the OCC. In the offer of settlement, BANA agreed to consent to the entry of the Order, without admitting or denying any wrongdoing.

Gail Cahaly, et al. v. Merrill Lynch, Pierce, Fenner & Smith Incorporated (“Merrill Lynch”), Benistar Property Exchange Trust Co., Inc.(“Benistar”), et al. (Massachusetts Superior Court, Suffolk County, MA)

Plaintiffs alleged that Merrill Lynch aided and abetted a fraud, violation of a consumer protection law, and breach of fiduciary duty allegedly perpetrated by Benistar, a former Merrill Lynch client, in connection with trading in the client's account. During the proceedings, plaintiff also made allegations that Merrill Lynch engaged in sanctionable conduct in connection with the discovery process and the trial. In 2002, following a trial, a jury rendered a verdict for plaintiffs. Thereafter, the Court granted Merrill Lynch’s motion to vacate and plaintiffs’ motion for a new trial. On June 25, 2009, following a retrial, the jury found in plaintiffs’ favor. On January 11, 2011, the Court entered rulings denying plaintiffs’ motion for sanctions and punitive damages, awarding certain plaintiffs consequential damages, and awarding attorneys’ fees and costs. On February 7, 2011, the Court issued final judgment requiring Merrill Lynch to pay \$9,669,443.58 in consequential and compensatory damage plus statutory interest, and \$8,700,000 in attorneys’ fees and costs; but denying plaintiffs’ requests for punitive damages and sanctions. The client, a co-defendant, filed a notice of appeal of the Court’s denial of its motion for a new trial on or about January 19, 2011. On or about January 24, 2011, plaintiffs filed a notice of appeal of the Court’s denial of their motion for sanctions pursuant to Mass. Gen. Laws c. 231 § 6G. On March 1, 2011, the plaintiffs filed a notice of appeal of the Court’s denial of their requests for punitive damages and sanctions, and the Applicant filed a notice of cross-appeal on March 15, 2011.

BAC Muni Derivative Settlement

The Federal Reserve reviewed certain activities related to various types of anti-competitive activity by certain employees of BAC in conjunction with the sale of certain derivative financial products to municipalities and non-profit organizations variously between 1998 and 2003. Following the review, BAC and the Federal Reserve entered into a Formal Written Agreement on December 6, 2010, to ensure that BAC proactively and appropriately manages its compliance risk related to certain competitively bid transactions. In addition, BAC agreed to submit a written plan to strengthen BAC’s compliance risk management program regarding those same competitively bid transactions, and to promptly implement that plan once it is approved by the Federal Reserve Bank of Richmond.

BANA Muni Derivative Settlement

The OCC reviewed certain activities related to the participation of certain employees of BANA in the sale of certain derivative financial products to municipalities and non-profit organizations, and found information indicating that certain BANA employees engaged in illegal bidding activity related to the sale of those derivative financial products variously between 1998 and January 2004. Following the review, BANA and the OCC entered into a Formal Written Agreement on December 7, 2010, to ensure that BANA proactively and appropriately manages its compliance risk related to various competitively bid transactions, including those related to derivative financial products to municipalities and non-profit organizations.

In addition, BANA agreed to do a formal assessment of all business lines that engage in certain types of competitively bid transactions, to complete a formal evaluation of the operational policies and procedures applicable to such businesses to ensure that adequate policies and procedures exist to ensure compliance with safe and sound banking

practices, law, and regulations related to the competitively bid transactions, and to develop an internal training program to ensure compliance with all laws and regulations related to competitively bid transactions. Upon approval by the OCC, BANA must immediately begin to implement the policies, procedures and programs called for by the Agreement. Finally, BANA agreed to pay unjust enrichment in the amount of \$9,217,218 to certain counterparties identified by the OCC.

Merrill Lynch (as successor to BAS) Muni Derivative Settlement

On December 7, 2010, the Securities and Exchange Commission ("SEC") issued an administrative and cease-and-desist order (the "Order") finding that Banc of America Securities LLC ("BAS") (which was merged with and into Merrill Lynch on November 1, 2010) willfully violated Section 15(c)(1)(A) of the Securities Exchange Act of 1934 when certain employees participated in improper bidding practices involving the temporary investment of proceeds of tax-exempt municipal securities in reinvestment products during the period 1998-2002. The Order censured BAS, ordered BAS to cease and desist from committing or causing such violations and future violations, and ordered BAS to pay disgorgement plus prejudgment interest in the amount of \$36,096,442.00. BAS consented to the Order without admitting or denying the SEC's findings.

Merrill Lynch 529 Plan AWC

On November 23, 2010, the Financial Industry Regulatory Authority ("FINRA") alleged that Merrill Lynch violated MSRB Rule G-27 in that during the period January 2002 to February 2007, Merrill Lynch required registered representatives to consider potential state tax benefits offered by a state in which a client resides as a factor when recommending a client invest in a 529 plan. But Merrill Lynch's written supervisory procedures did not require supervisors to document reviews to determine if registered representatives had in fact considered potential state tax benefits when recommending a client invest in a 529 plan. As a result, Merrill Lynch did not have effective procedures relating to documenting its suitability determinations in connection with the sale of 529 plans. Without admitting or denying the findings, Merrill Lynch consented to the described sanctions and to the entry of findings; therefore, Merrill Lynch is censured, fined \$500,000 and required within 60 days of execution of this Acceptance, Waiver and Consent ("AWC") to distribute a stand-alone letter acceptable to FINRA to each current customer who resided in a state that offered 529-related state tax benefits at the time the customer opened an advisor-sold specific 529 plan account at Merrill Lynch from June 2002 through February 2007; the letter will instruct the customers to call a designated Merrill Lynch phone number with inquiries, concerns or complaints regarding their 529 investment. The designated number will be available for 120 days after which the number will contain a recorded message to contact Merrill Lynch's college plan services area. If requested within 180 days of mailing of the 529 letter, Merrill Lynch will assist in transferring or rolling-over any customer's investment in the specific plan into a 529 plan of the customer's choice within his/her home state, regardless of whether Merrill Lynch currently offers such 529 plan, with Merrill Lynch waiving any and all client fees, costs in connection with the sale, transfer, or roll-over of the specific plan; and/or any and all client fees, costs due to Merrill Lynch in connection with the initial purchase of a 529 plan within the customer's home state using the proceeds of the specific plan. Merrill Lynch shall provide FINRA semi-annually or upon FINRA's request, until December 31, 2011, a report describing each oral/written inquiry, concern or complaint received through the designated number or any written complaint otherwise received by Merrill Lynch concerning the specific plan from the 529 letter recipients, along with a description of how Merrill Lynch addressed or resolved the inquiries, concerns or complaints of each such customer.

Merrill Lynch (as successor to BAI) Massachusetts Consent

On November 17, 2010, the Commonwealth of Massachusetts Securities Division alleged that two employees of Banc of America Investment Services, Inc. ("BAI") (which merged with and into Merrill Lynch on 10/23/2009) sold Fannie Mae and Freddie Mac federal agency step-up bonds to an investor and that they did not describe the bonds accurately. The state regulator alleged that BAI failed to supervise the conduct in violation of M.G.L. C.110a § 204(a)(2)(g). Only BAI was named as a respondent in the consent order. On November 16, 2010, BAI submitted an offer of settlement, without admitting or denying the facts and without an adjudication of any issue of law or fact, and consented to the entry of the consent order. BAI agreed to a fine of \$100,000, to cease and desist, and to an undertaking to retain an independent compliance consultant and impose heightened supervision on a representative.

Merrill Lynch FINRA UIT AWC

On August 18, 2010, FINRA alleged that Merrill Lynch violated NASD Rules 2110, 2210, 3010--in that Merrill Lynch failed to establish, maintain and enforce a supervisory system and written supervisory procedures reasonably designed to achieve compliance with its obligations to apply sales charge discounts to all eligible Unit Investment Trust ("UIT") purchases. Merrill Lynch relied on its brokers to ensure that customers received appropriate UIT sales charge discounts, despite the fact that Merrill Lynch failed to appropriately inform and train brokers and their supervisors about such discounts. Merrill Lynch's written supervisory procedures had little or no information or guidance regarding UIT sales charge discounts. Once Merrill Lynch established procedures addressing UIT sales charges discounts, they were inaccurate and conflicting. Merrill Lynch's written supervisory procedures incorrectly stated that a discount would not apply when a client liquidates an existing UIT position and uses the proceeds to purchase a different UIT. Merrill Lynch's procedures lacked substantive guidelines, instructions, policies, or steps for brokers or their supervisors to follow to determine if a customer's UIT purchase qualified for and received a sales charge discount. As a result of the defective procedures, Merrill Lynch failed to provide eligible customers with appropriate discounts on both UIT rollover and breakpoint purchases. Merrill Lynch failed to identify and appropriately apply sales charge discounts in transactions reviewed in a sample of customer purchases in certain top selling UITs. As a result, Merrill Lynch overcharged customers in this sample approximately \$123,000. Following FINRA's publication of a settlement with another firm concerning UIT transactions and independent of FINRA's pending inquiry, Merrill Lynch analyzed its application of sales charge discounts to UIT transactions. As a result of the review, Merrill Lynch identified customers that were overcharged when purchasing UITs through Merrill Lynch and in accordance with the undertakings set forth below, will remediate those customers more than \$2 million in overcharges. Merrill Lynch approved for distribution inaccurate and misleading UIT sales literature and provided this UIT presentation for brokers to use with clients. This presentation was subject to the content standards set forth in NASD Rule 2210(d) and violated those standards. Without admitting or denying the findings, Merrill Lynch consented to the described sanctions and to the entry of findings; therefore, Merrill Lynch is censured, fined \$500,000 and agrees to provide remediation to customers who, during the relevant period, purchased UITs and qualified for, but did not receive, the applicable sales charge discount. Within 90 days of the effective date of this AWC, Merrill Lynch submitted to FINRA a proposed plan of how it will identify and compensate customers who qualified for, but did not receive, the applicable UIT sales charge discounts. The date that FINRA notifies Merrill Lynch that it does not object to the plan shall be called the notice date. In the event FINRA does object to the plan, Merrill Lynch will have an opportunity to address FINRA's objections and resubmit the plan within 30 days. A failure to resubmit to FINRA a plan that is reasonably designed to meet the specific requirements and general purpose of the undertaking will be a violation of the terms of the AWC. Merrill Lynch shall complete the remediation process within 180 days from the notice date. Within 210 days of the notice date, Merrill Lynch will submit to FINRA a schedule of all customers identified during Merrill Lynch's review as not having received an appropriate sales charge discount. The schedule shall include details of the qualifying purchases and the appropriate discount and total dollar amounts of restitution provided to each customer. Also within 210 days from the notice date, Merrill Lynch will submit to FINRA a report that explains how Merrill Lynch corrected its UIT systems and procedures and the results of Merrill Lynch's implementation of its plan to identify and compensate qualifying customers including the amounts and manner of all restitution paid.

Merrill Lynch NASDAQ Settlement

On June 29, 2010, the NASDAQ Stock Market (“NASDAQ”) alleged that Merrill Lynch violated NASDAQ RULES 2110, 3010 in that Merrill Lynch's supervisory system and written supervisory procedures were not reasonably designed to achieve compliance with applicable securities laws and regulations (including NASD notice to members 04-66) and NASDAQ rules concerning the prevention of erroneous orders and transactions and frivolous clearly erroneous transaction complaints. Without admitting or denying the findings, Merrill Lynch consented to the described sanctions and to the entry of findings; therefore, Merrill Lynch is censured, fined \$10,000 and required to revise its written supervisory procedures regarding compliance with NASD Notice to Members 04-66 within 30 business days of acceptance of this AWC by the NASDAQ review council.

BAC ML&Co. Proxy Rule Settlement

The SEC alleged that BAC violated the federal proxy rules by failing to disclose information concerning Merrill Lynch & Co., Inc.'s (“ML&Co.”) known and estimated losses in the fourth quarter of 2008 prior to the shareholder vote on December 5, 2008 to approve the merger between the two companies. In addition, the SEC alleged that Bank of America Corporation (the “Corporation”) violated Section 14(a) of the Securities Exchange Act of 1934 (the “Exchange Act”) and Rule 14a-9 thereunder by failing to disclose in the Corporation's joint proxy statement filed on November 3, 2008 the incentive compensation that Merrill Lynch & Co., Inc. could, in its discretion, award to its employees prior to completion of its merger with the Corporation. On February 24, 2010, a final judgment (the “Final Judgment”) was entered by the U.S. District Court for the Southern District of New York in both matters. Under the terms of the Final Judgment, BAC agreed to pay \$1 in disgorgement and a \$150 million civil penalty to be distributed to shareholders as part of the SEC's Fair Funds Program at a later date in accordance with further order of the court. In addition, as part of the Final Judgment, BAC agreed, for a period of three years, to comply with and maintain certain requirements related to BAC's corporate governance and disclosure practices.

Merrill Lynch CBOE Decision and Order of Offer of Settlement

On April 13, 2010, the Chicago Board of Options Exchange (“CBOE”) censured and fined Merrill Lynch \$150,000. In addition, the BCC ordered an undertaking requiring Merrill Lynch to provide the Exchange with a certification within thirty (30) days of the issuance of the decision in this matter that Merrill Lynch has corrected the systems problems leading to this case, that all information reported to the Exchange in accordance with Rule 4.13(a) is accurate and is being submitted on a timely basis, and that respondent immediately notify the Exchange of any inaccuracies in any reports submitted pursuant to rule 4.13(a). During all relevant periods herein, Exchange members were required to submit to the large options position report all customer positions, which numbered 200 contracts or more in any single option class listed on the Exchange on the same side of the market along with their customer's name, address, and social security number or tax identification number. Merrill Lynch failed to properly submit all required account information for approximately 1,346 accounts to the large options position report. (CBOE Rule 4.13(a) - reports related to position limits.)

In September 2009, Merrill Lynch reached agreements in principle and final administrative settlements with the Texas State Securities Board and various state securities regulators relating to the state registration of sales assistants known as Client Associates. Without admitting or denying wrongdoing, Merrill Lynch agreed to certain undertakings and regulatory sanctions including reprimand or censure, agreement to cease and desist sales of securities through persons not registered with the states, payments of fines, penalties and other monetary sanctions (including past registration

Merrill Lynch, BAI and BAS Auction Rate Securities Settlements

In August 2008, Merrill Lynch, BAS and BAI each reached certain agreements in principal and final settlements with the Office of the New York State Attorney General, the Massachusetts Securities Division, various state securities regulators, and the staff of the SEC (the “ARS Settlements”) relating to auction rate securities (“ARS”). As the result of the mergers of BAI with and into Merrill Lynch on October 23, 2009 and BAS with and into Merrill Lynch on November 1, 2010, Merrill Lynch assumed the liabilities of BAI and BAS in this matter. Without admitting or denying wrongdoing, each of the aforementioned entities has agreed to, pursuant to the terms of each settlement to which it is a party, among others, repurchase ARS at par value (plus any accrued but unpaid interest or dividends) from certain eligible customers, use best efforts to provide liquidity solutions for institutional holders of ARS, participate in a special arbitration process to the extent that eligible customers believe they have a claim for consequential damages, refund certain refinancing fees related to ARS, pay a civil money penalty and compensate other eligible customers who purchased ARS and sold them at a loss. Each of Merrill Lynch, BAS and BAI has substantially completed the purchase of those ARS. BAI and BAS also agreed to pay a total civil penalty of \$50,000,000 that will be distributed among the states and U.S. territories that enter into administrative or civil consent orders related to ARS. Merrill Lynch agreed to pay a \$125,000,000.00 civil penalty that will be distributed similarly.

BAI Representative Supervision Settlement

On October 22, 2009, the SEC alleged that BAI failed reasonably to supervise a former registered representative who converted certain customer funds, with a view to preventing and detecting violations of Federal securities laws, as required under Section 15(B)(4)(E) of the Securities Exchange Act of 1934 (the “Exchange Act”). Without admitting or denying the allegations, BAI agreed to enter into a settlement with the SEC, paid a civil money penalty in the amount of \$150,000, and to comply with certain undertakings. Such undertakings include retaining an independent consultant to review and evaluate the effectiveness of BAI's supervisory and compliance systems, policies, and procedures concerning the following: (1) review of customer accounts and securities transactions; and (2) periodic compliance inspections. BAI has undertaken to adopt, implement, and maintain all policies, procedures, and practices recommended by the independent consultant. material information.

Merrill Lynch's supervisory system did not provide for supervision designed to achieve compliance re: TRACE, quality of markets, transaction reporting, short sales, OATS, etc. Without admitting or denying the findings, Merrill Lynch consented to the described sanctions and to the entry of findings; therefore, Merrill Lynch was censured, fined \$242,500, and ordered to pay \$11,358.65, plus interest, in restitution. A registered principal of Merrill Lynch shall submit satisfactory proof of payment of the restitution, or of reasonable and documented efforts undertaken to effect restitution no later than 120 days after acceptance of this AWC. Any undistributed restitution and interest shall be forwarded to the appropriate escheat, unclaimed property or abandoned property fund for the state in which the customer last resided. At the conclusion of the 12 months, Merrill Lynch's

BAS NYSE ETFs Decision

On October 4, 2007, without admitting or denying guilt, BAS consented to findings that it violated: 1. NYSE Rule 401(A) by failing to adhere to the principals of good business practice in that BAS failed to ensure the delivery of prospectuses in connection with certain sales of registered securities in violation of Section 5(B)(2) of the Securities Act of 1933; 2. NYSE Rule 1100(B) by failing to deliver product descriptions to customers that purchased Exchange traded funds ("ETFs"); and 3. NYSE Rule 342 by failing to provide for, establish and maintain appropriate procedures of supervision and control including a system of follow-up and review, with respect to its operational and technological activities relating to the delivery of product descriptions and prospectuses with respect to ETF shares and an offering of a certain equity security. BAS stipulated to the following sanctions: The imposition by the NYSE of : 1. Censure; 2. A fine in the amount of \$375,000; and 3. An undertaking to provide enforcement with a written certification that its current policies and procedures, including written supervisory and operational policies and procedures, regarding the delivery of prospectuses and product descriptions are reasonably designed to ensure compliance with the Federal securities laws and NYSE rules applicable to the delivery of prospectuses and product descriptions. BAS provided the NYSE with this written certification within 90 days from the date the hearing panel made the decision in this matter final.

BAS NASD OATS AWC

On May 29, 2007, the NASD alleged that BAS transmitted to OATS execution reports that contained inaccurate, incomplete or improperly formatted data so that the OATS system was unable to link the execution reports to the related trade reports in an NASD trade reporting system; erroneously reported to OATS execution codes with the exception code of "R" for riskless principal trades it reported under the alternative approach; failed to ROES that were rejected by OATS for context and syntax errors and were repairable; submitted to OATS route or combined order/route reports that the OATS system was unable to link to the related order routed to the NASDAQ exchange or to the corresponding new order submitted by the destination member firm due to inaccurate, incomplete or improperly formatted data; failed, within 90 seconds after execution, to transmit to the trade reporting facility last sale reports of transactions in designated securities; failed, within 90 seconds, to transmit to the OTC reporting facility last sale reports of transactions in OTC equity securities; reported last sale reports of transactions in designated securities to the trade reporting facility it was not required to report; failed to report to TRACE the correct contra-party's identifier for transactions in TRACE-eligible securities; BAS's supervisory system did not provide for supervision reasonably designed to achieve compliance with applicable securities laws, regulations and NASD rules concerning TRACE reporting, order handling and soft dollar accounts and trading; and transmitted to OATS reports that contained inaccurate, incomplete or improperly formatted data. The findings stated that BAS failed, within 90 seconds after execution, to transmit through ACT last sale reports of transactions in NASDAQ National Market ("NNM"), NASDAQ SMALLCAP ("SC") securities and OTC equity securities. The findings also stated that BAS failed to enforce its written supervisory procedures for trade reporting and failed to designate as ".T" through ACT last sale reports of transactions in OTC equity securities executed outside normal market hours. The findings also included that BAS transmitted to OATS reports that contained inaccurate, incomplete or improperly formatted data, effected short sales in certain securities for BAS's proprietary account and failed to make/annotate an affirmative determination that BAS could borrow the securities or otherwise provide for delivery of the securities by settlement date. The NASD found that BAS executed short sale orders and failed to properly mark the order tickets as short for those orders; failed to provide written notification disclosing to its customers its correct capacity in the transaction, that the transaction was executed at an average price and that it was a market maker. The NASD also found that BAS failed to report to ACT the correct symbol indicating whether the transaction was a buy, sell, sell short, sell short exempt or cross for transactions in eligible securities. In addition, the NASD determined that BAS's supervisory system did not provide for supervision reasonably designed to achieve compliance with respect to the applicable securities laws, regulations and NASD rules concerning registration, SEC Rule 11AC1-6, short sales, bid test and books and records. Without admitting or denying the findings, BAS consented to the described sanctions and to the entry of findings, therefore, BAS was censured, fined \$56,500 and required to revise its written supervisory procedures and supervisory enforcement with respect to registrations, SEC Rule 11AC1-6, short sales, bid test and books and records.

The SEC's Order finds that, during the period of January 1999 through December 2001, BAS violated the antifraud and internal control provisions of the federal securities laws in connection with BAS' issuance of research. The SEC Order provides that BAS is censured; BAS shall cease and desist from committing or causing any future violations of Sections 15(c) and 15(f) of the Exchange Act and Rule 15c1-2(a) promulgated thereunder; BAS shall pay a civil money penalty of \$6 million for violations of Section 15(f) of the Exchange Act and \$10 million in disgorgement plus a civil money penalty of \$10 million for its violations of Section 15(c) of the Exchange Act; and BAS shall comply with certain undertakings.
